This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 15-448**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.1405, 106.19(1)(b), 106.19(1)(c), and 106.19(1)(d), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on September 28, 2017, the following facts and law support this staff recommendation:

1. On October 16, 2015, the Florida Elections Commission ("Commission") received a sworn complaint from James Donelon ("Complainant"), alleging that Telisha Brown a.k.a. Lisa Wheeler Brown ("Respondent") violated Chapter 106, Florida Statutes.
2. Respondent was a 2015 candidate for Saint Petersburg City Council, District 7. Respondent's Statement of Candidate form ("DS-DE 84") was filed on January 12, 2015. (ROI Exhibit 1)<sup>1</sup>
3. By letter dated December 28, 2015, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(5), Florida Statutes:** Respondent, a 2015 candidate for the Saint Petersburg City Council, District 7, filed campaign treasurer reports that were either incorrect or incomplete, as alleged in the complaint.

**Section 106.1405, Florida Statutes:** Respondent, a 2015 candidate for the Saint Petersburg City Council, District 7, appears to have used funds on deposit in her campaign account to defray normal living expenses, as alleged in the complaint.

**Section 106.19(1)(b), Florida Statutes:** Respondent, a 2015 candidate for the Saint Petersburg City Council, District 7, failed to report one or more contributions required to be reported by Chapter 106, Florida Statutes, as alleged in the complaint.

---

<sup>1</sup> The Report of Investigation is referred to herein as "ROI."

**Section 106.19(1)(c), Florida Statutes:** Respondent, a 2015 candidate for the Saint Petersburg City Council, District 7, falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

**Section 106.19(1)(d), Florida Statutes:** Respondent, a 2015 candidate for the Saint Petersburg City Council, District 7, made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, as alleged in the complaint.

**Alleged Violation: Section 106.07(5), Florida Statutes**

4. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2015 Q1 (original and amended) and 2015 Q2 (original and amended) reports were true, correct, and complete when they were not.

5. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period.

6. The campaign's 2015 Q1 Report failed to disclose three monetary contributions totaling \$700, three in-kind contributions from Parker Financial Services totaling \$60, and one cash withdrawal (expenditure) totaling \$500, and misidentified the source of three contributions totaling \$250, misidentified the type of two contributions totaling \$687.48 as being check contributions instead of in-kind contributions, and misidentified five cash withdrawals (expenditures) totaling \$8,900 as being check expenditures to Strategic Campaigns, and reported four contributions totaling \$1,235 when no contributions took place. (ROI Exhibit 8, page 13; ROI Exhibit 9; ROI Exhibit 17, pages 1-6; ROI Exhibit 18, pages 1-6; ROI Exhibit 19, pages 1-6) (See ROI, Table 1, pages 3 & 4)

7. The amended 2015 Q1 Report reported one expenditure totaling \$500 when no expenditure took place. (ROI Exhibit 10; ROI Exhibit 17, pages 1-6) (See ROI, Table 1, page 4)

8. The second amended 2015 Q1 Report misidentified the source and amount of three in-kind contributions. (ROI Exhibit 8, page 13; ROI Exhibit 11) (See ROI Table 1, page 5)

9. The campaign's 2015 Q2 Report failed to disclose one monetary contribution totaling \$75, three in-kind contributions from Parker Financial Services totaling \$60, and one cash withdrawal (expenditure) totaling \$400. (ROI Exhibit 8, page 13; ROI Exhibit 14; ROI Exhibit 17, pages 7-12; ROI Exhibit 18, page 7; ROI Exhibit 19, page 7) (See ROI Table 1, page 6)

10. The amended 2015 Q2 Report misidentified the source of three in-kind contributions totaling \$60. (ROI Exhibit 8, page 13; ROI Exhibit 15) (See ROI Table 1, page 6)

11. Months after filing the original 2015 Q1 and 2015 Q2 reports, Respondent amended the reports to correct some of the incorrect information.

12. Respondent stated that Nick Janovsky, her campaign manager and treasurer, made cash withdrawals rather than check expenditures to his business Strategic Campaigns. (ROI Exhibit 8, page 11) Respondent's campaign documents show that Mr. Janovsky was her treasurer for 16 days in January 2015, but was then reappointed as deputy treasurer in 2016. (ROI Exhibits 2, 5, & 6) Mr. Janovsky also served as Respondent's campaign manager through March 12, 2015. (ROI Exhibit 7)

13. Respondent certified that the campaign's 2015 Q1, amended 2015 Q1, second amended 2015 Q1, 2015 Q2, and amended 2015 Q2 reports were true, correct, and complete when they were not.

**Alleged Violation: Section 106.19(1)(b), Florida Statutes**

14. Complainant alleged that Respondent violated Florida's election laws by failing to report contributions required to be reported by Chapter 106, Florida Statutes. The reporting periods at issue begin with the 2015 Q1 reporting period (from January 1, 2015) and end with the 2015 Q2 reporting period (through June 30, 2015).

15. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received during the relevant reporting periods which were not reported.

16. Respondent's bank records reflect three monetary contributions totaling \$700 that Respondent failed to disclose on her 2015 Q1 Report. (ROI Exhibit 9; ROI Exhibit 17, pages 1-6; ROI Exhibit 19, pages 1-3) (*See* ROI, Table 1, page 3) Additionally, Respondent failed to disclose three in-kind contributions totaling \$60 on her 2015 Q1 Report. (ROI Exhibit 8, page 13; ROI Exhibit 9) (*See* ROI, Table 1, page 4)

17. Respondent's bank records reflect one monetary contribution totaling \$75 that Respondent failed to disclose on her 2015 Q2 Report. (ROI Exhibit 14; ROI Exhibit 17, pages 7-12; ROI Exhibit 19, page 7) (*See* ROI, Table 1, page 6) Additionally, Respondent failed to disclose three in-kind contributions totaling \$60 on her 2015 Q2 Report. (ROI Exhibit 8, page 13; ROI Exhibit 14) (*See* ROI, Table 1, page 6)

18. Months after filing the original 2015 Q1 and 2015 Q2 reports, Respondent amended the reports to add some of the previously unreported contributions.

19. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2015 Q1 and 2015 Q2 reports.

**Alleged Violation: Section 106.19(1)(c), Florida Statutes**

20. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes. The reporting periods at issue begin with the 2015 Q1 reporting period (from January 1, 2015) and end with the 2015 Q2 reporting period (through June 30, 2015).

21. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received or expenditures were made during the relevant reporting periods which were not reported or falsely reported.

22. Respondent's bank records reflect three monetary contributions totaling \$700 and one cash withdrawal (expenditure) totaling \$500 that Respondent failed to disclose on her 2015 Q1 Report. Additionally, Respondent failed to disclose three in-kind contributions totaling \$60 on her 2015 Q1 Report. Respondent also falsely reported information when she misidentified the source of three contributions totaling \$250, misidentified the type of two contributions totaling \$687.48 as being check contributions instead of in-kind contributions, and misidentified five cash withdrawals (expenditures) totaling \$8,900 as being check expenditures to Strategic Campaigns, and reported four contributions totaling \$1,235 when no contributions took place. (ROI Exhibit 8, page 13; ROI Exhibit 9; ROI Exhibit 17, pages 1-6; ROI Exhibit 18, pages 1-6; ROI Exhibit 19, pages 1-6) (*See* ROI, Table 1, pages 3 & 4)

23. Respondent falsely reported information on her 2015 amended Q1 Report when she reported one expenditure totaling \$500 when no expenditure took place. (ROI Exhibit 10; ROI Exhibit 17, pages 1-6) (*See* ROI Table 1, page 4)

24. Respondent falsely reported information on her second amended 2015 Q1 when she misidentified the source and amount of three in-kind contributions. (ROI Exhibit 8, page 13; ROI Exhibit 11) (*See* ROI Table 1, page 5)

25. Respondent's bank records reflect one monetary contribution totaling \$75 and one cash withdrawal (expenditure) totaling \$400 that Respondent failed to disclose on her 2015 Q2 Report. Additionally, Respondent failed to disclose three in-kind contributions totaling \$60 on her 2015 Q2 Report. (ROI Exhibit 8, page 13; ROI Exhibit 14; ROI Exhibit 17, pages 7-12; ROI Exhibit 18, page 7; ROI Exhibit 19, page 7) (*See* ROI, Table 1, page 6)

26. Respondent falsely reported information on her amended 2015 Q2 Report when she misidentified the source of three in-kind contributions totaling \$60. (ROI Exhibit 8, page 13; ROI Exhibit 15) (*See* ROI Table 1, page 6)

27. Months after filing the original 2015 Q1 and 2015 Q2 reports, Respondent amended the reports to add some of the previously unreported contributions and expenditures, and corrected some of the falsely reported information.

28. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election.

Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2015 Q1, and 2015 Q2 reports. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign's 2015 Q1, amended 2015 Q1, second amended 2015 Q1, and amended 2015 Q2 reports.

**Alleged Violation: Section 106.1405, Florida Statutes**

29. Complainant alleged that Respondent used funds on deposit in her campaign account to defray normal living expenses when she made an expenditure to Modern Day Smiles for dental work.

30. Respondent's amended 2015 Q1 Report reflects an expenditure to Modern Day Smiles on February 26, 2015, in the amount of \$500 for the purpose of "Photo Shoot Expense." (ROI Exhibit 10, page 3)

31. A subpoena was issued to Respondent's designated campaign depository. Respondent's bank records do not show a check expenditure to Modern Day Smiles, however, the records show a \$500 cash withdrawal on February 26, 2015 signed by Respondent. (ROI Exhibit 17, page 3; ROI Exhibit 18, page 6)

32. Respondent stated that one of her gold teeth broke so she underwent a dental procedure. She stated that she had a campaign photo shoot that she was unable to cancel or reschedule because the photos were to be used in campaign advertisements. She stated that she used cash withdrawn from the campaign account to pay for the procedure and that her campaign manager, Nick Janovsky stated that it was permissible to pay a portion of the total cost of the procedure with campaign funds due to the previously scheduled campaign photo shoot. (ROI Exhibit 8, page 11)

33. Respondent stated that she later reimbursed her campaign for the \$500 expenditure by check written in August or September 2015 from her former husband's, Steven Brown, bank account. (ROI Exhibit 8, page 11) Respondent's bank records show that Steven Brown issued a \$500 check to Respondent's campaign on September 25, 2015. (ROI Exhibit 20) Respondent did not disclose the check contribution as being from Steven Brown but listed a \$500 negative expenditure for the purpose of reimbursement from self on September 29, 2015. (ROI Exhibit 21, page 3)

34. It appears that Respondent used funds on deposit in her campaign account to defray normal living expenses when she made an expenditure to Modern Day Smiles for dental work.

**Alleged Violation: Section 106.19(1)(d), Florida Statutes**

35. Complainant alleged that Respondent violated Florida's election laws by making or authorizing an expenditure prohibited by Chapter 106, Florida Statutes, with regard to the expenditure to Modern Day Smiles.

36. Based on the above analysis, it appears that Respondent used funds on deposit in her campaign account to defray normal living expenses when she made an expenditure to Modern Day Smiles for dental work, which is a violation of Section 106.1405, Florida Statutes. Therefore, Respondent violated Section 106.19(1)(d), Florida Statutes, as she made or authorized an expenditure prohibited by Chapter 106, Florida Statutes.

37. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

38. The facts set forth above show that Respondent was a 2015 candidate for Saint Petersburg City Council, District 7. Respondent certified that the campaign's 2015 Q1, amended 2015 Q1, second amended 2015 Q1, 2015 Q2, and amended 2015 Q2 reports were true, correct, and complete when they were not. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2015 Q1 and 2015 Q2 reports. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2015 Q1, and 2015 Q2 reports. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign's 2015 Q1, amended 2015 Q1, second amended 2015 Q1, and amended 2015 Q2 reports. It appears that Respondent used funds on deposit in her campaign account to defray normal living expenses when she made an expenditure to Modern Day Smiles for dental work. Therefore, Respondent made or authorized an expenditure prohibited by Chapter 106.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

**Count 1:**

**FLORIDA ELECTIONS COMMISSION**  
**REPORT OF INVESTIGATION**  
**Case No.: FEC 15-448**

**Respondent:** Telisha Wheeler Brown

**Counsel for Respondent:** None

**Complainant:** James F. Donelon

**Counsel for Complainant:** None

On October 16, 2015, the Florida Elections Commission received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. The Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete;

Section 106.1405, Florida Statutes, prohibiting a candidate from using funds from her campaign account to defray normal living expenses;

Section 106.19(1)(b), Florida Statutes, failure of a person or organization to report a contribution required to be reported by Chapter 106, Florida Statutes;

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes; and

Section 106.19(1)(d), Florida Statutes, prohibiting a person or organization from making or authorizing any expenditure prohibited by Chapter 106, Florida Statutes.

**I. Preliminary Information:**

1. Respondent Telisha Brown a/k/a "Lisa" Wheeler-Brown n/k/a "Lisa" Wheeler-Bowman was a first-time candidate for the Saint Petersburg City Council, District 7.<sup>1</sup> She secured nearly 58 percent of the vote to defeat Winthrop "Will" Newton in the November 3, 2015 run-off election. There was no incumbent-candidate in this race; Mr. Newton's brother was term-limited out of office. Respondent was sworn into office on January 2, 2016.

2. On January 12, 2015, Respondent filed her Statement of Candidate with the filing officer. On January 5, 2015, Nicolas Janovsky (Respondent's campaign consultant) accepted

---

<sup>1</sup> Complainant identified Respondent as Telisha Brown; and Lisa Wheeler-Brown was listed on the ballot. Respondent was married on June 24, 2016, and according to the Florida Marriage Record her name was Telisha Tanniele Wheeler and she married Lynnne Derwood Bowman. According to the city council's website, she currently uses the name Lisa Wheeler-Bowman.

appointment as Respondent's campaign treasurer.<sup>2</sup> On January 5, 2015, Respondent and her mother, Shirley Jean Weaver, accepted appointment as deputy campaign treasurer. On January 21, 2015, Respondent's mother, Ms. Wheeler, accepted appointment as campaign treasurer.<sup>3</sup> To review Respondent's Statement of Candidate, refer to Exhibit 1. To review Respondent's relevant Forms DS-DE 9, refer to Exhibits 2 through 6.

3. Respondent's filing officer is Chandrasasa S. Srinivasa, Sr., Saint Petersburg City Clerk.

4. Complainant is a resident of Pinellas County, Florida, and past president of a local political club (2007-2009).

5. Complainant essentially asserts that a series of report amendments for Respondent's 2015 Q1 and Q2 reporting periods create a credibility-gap with Respondent and her campaign. Each of Complainant's concerns will be addressed in the paragraphs that follow.

## **II. Alleged Violation of Section 106.07(5), Florida Statutes:**

6. I investigated whether Respondent violated this section of the elections laws by failing to report information.

7. Complainant alleges that Respondent certified campaign treasurer's reports ("CTRs") as true, correct and complete, when they were not.

8. Table 1 identifies missing and incorrect information. (Note: during a telephone interview on September 7, 2017, Respondent said her former campaign manager Nicolas "Nick" Janovsky made cash withdrawals rather than campaign expenditures as payment to his campaign consulting business Strategic Campaigns LLC. Based upon the name and/or signature on cash withdrawal slips Nick Janovsky withdrew cash amounts that were disclosed as expenditures (check) to Strategic Campaigns LLC, and are marked by an asterisk "\*" in Table 1. Also note there was no payment instrument found in the Bank records for the contributions identified as missing in Table 1; and contributions made via an online payment service such as PayPal are given the same contribution type designation ("CHE") as check contributions when disclosed in CTRs.) To review the phone log, refer to Exhibit 8, entry number 34. To review Respondent's relevant CTRs including amendments, refer to Exhibits 9 through 16. To review relevant Bank statements, refer to Exhibit 17. To review relevant cash withdrawal slips, refer to Exhibit 18. To review relevant deposit items, refer to Exhibit 19.

(This space deliberately left blank.)

---

<sup>2</sup> Mr. Janovsky also served as Respondent's campaign consultant from November 10, 2014 through March 16, 2015. To review a relevant email, refer to Exhibit 7.

<sup>3</sup> On January 21, 2015, Shirley J. Wheeler and Nicolas Janovsky completed an Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees form (DS-DE 6) rather than Form DS-DE 9 for Candidates.

<sup>4</sup> Based upon the cash withdrawal slip, the cash withdrawal was signed by Respondent. During a telephone interview on September 7, 2017 (Exhibit 8, entry number 34), Respondent affirmed the withdrawal of cash was used as payment to Modern Day Smiles for a dental procedure for a campaign photo shoot.

<sup>5</sup> During a telephone interview on September 25, 2017 (Exhibit 8, entry number 38), Mr. Toriano H. Parker suggested since multiple offices are located at his business location, (833 22<sup>nd</sup> Street South, St. Petersburg, FL 33712), Respondent's campaign must have selected the first business name identified on the building's main door to identify the in-kind contributor rather than the name of his financial services company.

9. On August 31, 2017, I emailed and mailed an Affidavit of Background Information to Respondent to ascertain why she allegedly used campaign funds to pay for an expense at Modern Day Smiles, and additional issues of concern to Complainant; however, at the time of this ROI, Respondent has not completed the questionnaire, and it was not returned by the USPS.

10. On September 7, 2017, during a telephone interview (Exhibit 8, entry number 34), Respondent acknowledged she relied on the expertise of her former campaign consultant and campaign treasurer, Nick Janovsky. Respondent offered she never wanted to handle her campaign finances, because "I didn't know what I was doing"; therefore, Nick Janovsky handled everything.

11. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

### **III. Alleged Violation of Section 106.1405, Florida Statutes:**

12. I investigated whether Respondent violated this section of the election laws by using campaign funds to pay for an expense at Modern Day Smiles, a dental office, for a photo shoot expense.

13. Complainant essentially alleges that Respondent used funds from her campaign account to defray normal living expenses.

14. Respondent disclosed a campaign expenditure to Modern Day Smiles in the amount of \$500, dated February 26, 2016, sequence # 15, on her 2015 Q1 Report Amendment filed on September 18, 2015, that was of concern to Complainant. However, as indicated in Table 1, no campaign expenditure to Modern Day Smiles was found in the bank records. However, a \$500 cash withdrawal was noted in the campaign depository for the same amount, and on the same date as the disclosed alleged check expenditure.

15. On August 31, 2017, I emailed and mailed an Affidavit of Background Information to Respondent to ascertain why she allegedly used campaign funds to pay for an expense at Modern Day Smiles; however, at the time of this ROI, Respondent has not completed the questionnaire, and it was not returned by the USPS.

16. During a telephone interview on September 7, 2017 (Exhibit 8, entry number 34), as previously discussed in this ROI, Respondent explained she relied on the expertise of her campaign consultant, Nick Janovsky, who informed her campaign funds could be used to pay for the dental procedure since the photo shoot was scheduled by her campaign, and they were unable to reschedule the photo shoot. Respondent confirmed her campaign account was reimbursed by a check drawn on the Bank account of her former husband, Steven Brown, during the time frame of August or September 2015; Respondent said I should look for a check from his account.<sup>8</sup> To review Mr. Brown's check # 833, refer to Exhibit 20.

---

<sup>8</sup> Respondent disclosed a reimbursement to her campaign account in the amount of \$500, dated September 29, 2017, in her 2015 G1 Report, filed on October 9, 2015, for the report cover period of September 14 through October 4, 2015; however, no check was found in Respondent's campaign depository from Respondent. To review her 2015 G1 Report, refer to Exhibit 21.

17. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

**IV. Alleged Violation of Section 106.19(1)(b), Florida Statutes:**

18. I investigated whether Respondent violated this section of the election laws by failing to report contributions as alleged by Complainant.

19. Complainant alleges Respondent failed to report contributions in her original 2015 Q1 and Q2 Reports.

20. To review information regarding this section of the election laws, refer to paragraphs 8 through 10 in this report.

21. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

**V. Alleged Violation of Section 106.19(1)(c), Florida Statutes:**

22. I investigated whether Respondent violated this section of the election laws by falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

23. Complainant alleges Respondent failed to report information in her 2015 Q1 and Q2 Reports including originals and amendments.

24. To review information regarding this section of the election laws, refer to paragraphs 8 through 10 in this report.

25. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

**VI. Alleged Violation of Section 106.19(1)(d), Florida Statutes:**

26. I investigated whether Respondent violated this section of the election laws by making or authorizing any expenditure prohibited by Chapter 106, Florida Statutes.

27. To review information regarding this section of the election laws, refer to paragraphs 13 through 16 in this report.

28. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

**VII. FEC History:**

29. Respondent had no history of additional complaints filed against her with the Commission at the time of our receipt of this complaint.

**Conclusion:**

30. On September 7, 2017, by telephone (Exhibit 8, entry number 34), as previously discussed in this ROI, Respondent acknowledged she relied on the expertise of her former campaign consultant and campaign treasurer, Nick Janovsky. Respondent offered she never wanted to handle her campaign finances, because "I didn't know what I was doing"; therefore, Nick Janovsky handled everything.

31. After Respondent's campaign consultant Mr. Janovsky was dismissed by Respondent on or about March 16, 2015 (Exhibit 7), Respondent enlisted the services of Meagan Salisbury, co-founder of Blue Ticket Consulting, on or about May 10, 2015. During a telephone interview on May 4, 2017 (Exhibit 8, entry number 27), Respondent explained that Meagan Salisbury was very hands on, and Ms. Salisbury directed her to focus on being a candidate, and Ms. Salisbury did everything else.

32. In his Affidavit of Filing Officer, Chandrasasa S. Srinivasa, Sr., Saint Petersburg City Clerk, declared on January 5, 2015, he gave Respondent the following relevant documents: Chapter 106, Florida Statutes; *2015 Candidate Handbook* (published by the City of St. Petersburg, and included information provided by the Division of Elections); and Calendar of Election Dates. To review his Affidavit, refer to Exhibit 22.

33. On January 5, 2015, Respondent signed her Statement of Candidate (Exhibit 1). As previously discussed in this ROI, Respondent was a first-time candidate, and had no history of previous Statements of Candidate. To review relevant pages from the *2015 Candidate Handbook*, refer to Exhibit 23.

34. During my investigation of the allegations contained in the sworn complaint, it appears Respondent's campaign may have held checks more than five business days before depositing into the campaign depository. It also appears bank deposit slips did not identify individual names of contributors and the amount contributed by each. However, because these potential violations were not alleged in the complaint, I did not investigate this information.

Respectfully submitted on September 28, 2017.

acknowledged receipt, agreed to open and print it, and "get right on it." He asked for the production time line; I indicated the records are requested by January 22, 2016. I asked whether that would be a problem noting an extension may be requested since Commission staff have not dealt with his bank previously; he said, "I do not see a problem with that." He asked if I had a preference for a thumb-drive or a disk since I was not making an on-site personal inspection of the records; I said that I did not have a preference; however, I had a preference for records formatted as PDFs over files formatted "unknown," as they are difficult to identify at times and software may not be compatible. I noted he had copied Ryan Snyder (Snyder Law Group) to his email response to me last Thursday, December 31, 2015; Mr. Higgs identified Mr. Snyder as the bank's attorney. (Note that Mr. Snyder is also on the Bank's Board of Directors.) Mr. Higgs thanked me for the call; I thanked him for his courtesies.

**Summary:** I phoned, requested to speak with Ms. Stroh and was informed that she has not left for lunch yet; after I reached her, I explained that I was able to open the invoice on her first email; however, our fee schedule for research and retrieval (\$10.00 per hour) is much less pursuant to Florida Statutes than she charged at \$25.00 per hour; I agreed to provide copy of same. I asked how much the bank charged for a thumb-drive since rates vary greatly from bank-to-bank based upon my experience; she responded \$11.99; she did not know the rate for specialty shipping by FedEx until she prints the invoice. She had her IT person with her regarding the password protection for the records; she will provide the password for the thumb-drive to me by email.

**Summary:** I phoned after reviewing in greater detail the password-protected thumb-drive I received yesterday, and was unable to locate the volume of deposit items and expenditures that should have been included for this campaign account. I phoned and explained the situation; Ms. Stroh asked me to identify folders and items on the thumb-

drive; I did and indicated there were no relevant records beginning in January 2015 through the end of the campaign; two deposits identified in April 2015; and seven deposits identified in August 2015.

Ms. Stroh acknowledged that I was missing numerous folders and subfolders; she is unable to email such a large volume of records to me since her previous attempts had failed on Friday, January 22, 2016; she will send another thumb-drive today. I indicated that I received her invoice for payment (totaling \$49.72), and inquired whether the state will be billed again [thumb-drive (\$11.99) and special shipping (\$12.73)]. Ms. Stroh offered to have her IT department create another thumb-drive with all files on one password-protected thumb-drive and will mail it to me today at their cost since it was their mistake.

I offered that as soon as the completed consent agreement and money (fine payment) is received the case will return to Ms. Cunningham. Respondent asked me how long does an investigation take; I explained that I had obtained bank records prior to Ms. Cunningham offering a consent agreement to her, but usually it takes six months or more depending on the complexity of allegations made by Complainant. **Phone #:** 727-906-6238

**Summary:** I phoned Respondent, reached her voice-mailbox and while I was leaving a message, she called me, I recognized her number on my caller I.D.; I disconnected from her voice-mailbox and reached Respondent. I explained I have concluded my investigation, wish to review my findings and give her an opportunity to respond. I identified several cash withdrawals rather than check expenditures; Respondent said her first campaign manager, "Nick" (Janovsky), used her campaign debit card (she did not use it); Nick made cash withdrawals rather than check expenditures to his business Strategic Campaigns. Respondent said she never wanted a campaign debit card, but because he had more campaign experience she "trusted Nick." Therefore, Nick Janovsky made cash withdrawals (he disclosed as "MON") for payments to his business, "Strategic Campaigns."

Respondent said she never wanted to handle her campaign finances, because "I didn't know what I was doing"; therefore, Nick (Janovsky) who was her campaign consultant/manager and campaign treasurer, handled everything. Later, her mother, Shirley Jean Wheeler, and Meagan (Salisbury) handled everything. Respondent explained the first three months of the campaign (with Nick in charge) were "hell." Respondent noted on one occasion Nick (Janovsky) was very rude to a campaign contributor as the individual was contributing a small \$ amount. Respondent said she and Nick went their separate ways, and Meagan (Salisbury), (co-founder of Blue Ticket Consulting), became her campaign manager.

Respondent said, "Meagan (Salisbury) and my mother tag-teamed, and worked well together." I asked Respondent about the expenditure to Modern Day Smiles; however, I found no check expenditure in the bank records. Respondent said she used cash, and indicated a campaign photo shoot was scheduled and her campaign was unable to cancel or reschedule since photos were for campaign advertisements, publicity, etc. Respondent explained she had two gold teeth, and broke one (gold tooth) while eating chicken. She ended up having a dental procedure (partial plate) and her campaign manager Nick (Janovsky) said it was permissible to pay a portion of the total cost as a campaign expenditure due to the previously scheduled campaign photo shoot. I explained media reports indicated Respondent had reimbursed her campaign \$500 for the dental procedure; however, I found no personal check from her as reimbursement for the campaign's dental payment. Respondent confirmed, and said I should look for a deposit item by check (\$500) written in August or September 2015, on the checking account of Steven Brown, her husband at the time of her campaign (now her former husband).

I reviewed our process and timeline with Respondent: ROI; her response is due within 2 weeks; legal staff's SR; her response is due within 2 weeks; Commission meeting in Tallahassee; NOH sent to her and Complainant; after Commission determines there is probable or no probable cause to believe she violated Florida's election laws, our records become public, etc. I explained I had attempted to reach her former campaign treasurer, her mother Ms. Wheeler, by telephone during my investigation; I called her cell phone

EXHIBIT 8(11 of 13)

number and received message that her voice-mailbox was not set up; and asked Respondent did Ms. Wheeler has a home phone number; Respondent said she did not have a home number, but provided 727-768-3808, as best number to reach her mother, Shirley Jean Wheeler. Respondent said people believe they may have to go to jail due to a case before the Commission; I explained our cases are NOT criminal; however, the Commission may impose civil penalties. Respondent said she has a new address: 4636 25<sup>th</sup> Avenue South, St. Petersburg, FL 33711-3320. Respondent again thanked me for my professionalism and courtesies. I asked how and by whom was the value of the in-kind contribution determined; Mr. Parker said Respondent's campaign manager said that was the "going rate" rather than "per square foot" for "what it'd rent for." He explained there was a lot of vacant space in the building. I asked him why would there have been some discrepancy in the campaign identifying who gave the in-kind contribution and changing the name of the contributor from Advantage Village Academy to Parker Financial Services (Advisors, LLC); Mr. Parker said multiple business names are identified on the main door at that location and the campaign must have used the wrong name—first name identified on the main door.

**Name:** Respondent—Telisha Brown a/k/a Lisa Wheeler-Brown n/k/a Lisa Wheeler-Bowman.

**Phone #:** 727-906-6238

**Summary:** I phoned Respondent, explained after our final interview (phone log entry number 34) that Atty Cunningham had informed me she/Respondent had reached out to her/Atty Cunningham by email regarding settlement; Respondent said she was thinking about what I said about the availability of public records, and is VERY interested in settling this case because she just does not need my ROI, a hearing, etc., now, and asked if she needs to call or email Atty Cunningham. I explained that my ROI needs to be mailed by Friday, September 29, 2017, and if she is SERIOUS about settling this case, she and Atty Cunningham must reach an agreement before then; she agreed that she is VERY SERIOUS about settling; therefore, I said I was uncertain that Atty Cunningham is in the office now, but will check to see if she is in, and transfer her call to Atty Cunningham; after confirming that Atty Cunningham is available, I informed Respondent and transferred her call to Atty Cunningham.

## **Accepting Contributions in a Government-Owned Building**

A candidate may not make, solicit or accept any political contribution in a building owned by a governmental entity. (Section 104.271 (1), F.S.)

## **Certifying a False Report**

The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer, candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Any candidate, campaign manager, campaign treasurer, or deputy treasurer of any candidate; committee chair, vice chair, campaign treasurer, deputy treasurer, or other officer of any political committee; agent or person acting on behalf of any candidate or political committee; or other person who knowingly and willfully:

(Sections 106.07(5) and 106.19, F.S.)

### 3. CAMPAIGN TREASURER

#### Appointing Campaign Treasurer and Deputy Treasurer

Each candidate shall appoint a campaign treasurer by filing **Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository** with the City Clerk before whom the candidate qualifies. The name and address of the campaign treasurer must be included on the form. A candidate may appoint a campaign treasurer and designate a campaign depository at any time, but no later than the date the candidate qualifies for office. A candidate who seeks to qualify by the petition process shall appoint a treasurer prior to obtaining signatures on petitions. Nothing prohibits a person from announcing his or her intention to become a candidate prior to filing Form DS-DE 9, as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.

1. A candidate must have one campaign treasurer and may appoint no more than three deputy campaign treasurers.
2. A candidate may appoint herself or himself as campaign treasurer or deputy campaign treasurer.
3. Deputy campaign treasurers are appointed in the same manner as the campaign treasurer by filing Form DS-DE 9 with the City Clerk.

#### Form DS-DE 9

1. **Must be on file with the City Clerk prior to opening the campaign account.**
2. Must be signed and dated by both the candidate and treasurer.
3. Is not effective until it is filed with the City Clerk; it is not considered "filed" upon mailing.
4. **Must be on file with the City Clerk prior to the candidate accepting any contribution or making any expenditure, authorizing another to accept contributions or make expenditures on the person's behalf, or obtaining signatures on DS-DE 104, Candidate Petition.**

(Sections 99.095 and 106.021, F.S.)

**Form DS-DE 84, Statement of Candidate** must be filed with the City Clerk within 10 days after filing Form DS-DE 9. This form states that the candidate has been provided access to read and understand the requirements of Chapter 106, F. S. Willful failure to file this form is a first degree misdemeanor and a civil violation of the Campaign Financing Act which may result in a fine of up to \$1,000 (ss. 106.19(1), 106.265(1), F.S.).

#### Who May Be a Campaign Treasurer or Deputy Campaign Treasurer

There is no residency requirement for a campaign treasurer or deputy treasurer. The campaign treasurer or deputy treasurer must accept the position by signing the appointment form.

(Section 106.021(1), F.S.)

Each candidate must have one campaign treasurer and may appoint himself as campaign treasurer or deputy treasurer. A municipal candidate may appoint no more than three deputy treasurers. Deputy Treasurers are appointed in the same manner as the original appointment of campaign treasurer on the APPOINTMENT OF CAMPAIGN TREASURER AND DESIGNATION OF CAMPAIGN DEPOSITORY (FORM DS-DE 9).

### **Duties and Responsibilities**

No contribution or expenditure, including contribution or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state except through the duly appointed campaign treasurer of the candidate, subject to the following exceptions:

1. Independent expenditures;
2. Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign by a check drawn upon the campaign account and reported per Section 106.07(4), F.S. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported together with the purpose of such payment;
3. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditures as reported per Section 106.07(4)(a)13.

The campaign treasurer:

1. Shall keep detailed accounts of all contributions received and all expenditures made by or on behalf of the candidate. Such accounts must be kept current within not more than two days after the date a contribution is received or expenditure is made.
2. Shall deposit all contributions by the end of the 5<sup>th</sup> business day into the campaign account depository. All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount of each contribution.
3. Shall preserve all accounts for a number of years equal to the term of office to which the candidate seeks election.
4. Shall file regular reports of all contributions received and expenditures made by or on behalf of such candidate, signed by the candidate and treasurer.

**May be fined \$1,000 or more or be subjected to criminal penalties for failing to file a campaign report or filing an incomplete or inaccurate report**

Each campaign treasurer is responsible for filing regular reports of all contributions and expenditures on or before the due date(s) to avoid a fine for late filing. (See 2015 CALENDAR OF REPORTING DATES, PAGE 33).

Deputy Treasurers may exercise any of the powers and duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer and the candidate.

(Sections 106.021(3), 106.06, 106.07, and 106.19, F.S.)

**IMPORTANT:** Any candidate, campaign manager, campaign treasurer or deputy campaign treasurer of any candidate or agent or any person acting on behalf of any candidate who knowingly and willfully accepts a contribution in excess of the limits per F.S. 106.08, fails to report any contribution required to be reported by this Chapter; falsely reports or deliberately fails to include any information required by this Chapter or makes or authorizes any expenditure in violation of F.S. 106.11(4) or any other expenditure prohibited by this chapter is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

## Resignation or Removal

**Important:** When a campaign treasurer resigns or is removed by the candidate, a copy of the letter of resignation or removal must be filed with the City Clerk.

A campaign treasurer or deputy treasurer can **resign** by:

1. Submitting his or her resignation to the candidate in writing and filing a copy with the City Clerk.
2. **The resignation is not effective until a copy of the written resignation is filed with the City Clerk.**

A candidate may remove the campaign treasurer or deputy treasurer by:

1. Giving written notice to the campaign treasurer or deputy treasurer and filing a copy with the filing officer.
2. **The removal is not effective until a copy of the written notice is filed with the City Clerk.**

In case of death, resignation or removal of a campaign treasurer, the candidate shall immediately appoint a successor and certify the name and address to the City Clerk on the APPOINTMENT OF CAMPAIGN TREASURER AND DESIGNATION OF CAMPAIGN DEPOSITORY (FORM DS-DE 9).

(Section 106.021(2), F.S.)

## Campaign Depository

A candidate must designate a campaign depository with any financial institution (bank, savings and loan, or credit union) authorized to do business in the State of Florida. The campaign depository is designated at the same time as a treasurer is appointed on Form DS-DE 9 Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates. A candidate who seeks to qualify by the petition process shall designate a campaign depository prior to obtaining signatures on petitions.

**IMPORTANT:** All contributions must be deposited into such account and all expenditures must be drawn by check on this account, except when paid with petty cash.

Designating a campaign depository does not mean physically opening your account. It is merely naming the financial institution where your campaign funds will be deposited. This is because most banks require an initial deposit to open a campaign account and a contribution cannot be accepted prior to the candidate filing Form DS-DE 9.

All funds received by the campaign treasurer shall, prior to the end of the fifth business day following the receipt thereof, Saturdays, Sundays, and legal holidays excluded, be deposited in a campaign depository designed per Section 106.021, F.S., in an account designated *(Name of Candidate) Campaign Account.*"

This campaign account **MUST** be separate from any personal or other account and used only for depositing campaign contributions and making expenditures. All deposits must be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each.

(Section 106.021 (1) (b) and 106.05, F.S.)

### Campaign Checks

**IMPORTANT:** When issuing checks from the campaign account, the campaign treasurer or deputy treasurer shall be responsible for the completeness and accuracy of the information on such check and for insuring that such expenditure is an authorized expenditure.

Campaign checks must contain the following information:

- a) The statement "**(Name of Candidate) Campaign Account**"
- b) Account number and name of bank.
- c) The exact amount of the expenditure.
- d) The signature of the campaign treasurer or deputy treasurer.
- e) The exact purpose for which the expenditure is authorized.
- f) The name of the payee.

This information may be typed or hand-printed on starter checks provided by the bank until printed checks arrive.

(Section 106.11, F.S.)

### Debit Cards

A candidate may use a debit card (considered bank checks) to make campaign expenditures, if:

1. Debit cards are obtained from the same bank that has been designated as the candidate's campaign depository.
2. Debit cards are issued in the name of the treasurer, deputy treasurer, or authorized user and state "Name of Candidate Campaign Account."

3. No more than three debit cards are requested and issued.
4. The person using the debit card does not receive cash as part of, or independent of, any transaction for goods or services.
5. All receipts for debit card transactions contain: the last four digits of the debit card number, the exact amount of the expenditure, the name of the payee, the signature of the campaign treasurer, deputy treasurer, or authorized user and the exact purpose for which the expenditure is authorized.

Any information required but not included on the debit card transaction receipt may be handwritten on, or attached to, the receipt by the authorized user before submission to the treasurer.

(Section 106.11(2), F.S. and Division of Elections Opinion 00-03)

## 4. CAMPAIGN REPORTS

Each campaign treasurer designated by a candidate shall file regular reports of all contributions received and all expenditures made by or on behalf of such candidate.

The candidate and his or her campaign treasurer shall certify as to the correctness of each report. Each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer or candidate who willfully certifies the correctness of any report while knowing that such report is incorrect, false or incomplete commits a misdemeanor of the first degree.

(Section 106.07, F.S.)

### Where to File

Reports are filed with the City Clerk before whom the candidate qualifies.

Section 106.07(2), F.S.)

### When to File

Reports must be filed on the 10<sup>th</sup> day following the end of each calendar quarter (January, April, July and October) from the time the campaign treasurer is appointed, except if the 10<sup>th</sup> day occurs on a Saturday, Sunday or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday or legal holiday.

Reports must also be filed on the 32<sup>nd</sup>, 18<sup>th</sup> and 4<sup>th</sup> days immediately preceding the primary election and on the 46<sup>th</sup>, 32<sup>nd</sup>, 18<sup>th</sup> and 4<sup>th</sup> days immediately preceding the general election.

Reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the City Clerk within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U. S. Postal service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner.

Once a candidate becomes unopposed, the candidate need only file a 90-day termination report.

(Section 106.07(1) (2) and 106.141, F.S.)

### Penalty for Late Filing

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For a candidate's termination report, the fine shall be \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. **All fines must be paid from the candidate's personal funds not campaign funds.**

Within 20 days after receipt of the notice of payment due, you may:

1. Pay the fine from personal funds (not campaign funds) to the City Clerk, or
2. Appeal the fine to the Florida Elections Commission, and notify the City Clerk in writing that you are appealing the fine.

The City Clerk shall notify the Florida Elections Commission of the failure to pay the fine imposed.

(Section 106.07(2) and (7), F.S.)

### **Waiver of Report**

In any reporting period during which a candidate has not received contributions or made any expenditure, the filing of the required report is waived; however, the candidate must indicate there is no activity by filing a Waiver of Report (Form DS-DE 87) at the same time the report is due. **The next report must specify that the report covers the entire period between the last submitted report and the report being filed.**

(Section 106.07, F.S.)

### **Incomplete Reports**

If a campaign treasurer files a report that is deemed incomplete, it shall be accepted on a conditional basis. The campaign treasurer will be notified by the City Clerk as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after such notice constitutes a violation.

(Section 106.07(2), F.S.)

### **Reporting Contributions**

A campaign treasurer must report totals for all contributions received on the Campaign Treasurer's Report Summary (Form DS-DE 12) and all contributions (all loans, in-kind contributions and other receipts by or for such candidate), regardless of the amount, must be reported and filed in hard copy with the City Clerk.

Each report must contain:

- a) The full name, address and occupation of each person making a contribution, the amount and date of the contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations/businesses contributing. **The principal type of business or the occupations are not required if the contribution is \$100 or less or is from a relative (as defined in s. 112.312) provided that the relationship is reported.**
- b) Full name, address, specific occupation, principal place of business of the lender and endorser, date and amount of each loan.
- c) A statement of each contribution, rebate, refund, or other receipt not otherwise listed under paragraphs (a) and (b).

When a candidate receives a contribution in the form of a check drawn on a joint account, signed by only one of the joint owners, the owner signing the check is considered the contributor.

(Section 106.07(4) (a), F.S.)

### **Common Errors in Reporting Contributions**

Some of the most common errors in reporting contributions include:

- a) Incomplete address.
- b) Non-Specific Occupations - Occupations such as Manager, Businessman, Consultant, Owner, CEO, Director, Executive, etc. are not specific enough to determine the type of business the contributor is associated with.
- c) Contributions over \$100 that do not show the occupation of the contributor.
- d) Contributions received outside of the reporting period. A contribution is considered received on the day the candidate or treasurer actually receives the contribution, not the date it is deposited.
- e) Contributions that exceed the contribution limit of \$1000 per person, per election.
- f) Cash contributions that exceed \$50 or cashier's check in excess of \$50 per election.

1. Report the contribution; and
2. Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized expenditure report. Under "purpose of expenditure" explain the reason for returning the contribution. The candidate may also wish to submit a written explanation to the City Clerk.

- a) Reports shall be filed not later than 5 p.m. of the day designated; however, any report postmarked by the U. S. Postal Service no later than midnight of the day designated shall be deemed to have been filed in a timely manner. If you mail your report on the day it is due, verify with the post office that it will in fact be postmarked that day and get a receipt, because not all mail is postmarked the day it is received by the Post Office.
- b) A certificate of mailing obtained from and dated by the U. S. Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, shall be proof of mailing in a timely manner.
- c) Faxed reports are not considered timely filed as they do not have original signatures of the candidate and treasurer.

(Section 106.07(1), F.S.)

## 5. CONTRIBUTIONS

### Definition of a Contribution

A contribution is:

- a) A gift, subscription, conveyance, deposit, loan payment or distribution of money or anything of value made for the purpose of influencing the results of an election. These include contributions in-kind, having an attributable monetary value in any form.
- b) The payment, by any person other than a candidate, of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate or committee for such services.

### Exceptions:

Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate including, but not limited to, legal and accounting services.

Editorial endorsements.

**NOTE: The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (reporting requirements would be the same for a 50 cent contribution as for a \$500 contribution).**

(Section 106.011 (3), F.S.)

### Unauthorized Contributions

Any contribution received by a candidate **with opposition** in an election or by the campaign treasurer or deputy treasurer of such candidate on the day of that election or less than 5 days prior to the day of the election **must be returned** to the contributor and may not be used or expended by or on behalf of the candidate. ***For a Tuesday election, the deadline is Midnight the prior Thursday.***

Once a candidate is elected, defeated, becomes unopposed, or withdraws as a candidate, he may not accept contributions. Any contributions received after this time must be returned to the contributor and cannot be used or expended.

(Section 106.08(3), F.S.)

### Anonymous Contributions

When a candidate receives an anonymous contribution it must be reported on the Candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the City Clerk explaining the circumstances surrounding the acceptance of the anonymous contribution. The candidate cannot spend the anonymous contribution, but at the end of the campaign can donate the amount to an appropriate entity under Section 106.141, F. S.

(Division of Elections Opinion 89-02)

### In-Kind Contributions

In-kind contributions are anything of value made for the purpose of influencing the results of an election and are subject to contribution limits.

**Exceptions:**

Money;

Personal services provided without compensation by individual volunteers; or,

Independent expenditures as defined in Section 106.011(5), F.S.

Endorsements of three or more candidates by political committees or political parties

(Section 106.011, F.S. and Division of Elections Opinion 04-06)

**Valuation of In-Kind Contributions:**

Any person making an in-kind contribution to a candidate shall, at the time of making the contribution, place a fair market value of the contribution. In-kind contributions are subject to contribution limitations.

(Section 106.055, F.S., Division of Elections Opinion 09-08)

**Loans**

Loans are considered contributions and are subject to contribution limitations. Loans to or from each person or political committee must be reported together with names, addresses, occupations and principal place of business, if any, of the lenders and endorsers, including the date and amount of each loan on the campaign treasurer's report.

Loans made by a candidate to his or her own campaign are not subject to contribution limitations. A candidate who makes a loan to his or her campaign and reports the loan as required by Section 106-07, F. S., may be reimbursed for the loan at any time the campaign account has sufficient funds to repay the loan and satisfy its other obligations.

All personal loans exceeding \$500 in value, made to a candidate and used for campaign purposes and made in the twelve months preceding his or her election to office, must be reported on Forms DS-DE 73 and 73A, Campaign Loans Report, and filed with the filing officer within ten days after being elected to office.

Any person who makes a contribution to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the campaign, may not contribute more than the amount which is allowed in Section 106.08(1), F.S.

A candidate may not accept an aggregate cash contribution or contribution by means of a cashier's check from the same contributor in excess of \$50 per election.

**IMPORTANT:** Cash contributions should be reported on campaign treasurer's reports to include the full name and address of each person who gave a cash contribution during the reporting period, together with the amount and date of such contribution. A money order is not considered a cash contribution.

(Sections 106.07(4) and 106.09, F.S.)

## Contribution Limits for Candidates

**IMPORTANT:** Except for political parties or affiliated party committees, no person, political committee, or committee of continuous existence may make contributions in excess of \$1000 per election to any candidate for election or retention in office. The primary and general election are separate elections as long as the candidate is not an unopposed candidate as defined in S. 106.08.

**These limits do not apply to contributions made by a state or county executive committee of a political party regulated by Chapter 103, F. S., or to amounts contributed by a candidate to his own campaign.**

A candidate may not:

1. Accept contributions until Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for candidates is filed with the City Clerk.
2. Accept a contribution in excess of \$1000 from any one person per election, provided the candidate is an opposed candidate and the contribution is received within the timeframe applicable to each election.
3. Accept contributions from family members in excess of \$1000 per election.
4. Accept contributions after the date he or she withdraws his or her candidacy, is defeated, becomes unopposed or is elected.

(Sections 106.08 and 106.19, F.S.)

## Contributions via Online Payment Service Organizations

A candidate, political committee or political party may use an online payment service organization, such as Pay Pal, to receive campaign contributions. The contribution would be reported as a check in the entire amount and the transactional fee would then be reported as an expenditure.

(Division of Elections Opinion 08-07)

Additional information can be accessed by contacting the federal Election Commission at 1-800-424-9530 or on their website at [www.fed.gov](http://www.fed.gov).

### **Debit and Credit Card Contributions**

A candidate may accept contributions via a credit card, debit card or money order as long as the disclosure requirements of Chapter 106, F. S. are met. These contributions are categorized as a "check" for reporting purposes.

(Section 106.11(2), F.S. & Division of Elections Opinion 00-03)

### **Fund Raisers**

A campaign fund raiser is any affair held to raise funds to be used in a campaign for public office. Campaign fund raisers may not be held until the person becomes a candidate.

(Sections 106.011(11) and 106.025, F.S.)

### **Contributions from Fund Raisers**

All monies and contributions received with respect to a campaign fund raiser are campaign contributions. All contributions are subject to the contribution limits contained in Section 106.08, F. S., and are to be accounted for and reported as any other contribution.

(Section 106.025, F.S.)

### **Expenditures for Fund Raisers**

(Section 106.011(13), F.S.)

## Independent Expenditures

An independent expenditure means an expenditure made by a person for the purpose of expressly advocating the election or defeat of a candidate or issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate or agent of such candidate. An expenditure for such purpose by a person having a contract with the candidate or agent of such candidate in a given election period shall not be deemed an independent expenditure.

Expressly advocates means any communication which uses phrases including, but not limited to: "vote for," "elect," "support," "cast your ballot for," "Smith for Council Member," "vote against," "defeat," "oppose," and "reject."

If the independent expenditure is, in the aggregate, in the amount of \$5,000 or more, the person shall file periodic reports of such expenditures in the same manner, at the same time, subject to the same penalties, and with the same officer as a political committee supporting or opposing such candidate or issue.

Any political advertisements paid for by an independent expenditure shall prominently state "Paid political advertisement paid for by (name and address of person paying for the advertisement) independently of any (candidate or committee)."

However, an expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, or an affiliated party committee, or by any political committee or committee of continuous existence, or any other person, shall not be considered an independent expenditure if the committee or person:

**FACTS & ALLEGATIONS:**

On 4/10/15, candidate Telisha Brown aka Lisa Wheeler-Brown filed her first campaign finance report with the City of St. Petersburg. That report included an entry for a \$500 payment to Advantage Village Academy, a 501(c)3 organization located at 1221 22nd St. S., St. Petersburg, FL 33712. This report also failed to report a contribution from Smith & Associates for \$500 and falsely included a \$500 contribution from Shirley Wheeler, the campaign's treasurer and one of the co-certifiers of the Q1 report. (See attached Q1 Original Report marked received by St. Petersburg City Clerk on 4/10/15; Sequence #11 on Page 2 of Expenditures; also see Sequence #112 of Contributions. Also see printout of Advantage Village Academy web site "About Us" page identifying organization as 501(c)3.)

On 7/10/15, candidate Telisha Brown aka Lisa Wheeler-Brown filed her second campaign finance report with the City of St. Petersburg. That report included no entries for usage of the Advantage Village Academy facilities. (See attached Q2 Original Report marked received by St. Petersburg City Clerk on 7/10/15.)

In mid-September 2015, rumor began to circulate that a former campaign consultant, Nick Janovsky of Strategic Campaigns, was going to talk to the press about the reason for his campaign departure. Janovsky left the campaign in early March 2015, nearly a month before the Telisha Brown certified a false campaign finance report. However, Mr. Janovsky was with the campaign during the time period of the Q1 report.

Fearing the truth about the false reports certified by Telisha Brown aka Lisa Wheeler-Brown, the campaign filed a flurry of amended reports to cover up their lies.

On or around 9/18/15, the Brown campaign filed an amendment to their Q1 report. This report appears to be unavailable from the St. Petersburg City Clerk at this time, however a picture of the amendment is here: <http://www.saintpetersblog.com/archives/240544> (a printout is attached to this complaint. Article is titled "Lisa Wheeler-Brown used campaign funding for dental procedure; claimed payment for office that didn't exist")

The 9/18 amended report removes the false expenditure to Advantage Village Academy, and replaces it with an alleged check payment to Modern Day Smiles, a dentist. Despite dentistry being a personal expense, the campaign has listed this personal care expense as a "photo shoot expense."

If this expense is true, then candidate Brown may have violated Florida Statutes 106.1405 "Use of campaign funds."

Another report, dated 9/21/15, states that the Brown campaign utilized office space in a nonprofit St. Pete facility every Thursday for about four months and failed to report it. (See attached article titled "Lisa Wheeler-Brown fails to report in-kind contributions for office space.")

FEC Complaint - Telisha Brown aka Lisa Wheeler-Brown

However, it is under dispute that the dental expense is even accurate. In a Tampa Tribune article, former campaign consultant Nicolas Janovsky is quoted as saying, "I never touched her campaign reports or told her to take campaign money." (See attached Tampa Tribune article "Former St. Pete mayor issues endorsement in hotly contested council race")

It does not appear normal that a dental procedure cost exactly \$500. Did Brown or her campaign treasurer instead withdraw cash? If so, a \$500 cash withdrawal would run afoul of Florida Statutes 106.12(2)(b) & 106.12(3) Petty cash funds allowed. The withdrawal of over \$100 per week would be one violation and any expenditure exceeding \$100 would be another.

Furthermore, if the dental procedure was not exactly \$500, what happened to the other money? Are there additional unreported campaign expenses? Were any funds misused for non-campaign purposes?

Unfortunately, unless the Florida Elections Commission opts to inspect the campaign's bank records, we will never know.

However, it would be wise for the FEC to do so. Both Telisha Brown and her campaign treasurer, Shirley Wheeler, have a criminal past concerning theft. In 1990, Telisha Brown pled guilty to Retail Theft (Pinellas County Case #9022897MMANO). In 1998, Telisha Brown pled guilty on a Worthless Check charge (Pinellas County Case #9802880MMANO). Brown's campaign treasurer, Shirley Jean Wheeler, has a felony conviction for Grand Theft (Pinellas County Case #7805969CFASO).

Additionally, there are additional filings that merit concern.

On 9/23/15 during the 1 pm hour, the Brown campaign filed an amendment to their Q1 report. In this amendment, the campaign deleted the false contribution previously assigned to the campaign treasurer, Shirley Wheeler, and replaced it with a \$500 contribution from Smith & Associates Real Estate. Telisha Brown and Shirley Wheeler both signed the original Q1 report. Certainly, the treasurer (Shirley Wheeler - the candidate's mother) and the candidate, Telisha Brown, would be aware if the treasurer did not donate \$500 to the campaign. This is yet another instance of a falsehood certified on the Q1 report. This same amended report added two previously unreported contributions for \$100 each - Ann Risman Haendel of St. Pete Beach and Mary Ann Renfrow of Tierra Verde. The report also added three illegal in-kind contributions for office space from a 501(c)3 organization, Advantage Village Academy. (See attached Q1 amended report marked received by the St. Petersburg City Clerk at 1 pm.)

Also in the 1 pm hour on 9/23/15, the Brown campaign filed an amendment to their Q2 report, adding illegal in-kind contributions for office space from 501(c)3 organization Academy Village Academy. (See attached Q2 amended report marked received by the St. Petersburg City Clerk at 1 pm.)

Three hours later during the 4 pm hour on 9/23/15, the Brown campaign realized that they had been caught taking illegal contributions and filed two additional amended reports in an attempt at a cover-up, changing the Academy Village Academy in-kind contributions to in-kind contributions from Parker Financial Services, a non-501(c)3 organization allegedly located at the same physical address. (See attached Q1 & Q2 amended reports marked received by the St. Petersburg City Clerk at 4 pm.)

All of the false reports willfully certified as to correctness are violations of Florida Statutes 106.07(5) Certification of correctness of reports.

# Lisa Wheeler-Brown used campaign funding for dental procedure; claimed payment for office that didn't exist

By *Janelle Irwin* - Sep 20, 2015

St. Pete City Council candidate **Lisa Wheeler-Brown** used campaign funding to undergo dental work.

An amended campaign treasurer's report filed with the city clerk Friday shows an added \$500 expense to the company Modern Day Smiles for a "photo shoot expense." Modern Day Smiles is a dental practice that offers cosmetic procedures.

**Meagan Salisbury**, Wheeler-Brown's campaign consultant, verified that the money was used for a dental procedure.

"Lisa cracked her tooth, and had a number of events and photo opportunities coming up immediately," Salisbury said. "This was meant to fix her tooth to ensure that she looked professional in her appearances and photos. We would have lost money and support without this expense."

Salisbury compared it to using campaign funding for professional hair or makeup done for a professional photo shoot. Salisbury was not working for Wheeler-Brown's campaign during the time of the dental procedure. She did not come on to the campaign until April.

The difference is, while hair and makeup would be a valid expense for a photo shoot for campaign materials, those services are temporary. Fixing a cracked tooth is a medical expense and one that is permanent barring re-injury.

An analysis of photos of Wheeler-Brown on her Facebook page shows several in which a gold tooth is visible. However, photos used on official campaign materials don't show a gold tooth.

City Clerk Chandrasa Srinivasa was out of the office at the time the amended treasurer's report was filed. His office said he would answer questions about the issue when he returns to the office Monday.

Based on state election laws, a formal complaint on the state's election commission's website can be filed to prompt an investigation into whether or not the expenditure constitutes a campaign finance violation.

Also at issue is the timing of the amended report. According to the amended report, the dental procedure was carried out on February 26. The expense had been filed as a payment to Advantage Village Academy for "office space rental" until the change was filed at City Hall Friday.

Salisbury said the mistake was a clerical oversight.

"When we were preparing the M1 report due today, we noticed the minor clerical error, and the amendment was filed to fix that," Salisbury said. "This didn't impact any of the total raised or spent by the campaign."

Former supporters from the campaign told SaintPetersblog there wasn't a campaign office. There was no answer at Advantage Village Academy to verify whether Wheeler-Brown had used the space for anything related to her campaign.

However, campaign finance documents show that there wasn't a single payment made to the youth services non-profit at any time other than the incorrect filing in February.

Wheeler-Brown faces **Will Newton** in the November 3 race for St. Pete City Council, District 7.

## Lisa Wheeler-Brown fails to report in-kind contributions for office space

By *Janelle Irwin* - Sep 21, 2015

City Council candidate **Lisa Wheeler-Brown** utilized office space in a nonprofit St. Pete facility to meet with campaign staff and supporters every Thursday for about four months but did not disclose this as an in-kind contribution on official campaign reports.

This is a clear-cut violation of campaign finance laws, Stetson University's **Dr. Wayne T. Bailey**, a political science professor at its Deland campus.

According to state election law, candidates must report "the total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts."

The issue arose when an amendment was filed to a February campaign treasurer's report claiming \$500 had been spent on office space at Advantage Village Academy in Midtown St. Pete. The expense was deleted and replaced with a **\$500 expense to Modern Day Smiles** for a "photo shoot expense."

Advantage Village Academy head **Toriano Parker** confirmed no cash had ever exchanged hands between his organization and the Wheeler-Brown campaign, but that they had used the facility to meet weekly for at least four months.

This is the latest in revelations about the Wheeler-Brown campaign that are

threatening what was a leading campaign based on the most recent polling.

Questions also emerged about a dental procedure Wheeler-Brown underwent using campaign funds and why it took more than six months for the nonexistent office space expense to be corrected to reflect that \$500 had actually been spent on dental work.

Bailey said he's never heard of anyone using campaign funds for dental work. He compared it to dipping into campaign coffers to heal a broken foot.

"If you're willing to stretch it that far, you could have any expense," Bailey said, referencing other examples like having a gallbladder removed because the ailment was interfering with campaign activities. "I'm fairly certain the legislative intent does not reach that far."

According to campaign manager Meagan Salisbury, Wheeler-Brown suffered a cracked tooth the day before a photo shoot with other campaign events scheduled. The procedure was necessary, she argued, to ensure Wheeler-Brown maintained a professional appearance.

Salisbury compared it to having hair or makeup done for a campaign-related photo shoot, which is a regular campaign practice, especially for female candidates.

Famously, former vice presidential candidate Sarah Palin came under fire after **\$150,000 of clothing** and accessories were purchased for her and her family during the 2008 campaign. However, the items were paid for through committees, not the McCain campaign fund. Had they been funded through McCain's coffers, Palin would have had to declare them on her taxes as income.

That's a whole 'nother can of worms, said Bailey.

Bailey said he considered the expense a "living expense," which is prohibited under campaign finance laws.

And that's not the only problem surfacing from this revelation. The \$500 dental expense had been listed for more than six months as a payment for office space to Advantage Village Academy in Wheeler-Brown's Midtown neighborhood.

The problem is, there was never any other reference to that nonprofit organization in campaign finance documents throughout Wheeler-Brown's campaign. Salisbury called it a clerical mistake and said she made the correction as soon as she noticed it.

Though only speculative, it begs the question as to how such a clerical error could occur. Bailey actually called the scope of time between the initial report and the time at which the error was made "even more provable" than whether or not the dental expense was allowable under state election laws.

Bailey called the issue a case potentially more appropriate for the "court of public opinion" because the state's election commission would only be charged with investigating the campaign funding usages and reporting if someone files a grievance. And even then, their ruling would be a up for interpretation.

"I think the election commission would find probable cause to investigate that," Bailey said. "There is a level of suspicion to have a presumption of abuse."

However, Bailey pointed out, "these kinds of issues are very difficult to wrap up on a resolution."

Wheeler-Brown faces **Will Newton** for the St. Pete City Council District 7 race on November 3. Mail ballots go out this week. The Newton campaign has not responded to the recent allegations.

## Former St. Pete mayor issues endorsement in hotly contested council race

By Steven Girardi

Rick Baker

ST. PETERSBURG – Former Mayor Rick Baker has weighed into the City Council elections, coming out Tuesday to endorse Winthrop “Will” Newton for the District 7 seat.

“Will Newton is focused on building on our past success and making St. Petersburg the best city in America,” Baker said in a news release from Newton’s campaign.

Newton is in a close race in the Nov. 3 election with Lisa Wheeler-Brown to replace his brother, Wengay Newton, who cannot run again because of term limits,

“It’s an exciting piece of news for us,” Newton said of Baker’s endorsement. “I’m definitely honored

and humbled to have his support.”

Baker did not return a call for comment on Tuesday.

Newton said he met last week with Baker, the popular former St. Petersburg mayor who served two terms, from 2001-09, getting re-elected in 2005 with 70 percent of the vote.

Newton said Baker didn't give a specific reason for his support, although the former mayor made redevelopment in the poor Midtown area of District 7 a priority during his term.

Newton said the two worked together during negotiations when Baker was in office and Newton was vice president of the Florida Professional Firefighters union.

Newton last week picked up the endorsement of incoming District 3 council member Ed Montanari, who was unopposed to replace Bill Dudley, who must leave because of term limits.

Newton and Wheeler-Brown each have picked up high-profile endorsements in what has become the hottest of the three city council races on the November ballot.

Wheeler-Brown's endorsements include the Florida Public Services Union, West Central Florida Federation of Labor, Pinellas County Commissioners Pat Gerard and Ken Welch, school board member Renee Flowers and City Council members Karl Nurse and Darden Rice.

Newton has the backing of the Suncoast Police Benevolent Association, the St. Petersburg Firefighters Association, the Pinellas Realtor Organization, state Representatives Darryl Rouson and Kathleen Peters, City Council members Steve Kornell, Amy Foster and Dudley, and former District 7 primary opponents Sheila Scott-Griffin and Aaron Sharpe.

Each of the candidates supports redevelopment efforts in the district, which includes the city's poorest neighborhoods. But while Wheeler-Brown favors an agreement to let the Tampa Bay Rays look outside the city for possible new stadium locations, Newton, like his brother, has said the city needs to get more in return than what was in a deal negotiated by Mayor Rick Kriseman.

The team is bound to Tropicana Field until 2027, but hopes to find a new home after finishing last in Major League Baseball attendance for the past several years. The city council has been deadlocked 4-4 on whether to let the team search.

Baker's endorsement of Newton comes amid controversy regarding Wheeler-Brown's campaign financial reports filed at the City Clerk's Office.

Brown has amended her reports several times in the past week to correct discrepancies that included a \$500 campaign expenditure for dental work and office space rentals.

The expense to fix a front tooth in February originally was recorded as an office space fee at Advantage Academy Village on 22nd Street South. That money has been refunded to the campaign and the expense report was amended. The office space expenditure also was changed to show it as an in-kind contribution from Advantage Academy.

Advantage Academy Village is a non-profit and not allowed to make campaign contributions. Toriano

Parker, who heads Advantage Academy, has office space in the same building for Parker Financial Services, and seven in-kind office contributions since have been amended to show them as donations from Parker Financial.

Those expenses were reported in April and before, but weren't corrected until this past week.

Wheeler-Brown and campaign Manager Megan Salisbury blame the errors on bad advice from the candidate's first campaign manager, Nick Janovksy.

Salisbury, who joined the campaign in May, said she has been reviewing the expense reports and making amendments as errors were discovered.

Wheeler-Brown said Janovksy told her the dental work was a legitimate campaign expense. She said she fired him on March 12 and sent him an email the next day.

Janovsky said he wasn't fired, but quit after discovering the \$500 was taken from the campaign account for the dental procedure and because of other concerns. He said he wasn't working for Wheeler-Brown at the time some of the erroneous expenditures were reported and had nothing to do with them.

"I never touched her campaign reports or told her to take campaign money," Janovsky said last week.

Salisbury said some of the errors occurred between the time Janovsky left the campaign and her group, Blue Ticket Consulting, took over, when Wheeler-Brown didn't understand how to record some of the expenses and contributions.

City Clerk Chan Srinivasa said any complaints about the financial reports would be filed with the Florida Elections Commission to review and investigate.

# Lisa Wheeler-Brown campaign files trove of finance reporting amendments

By *Janelle Irwin* - Sep 23, 2015

St. Pete City Council candidate **Lisa Wheeler-Brown** corrected a flurry of campaign finance reporting mistakes Wednesday afternoon.

Wheeler-Brown's campaign manager, **Meagan Salisbury**, turned in a stack of amendments to every report submitted since the campaign launched in January until mid-August.

The most notable change is the addition of several in-kind contributions from Advantage Village Academy. A previous amendment filed last week deleted a \$500 payment to the non-profit organization for office space and replaced it with a \$500 payment to Modern Day Smiles for dental work. The swap in payments raised a red flag and it was discovered that the Wheeler-Brown campaign had used office space at Advantage Village Academy, but didn't pay for it. However, the **in-kind contributions were never reported**.

Now the reports reflect four in-kind contributions valued at \$40 each from Advantage Village Academy on January 15, January 31, February 28 and March 31. Another three in-kind contributions to the group are now reflected in reports with services valued at \$20 each on April 30, May 31 and June 30.

The amended reports go a long way to clean up damage resulting from what were potentially illegal omissions of in-kind contributions. But there were numerous other amendments filed as well including unreported contributions and misreported expenses. For example, the original report from **January 1**

**through March 31** showed a more than \$500 difference in the amended report. The campaign brought in less than originally shown.

From April 1 through July 19 the campaign reported more than \$11,000 in contributions, but amended that to just \$993. The original documents show expenses of more than \$14,000, but the amended version says the real number was just over \$10,000. Salisbury said the dates on the amended report were incorrect causing the large discrepancy in numbers. She's filing another amended report this afternoon. We'll update with that information once it's received.

Wheeler-Brown's campaign defends the amendments because they were errors made while the campaign was in-flux between consultants.

"It has come to our attention that prior to Lisa hiring Blue Ticket Consulting, there were several errors in her campaign finance reporting. These were simple clerical errors that we have fixed as soon as they were brought to our attention," Salisbury wrote in a statement. "After review, to the best of our knowledge, all of Lisa's reports are now accurate and we look forward to focusing on the issues that are important to voters like creating a safer St Pete and helping local businesses create more jobs for our families."

Wheeler-Brown's campaign had been run by Strategic Campaigns' **Nick Janovsky**. Payments were made to his consulting firm beginning January 15 with the last payment made on February 26 – the same day a dental procedure was logged as office space in campaign finance reports. He stopped working for the campaign on March 12, more than two weeks before the first financial reports were filed. Janovsky's firm collected a total of \$9,400 during that time.

The vast array of mistakes made early on in the campaign make supporters wonder if there was more at play than just honest clerical mistakes. Though the numbers show numerous reporting errors, there is not much way to show any intentional wrong-doing.

Current campaign consultants say Janovsky was fired for incompetence, but his version of events is different.

"Strategic Campaigns parted ways with Lisa Wheeler Brown over a financial,

professional disagreement due to her actions previous to the first financial report being filed," Janovsky said in a phone conversation. "Lisa Wheeler-Brown and her mother handled all reporting for her candidacy, entered in all transactions, signed all reports and filed all financial reports for her campaign."

An email sent to Janovsky on March 13 from Wheeler-Brown states "I will no longer need your services."

The entire email reads:

*In following up to our meeting yesterday, I will no longer need your services. As such, I terminated the Campaign Consulting Candidate Contract I signed on November 10, 2014. The termination went into effect March 12, 2015. Please forward me all of the following:*

- *Any subcontract agreements and/or pending orders*
- *Names and contact information of all people approached or in discussion with in support ( includes but not limited to endorsements, volunteers, and donors)*
- *Photo shoot photos, all art ready files including but not limited to the logo, website, and domain log in information*
- *Anything in the queue, in process, or working on in relation or on behalf of the campaign*

*Due to the on-going nature of the campaign, please get me the requested by end of work day on Monday, March 16<sup>th</sup>. Thank you for everything you have done. I look forward to working together in a different capacity in the future.*

Janovsky said that email came after he confronted her about the "professional disagreement.

Janovsky also said he keeps his hands clean of treasurer duties. He was originally listed as either the "treasurer or deputy treasurer" in campaign qualifying documents.

Other additions and deletions from the campaign treasurer's reports include a payment from Wheeler-Brown's mother, Shirley Wheeler, on March 10 for \$500 for office supplies that was deleted. Another \$500 transaction from Smith & Associates on January 8 was added. A \$500 contribution from Paul Dickens on January 12 was changed from a monetary contribution to an in-kind contribution. The same reporting error occurred on the same date for another \$187.48.

Contributions were added from **Ann Risman Haendel** and **Mary Ann Renfrow** for \$100 each.

Prior to hiring Meagan Salisbury's Blue Ticket Consulting for campaign services, but after Strategic Campaigns stopped working on the campaign, Wheeler-Brown also made payments to Ay.Co, a consulting firm run by St. Pete activist **Ayele Hunt**, from April 2 until May 4. Blue Ticket Consultants began work on the campaign in (late May,) but weren't paid until July. A payment for \$3,544.47 was made on July 7. There hasn't been another since, but the firm is still active in providing services for Wheeler-Brown.

## Lisa Wheeler-Brown campaign finance reporting amended — for third time this week

By *Janelle Irwin* - Sep 23, 2015

For the third time in less than a week and the second time in one day, **Lisa Wheeler-Brown's** campaign staff filed correction to previous treasurer's reports. The latest round of updates include corrections to previous corrections that listed the wrong dates and numbers for some of the reporting periods.

An amendment filed at City Hall to Wheeler-Brown's growingly complex campaign finance file showed she had brought in \$993 between April 1 and July 19. First, those dates actually combine two separate reporting periods. The campaign brought in just \$993 between July 1 and July 19. However, from April 1 until June 30 the campaign brought in \$10,485.

That mix-up originally showed a \$10,000 discrepancy in contributions that, according to the latest round of edits, didn't actually exist.

Earlier in the day Wednesday, Wheeler-Brown campaign consultant Meagan Salisbury filed a series of amendments including the addition of seven in-kind contributions from Advantage Village Academy. Those additions were filed after this blog pointed out the campaign had failed to disclose use of the facility for office space. The second round of amendments filed just minutes before City Hall closed changed references to those in-kind contributions for office space from Advantage Village Academy to Parker Financial Services, a company owned by **Parker Toriano**, the same person who owns Advantage.

There are still three unchanged references to Advantage Village Academy that duplicate those now changed to Parker Financial Services. So, probably more edits are coming tomorrow.

Salisbury attributes the flurry of mistakes to bad finance reporting earlier in the campaign before her company, Blue Ticket Consulting, took the campaign management reins. The original campaign manager, **Nick Janovsky**, claims he quit after a professional difference of opinion. The campaign claims he was fired.

Janovsky defers any blame thrown his way over finance tangles to the timing. Janovsky stopped working on the campaign in mid-March, more than two weeks before the first campaign finance documents were filed. Before leaving the campaign, Janovsky was listed as the "treasurer or deputy treasurer" in original filing documents.

## Midtown nonprofit may have illegally given office space to Lisa Wheeler-Brown

By *Janelle Irwin* - Sep 23, 2015

A St. Pete nonprofit that serves underprivileged youth and others in the Midtown community may be breaking an Internal Revenue Code and be at risk of IRS sanctions.

Advantage Village Academy offered space free of charge to St. Pete City Council candidate Lisa Wheeler-Brown to use periodically as office space for her campaign. Under any definition, that is considered an in-kind contribution. But there's a problem. Nonprofit 501(c)(3) organizations are explicitly prohibited from contributing, in-kind or otherwise, to political campaigns.

"Under the Internal Revenue Code, all section 501(c)(3) organizations are absolutely prohibited from directly or indirectly participating in, or intervening in, any political campaign on behalf of (or in opposition to) any candidate for elective public office. Contributions to political campaign funds or public statements of position (verbal or written) made on behalf of the organization in favor of or in opposition to any candidate for public office clearly violate the prohibition against political campaign activity. Violating this prohibition may result in denial or revocation of tax-exempt status and the imposition of certain excise taxes," reads a statute on the IRS website.

Advantage Village Academy was listed seven times in amended reports filed Wednesday morning as an in-kind contributor of office space. Four of those

occasions were valued at \$40 each and the other three \$30.

With that information in mind it is pretty cut and dry — Advantage Village Academy is a nonprofit organization and it offered in-kind services to a political campaign. It broke the IRS code.

But it gets complicated. Toriano Parker, head of Advantage Village Academy, said Wheeler-Brown's campaign incorrectly listed his nonprofit as the contributor. Instead, he said, the campaign finance reports should have listed him as an individual.

The office space used for free by Wheeler-Brown's campaign was located (the group has since moved) in the same space as Advantage Village Academy. The building is owned by the St. Pete Housing Authority. But Parker claims he paid the rent for the property out of his own pocket, thus justifying why the in-kind contribution should be in his name.

If he's paying the rent, should he have individual control over who gets to use the space? That becomes the question.

As a result of the controversy, the Wheeler-Brown campaign filed yet another amendment to its campaign finance reports. This time, references to Advantage Village Academy were changed to Parker Financial Services, a private entity not bound by IRS rules.

The issue has ventured into what may be a gray area. On one hand, Wheeler-Brown's campaign was allowed to use space in the same building where a nonprofit organization operated. Parker was leasing the building for them. By that reasoning, it seems he still may have broken the IRS code. However, if it is Parker's name on the checks and not Advantage Village Academy he may have sound argument to set the two apart as mutually exclusive.

Either way, the issue is further thrusting Wheeler-Brown's campaign into the spotlight while also threatening a valued nonprofit in the community she seeks to serve.

Wheeler-Brown's campaign was forced to file updated reports after it was uncovered that she had failed to list the free office space in campaign

documents.

# Tampa Tribune dumps Lisa Wheeler-Brown, now endorses Will Newton

By *Janelle Irwin* - Sep 28, 2015

*The Tampa Tribune* has **rescinded its endorsement** for **Lisa Wheeler-Brown** and instead backed **Will Newton** for St. Pete City Council District 7.

In a list of endorsements published Monday morning, *The Tribune* pointed to information uncovered by SaintPetersblog.

"Recently revealed discrepancies in her campaign finance reports raise questions about her judgment," the latest write-up read.

That's as much detail as the endorsement dives into, however. The Tribune editorial board is referring to a series of campaign finance mishaps including a **\$500 expense at a dental practice** to repair a cracked tooth, a misreport of that expense that stayed on the books for more than six months and **failure to report in-kind contributions** for office space.

The in-kind contributions have since been added to campaign finance reports, but not **after several amendments** to the original correction. Newton supporters say the flurry of mistakes stemming all the way back to the beginning of her campaign raise questions about her ability to serve as an elected official. Some go so far as to question her ethics as a leader.

Wheeler-Brown's campaign and its supporters say the mistakes were a result of bad consulting at the beginning of the campaign when Strategic Campaigns'

**Nick Janovsky** was advising Wheeler-Brown. They say Wheeler-Brown fired him for incompetence. Janovsky, however, says he quit after noticing what he perceived as potentially illegal campaign finance activity and argues the first financial reports were not filed until well after he was gone anyway.

*The Tribune's* endorsement swap raises questions about whether or not the *Tampa Bay Times* will uphold its endorsement. Both papers backed Wheeler-Brown solely on her support for an agreement between the Tampa Bay Rays and Mayor Rick Kriseman that would allow the team to look outside the city for possible new stadium sites. *The Times*, however, has been far more staunch in its insistence that the agreement be approved. *The Times* re-reported news of Wheeler-Brown's campaign finance mistakes, but did so five days after the story first broke.

*The Tribune* said the candidates "shared similar priorities" and said they initially endorsed Wheeler-Brown based on her support for the Rays proposal. They listed no other reason for having first endorsed her over Newton.

The *Times'* endorsement during the primary election **went into more detail.**

"Wheeler-Brown stands out as a person who understands the community at the ground level and has worked directly to improve it," the editorial board wrote, referencing her community activism in the wake of her son's murder in 2008.

And while *The Tribune* offered up nothing negative about Newton in its latest endorsement, the *Times* wrote, "he was not helpful in resolving the city's dispute with Pinellas County over emergency medical services, and it is not clear he could represent broader interests than the union's as a council member."

It seems questionable at best that the *Times* would reverse course on its endorsement, considering the editorial board seems to have already laid a foundation for not supporting Newton.

# Lisa Wheeler-Brown campaign caught in a lie over campaign finance missteps

By *Janelle Irwin* - Sep 30, 2015

**Lisa Wheeler-Brown's** campaign has admitted it was not the blunders of a previous campaign manager that led to a flurry of reporting errors and a possibly illegal campaign expense, but rather Wheeler-Brown's own malfeasance.

**According to *The Tampa Tribune*, Meagan Salisbury**, Wheeler-Brown's current campaign manager, acknowledged that some of the errors happened after former campaign manager **Nick Janovsky** left the campaign and that Wheeler-Brown didn't understand how to properly file some of the expenses and contributions.

The result of that is a **\$500 expense for dental work**, a likely misuse of funds, that went misreported as office space for more than six months. Following that, it was uncovered that the office space at Advantage Village Academy was actually an in-kind contribution the campaign failed to report. The campaign then **amended reports** earlier this month to reflect the contributions, but later changed the name again to reflect that it was Parker Financial Services behind the contributions, not Advantage Village Academy.

Advantage Village Academy is a nonprofit organization and it is illegal for them to contribute, in-kind or otherwise, to political campaigns.

Parker Financial Services is a private business. Both entities are run by **Toriano Parker**.

Janovsky has long held he had nothing to do with the errors and quit the campaign after identifying questionable campaign finance activity, but before any reports were prepared or filed.

Perhaps the most concerning issue in light of the latest news that the campaign is acknowledging the missteps were those of the candidate and not Janovsky is the implication that the campaign lied to cover her tracks.

After initial reports were broken by *SaintPetersblog*, Salisbury blamed the inaccuracies on Janovsky's own incompetence. Supporters called the news "petty" and blamed *SaintPetersblog* for unfair reporting on the issue.

Five days after the news broke, the *Tampa Bay Times* re-reported the issues. Meanwhile, the paper announced late Tuesday afternoon they were still **maintaining support for Wheeler-Brown**. There was absolutely no mention of the questionable campaign finance reports.

The paper listed its reason for backing Wheeler-Brown as her commitment to support St. Pete Mayor **Rick Kriseman's** Memorandum of Understanding with the Tampa Bay Rays. That agreement would allow the Major League Baseball team to look outside of St. Pete in Pinellas and Hillsborough counties for alternative stadium sites.

The *Times*, and other supporters of the Mayor's agreement, argue not reaching an agreement could spell the end of baseball in the entire region and the loss of up to \$500 million in potential revenue that would be reaped from development of the Tropicana Field site.

The Rays have an iron-clad contract to play at Tropicana Field until 2027. Without an agreement some baseball fans and city officials, as well as the *Times*, worry the Rays will leave the region and the city would have to wait more than 10 years to begin any development of the site.

Wheeler-Brown's opponent, **Will Newton**, does not support the agreement as it's currently written, but said he is willing to reach a compromise if elected.

Further showing the *Times'* dedication to making this a one-issue race, in addition to ignoring campaign finance violations, is its endorsement of District 5

candidate **Phillip Garrett** over 6-year incumbent **Steve Kornell**.

While Kornell has overseen numerous wins in his District and throughout his district, including sweeping improvements in the Skyway Marina District and the expansion of Jabil Circuit to the Ceridian building on 34<sup>th</sup> Street South, the Times listed Garrett's support for Kriseman's MOU as its sole reason for endorsing the inexperienced candidate.

Kornell has raised more than \$40,000 from supporters in the race while Garrett has barely broken \$1,000 in contributions.

*The Tampa Tribune* endorsed Wheeler-Brown in the primary election, but switched its pick to Newton after news of the campaign violations broke. They also endorse Kornell, with "pause," despite his stance on the Rays issue.

Candidates for City Council, which also include City Council Chair **Charlie Gerdes** and **Monica Abbott**, will face off November 3.

## **Tribune endorsements: Gerdes, Kornell, Newton for St. Petersburg City Council**

Mail-in ballots will be sent this week in advance of the Nov. 3 general election that will decide, among other contests, three seats on the St. Petersburg City Council.

The fate of the Rays in the Tampa Bay area, economic development in south St. Petersburg and managing the phenomenal growth downtown are among the issues before the city council. Four seats were up for election, but one was automatically filled when a single candidate, Ed Montanari, filed to run for the District 3 seat being vacated by Bill Dudley.

Council members serve four-year terms and are paid about \$42,000 annually. General election races are open to all registered voters in the city, regardless of the districts they live in.

### **District 1**

Incumbent Charlie Gerdes is the City Council chairman and faces a challenge from local activist Monica Abbott.

Gerdes is a partner with a law firm in St. Petersburg. He was elected in 2011 to represent District 1, which covers west St. Petersburg. He voted for the Rays stadium deal presented by Mayor Rick Kriseman and wants to serve a second term to boost economic development and see a new police department building through to its conclusion, among other issues.

Abbott is self-employed and works in communications. She would focus on quality-of-life issues like cleaning up alleys. She would beef up code enforcement efforts, which she says can raise property values. She thinks the Rays stadium deal Kriseman offered doesn't adequately compensate the city.

Gerdes is a reasonable voice for positive change in St. Petersburg who has earned a second term. In the District 1 St. Petersburg City Council race, the Tribune recommends Charlie Gerdes.

### **District 5**

Incumbent Steve Kornell faces a challenge from Philip Garrett, a senior property appraiser in Hillsborough County.

Kornell is a social worker with Pinellas County schools and a former manager of the Childs Park Recreation Center. He was elected in 2009 to represent District 5, the city's southernmost district. He voted against the Rays stadium deal because he thinks the city should get millions more from the team if it leaves before its contract ends. He wants another term to continue the economic progress in the Skyway Marina District and to work with police and fire services to make the district safer. He pushed to save 35 acres bordering Boyd Hill Nature Preserve from development.

Garrett ran unsuccessfully last year for a state House seat and says he wants a city council seat to help the people in his district better their lives. He thinks the council hasn't done enough to help the struggling schools in the district and says he would fight efforts to raise city taxes or fees. He says he would support a deal like the one Kriseman offered to let the Rays look for a new stadium because it would be good for economic development and good to keep the team in the region.

Kornell's shortsighted Rays stadium vote gives us pause, but he deserves another term to continue his work in the district. For District 5, the Tribune recommends Steve Kornell.

#### District 7

Term limits prevented incumbent Wengay Newton from running for re-election, leaving the race to the two candidates who polled the most votes in the August primary.

Lisa Wheeler-Brown is an activist and former president of the Council of Neighborhood Associations who says she supports the Rays stadium deal and will work to improve safety and employment opportunities in the district, which includes some of the city's poorest neighborhoods. She faced petty theft charges as a young adult but says she learned from her mistakes.

Will Newton, the brother of outgoing council member Wengay Newton, is a district vice president of the Florida Professional Firefighters organization and has a solid resume of public service that also includes serving as a neighborhood association president. He is against the Rays stadium deal because he doesn't think it adequately compensates the city. He says he will work to bring jobs and foster home ownership in the district.

The candidates share similar priorities, and we favored Wheeler-Brown in the primary because of her support for the Rays. But recently revealed discrepancies in her campaign finance reports raise questions about her judgment.

Newton assures us he will work collaboratively with the council and is open to considering a different Rays offer if one is brought forward.

For District 7, the Tribune recommends Winthrop "Will" Newton.
