**NOTICE OF HEARING (AUTOMATIC FINE)**

A hearing will be held in this case before the Florida Elections Commission on, **March 13, 2018 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **Augustus B. Turnbull Conference Center, 555 West Pensacola Street, Room 103, Tallahassee, Florida 32301.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

**If you are an Appellant**, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

**See further instructions on the reverse side.**

*Amy McKeever Toman*  
Executive Director  
Florida Elections Commission  
February 26, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

To Whom It May Concern:

Please accept my sincere apology for filing the amendments late.

Regretfully, due to work, travel, death in my family, and Hurricane Irma setbacks time passed, and we missed the deadline. As soon as we realized the issue, we made sure to make the necessary changes and submitted the expense report. As of today, we have created a system to ensure that this does not happen again.

I am enclosing the information regarding the death in my family as proof.

Again, kindly accept my apologies.

**H**ow do you say what can't be said? How do you adjust from meeting and greeting to memories of what was? It has been said that it's not how long you live, but how well you lived. Our son lived well and he never met a person that he couldn't befriend.

Today, we say we'll see you again to someone that was in this life a part of us. All of our boys are impossibilities made possible by

God who has called one back to Himself.

Kaneil cannot come back to us, but we surely can go to him. We know where you are son and we will see you on the other side. We love you,

Re: Fine letter call from candidate

The candidate called concerned about the fine imposed on the late filing of his 2017 M6 report. I looked in EFS and found that this report was initially filed as a waiver then, on October 31, 2017, financial activity was added. I told him that a waiver tells us that he had no financial activity the month of June; but when someone went in a put in the contributions and expenditures on 10/31, that was a financial report for the month of June and it wasn't filed until October. He wanted to know about making payment plans. I told him we don't do that. I told him he could contact the FEC and find out if they would waive some of the fine, but we don't have the authority to do that here. I gave him the number for the FEC. He also wanted to speak to Kristi. I told him she was out until November 27, a week from now. He got the FEC #. He asked about the 20 days he had. I asked him when did he receive this letter. He said on Friday, November 17. I told him that he would have 20 from that date to act on this fine payment issue. Ejr

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
