If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

v.

**Florida Voters Campaign PAC,
Respondent.**

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on August 25, 2020, in Tallahassee, Florida.

On March 30, 2020, Staff recommended to the Commission that there was probable cause to believe the Florida Election Code was violated. The facts articulated in Staff's Recommendation are adopted by reference and incorporated herein. Based on the Referral, Report of Investigation, Staff's Recommendation, and oral statements, if any, made at the probable cause hearing, the Commission finds there is **probable cause** to charge Respondent with the following violation:

Count 1:

On or about August 12, 2019, Florida Voters Campaign PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2019 M7 Report.

The Commission also finds there is no probable cause to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

DONE AND ORDERED by the Florida Elections Commission on August 25, 2020.

Florida Elections Commission

The date this order was filed appears in the upper right-hand corner of the first page of the order.

In Re: Florida Voters Campaign PAC

Case No.: FEC 19-534

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 24, 2020, the following facts and law support this staff recommendation:

1. On September 30, 2019, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Florida Voters Campaign PAC (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Division (ROI Exhibit 1)¹ and Michael Dobson has been its Chairperson, Secretary, and Treasurer since its inception in 2017. (ROI Exhibit 1, page 1)

3. On December 5, 2019, the Executive Director notified Respondent by mail that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2019 M7

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the following reporting period:

- 2019 M7

¹ The Report of Investigation is referred to herein as “ROI.”

4. On April 7, 2017, the Division sent Respondent a letter (ROI Exhibit 3, page 1) acknowledging that the Division had received Respondent's Statement of Organization (ROI Exhibit 1) and Appointment of Campaign Treasurer and Designation of Campaign Depository (ROI Exhibit 2) for Florida Voters Campaign PAC.

5. The acknowledgment letter advised Respondent that all the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Political Committee Handbook, Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 3)

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. On August 13, 2019, the Division mailed Respondent a failure-to-file letter informing Respondent that a 2019 M7 Report had not been received. The letter also stated: "If no reportable activity occurred for the report date(s), you are still required to inform us in writing, via the Division's Electronic Filing System, that no reportable activity occurred." (ROI Exhibit 4)

8. On August 26, 2019, the Division mailed Respondent a second failure-to-file letter again informing Respondent that a 2019 M7 Report had not been received. The letter also explained: "that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred." (ROI Exhibit 5)

9. On September 11, 2019, the Division mailed Respondent a Final Notice again informing Respondent that a 2019 M7 Report had not been received and the potential penalties pertaining to failing to file. (ROI Exhibit 6, page 1) The letter was delivered to Respondent on or about September 12, 2019. (ROI Exhibit 6, page 2)

10. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e. July 1, 2019 – July 31, 2019. In response to the subpoena, the Operations Manager for the summons and subpoena department stated she was unable to locate any record of an account in Respondent's name.² (ROI Exhibit 7)

11. Based upon the financial institution's response to the subpoena, it appears that Respondent did not have any contributions or expenditures during the 2019 M7 reporting period, and that a waiver should have been filed for the 2019 M7 reporting period. As of the date of the Staff Recommendation in this case, the Division's Florida Election System Reports shows that no waiver or treasurer's report has been filed for the 2019 M7 reporting period. (ROI Exhibit 8, page 1) Thus, Respondent failed to notify the filing officer on the prescribed reporting date that no report

² The subpoena requested all deposit items and all checks drawn on the account, from September 1, 2017 through the present as well as signature cards and monthly bank statements. It appears the committee has never opened a bank account.

would be filed for the following reporting period, as set forth in the table below.

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. Days Late
2019 M7	7/1/19 – 7/31/19	8/12/19	Not Filed	N/A

12. On December 18 and 19, 2019, Respondent had phone contact with investigative staff and stated he was not aware of any reports being filed against his PAC and stated he was currently going through months of mail that he had been too busy to go through. (ROI Exhibit 9, Item 1, line 2, 3 and 4)

13. Respondent stated he only created the PAC to support amendment 4. (ROI Exhibit 9, Item 1, line 4 and 5) However, when Respondent, as Chairman, Secretary and Treasurer, filed his PAC's *Statement of Organization of Political Committee* (DS-DE 5) with the Division, he listed the area, scope and jurisdiction of the committee as "Candidates and Issues (To support or oppose statewide, multicounty, and local candidates and issues.)" (ROI Exhibit 1, page 1, No. 3)

14. Respondent said when the amendment passed, the PAC stopped collecting money or being active. (ROI Exhibit 9, Item 1, line 5 and 6) However, the Division's Florida Election System Reports clearly shows that Respondent's PAC is still active with the Division. (ROI Exhibit 8, page 1) Respondent admitted he should have closed the PAC, but added he was caught up in other activities and it slipped his mind. (ROI Exhibit 9, Item 1, line 6 and 7)

15. Investigations instructed Respondent to contact the Division for assistance and suggested he close the PC if it is no longer active in order to avoid further penalties. Respondent stated he would contact the Division for assistance. (ROI Exhibit 9, Item 1, line 11, 12 and 13)

16. Respondent stated his campaign account is not open and has not been in over a year. To confirm this, investigations contacted the financial institution Respondent identified as his bank/depository. As noted previously, they were unable to locate any information on Respondent. (ROI Exhibit 7) Upon being advised of investigation's inability to locate the campaign account, Respondent now stated he was unsure if a depository was ever opened, although he remembered a PayPal account, but did not know if it was associated with the PAC. (ROI Exhibit 9, Item 3, line 3 and 4)

17. Respondent also stated he does not even know how to get into the EFS system to file anything. (ROI Exhibit 9, Item 1, line 8 and 9) However, the number of reports filed since its 2017 inception strongly suggests otherwise; most notable are the seven reports that Respondent filed on June 11, 2019. (ROI Exhibit 8, page 1 and 2)

18. As to whether he ever received and read Chapter 106, Florida Statutes and the *Political Committee Handbook*, Respondent said he did not recall ever receiving or reviewing either. (ROI Exhibit 9, page 1 and 2, Item 3, line 4, 5 and 6) However, as noted previously, the Division acknowledged to Respondent it had received his PAC's *Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository* on April 7, 2017,

(ROI Exhibit 3, page 1) and advised him all publications and reporting forms of the Division were available on its website and directed him to print out the *Political Committee Handbook, Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 3)

19. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

20. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed for the following reporting period: 2019 M7.

Based upon these facts and circumstances, I recommend that the Commission find no probable cause to charge Respondent with violating Section 106.19(1)(c), Florida Statutes, and that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about August 12, 2019, Florida Voters Campaign PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2019 M7 Report.

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 19-534

Respondent: Florida Voters Campaign PAC

Counsel for Respondent: n/a

Complainant: Division of Elections

Counsel for Complainant: n/a

On September 30, 2019, the Florida Elections Commission (Commission) received a referral from the Division of Elections alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(7), Florida Statutes, failure of a political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed; and

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. Respondent is Florida Voters Campaign PAC, a political committee that is registered with the Division of Elections. The scope of the political committee is "to support or oppose statewide, multicounty, and local candidates and issues".

2. Complainant is the Division of Elections (DOE).

3. Respondent's filing officer is Kristi Willis, Chief, Bureau of Election Records.

4. On April 6, 2017, Respondent filed a Statement of Organization of Political Committee (DS-DE 5) form with the Division of Elections. The organization's special interests are listed as "Social Justice". To view a copy of the DS-DE 5 form, refer to exhibit 1.

5. On April 6, 2017, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees (DS-DE 6) form with the Division of Elections. To view a copy of the DS-DE 6 form, please refer to exhibit 2.

6. On April 7, 2017, Ms. Willis sent Respondent's chairman a letter acknowledging the committee had been placed on the active committee list as a political committee. The letter advised Respondent that all political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS). Respondent's chairperson was provided with a user identification number and initial password allowing him

access to the EFS. To view a copy of the April 7, 2017 acknowledgement letter, refer to exhibit 3.

7. On August 13, 2019, Complainant mailed Respondent a failure-to-file letter informing them that a 2019 M7 Report had not been received¹. This letter was sent to the address that Respondent provided on the DS-DE 6 form (Exhibit 2). To view a copy of the August 13, 2019 failure-to-file letter, refer to exhibit 4.

8. On August 26, 2019, Complainant mailed Respondent a second failure-to-file letter informing them that a 2019 M7 Report still had not been received. This letter was also sent to the address Respondent provided on the DS-DE 6 form (Exhibit 2). To view a copy of the August 26, 2019 failure-to-file letter, refer to exhibit 5.

9. On September 11, 2019, Complainant mailed Respondent a "Final Notice" regarding the 2019 M7 Report. This letter was sent via certified mail. This certified letter was also sent to the address Respondent provided on the DS-DE 6 form (Exhibit 2). To view a copy of the September 11, 2019 failure-to-file certified letter with delivery confirmation receipt, refer to exhibit 6.

10. The allegations that Respondent failed to report campaign activity, or in the alternative, failed to notify the filing officer that no report would be filed during the 2019 M7 reporting period will be discussed in the following paragraphs.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

11. I investigated whether Respondent violated this section of the election laws by not notifying the filing officer, in writing, that no report was being filed due to not receiving any contributions or making any expenditures during the 2019 M7 reporting period.

12. Commission staff subpoenaed Respondent's campaign account records from Wells Fargo Bank, N.A., Respondent's campaign depository listed on their DS-DE 6 (Exhibit 2). In a letter dated December 19, 2019, Dawn Ward, Operations Manager for the summons and subpoena department, stated she was unable to locate any record of an account in Respondent's name². To view a copy of Ms. Ward's letter, refer to exhibit 7.

13. Based upon Ms. Ward's letter in response to the Commission's subpoena, it appears that Respondent did not have any contributions or expenditures during the 2019 M7 reporting period. Therefore, it appears that a waiver should have been filed for the 2019 M7 reporting period. As of the date of this report of investigation, no waiver or treasurer's report has been filed for the 2019 M7 reporting period. To view a copy of Respondent's filing history, refer to exhibit 8.

14. There is no record that Respondent has previously been investigated for violating

¹ The 2019 M7 Report covers the time-period from July 1, 2019 through July 31, 2019.

² The subpoena requested all deposit items and all checks drawn on the account, from September 1, 2017 through the present as well as signature cards and monthly bank statements. It appears the committee has never opened a bank account.

this section of the election laws.

III. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

15. I investigated whether Respondent violated this section of the election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, when it failed to file a treasurer's report for the 2019 M7 reporting period, on the prescribed reporting date.

16. To review the circumstances regarding the committee's campaign activity, please refer to paragraphs 12 and 13 of this report.

17. There is no record that Respondent has previously been investigated for violating this section of the election laws.

IV. FEC History:

18. None.

Conclusion:

19. In a telephone interview, Respondent's chairman advised me that he was unaware of any reports being filed against his PAC. He told me that he is currently going through months of mail that he has been too busy to go through. Respondent's chairman stated that the PAC was only created to support amendment 4. He stated that once that amendment passed, the PAC stopped collecting any monies or being active. He stated that he should have closed it then, but he got caught up in other activities and it slipped his mind. He advised me that his campaign depository is not open and has not been in over a year; in a follow-up interview Respondent's chairman advised me that he was unsure if a depository was ever opened. He stated that he remembers a PayPal account but is not sure if it was associated with the PC.

20. Respondent's chairman also advised me that he does not know how to get into the EFS system to file anything. I instructed him to contact DOE for assistance. I went over the investigative process with him. He told me that he did not have any money to pay any fine. I inquired if he had received and read Chapter 106, Florida Statutes and the *Political Committee Handbook*. Respondent's chairman told me that he did not recall ever receiving or reviewing either of them. To view a copy of the phone log, refer to exhibit 9.

21. In the April 7, 2017 acknowledgement letter, Respondent's chairman was informed that all of the Division's publications are available online at the DOE's website. In the letter, the chairman was admonished as follows: **It is your responsibility to read, understand, and follow the requirements of Florida's election laws. Therefore, please print a copy of the following documents: Chapter 106, Florida Statutes, Political Committee Handbook, Calendar of Reporting Dates, and Rule 1S-2.017, Florida Administrative Code.** To view a copy of the April 7, 2017 acknowledgement letter, refer to exhibit 3.

Respectfully submitted on February 24, 2020.

Dear Mr. Dobson:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Florida Voters Campaign PAC**, which were placed on file in our office on April 6, 2017. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **May 10, 2017**. The report will cover the period of April 1-30, 2017 (M4). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Dobson:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 12, 2019.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:

\$50 per day for the first 3 days late

\$500 per day for each day after the 3rd day late

If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Mr. Dobson:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 12, 2019.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on August 13, 2019.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Dobson:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2019	M7	7/1/19 - 7/31/19

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

FLORIDA ELECTIONS COMMISSION
PHONE LOG
Case No.: FEC 19-534

Respondent: Florida Voters Campaign PAC

Complainant: Division of Elections

1. **Date and time:** December 18, 2019 @ 2:00 pm

Name: Michael Dobson—Chairman

Phone #: (850) 241-5896

Summary: I had telephone contact to discuss complaint allegations with him. Respondent verified contact/home information. Respondent advised me that he was unaware of any reports being filed against his PAC. He told me that he is currently going through months of mail that he has been too busy to go through. Respondent stated that the PAC was only created to support amendment 4. He stated that once that amendment passed, the PAC stopped collecting any monies or being active. He stated that he should've closed it then, but he got caught up in other activities and it slipped his mind. He advised me that his campaign depository isn't open and hasn't been in over a year. He also advised me that he doesn't even know how to get into the EFS system to file anything. I instructed him to contact DOE for assistance. I went over the investigative process with him. He told me that he didn't have any money to pay any fine or negotiate a settlement. I recommended that he close the PC if it's not active for him to avoid being penalized further. He stated that he would contact DOE for assistance with this matter as well.

RE: Case No.: FEC 19-534; Respondent: Florida Voters Campaign PAC

Dear Mr. Dobson:

On September 30, 2019, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2019 M7

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the following reporting period:

- 2019 M7

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if

so, the amount of the fine to be imposed upon your committee. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Dear Mr. Dobson:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2019	M7	7/1/19 - 7/31/19

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief
Bureau of Election Records
