Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. **Case No.: FEC 15-292**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(2)(b)1., 106.19(1)(b), 106.19(1)(c), and 106.19(1)(d), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on September 14, 2015, the following facts and law support this staff recommendation:

1. On March 26, 2015, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections (“Division”) alleging that Celestyne “Celeste” Williams (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for the House of Representatives, District 41, in the 2014 general election. Respondent’s initial Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) was filed with the Division on October 7, 2013. On January 14, 2014, Respondent filed a second DS-DE 9 appointing herself as her campaign treasurer in place of Ms Davenport. (ROI Exhibit 1 and Attachment A)<sup>1</sup>

3. By letter dated July 21, 2015, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(2)(b)1., Florida Statutes:** Celestyne “Celeste” Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, failed to timely make necessary amendments to the campaign’s 2015 TR report

**Section 106.19(1)(b), Florida Statutes:** Celestyne “Celeste” Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, may have failed to report one or more contributions required to be reported by Chapter 106, Florida Statutes.

**Section 106.19(1)(c), Florida Statutes:** Celestyne “Celeste” Williams, 2014 candidate for State Representative, District 41,

<sup>1</sup> The Report of Investigation shall be referred to herein as “ROI.”

acting as her own treasurer, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes.

**Section 106.19(1)(d), Florida Statutes:** Celestyne "Celeste" Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes

4. By letter dated October 8, 2013, Kristi Reid Bronson, Division of Elections, Chief, Bureau of Election Records, notified Respondent that her DS-DE 9 and Candidate Oath had been received and her name had been placed on the 2014 active candidate list. A security envelope containing Respondent's confidential PIN number to access the Division's electronic filing system ("EFS") was also enclosed in the letter. (Attachment B, page 1)

5. The October 8, 2013 acknowledgment letter also informed Respondent that all of the Division's publications and reporting forms are available on the Division website, including Chapters 104 and 106, Florida Statutes, *2012 Candidate and Campaign Treasurer Handbook* ("Handbook"), and the *2013 Calendar of Reporting Dates*. (Attachment B, page 3)

**Section 106.07(2)(b)1., Florida Statutes:**

6. Respondent timely filed her 2015 Termination Report (TR) on February 2, 2015. However, Respondent's 2015 TR was incomplete. (ROI Exhibit 2 and ROI Exhibit 3, pages 2 and 3)

7. On February 13, 2015, the Division sent a letter to Respondent notifying her that her Termination Report was incomplete and that she had seven days from receipt of the notice to correct the items on the attached error report and file an amended report. Alternatively, Respondent could provide the Division a written explanation addressing the issues on the error report if the information she reported was accurate. (ROI Exhibit 3, pages 2-4)

8. The Division sent the letter to the address Respondent provided on her June 20, 2014 DS-DE 9. The letter was returned to the Division on February 26, 2015 because the Post Office Box was closed and the letter could not be forwarded. (ROI Exhibit 3, page 1)

9. On or about March 2, 2015, Ms. Bronson sent Respondent a "FINAL NOTICE"<sup>2</sup> notification that her TR "remained" incomplete and Respondent had seven days from receipt of the letter to correct the errors on the attached error report. The Division's March 2, 2015 final notice was sent to the street address listed on Respondent's October 7, 2013 DS-DE 9 for herself as campaign treasurer. The letter was confirmed delivered on March 5, 2015. (ROI Exhibit 1, and ROI Exhibit 4)

---

<sup>2</sup> Even though the letter indicated it was a final notice, it was the first notification Respondent received.

10. During an August 4, 2015 phone conversation with Investigator Tracie Aulet, Respondent agreed to correct the errors and file an amended report by August 22, 2015. (ROI Exhibit 16, Phone Log Entry 1)

11. Despite the Division notifying Respondent that her TR was incomplete, as of September 14, 2015, Respondent has not filed a corrected and completed TR or provided the Division with a written explanation that addressed the issues in the attached error report. (ROI Exhibit 16, Phone Log Entry 4)

12. Based on the foregoing, it appears that Respondent failed to properly amend her TR within seven days of receiving notice from the Division that her TR was incomplete.

**Section 106.19(1)(b), Florida Statutes.**

13. Respondent was required to report all contributions received by her campaign that are required to be reported by Chapter 106.19(1)(b), Florida Statutes. The table below lists the contributions Respondent failed to report.

RESPONDENT'S UNREPORTED CONTRIBUTIONS				
Date Posted to Account	Report/Cover Period Deposit Occurred	Contributor	Contribution Type	Amount

<b>TOTAL</b>				<b>\$192.00</b>

(ROI Exhibit 7, ROI Exhibit 8, ROI Exhibit 9, and ROI Paragraph 16)

14. Based on the information above, it appears that Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes.

**Section 106.19(1)(c), Florida Statutes.**

15. Section 106 19(1)(c), Florida Statutes, prohibits a candidate from falsely reporting or deliberately failing to include any information required to be reported by Chapter 106, Florida Statutes.

<sup>3</sup> The memo line on the check indicates that the \$100 was a loan from Respondent to her campaign. Nonetheless a loan is a contribution and Respondent was required to list it on her 2014 G7 Report

16. The following table lists expenditures that Respondent falsely reported or deliberately failed to include on her campaign reports

RESPONDENT'S UNREPORTED EXPENDITURES

17. Based upon the information above, it appears Respondent falsely reported or deliberately failed to include information on campaign reports required to be reported by Section 106.19(1)(c), Florida Statutes.

**Section 106.19(1)(d), Florida Statutes.**

18. Section 106.19(1)(d), Florida Statutes, prohibits a candidate from making or authorizing a campaign expenditure prohibited by Chapter 106, Florida statutes. Section 106.11(4), Florida Statutes, prohibits a candidate from making expenditures with insufficient unencumbered funds in her campaign account.

(ROI Paragraph 25)

20. Based on the information above it appears that Respondent made expenditures prohibited by Chapter 106, Florida Statutes.

21. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v State*, 590 So 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So 2d 305, 309 (Fla. 1<sup>st</sup> DCA 1995).

22. The facts set forth above show that Respondent was a candidate for State Representative, District 41, in the 2014 general election. Respondent timely filed her TR on February 2, 2015, however it was incomplete. On February 13, 2015, the Division sent Respondent notification that her 2015 TR was incomplete, however the notification letter was returned. The Division sent Respondent a "FINAL NOTICE" on March 2, 2015, notifying her that her 2015 TR was incomplete and she had seven days from receipt of the letter to correct the errors or provide the missing information on the attached error report. If the information was reported correctly, Respondent was required to provide the Division with a written explanation addressing the issues noted in the error report. As of September 14, 2015, Respondent has failed to do so.

23. The facts set forth above also show that Respondent's Termination Report reflected a \$352 12 deficit in Respondent's campaign account. Respondent failed to report contributions she received that she was required to report and deliberately failed to include information required to be reported by Chapter 106, Florida Statutes. Additionally, Respondent made or authorized prohibited expenditures in violation of Chapter 106, Florida Statutes.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge the Respondent with the following violations:<sup>5</sup>

\* If not reported as individual contributions when received, a political committee must report contributions that comprise multiple uniform contributions from the same person aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of the political committee. The report must list the name, address, and occupation of the person making the contribution; however, the occupation need not be listed if the aggregate contribution from the person is \$100 or less. (Because the law containing this provision did not go into effect until 11/01/13, this first report will not cover a full calendar year.)

**FLORIDA ELECTIONS COMMISSION**  
**REPORT OF INVESTIGATION**  
Case No.: FEC 15-292

**Respondent: Celestyne Williams**

**Complainant: Division of Elections**

Pursuant to Section 106.25, Florida Statutes, on March 26, 2015, the Florida Elections Commission received information from the Division of Elections that Respondent violated Chapter 106, Florida Statutes. The Division's referral was mandated pursuant to Section 106.07(8)(d), Florida Statutes. Commission staff, therefore, investigated whether Respondent violated the following statutes:

Section 106.07(2)(b)1, Florida Statutes, failure of the treasurer of a candidate to file an addendum to an incomplete report after receiving notice from the filing officer;

Section 106.19(1)(b), Florida Statutes, failure of a person or organization to report a contribution required to be reported by Chapter 106, Florida Statutes;

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida; and

Section 106.19(1)(d), Florida Statutes, prohibiting a person or organization from making or authorizing any expenditure prohibited by Chapter 106, Florida Statutes

**I. Preliminary Information:**

1. Respondent was a candidate for State Representative, District 41; she was defeated in the general election held on November 4, 2014.

2. Complainant is the Division of Elections.

3. Respondent's filing officer is Kristi Reid-Bronson, Chief, Bureau of Election Records, Division of Elections.

**II. Alleged Violation of Section 106.07(2)(b)1, Florida Statutes:**

4. I investigated whether Respondent violated this section of election laws by failing to file an addendum to her 2015 Termination Report after receiving notice that the report was incomplete

5. On June 20, 2014, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) form appointing herself treasurer of her campaign. To view a copy of the DS-DE 9 form, please refer to Exhibit 1.

6 According to Respondent's filing history, Respondent timely filed her 2015 Termination Report on February 2, 2015. To view a copy of Respondent's filing history, please refer to Exhibit 2.

7 On February 13, 2015, the Division sent Respondent a letter informing her that her 2015 Termination Report was incomplete. An error report reflecting that Respondent incorrectly reported a contribution and two expenditures was included with the letter. The letter was mailed to the post office box address listed on Respondent's DS-DE 9 form (Exhibit 1, Box #3); however the letter was returned by the postal service because the post office box was closed. To view a copy of the February 13, 2015 letter, error report and returned envelope, please refer to Exhibit 3.

8 On March 2, 2015, the Division sent Respondent a letter marked "Final Notice;" informing Respondent that her 2015 Termination Report was incomplete and she had seven days to correct the report. An error report reflecting Respondent incorrectly reported a contribution and two expenditures was included with the letter (previously provided as Exhibit 3, pages 3 and 4). The letter was mailed to the Respondent's physical address listed on her DS-DE 9 form (Exhibit 1, Box #11). To view a copy of the Final Notice without attachments, please refer to Exhibit 4.

9 I reviewed Respondent's 2015 Termination Report currently on file with her filing officer. According to the Division's error report (Exhibit 3, page 3), the disbursement of funds in sequence number 2 of Respondent's contributions is reported incorrectly; the contribution refund in sequence number 10 of Respondent's expenditures is reported incorrectly; and sequence number 11 has an incorrect expenditure type. To view a copy of Respondent's 2015 Termination Report, please refer to Exhibit 5.

10 I interviewed Respondent by telephone on August 4, 2015. Respondent stated she has been having medical problems and is currently taking medication. Respondent acknowledged receipt of letters from the Commission regarding the allegations in the referral and stated that there "may be a coding error" with respect to her termination report. Respondent asked for, and agreed to, an extension of time until August 22, 2014, to go through her bank records and amend her termination report.

11 I reviewed the Queued Transactions for Respondent's 2015 Termination Report which reflects that although Respondent agreed to amend her report by August 22, 2015, no amendments have been made to the report since it was filed on February 2, 2015. To view a copy of the queued transactions for the termination report, please refer to Exhibit 6.

12 No record of Respondent having previously violated this section of law was found.

### **III. Alleged Violation of Section 106.19(1)(b), Florida Statutes:**

13 I investigated whether Respondent violated this section of election laws by failing to report contributions.

14 Based on the deficit balance reflected in the error report and "Sum of Contributions vs Expenditures" provided to Respondent (Exhibit 3, pages 3 and 4), Complainant alleged Respondent may have failed to report contributions.

15. During the August 4, 2015 telephone interview, Respondent surmised that the deficit balance may also be due to the coding errors reflected in the error report (Exhibit 3, page 3)

16. I subpoenaed and reviewed Respondent's campaign account records from June 1, 2014, to the close of the account and found contributions that were not disclosed by Respondent. Table 1 summarizes the contributions Respondent received and the reporting periods during which it appears the contributions should have been reported. To view copies of the relevant campaign account records and corresponding campaign treasurer's reports, please refer to Exhibits 7, 8 and 9.

<b>TOTAL</b>				<b>\$192.00</b>

17 No record of Respondent having previously violated this section of law was found.

**IV. Alleged Violation of Section 106.19(1)(c), Florida Statutes:**

18 I investigated whether Respondent violated this section of election laws by failing to disclose information on her campaign treasurer's reports

19 Based on the deficit balance reflected in the error report provided to Respondent (Exhibit 3, page 3), Complainant alleged Respondent may have failed to disclose information on her campaign treasurer's reports.

20. To review the circumstances regarding Respondent's alleged unreported contributions, please refer to Table 1 of this report.

21. Review of Respondent's campaign account records from June 1, 2014, through the present also appears to reflect several expenditures that were not disclosed by Respondent. Table 2 summarizes the undisclosed expenditures and the reporting periods during which it appears the expenditures should have been disclosed. To view copies of the relevant campaign account records, please refer to Exhibits 10 through 13. Corresponding campaign treasurer's reports have been previously provided as Exhibits 5, 7, 8, and 9

22. No record of Respondent having previously violated this section of law was found.

**V. Alleged Violation of Section 106.19(1)(d), Florida Statutes:**

23. I investigated whether Respondent violated this section of election laws by making a prohibited expenditure from her campaign account

24. Based on the deficit balance reflected in the error report provided to Respondent (Exhibit 3, page 3), Complainant alleged Respondent may have made prohibited expenditures from her campaign account.

25. Review of Respondent's campaign account records from June 1, 2014 reflects Respondent had expenditures when funds were unavailable in her account on nine occasions; therefore, it appears these were prohibited expenditures. Table 3 summarizes the expenditures that occurred when funds were unavailable in Respondent's account. To view copies of the relevant campaign account records, please refer to Exhibit 14.

#### VI. FEC History:

27 Respondent has not had any prior cases before the Commission

#### Conclusion:

28. I conducted a final interview with Respondent on September 14, 2015, and gave her an opportunity to respond to the information gathered during the course of the investigation concerning the allegations made in the complaint. Respondent was surprised to learn that there appeared to be contributions and expenditure that were not disclosed in her reports as well as expenditures that occurred when funds were unavailable in her account. However, Respondent

acknowledged that she was her own treasurer and was responsible for her campaign's reporting and finances "from day one."

29. Respondent reiterated that she has been diagnosed with a chronic illness and is taking medications that leave her unable to perform certain tasks for long periods of time, such as sitting at a computer. Respondent stated she will have to review and amend her reports "a little at a time."

30. During the final interview Respondent stated she remembers reading statutes but she was not sure if they were Chapters 104 and 106, Florida Statutes. Respondent further stated she went through the *Candidate and Campaign Treasurer Handbook* but she did not read it "word for word." Respondent signed her most recent Statement of Candidate form on June 16, 2014. To view a copy of the form, please refer to Exhibit 15.

31. The Investigative Phone Log is provided as Exhibit 16.

R acknowledged receipt of letters from the Commission regarding the allegations in the referral and stated that there "may be a coding error" with respect to her termination report. I suggested an extension until August 22; R agreed to go through her bank records and amend her termination report by the 22<sup>nd</sup>. I asked R to call me if she is unable to amend her report or respond to the referral by then.

**Summary:** R reiterated that she has been diagnosed with a chronic illness and is taking medications that leave her unable to perform certain tasks for long periods of time, such as sitting at a computer. R stated she will have to review and amend her reports "a little at a time" and asked if she could have time to do that. I reminded R that her case has been open since March and the investigation is pretty much complete; I explained that the Commission only meets every three months and waiting until Wednesday would only delay her case further; I suggested that by receiving the report of investigation sooner the

report might help R identify what needs to be amended on her reports. R was surprised to learn that there appeared to be contributions and expenditures that were not disclosed in her reports as well as expenditures that occurred when funds were unavailable in her account. However, R acknowledged that she was her own treasurer and was responsible for her campaign's reporting and finances "from day one." R stated she remembers reading statutes but she was not sure if they were Chapters 104 and 106, Florida Statutes. R further stated she went through the *Candidate and Campaign Treasurer Handbook* but she did not read it "word for word."

**RE: Case No.: FEC 15-292; Respondent: Celestynne "Celeste" Williams**

Dear Ms. Williams:

On March 26, 2015, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

**Section 106.07(2)(b)1., Florida Statutes:** Celestynne "Celeste" Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, failed to timely make necessary amendments to the campaign's 2015 TR report.

**Section 106.19(1)(b), Florida Statutes:** Celestynne "Celeste" Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, may have failed to report one or more contributions required to be reported by Chapter 106, Florida Statutes.

**Section 106.19(1)(c), Florida Statutes:** Celestynne "Celeste" Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes.

**Section 106.19(1)(d), Florida Statutes:** Celestynne "Celeste" Williams, 2014 candidate for State Representative, District 41, acting as her own treasurer, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes.

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

**The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.**

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Tracie Aulet**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

Re: Returned mail			
I attempted to reach Ms. Williams but got her answering machine. I explained how we had returned mail for her. I asked if she would please contact the division so we might have a working address in which to correspond. I also explained how she might update her address by going onto the EFS system, go to campaign account, change her address there, put in her pin and save the changes. Ejr

RE: Notes in Audit System			
4/9/14 - no amendments have been made to the M11, M12 or M1 for the errors in the first, second and final notice. This matter is being referred to the FEC. DSBrown			
As of 3/6/14, no attempts to amend the M11, M12 or M1 for these error reports have been made. DSBrown			
3/11/14 - Ms. Williams called yesterday afternoon and spoke to Leonard. He told her I would call her back this morning. I spoke with Ms. Williams today. She said she has used the debit card for her campaign and withdrawn cash to pay for gas or attend events, etc. She did not realize this was petty cash withdrawn and spent. She is going to collect her records and call me back next week. We will go through each item and determine how to correctly reflect what really occurred. DSB

Cand called re: 1/16/14 2013 M12 audit letter, saying she didn't receive it until 1/22/14. I helped her amend her report, deleting the Con and adding purposes to the three Exp, and she said she would file the report after our phone call. I emphasized that the report was not filed presently, that it was in pending.

RE: Error Report			
Called (407) 924-1766. Left message for Sandra Davenport, Treasurer, advising that the Division of Elections had mailed a letter January 6, 2014, advising of errors in the M12 campaign report for Celestyne Williams. I would like to assist her in amending the report. Left my name and direct phone number.
