Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

Tim Vaccaro  
Executive Director  
Florida Elections Commission  
May 10, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Re: FEC 20-369: Campaign Treasurer's Report due 08/14/20 (2020 P7)**

To Whom It May Concern,

My name is Harold Fernandez Pryor and I am a candidate for State Attorney in and for the 17th Judicial Circuit. I authorized attorney and campaign treasurer, Josiah Graham to submit on my behalf, the initial appeal letter received by your office on September 9, 2020. Please accept this letter as an addendum to the initial appeal letter.

I write to address the recent \$1,000 fine that was assessed against the campaign.

During the week of August 10, 2020, my campaign experienced technical difficulties with the Division of Elections' website when submitting our financial report. Also, during the week before, our campaign communicated with your office after we realized that a number of our reported contributions did not accurately process through the online system.

Then, again, on the evening of August 14, 2020, we experienced difficulties with trying to properly report the contributions from that week. After we were unsuccessful at uploading our report, we were then able to successfully submit the same on August 16, 2020.

However, during our year-long campaign, we have prided ourselves on making timely submissions, and immediately correcting any omissions that were brought to our attention. And during this year-long campaign, we are proud to say that we have never been fined.

We sincerely apologize for any inconvenience we have caused the board by submitting our report after the Friday deadline.

In light of the difficulties we experienced with the website, as well as our due diligence in reporting over the past year, we humbly ask that the board reconsider the \$1,000 fine that was assessed against the campaign and consider waiving it instead.

I very much appreciate your attention to this important matter and look forward to hearing from you soon.

Sincerely,
