Enclosed you will find additional details on joining the video conference via GoToWebinar, **9-Digit Webinar ID 640938187** or via **teleconference by dialing (866) 901-6455** and entering the **meeting access code 278040912**, when prompted. **If you wish to speak before the Commission, you will need to appear by webcam and will be sworn in remotely.** Please be advised that the Commission will consider multiple cases, so you will need to wait until your case is considered. If you have any questions, please contact Commission staff at (850) 922-4539.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

Executive Director
Florida Elections Commission
May 10, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

To Whom It May Concern:

Upon filing the August P7 report on August 15, 2020, I was very sick and unable to file this report before the 11:59 pm deadline. Nevertheless, I filed it as close to the deadline as my health allowed.

I would like to appeal this matter, being that while I was under the weather and worked to file the report as soon as my health allowed, I had a short time period to do so.

Sincerely,

Shelby Green

Dear Mr. Herron:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Initiative for Florida's Future PC**, which were placed on file in our office on January 13, 2015. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **February 10, 2015**. The report will cover the period of January 1-31, 2015 (M1). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
