If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: SBMC PAC

Case No.: FEC 16-011

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on August 3, 2017, the following facts and law support this staff recommendation.

1. On January 13, 2016, the Florida Elections Commission ("Commission") received a referral from the Division of Elections ("Division") alleging that SBMC PAC ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Division. On November 10, 2014, Respondent's Statement of Organization of Political Committee form and initial Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees form ("DS-DE 6") were filed with the Division. Annie Howe was identified as the Respondent's chairman and Dee Kirby was appointed as its treasurer. (ROI Exhibit 1, page 1 and Attachment A)¹

3. By letter dated November 14, 2014, Kristi Reid Bronson, Chief, Bureau of Election Records, sent a letter to Respondent notifying it that the name of the organization had been placed on the Division's active committee list as a political committee. The letter advised Respondent that all political committees filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to access to the EFS. (ROI Exhibit 2, page 1)²

4. Ms. Bronson's November 14, 2014 letter further advised Respondent that all of the Division's publications and reporting forms were on the Division's website and directed Respondent to print a copy of Chapter 106, Florida Statutes, the *2014 Political Committee Handbook* ("Handbook"), the *2014 Calendar of Reporting Dates*, and other documents. (ROI Exhibit 2, page 3)

¹ The Report of Investigation shall be referred to herein as "ROI."

² Kristi Reid Bronson is now known as Kristi Reid Willis.

5. Respondent filed a second DS-DE 6 with the Division on May 7, 2015. Tim Howe was identified as Respondent's chairman and Mark Wilkinson was appointed as Respondent's treasurer. (ROI Exhibit 1, page 2)³

6. On May 8, 2015, Ms. Bronson sent Respondent's new treasurer, Mark Wilkinson, a letter containing a confidential pin number to access the EFS. The letter also stated that all of the Division's publications and reporting forms were on the Division's website and directed Mr. Wilkinson to print a copy of Chapter 106, Florida Statutes, the Handbook, the *Calendar of Reporting Dates*, and other documents. (Attachment C)

7. On May 25, 2017, the Executive Director sent Respondent notification that Commission staff would investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2015 M1
- 2015 M4
- 2015 M11

8. Page 18 of the Handbook states:

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification ["Notification"] must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division must be filed electronically using the Division's electronic filing system.

(Section 106.0705, F.S.)

(ROI Exhibit 3, pages 1 and 4)

³ On April 30, 2015, the Division received a DS-DE 6 appointing Mr. Wilkinson as its new treasurer. However, Respondent's DS-DE 6 was incomplete because Respondent's chairman did not sign the document. (Attachment B)

9. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* ("Guide") explain the steps a political committee should take to notify the Division in writing on the prescribed reporting date that no report will be filed for the reporting period using the EFS. Specifically, at the top of page 13, the Guide instructs the user to click the box next to "Waiver" if there is no financial activity to report. (ROI Exhibit 4)

10. Section 106.07(7), Florida Statutes, provides:

Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter **shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.** (Emphasis added)

11. The table below reflects Respondent's untimely Notifications to the Division:

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M1	01/01/15 – 01/31/15	02/10/15	02/20/15	10 ⁴
2015 M4	04/01/15 – 04/30/15	05/11/15	05/22/15	11
2015 M11	11/01/15 – 11/30/15	12/10/15	12/16/15	6

(ROI Exhibit 5, pages 1 and 2; Attachment D; and ROI Paragraph 7)

12. Mr. Wilkinson offered several reasons why he did not timely file Respondent's Notification for the 2015 M1 reporting period. However, Mr. Wilkinson was not Respondent's treasurer on the due date for Respondent to file a Notification for the 2015 M1 reporting period and, therefore, he was not responsible for its filing. (ROI Exhibit 1, ROI Exhibit 6, Phone Log Entry 4; and ROI Exhibit 8, page 2)⁵

⁴ On April 9, 2015, Respondent filed a 2015 M1 Report listing a \$5,000 contribution. (ROI Exhibit 5, pages 3 and 4; ROI Exhibit 7)

⁵ Mr. Wilkinson's appointment as Respondent's treasurer became effective when the Division received Respondent's May 7, 2015 DS-DE 6. §106.021(2), Fla. Stat.

13. However, Mr. Wilkinson was Respondent's treasurer on the due date for Respondent to file its Notification for the 2015 M4 reporting period and was responsible to ensure Respondent's Notification was timely filed, which he failed to do. Mr. Wilkinson told Investigator Wade that he did not timely file Respondent's Notification for the 2014 M4 reporting period because he was an accountant, the 2015 M4 reporting period was during tax season, and he was extremely busy. In his July 28, 2017 affidavit ("Affidavit"), Mr. Wilkinson stated that he took a vacation after tax season and missed filing Respondent's Notification. (ROI Exhibit 1, page 2; ROI Exhibit 6, Phone Log Entry 4; ROI Exhibit 8, page 2; and Attachment D)

14. Mr. Wilkinson was not sure why he filed Respondent's Notification for the 2015 M11 reporting period late. He speculated that maybe he was on vacation. (ROI Exhibit 6, Phone Log Entry 4 and ROI Exhibit 8, page 2)

15. In his Affidavit, Respondent's treasurer also stated he did not print or read Chapter 106, Florida Statutes, however, he printed and read the Political Committee Handbook, and he printed the Calendar of Reporting Dates. (ROI Exhibit 8, page 1)

16. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

17. The above facts show Respondent is a political committee that registered with the Division on November 10, 2014. Respondent failed to timely file its Notification for the 2015 M1 reporting period. Respondent's current treasurer who was appointed on May 7, 2015, gave several reasons why he did not timely file Respondent's Notification for the 2015 M1 reporting period. However, Mr. Wilkinson was not Respondent's treasurer on the due date for filing Respondent's 2015 M1 Notification and he was not responsible for timely filing the Notification. Nonetheless, Respondent was required to timely file a Notification for the 2015 M1 reporting period, which it failed to do.

18. The above facts also show Mr. Wilkinson was appointed as Respondent's treasurer on May 7, 2015, and was responsible for filing Respondent's Notification for the 2014 M4 reporting period, which he failed to do. Mr. Wilkinson told Investigator Wade that he was an accountant, was very busy during the 2015 M4 reporting period, and was on vacation when Respondent's Notification for the 2015 M4 reporting period was due. Additionally, Mr. Wilkinson did not remember why he failed to timely file Respondent's Notification for the 2015 M11 reporting period and speculated that he may have been on vacation.

Based on the foregoing, I recommend that the Commission find probable cause to charge Respondent with the following violations:

Count 1:

On or about February 10, 2015, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before February 10, 2015, that Respondent would not be filing its 2015 M1 Report on the prescribed due date.

Count 2:

On or about May 11, 2015, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before May 11, 2015, that Respondent would not be filing its 2015 M4 Report on the prescribed due date.

Count 3:

On or about December 10, 2015, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before December 10, 2015, that Respondent would not be filing its 2015 M11 Report on the prescribed due date.

Report of Investigation for Failure to Notify Filing Officer

Case Number: FEC 16-011

Respondent: SBMC PAC

Section 106.07(7), Florida Statutes, failure of a political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed.

Complainant: Division of Elections

Respondent Type:

- Candidate
 Political Committee

I. Preliminary Information:

1. An appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on November 10, 2014, appointing Dee Kirby as treasurer. On May 7, 2015, Respondent filed an amended DS-DE 6, appointing Mark Wilkinson as the new treasurer. (Ex. 1)

2. An acknowledgement letter was mailed to the address provided on Respondent's DS-DE 6 on November 14, 2014 advising Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the Calendar of Reporting Dates. (Ex. 2)

3. The acknowledgement letter also states, "An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports" and provides the telephone number for the Division's EFS Help Desk.

4. The *Political Committee Handbook*, discusses filing a waiver when there is no activity to disclose on page 18. (Ex. 3)

5. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose. (Ex. 4)

6. In a telephone interview on April 2, 2014, Kristi R. Willis clarified that once the waiver box is chosen and a new report is opened as shown on page 12, the only available option on the report summary screen will be "Go To File Report" as shown on page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on pages 45 and 46.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. Respondent's filing history reflects the untimely filed notifications summarized below. (Ex. 5)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M1	01/01/15 – 01/31/15	02/10/15	02/20/15	See paragraph 8
2015 M4	04/01/15 – 04/30/15	05/11/15	05/22/15	11
2015 M11	11/01/15 – 11/30/15	12/10/15	12/16/15	6

8. Although Respondent's treasurer, Mark Wilkinson, filed a notice-of-no-activity on February 20, 2015, he later filed a report disclosing that the committee received a contribution during the 2015 M1 reporting period. (According to the Queued Transaction Report, the 2015 M1 Report was filed on April 9, 2015.) During a telephone interview on August 3, 2017, Mr. Wilkerson explained that he initially thought the contribution was received and reported in December but he later discovered that the contribution was received in January. He stated that he tried to "amend the report [notification-of-no-activity]" but it took him several tries to figure out the electric filing system. To review the phone log, refer to Exhibit 6. To review the Queued Transaction Report, refer to Exhibit 7.

9. Respondent's chairman, Tim Howe, did not provide a written response to the referral; however, I interviewed him by telephone on July 28, 2017. He acknowledged that he was chairman from 2015 -2016 but added that he is not involved with the organization at this time. He stated that during his tenure he did not complete any of the campaign reports. He stated that he did not review or approve the campaign reports. He stated that the treasurer, Mark Wilkinson, handled everything. (Ex. 6)

10. During a telephone interview, Mr. Wilkinson acknowledged that he is responsible for filing the campaign reports and notifications-of-no-reports. He stated that he became treasurer in January of 2015. He stated that because the officers were transitioning, the notification-of-no-activity was filed late. He stated that he wasn't sure why the notifications for the 2015 M4 and M11 reporting periods were late. He offered that April is tax season and he stated that he is an accountant, so that's his busiest time. He speculated that he was probably on vacation in November. He stated that as a corrective measure he adds the due dates of reports to his personal calendar. (Ex. 6)

III. FEC History:

11. Respondent has not had any prior cases before the Commission.

Conclusion:

12. Mr. Wilkinson completed and returned the Affidavit of Background Information. In the affidavit, he stated that he received the acknowledgement letter from the Division of Election but he did not print Chapter 106, Florida Statutes, but he stated that he printed and read the *Political Committee Handbook*. Dear Ms. Howe:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **SBMC PAC**, which were placed on file in our office on November 10, 2014. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **December 10, 2014**. The report will cover the period of November 1-30, 2014 (M11). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Waiver of Report

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division must be filed electronically using the Division's electronic filing system.

(Section 106.0705, F.S.)

Special Election Reports

When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of the special election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to Section 100.111, F.S.

When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

Committees are to include on the special election campaign treasurer's reports only expenditures related to the special election made by the committee during the special election reporting periods. All contributions received and all expenditures made not related to the special election during the current quarter should be filed on the next quarterly report. Once a committee has participated in the special election and has filed a special election campaign report, all other special election reports remaining must also be filed by the committee, even if there is no further special election activity.

(Section 106.07(1), F.S.)

Incomplete Reports

Note: The Division's Electronic Filing System will allow a committee to file an incomplete report, however, filing a report that is incomplete means filing a report that is not in compliance with the Florida Statutes.

If a campaign treasurer files a report that is deemed incomplete, he or she will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of Chapter 106, F.S.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts, and total sums of all expenditures made during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

1. Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. Occupations or principal type of business are not required if the contribution is \$100 or less.
2. Name, address, amount, and date of each political committee or organization making any transfer of funds.

Name: Tim Howe
Phone #: 904-387-4041
Summary: Mr. Howe called me. He stated that he received the correspondence from our office. He stated that the phone number on the documents is the phone number to the club. He stated that no one monitors that; it's just an answering machine. I explained the issues in the referral. He stated that he is no longer involved in the organization. He stated that he was president of the Club in 2015 – 2016; therefore, he was also chairman of the PAC. He stated that he was not actively engaged in the PAC. I asked him to describe his duties. He stated that he approved the checks before they were issued but he was not involved in the filing of the reports that were sent to Tallahassee; he stated he did not fill out the report nor did he review or approve it. He stated that "Mark" (Mark Wilkerson, treasurer) did that. He stated that the PAC was formed to make contributions to various candidates but he's not certain if the PAC is still active. He stated that he would not feel comfortable completing the affidavit because he is not familiar with any of the document addressed on the affidavit. He stated that he would forward the information to Mark (Mr. Wilkinson).

EXHIBIT 6 page 1 of 3

Phone #: 904-470-4010

Summary: Mr. Wilkinson returned my call. I explained that the referrals from the Division involved the 2015 M1, M4 and M11 as well as the 2016 P1. I asked why the notifications were filed late.

He stated, "If I remember correctly, I took over from the previous treasurer in January (M1) so the Committee was transitioning. Therefore, it took a little while for me to figure things out. The M4 happened in April, which is tax season, I'm accountant so I was just extremely busy. I'm not sure what happened in November, maybe I was on vacation. The P1 was when the reports switched to weekly and I didn't realize it." He added that he has downloaded the reporting dates from the DOE website and imported the dates onto his calendar so now he gets a reminder when the reports are due. He stated that this method seems to be working.

Mr. Wilkinson asked that all future correspondence be sent to him and not Mr. Howe.

Mr. Wilkinson stated that 2015 is long ago but to the best that he can recall is that he was having a tough time trying to figure out what he was supposed to be doing as treasurer. He reiterated that to the best of his knowledge, he initially thought the contribution from the Club was received in December but he later realized that the contribution was made in January, then when he tried to "amend the report" but it took him a couple of tries before he figured out the electronic filing system.

12. The committee filed several notifications of no report with the filing officer after the deadline. Please explain why the committee was late filing notifications for the following periods.

2015 M1

I took over as Treasurer at the beginning of 2015. So I was just learning when reports were due.

2015 M4

I am a tax accountant and I was just finishing tax season ending April 15th. I took vacation after tax season. I was recovering tax season and missed filing this report.

2015 M11

I will be honest that I am not sure why this report was late.

2015 P1

The timing of the reports changed and I did not realized this happened. It changed from weekly to more often as the election was closer. Since then I am downloading the filing calendar and sure I have reminders when all reports are due.

I HEREBY SWEAR OR AFFIRM THAT THE FOREGOING INFORMATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

 Yes No
10. Did you read any other campaign related materials?

Yes No

11. If yes, please list the items below with a brief description of the information you received from these documents:

12. The committee filed several notifications of no report with the filing officer after the deadline. Please explain why the committee was late filing notifications for the following periods.

2015 M1

I took over as Treasurer at the beginning of 2015. So I was just learning when reports were due.

2015 M4

I am a tax accountant and I was just finishing tax season ending April 15th. I took vacation after tax season. I was recovering tax season and missed filing this report.

2015 M11

I will be honest that I am not sure why this report was late.

2015 P1

The timing of the reports changed and I did not realized this happened. It changed from weekly to more often as the election was closer. Since then I am downloading the filing calendar and sure I have reminders when all reports are due.

I HEREBY SWEAR OR AFFIRM THAT THE FOREGOING INFORMATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

RE: Case No.: FEC 16-011; Respondent: SBMC PAC

Dear Mr. Howe:

On January 13, 2016, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2015 M1
- 2015 M4
- 2015 M11

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website (www.fec.state.fl.us). If you have additional questions, please contact **Margie Wade**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

Dear Ms. Howe:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **SBMC PAC**, which were placed on file in our office on November 10, 2014. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **December 10, 2014**. The report will cover the period of November 1-30, 2014 (M11). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

RE: Credential Request Form			
Called Mr. Howe and left message that the division had received his CRF. He called back several hours later. He needed the password reset. I reset the password and gave him the information. I advised him to create recovery questions in EFS. He did not need his PIN. I told him he would need to get the treasurer's PIN from Mr. Wilkinson. He asked if there was anything else he needed and I said, yes, you need to file your report that is in pending because it is past due. He said he was going to file it now.

Re: Returned mail			
As I pulled up the account on CanCom, I noticed that the Chairperson's address on CanCom was not the address on the label. Address on label returned was 9802 Old Baymeadows Road Jacksonville, FL 32256. I will remail this "Fail to File" letter using the address on CanCom (8833 Perimeter Park Blvd. Suite 1104, Jacksonville, FL 32216 . ejr

Re: Returned mail

We received returned mail for the Treasurer. Upon closer inspection, the chairperson and treasurer have the same address, but there has been no returned mail for the Chairperson. Donna and I looked on Camcom and saw that "Boulevard" was typed on the line for 2nd address on the treasurer's page but not on the chair's page. I will make corrections to CanCom and make a new mailing address label for this audit letter and mail it out today. Ejr
