NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on **February 25, 2014, at 9:00 am, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, Room S-110, 404 South Monroe Street, Tallahassee, FL 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
February 4, 2014

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106 265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Plumbers & Pipefitters Local 123 PAC Fund is a political committee (PC) registered with the State of Florida. The PC's chair is Todd Vega and its treasurer is Karla O'Berry-Boattight¹

The PC is appealing the fine claiming that the information for the 2013 Q3 Report was submitted timely; however, it was included on the wrong report. According to Mr. Vega, "I feel that you should reconsider the fine based on the fact that our information was submitted on the due date; we did not know we had submitted the incorrect report. We did not receive notice stating that we submitted the special elections report with incorrect information. We were only aware when we received the 2nd delinquency report followed by a call after I sent a to the Division of Elections with a copy of the filing receipt I had received for the report due October 10, 2013." On 10/29/13, Kristi Reid-Bronson called Mr. Vega to explain that he had submitted the information on 10/10/13 on the wrong report and that he would have to resubmit the information on the Q3 Report, instead of the special elections report

- The 2013 Q3 Report covers the time period from 7/1/13 through 9/30/13.
- The PC reported receiving 1 contribution, while making 0 expenditures
- The 2013 Q3 Queued-Transactions Report reflects that this report was created on 10/28/13 at approximately 3:36 p m, reviewed 6 times, before being filed on 10/28/13 at approximately 4:02 p m.

On 9/17/13, the Division sent an acknowledgement letter advising the PC to print a copy of the 2013 Calendar of Reporting Dates, as well as, specifically stating that "Your first campaign treasurer's report will be due on October 10, 2013. The report will cover the period of July 1, 2013-September 30, 2013." Additionally reminder emails are sent by the division as a courtesy and are not required by statute.

PRIOR CASES: This PC has appeared before the Commission on 5 previous occasions. In FEC 02-105, 04-213, 10-117, 10-118, and 10-119 no unusual circumstances were found in any of these cases and the fines were upheld. This PC is currently involved in another automatic fine appeal that will also be heard during this Commission meeting, FEC 13-264

¹ It should be noted that this PC was created on 9/9/13 and is currently active; however, a CCE with a similar name (Plumbers & Pipefitters Local 123 Political Action Fund), and identical chairperson was revoked on 10/1/13 due to House Bill 569

RE: PAC 60967

November 25, 2013

To Whom It May Concern:

I would like to appeal the fine of \$259.42 for late filing of the campaign treasurer's report due October 10, 2013. I have enclosed a copy of the letter and the filing receipt that was sent to the Division of Elections when we received the first delinquency notice in reference to the report.

When we received the 2nd delinquency report I went back on to the Division of Elections website to check to see what the issue was since I knew I had submitted the report on the due date. At that time I saw there was another report that was available to submit. I filled out the report and submitted it on October 28, 2013.

On October 29, Ms. Bronson called our office due to the correspondence I had sent her office and explained that I had submitted the information on October 10, 2013 on the wrong report and that I had to resubmit the information on to the Q3 report. I had submitted the information on a special elections report on October 10. She also explained that I needed to list the contributors differently under the new PAC.

I feel that you should reconsider the fine based on the fact that our information was submitted on the due date; we did not know we had submitted the incorrect report. We did not receive a notice stating that we submitted the special elections report with incorrect information. We were only aware when we received the 2nd delinquency report followed by a call after I sent a letter to the Division of Elections with a copy of the filing receipt I had received for the report due October 10, 2013.

Thank you for your time. If you have any questions, please contact me.

Re: PAC 60967

Dear Ms O'Berry-Boatright:

Your campaign treasurer's report, which was due October 10, 2013, has not been received

Section 106 07(8)(b), Florida Statutes, requires that the filing officer immediately notify you of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report

Once your report is filed, this office will notify you of the specific amount of your fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice.

Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report the division will turn the matter over to the Florida Elections Commission

Section 106 265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106

Dear Mr. Vega:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Plumbers & Pipefitters Local 123 PAC Fund**, which were placed on file in our office on September 16, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
