NOTICE OF HEARING (APPEAL OF AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on **August 14, 2013, at 10:00 am**, *or as soon thereafter as the parties can be heard*, at the following location: **Senate Office Building, Room S110, 404 South Monroe Street, Tallahassee, FL 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause. Motions or other materials received after 5:00 p.m. on August 9, 2013 (the Friday before the meeting) may not be considered by the Commission.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
July 19, 2013

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Miami Coalition Against Breed Specific Legislation PAC, Inc is a political committee (PC) registered with the State of Florida. The PC's chair is Dahlia Canes and its treasurer is James Cueva.

The PC is appealing the fine claiming that the 2012 G1 Report was untimely filed due to a "misplaced" PIN number. According to Mr. Cueva, "a PIN number required to submit the report was misplaced. This problem was further complicated by the fact that both the Chairperson and the Campaign Treasurer were travelling outside the State at the time the report was due. As soon as the misplaced PIN number was located, the report was filed."

- The 2012 G1 Report covers the time period from 8/10/12 through 9/14/12.
- Miami Coalition Against Breed Specific Legislation PAC, Inc reported receiving 2 contributions, while making 12 expenditures.
- Miami Coalition Against Breed Specific Legislation PAC, Inc reported receiving its last contribution for this reporting period on 8/10/12.
- The Queued Transactions Report for this PC's 2012 G1 Report shows that the report was created on 9/25/12 at approximately 11:21 p.m., reviewed once on 9/25/12 at approximately 11:54 p.m., and filed on 9/26/12 at approximately 2:10 p.m.

PRIOR CASES: This PC has not had any prior cases before the Commission; however, the PC is currently appealing another automatic fine case #12-345 that will be appearing before the Commission during this meeting.

Re: 59914—Miami Coalition Against Breed Specific Legislation PAC

Please allow this letter to acknowledge receipt of your e-mail correspondence dated October 17, 2012, and respond to your inquiries regarding campaign finance reports filed by MCABSL PAC. This letter will also serve as our *Notice of Appeal* regarding fines imposed by letters dated September 18, 2012 and October 2, 2012. Please be advised that MCABSL PAC originally filed a form DS-DE5 and a form DS-DE6 with the Division of Elections on July 18, 2012. Shortly after these forms were submitted, we were informed that the forms submitted were incorrectly filled out. Following guidance from Division of Elections staff, an amended form DS-DE5 and DS-DE6 were filed with the Division of Elections (the "DOE") on July 27, 2012. A form DS-DE41 was also filed at that time.

On July 31, 2012 an acknowledgement letter was received indicating that the Department of State received the Statement of Organization, Appointment of Campaign Treasurer, and Designation of Campaign Depository for the Miami Coalition Against Breed Specific Legislation PAC, Inc. ("MCABSL PAC"). The Department of State's acknowledgement letter advised that "[y]our first campaign treasurer's report will be due on **August 10, 2012**" and further advised that "[t]he report will cover the period of July 21, 2012 -- August 9, 2012". Accordingly, pursuant to the Department's letter dated July 31, 2012, MCABSL's August 10, 2012 report disclosed activity from July 21, 2012 to August 9, 2012. Based upon the DOE's audit letter it would appear that MCABSL PAC *over-reported* its activity during the months of July and August 2012.

During this time period (July 21, 2012 to August 9, 2012) MCABSL PAC did not make any financial contributions to candidates, and therefore the contribution limit would not apply to any contributions received by MCABSL PAC (*see entry numbers 22, 48*). As it relates to entries number 33 and 62 on the 2012 F3 report, we are diligently trying to obtain the address of this donor and vendor (purchase of yard signs was made over the Internet), and will provide this information once it is received by us.

The report that was filed on August 11, 2012 was filed within 24 hours of the deadline, and after the Department was informed, via e-mail, of technical difficulties that prevented the report from being filed before the deadline. Ultimately, the technical difficulties were resolved and the report was filed on a Saturday while the campaign treasurer was on vacation, much to the chagrin of the campaign treasurer's wife who was also on vacation with the campaign treasurer. It should also be noted that during the election cycle covered by the August 10 report, MCABSL PAC only engaged in advocacy in favor of one particular ballot initiative in Miami-Dade County, which was defeated by a 2-1 margin. For these reasons, we respectfully request the fine for filing the August 10 report late be rescinded.

The report that was due on September 21, 2012 was filed late because a PIN number required to submit the report was misplaced. This problem was further complicated by the fact that both the Chairperson and the Campaign Treasurer were travelling outside the State at the time the report was due. As soon as the misplaced PIN number was located, the report was filed. In this case, there was minimal activity during the reporting period and therefore the fine of \$906.14 should be reduced to 25% of the expenditures during the reporting period, or be waived for reasons that follow below.

MCABSL PAC is a grass-roots animal advocacy group that is primarily devoting to fighting canine discrimination in the form of breed specific legislation. MCABSL PAC is a group that is staffed 100% by volunteers. The vast majority of donors prior to the August primary election were grass roots supporters and a majority of funds were expended before the August primary election. As of the date of this letter, only \$132.07 remains in the campaign account. To impose fines of \$1,406.14 (more than ten times the sum that remains in the campaign treasury) would cause MCABSL PAC to become insolvent. The late-filed reports were filed late because of technical difficulties experienced, and inexperience in creating and filing reports with the on-line system implemented by the DOF. The reports were not filed late because of any willful violations of election laws, or to gain an unfair advantage in the primary or general election. Since August and September, MCABSL PAC has twice filed timely waiver reports. We are happy to report that the technical issues

previously experience have been resolved and with each timely report filed we become more familiar with the online filing system, which increases our proficiency and reduces the likelihood of future errors. For these reasons we humbly request that the fines be rescinded in their entirety

Thank you for your time and attention to this matter. Please contact the undersigned if you have any questions or concerns. We await your response

Sincerely,

James A. Gueva

Post Office Box 961087

Dear Mr. Cueva:

Your campaign treasurer's report, which was due September 21, 2012, has not been received

Section 106.07(8)(b), Florida Statutes, requires that the filing officer immediately notify you of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Once your report is filed, this office will notify you of the specific amount of your fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice.

Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report the division will turn the matter over to the Florida Elections Commission.

Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.

If you have any questions, please do not hesitate to contact Theresa Holdeen at (850)245-6250.

Sincerely,

Dear Ms. Canes:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Miami Coalition Against Breed Specific Legislation PAC, Inc.**, which were placed on file in our office on July 30, 2012. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **August 10, 2012**. The report will cover the period of July 21, 2012 - August 9, 2012. All political committees that file reports with the Division of Elections are required to file by means of the Division's electronic filing system (EFS)

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential PIN number to access the Division of Election's electronic filing system (EFS) was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Re: 59914—Miami Coalition Against Breed Specific Legislation PAC

Please allow this letter to acknowledge receipt of your e-mail correspondence dated October 17, 2012, and respond to your inquiries regarding campaign finance reports filed by MCABSL PAC. This letter will also serve as our *Notice of Appeal* regarding fines imposed by letters dated September 18, 2012 and October 2, 2012. Please be advised that MCABSL PAC originally filed a form DS-DE5 and a form DS-DE6 with the Division of Elections on July 18, 2012. Shortly after these forms were submitted, we were informed that the forms submitted were incorrectly filled out. Following guidance from Division of Elections staff, an amended form DS-DS5 and DS-DE6 were filed with the Division of Elections (the "DOE") on July 27, 2012. A form DS-DE41 was also filed at that time.

On July 31, 2012 an acknowledgement letter was received indicating that the Department of State received the Statement of Organization, Appointment of Campaign Treasurer, and Designation of Campaign Depository for the Miami Coalition Against Breed Specific Legislation PAC, Inc. ("MCABSL PAC"). The Department of State's acknowledgement letter advised that "[y]our first campaign treasurer's report will be due on August 10, 2012" and further advised that "[t]he report will cover the period of July 21, 2012 – August 9, 2012." Accordingly, pursuant to the Department's letter dated July 31, 2012, MCABSL's August 10, 2012 report disclosed activity from July 21, 2012 to August 9, 2012. Based upon the DOE's audit letter it would appear that MCABSL PAC *over-reported* its activity during the months of July and August 2012.

During this time period (July 21, 2012 to August 9, 2012) MCABSL PAC did not make any financial contributions to candidates, and therefore the contribution limit would not apply to any contributions received by MCABSL PAC (*see entry numbers 22, 48*). As it relates to entries number 33 and 62 on the 2012 F3 report, we are diligently trying to obtain the address of this donor and vendor (purchase of yard signs was made over the Internet), and will provide this information once it is received by us.

The report that was filed on August 11, 2012 was filed within 24 hours of the deadline, and after the Department was informed, via e-mail, of technical difficulties that prevented the report from being filed before the deadline. Ultimately, the technical difficulties were resolved and the report was filed on a Saturday while the campaign treasurer was on vacation, much to the chagrin of the campaign treasurer's wife who was also on vacation with the campaign treasurer. It should also be noted that during the election cycle covered by the August 10 report, MCABSL PAC only engaged in advocacy in favor of one particular ballot initiative in Miami-Dade County, which was defeated by a 2-1 margin. For these reasons, we respectfully request the fine for filing the August 10 report late be rescinded.

The report that was due on September 21, 2012 was filed late because a PIN number required to submit the report was misplaced. This problem was further complicated by the fact that both the Chairperson and the Campaign Treasurer were travelling outside the State at the time the report was due. As soon as the misplaced PIN number was located, the report was filed. In this case, there was minimal activity during the reporting period and therefore the fine of \$906.14 should be reduced to 25% of the expenditures during the reporting period, or be waived for reasons that follow below.

MCABSL PAC is a grass-roots animal advocacy group that is primarily devoting to fighting canine discrimination in the form of breed specific legislation. MCABSL PAC is a group that is staffed 100% by volunteers. The vast majority of donors prior to the August primary election were grass roots supporters and a majority of funds were expended before the August primary election. As of the date of this letter, only \$132.07 remains in the campaign account. To impose fines of \$1,406.14 (more than ten times the sum that remains in the campaign treasury) would cause MCABSL PAC to become insolvent. The late-filed reports were filed late because of technical difficulties experienced, and inexperience in creating and filing reports with the on-line system implemented by the DOE. The reports were not filed late because of any willful violations of election laws, or to gain an unfair advantage in the primary or general election. Since August and September, MCABSL PAC has twice filed timely waiver reports. We are happy to report that the technical issues

previously experience have been resolved and with each timely report filed we become more familiar with the online filing system, which increases our proficiency and reduces the likelihood of future errors. For these reasons we humbly request that the fines be rescinded in their entirety.

Thank you for your time and attention to this matter. Please contact the undersigned if you have any questions or concerns. We await your response.

Re: 59914—Miami Coalition Against Breed Specific Legislation PAC

Please allow this letter to acknowledge receipt of your e-mail correspondence dated October 17, 2012, and respond to your inquiries regarding campaign finance reports filed by MCABSL PAC. This letter will also serve as our *Notice of Appeal* regarding fines imposed by letters dated September 18, 2012 and October 2, 2012. Please be advised that MCABSL PAC originally filed a form DS-DE5 and a form DS-DE6 with the Division of Elections on July 18, 2012. Shortly after these forms were submitted, we were informed that the forms submitted were incorrectly filled out. Following guidance from Division of Elections staff, an amended form DS-DE5 and DS-DE6 were filed with the Division of Elections (the "DOE") on July 27, 2012. A form DS-DE41 was also filed at that time.

On July 31, 2012 an acknowledgement letter was received indicating that the Department of State received the Statement of Organization, Appointment of Campaign Treasurer, and Designation of Campaign Depository for the Miami Coalition Against Breed Specific Legislation PAC, Inc ("MCABSL PAC"). The Department of State's acknowledgement letter advised that "[y]our first campaign treasurer's report will be due on **August 10, 2012**" and further advised that "[t]he report will cover the period of July 21, 2012 – August 9, 2012." Accordingly, pursuant to the Department's letter dated July 31, 2012, MCABSL's August 10, 2012 report disclosed activity from July 21, 2012 to August 9, 2012. Based upon the DOE's audit letter it would appear that MCABSL PAC *over-reported* its activity during the months of July and August 2012.

RE: Case No.: FEC 12-345 and FEC 12-346; Campaign Treasurer's Reports due 08/10/12 (F3) and 09/21/12 (G1)

Dear Mr. Cueva:

The Florida Elections Commission received Dahlia Cane's letter appealing the fine assessed against the PAC for failing to timely file campaign treasurer's reports. I anticipate that the Commission will hear your case at its next available meeting in Tallahassee (meetings are held in February, May, August, and November of each year). A notice of hearing will be mailed approximately three weeks prior to the hearing.

In reaching its decision, the Commission will consider the documents gathered by Commission staff and any documents you submit for the Commission's consideration before its meeting. Unless good cause is shown, the Commission will not consider any written document unless it has been filed with the Commission Clerk at least ten days before the meeting. Rules 2B-1.005, 1.0052, and 1.0055, *Florida Administrative Code*, are the Commission's rules on the appeal of automatic fines.

The Commission will uphold the fine imposed by the filing officer unless you provide credible evidence that the report was timely filed or credible evidence that unusual or other circumstances caused the report to be filed late.

If you are a county, municipal, or special district candidate or committee and your report was received by the filing officer without a postmark or with an illegible postmark more than five days after the due date or it was delivered to the filing officer by a mail delivery service other than the United States Postal Service, it will not be found timely filed unless you submit a copy of a proof of mailing or at a hearing before the Commission, presents the oral testimony of the person who timely mailed the report.

The proof of mailing submitted shall reflect that it was obtained from the United States Postal Service or other mail delivery service at the time of mailing and shall reflect that the report was mailed before midnight on the due date. A metered postage mark does not constitute a postmark.

or a proof of mailing.

If you cannot show that your report was timely filed, the Commission may still grant you relief, but only if you show unusual circumstances. **Unusual circumstances is defined in Rule 2B-1.005(4), Florida Administrative Code, to mean "uncommon, rare, or sudden events over which the actor has no control and which directly result in the failure to act in accordance with the filing requirements."** Unusual circumstances must occur within a time period that would clearly have prevented you from filing the report in a timely manner. Unusual circumstances shall not include the failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail. Further, unusual circumstances shall not include the failure of the sender to affix sufficient postage to a report that is being mailed.

Without credible evidence, the Commission will not find unusual circumstances. The following circumstances may constitute unusual circumstances so long as credible evidence is presented that unusual circumstances caused the report to be filed late.

1. **Natural disaster or other emergency that prevented timely filing.** Evidence submitted must include copies of newspaper reports or other documents from an independent and reliable source that shows the nature, date, and location of the natural disaster or emergency.
2. **Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer.** Evidence submitted must include a copy of the death certificate, newspaper obituary, or funeral program, or notice.
3. **Serious illness, disability or non-elective surgery of the candidate or campaign treasurer.** Evidence submitted must include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. Copies of hospital records reflecting the dates of hospitalization may also show the period of incapacitation.
4. **Serious illness, disability, or non-elective surgery of the immediate family member of the candidate or campaign treasurer.** Evidence submitted must include evidence of the relationship of the candidate or treasurer to the family member, the location of the family member, and the reason the presence of the candidate or campaign treasurer was required. Evidence submitted must also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.
5. **Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.** Power outages or program failure does not constitute unusual circumstances unless it is established that reasonable precautions to assure the safety of the

equipment or the ability of the program to perform as anticipated were taken before the events causing failure of the equipment or program. Evidence must include a written statement made under oath in the presence of a notary or other person authorized to administer oaths indicating the cause and the duration of the power outage and the reasonable precautions taken to assure the safety of the equipment or the ability of the program to perform as anticipated.

- 6. The abrupt and unexpected loss of the campaign treasurer, over which you had no control.** The loss of the campaign treasurer does not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure. Evidence must include a written statement made under oath in the presence of a notary or other person authorized to administer oaths explaining the departure of your treasurer and the steps taken to monitor the treasurer's performance before his or her departure.

You may, of course, send any additional evidence that you believe supports your position that your report was timely filed or that unusual circumstances cause your report to be filed late. Rule 2B-1.005(3), Florida Administrative Code, provides that if you send additional documentary evidence, the Commission must receive it no later than 20 days from the date of this letter. Remember that the Commission will not consider any written document unless it has been filed with the Commission Clerk at least ten days before the meeting, unless good cause is shown. If the documentary evidence is timely received, it will be presented to the Commission when it considers your appeal of the assessed fine.

It is your responsibility to provide the Commission with credible evidence that the report was timely filed or credible evidence that unusual circumstances caused the report to be filed late. If you do not provide the evidence requested in this letter or in the Commission rules, the Commission will uphold the fine assessed by the filing officer.

If you have any questions, please contact Cedric Oliver, the Investigator assigned to this case.

Sincerely,

Donna Ann Malphurs

RE: FEC 12-346; Campaign Treasurer's Report due 09/21/12

Dear Mr. Canes:

The Florida Elections Commission has received a letter appealing the fine assessed against you for failing to timely file a required report. The person signing the letter is James A. Cueva.

Sections 106.04(8)(c) and 106.07(8)(c), Florida Statutes, provide that only a candidate, the chairman of a political committee, or the treasurer of a committee of continuous existence may appeal a fine assessed by a filing officer for the late filing of a campaign treasurer's report. Therefore, to preserve your right to appeal the fine, the Commission must receive a written statement signed by you indicating that the person signing the letter was representing you when the appeal was filed.

If we do not hear from you within 10 days from the date of this letter, we will assume that the person signing the letter is neither your attorney nor your personal representative and that you have waived your right to appeal. The Commission will then enter a Default Final Order, ordering you to pay the fine assessed by your filing officer for failing to timely file your campaign treasurer's report.

I urge your immediate attention to this matter.

Sincerely,
