This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**STATE OF FLORIDA  
FLORIDA ELECTIONS COMMISSION**

**Florida Elections Commission,  
Petitioner,**

**Case No.: FEC 17-382**

v.

**John G. Heim,  
Respondent.**

**ORDER OF PROBABLE CAUSE**

**THIS MATTER** was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on May 15, 2018, in Tallahassee, Florida.

On March 2, 2018, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff's Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff's Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violation(s):

**Count 1:**

On or about September 11, 2017, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because Respondent had not received funds, made contributions, or expended reportable funds during the 2017 M8 reporting period.

**Count 2:**

On or about October 10, 2017, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because Respondent had not received funds, made contributions, or expended reportable funds during the 2017 M9 reporting period.

The Commission also finds there is no probable cause to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

**DONE AND ORDERED** by the Florida Elections Commission on May 15, 2018.

M. Scott Thomas, Chairman  
Florida Elections Commission

Copies furnished to:  
Eric M. Lipman, General Counsel  
John G. Heim, Respondent  
Cheryl Futch, Complainant

**NOTICE OF RIGHT TO A HEARING**

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (DOAH), if you dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within 30 days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 W. Gaines Street, Collins Building, Suite 224, Tallahassee, Florida 32399-1050. The telephone number is (850) 922-4539. **Case No.: FEC 17-382**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and **no probable cause** to charge Respondent to with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 12, 2018, the following facts and law support this staff recommendation:

1. On October 31, 2017, the Florida Elections Commission (“Commission”) received a complaint from Cheryl Futch, filing officer for the Lee County Supervisor of Elections Office (“Complainant”), alleging that John G. Heim (“Respondent”) violated Chapter 106, Florida Statutes.
2. Respondent was a write-in candidate for the Lee County Commission, District, 2, in the 2018 election. Respondent’s Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form was filed with the Lee County Supervisor of Elections (“LCSOE”) on June 30, 2017. Respondent withdrew from the race on December 26, 2017. (ROI Exhibits 1 and 2)<sup>1</sup>
3. Complainant alleged that Respondent failed file a 2017 M8 and 2017 M9 Report.
4. By letter dated December 22, 2017, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2017 M8
- 2017 M9

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when he failed to file a report on the prescribed reporting date for the following reporting period:

- 2017 M8
- 2017 M9

5. During the investigation, Tammy Lipa from the LCSOE told Investigator Smith that she and Complainant showed Respondent where to find Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook* ("Handbook") published by the Division of Elections on the LCSOE's website. The LCSOE's office also provided Respondent with paper copies of Chapter 106, Florida Statutes, and the Handbook. (ROI Exhibit 12, Phone Log Entry 3)

6. Commission staff subpoenaed copies of Respondent's campaign account records from Branch Banking and Trust Company ("BB&T"). By letter dated January 5, 2018, BB&T notified the Commission that based on the information provided, it was unable to locate any records. (ROI Exhibit 8)

**Sections 106.07(7) and 106.19(1)(c), Florida Statutes.**

7. Section 106.07(7), Florida Statutes, provides that:

Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter **shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.** (Emphasis added)

8. Page 47 of the Handbook states:

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived. **However, the candidate must notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (Emphasis in original)

*(Section 106.07, F.S.)*

(Attachment A)

9. Respondent's 2017 M8 Report covering the dates of August 1, 2017, through August 31, 2017, was due on September 11, 2017. However, Respondent failed to timely file a 2017 M8 Report or a notice of no reportable activity for the 2017 M8 reporting period on the due date. Because Respondent did not have a campaign account, it appears that Respondent did not have any reportable activity during the 2017 M8 the reporting period and should have filed a notice of no activity with the filing officer, which he failed to do. (ROI Exhibit 3, page 1; ROI Exhibit 5, page 1; and Attachment B)<sup>2</sup>

10. On September 20, 2017, and October 3, 2017, the LCSOE sent notice to Respondent that it had not received Respondent's 2017 M8 Report. Each notification was sent certified mail, return receipt requested. It appears Respondent received each notification. (ROI Exhibits 3 and 5)

11. Respondent filed a notice of no activity for the 2017 M8 reporting period on December 26, 2017. (ROI Exhibit 9)

12. Respondent's 2017 M9 Report covering the dates of September 1, 2017, through September 30, 2017, was due on October 10, 2017. Respondent failed to timely file a 2017 M9 Report or a notice of no reportable activity for the 2017 M9 reporting period. Because Respondent did not have a campaign account, it appears that Respondent did not have any reportable activity during the 2017 M9 reporting period and should have filed a notice of no activity with the filing officer, which he failed to do. (ROI Exhibit 6, page 1; Attachment B)

13. By letter dated October 11, 2017, the LCSOE sent notification to Respondent that it had not received Respondent's 2017 M9 Report. The notice was sent certified mail, return receipt requested. Respondent signed the return receipt on October 12, 2017. (ROI Exhibit 6)

---

<sup>2</sup> The LCSOE used the same reporting periods and filing dates as the Division of Elections.

14. On February 12, 2018, Investigator Smith asked Respondent why he failed to timely notify the filing officer in writing that he had no reportable activity during the 2017 M8 and 2017 M9 reporting periods. Respondent stated that he was “in disposed” at the time, had been out of town, and was planning to go to the LCSOE’s office to take care of any outstanding matters. However, as of March 1, 2018, Respondent has not filed a 2017 M9 Report or a notice of no activity for the 2017 M9 reporting period. (ROI Exhibit 12, Log Entry 5; Attachment C)

15. Based upon the foregoing facts and circumstances, it appears that Respondent may have failed to timely file a notice of no activity for the 2017 M8 and 2017 M9 reporting periods. It also appears that Respondent may not have deliberately failed to include information required to be reported by Chapter 106 on a 2017 M8 and 2017 M9 Reports.

16. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1<sup>st</sup> DCA 1995).

17. The facts set forth above show that Respondent was a write-in candidate for the Lee County Commission, District 2, in the 2018 election. Respondent’s Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form was filed with the Lee County Supervisor of Elections on June 30, 2017. Respondent withdrew from the race on December 26, 2017.

18. The above facts also show that Tammy Lipa and Complainant showed Respondent where to find Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer’s Handbook* published by the Division of Elections on the LCSOE’s website. Ms. Lipa and Complainant also provided Respondent with paper copies of each document.

19. The facts above additionally show that Respondent failed to timely file a 2017 M8 and 2017 M9 Report or a notice of no activity with the filing officer for the 2017 M8 and 2017 M9 reporting periods. Respondent filed a notice of no activity for the 2017 M8 reporting period on December 26, 2017. However, as of March 1, 2018, Respondent has failed to file a 2017 M9 Report or notice of no activity for the 2017 M9 reporting period.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following violations:

**Count 1:**

On or about September 11, 2017, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because Respondent had not received funds, made contributions, or expended reportable funds during the 2017 M8 reporting period.

**Count 2:**

On or about October 10, 2017, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because Respondent had not received funds, made contributions, or expended reportable funds during the 2017 M9 reporting period.

I further recommend that the Commission find no probable cause to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

Respectfully submitted on March 2<sup>nd</sup>, 2018.

An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure must file a single report of all contributions and expenditures on the 4th day immediately preceding the primary election. (See Chapter 18, Reporting for Individuals Seeking a Publicly Elected Position on a Party Executive Committee.)

Unless the electronic filing requirements of Section 106.0705, Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. Reports filed with the Division through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.

(Sections 106.07, 106.0705  
and 106.141, F.S.)

### Penalty for Late Filing

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is

greater, for the period covered by the late report. However, for the reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For a candidate's termination report, the fine shall be \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater for the period covered by the late report. All fines must be paid from the candidate's **personal funds** – not campaign funds.

(Section 106.07(2) and (8), F.S.)

### Notice of No Activity

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived. **However, the candidate must notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (A notice of no activity filed with the Division must be filed electronically using the EFS.) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed.

(Section 106.07, F.S.)

### Incomplete Reports

If a campaign treasurer files a report that is deemed incomplete, it shall be accepted on a conditional basis. The campaign treasurer will be notified by the filing officer as to why the report is incomplete. The campaign

**FLORIDA ELECTIONS COMMISSION**  
**REPORT OF INVESTIGATION**  
**Case No.: FEC 17-382**

**Respondent:** John G. Heim

**Complainant:** Cheryl Futch

On October 31, 2017, the Florida Elections Commission (“Commission”) received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(7), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed; and

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

**I. Preliminary Information:**

1. Respondent, John G. Heim, was a 2018 write-in candidate for the Lee County Commission, District 2. Subsequently, Respondent withdrew from the race by filing a “Notice of Intent to Withdraw Candidacy” with the Lee County Supervisor of Elections (LCSOE) office on December 26, 2017. To review the “Notice of Intent to Withdraw Candidacy,” refer to Exhibit 1.

2. Complainant, Cheryl Futch, is the qualifying officer for the LCSOE office.

3. On June 30, 2017, Respondent’s Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (DS-DE 9) was filed with the LCSOE office. Respondent appointed himself as campaign treasurer. To review the DS-DE 9 form, refer to Exhibit 2.

4. In a “Notification of Late Filing,” dated September 20, 2017, Respondent was notified that his 2017 M8 report<sup>1</sup> had not been received. The letter was mailed via certified mail to the address provided on Respondent’s DS-DE 9 form. To review a copy of the letter as well as the delivery confirmation, refer to Exhibit 3.

---

<sup>1</sup> The reporting period covered 08/01 – 08/31/17 and was due on 09/11/17.

5. On September 27, 2017, Respondent was notified that his 2017 M8 report had not been received<sup>2</sup>. To review a copy of the letter, refer to Exhibit 4.

6. In a second notice of a "Notification of Late Filing," dated October 3, 2017, Respondent was again notified that his 2017 M8 report had not been received. The letter was mailed via certified mail to the address provided on Respondent's DS-DE 9 form. To review a copy of the letter as well as the delivery confirmation, refer to Exhibit 5.

7. In a "Notification of Late Filing," dated October 11, 2017, Respondent was notified that his 2017 M9<sup>3</sup> report had not been received. The letter was mailed via certified mail to the address provided on Respondent's DS-DE 9 form. To review a copy of the letter as well as the delivery confirmation, refer to Exhibit 6.

8. On October 12, 2017, via e-mail, Complainant advised Respondent that both his 2017 M8 and 2017 M9 reports had not been received. To review a copy of the e-mail, refer to Exhibit 7.

9. The allegations that Respondent failed to report campaign activity, or in the alternative, failed to notify the filing officer, in writing, that no report would be filed for the 2017 M8 and 2017 M9 reporting periods will be discussed in the following paragraphs.

## **II. Alleged Violation of Section 106.07(7), Florida Statutes:**

10. I investigated whether Respondent violated this section of the election laws by failing to timely notify the filing officer, in writing, that no report would be filed due to not receiving any contributions or making any expenditures during the 2017 M8 and 2017 M9 reporting periods.

11. I subpoenaed Respondent's campaign account records from his designated campaign depository, BB&T Bank. In a written statement, the bank stated that they were unable to locate any records<sup>4</sup>. To review the written statement from the bank, refer to Exhibit 8.

12. Based upon the statement from Respondent's campaign depository, it appears that Respondent was required to notify the filing officer, in writing, that no report would be filed for the 2017 M8 and 2017 M9 reporting periods.

13. On December 26, 2017, Respondent filed a notification-of-no-activity for the 2017 M8 reporting period; the notification-of-no-activity was due September 11, 2017. Respondent has not filed a notification-of-no-activity for the 2017 M9 reporting period. To review the notice-of-no-activity filed for the 2017 M8 reporting period, refer to Exhibit 9.

---

<sup>2</sup> It appears that the letter was mailed to address Respondent's concern about withdrawing his candidacy.

<sup>3</sup> The reporting period covered 09/01 – 09/30/17 and was due on 10/10/17.

<sup>4</sup> The subpoena requested records for the Campaign to Elect John G. Heim; Campaign to Elect John G. Heim for Lee County Commissioner; Campaign to Elect John G. Heim for Lee County Commissioner, District 2, and other variants of his name and office sought.

14. According to the LCSOE's office, Respondent filed timely a notice-of-no-activity for the 2017 M6 and 2017 M7 reporting periods. To review an e-mail from a representative of the LCSOE's office, refer to Exhibit 10.

15. Respondent did not provide a response to the allegation.

16. No record was found to indicate that Respondent has previously violated this section of the election laws.

### **III. Alleged Violation of Section 106.19(1)(c), Florida Statutes:**

17. I investigated whether Respondent violated this section of the election laws by not reporting campaign activity during the 2017 M8 and 2017 M9 reporting periods.

18. To review the circumstances regarding Respondent's campaign activity, please refer to paragraphs 11 through 14 of this report of investigation.

19. No record was found to indicate that Respondent has previously violated this section of the election laws.

### **IV. FEC History:**

20. Respondent has had no prior history with the Florida Elections Commission.

### **Conclusion:**

21. On February 12, 2018, I interviewed Respondent for the purpose of providing him with an overview of the case and to afford him an opportunity for questions or comments. When asked the reason for not timely notifying the filing officer that no report would be filed for the 2017 M8 and 2017 M9 reporting periods, Respondent said that he was "in disposed" at the time as he had been out of town. In addition, Respondent stipulated that he had no financial activity during the course of his campaign. Respondent claimed that he was planning to tend to any outstanding matters involving the Lee County Supervisor of Elections office.

22. In a telephone interview, Tammy Lipa, Administrative Support Specialist with the LCSOE's office, said that Respondent was provided with a copy of Chapter 106, Florida Statutes as well as the *Candidate and Campaign Treasurer Handbook*. She added that in addition to providing Respondent with a hard-copy of the publications, she and Ms. Futch (Complainant) showed Respondent the office's website and directed him to where the publications could be found. She further added that Respondent had not previously sought elective office.

23. Respondent executed a Statement of Candidate indicating that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes; the form is dated as having been signed June 30, 2017. To review the Statement of Candidate form, refer to Exhibit 11.

24. To review the phone log, refer to Exhibit 12.

Respectfully submitted on February 12, 2018.

RE : M8 Campaign Treasurer's Report  
DUE: 09/11/2017

The campaign treasurer's report M8, which was due 09/11/2017, has not been received.

Section 106.07(8)(b), Florida Statutes, requires that the filing officer notify the candidate or chairperson of a political committee of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary or general election, the fine shall be \$500 per day for each day late, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Once the report is filed, this office will notify the candidate or political committee of the specific amount of the fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice. Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report, this office will turn the matter over to the Florida Elections Commission. Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.

Dear Mr. Heim:

As we discussed on the phone, a signed statement is required to withdraw as a candidate. The form is included. Please sign the form and send back to our office. You may scan and email the form or FAX the form to (239) 533-6310.

Also, you are still required to file the M-8 campaign report that was due on 09/11/2017 [even if it is a waiver]. Since you stated that you will be filing a Waiver Report, a Waiver Report form is also included.

And finally, a termination report will be due 90 days from the date we receive your candidacy withdrawal.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Good Afternoon Mr. Heim,

In response to your reply to Tammy, you have on several occasions made indications you were coming into our office to withdraw from your race, we have yet seen you keep one of these dates. In addition, your non-written intent to withdraw does not alleviate your responsibility to file your required reports, the M8 that was due 09/11/17 and the M9 that was due on 10/10/17, of which one is egregiously late. At this time and according to statute I am referring your case to the Florida Election Commission for failure to file.

I hope to see you in our office so we can arrange to close your file.

Good Afternoon Keith,

This is in response to your telephone inquiry regarding your file on John Heim.

The 2017-M6 and 2017-M7 reports were filed timely.  
At this time, Mr. Heim has 4 outstanding campaign reports 3 of which are delinquent:

- 2017-M9 due 10-10-2017
- 2017-M10 due 11-13-2017
- 2017-M11 due 12-11-2017
- 2018-TR1 due 03-26-2018 [termination report]

I did check with other staff members in our office, and came to the conclusion that this was Mr. Heim's the first attempt at candidacy in Lee County.

Thank you for your patience in waiting for our reply. Please do not hesitate to contact our office if you need further information.

**Name:** April - BB&T Bank

**Phone #:** 910-272-4321

**Summary:** April, a representative with BB&T Bank, called in response to receiving the subpoena for bank records issued in this case. She inquired as to any other identifying information such as an address for Respondent as she was not having any success in locating records with how it was laid out in the subpoena. I reviewed the case-file and provided her with the address on file for Respondent. She said that she would use the address to see if she could find an account in Respondent's name.

**Name:** Cheryl Futch – Complainant/Qualifying Officer

**Phone #:** 239-533-6311

**Summary:** I called Ms. Futch to ask her a few questions concerning Respondent, specifically, whether he has ever filed his M9 report and whether his first two reports were filed timely. Also, to inquire as to whether Respondent has run for office on previous occasions. I left a message on her voice-mail asking that she return my telephone call at her earliest convenience.

3. **Date and time:** 01/31/18 @ 11:14 a.m.

**Name:** Tammy Lipa – Administrative Support Specialist

**Phone #:** 239-533-6329

**Summary:** Ms. Lipa, who works with Ms. Futch, called on behalf of Complainant as she was out-of-the-office.

I inquired of her as to whether Respondent ever filed his 2017 M9 report and if so, the date he filed it. Ms. Lipa said that to her knowledge he has not filed the M9 report. She added that their filing system has been down for approximately 10 days and she is aware that Respondent has filed something but at this time she is unable to determine what it is he has filed. She said she is assuming that it may be his termination report but she is uncertain. It was agreed that when their system is up and running again that she would review what document or documents he has filed and that she would e-mail to advise me what he filed. When asked, she said that Respondent did timely file his M6 & M7 reports. I inquired of her as to whether Respondent has been a candidate on a previous occasion. She said that she does not believe he has run for office prior to this election but she would double-check to make sure.

**EXHIBIT**

Ms. Lipa was asked about Chapter 106, Florida Statutes and the *Candidate and Campaign Treasurer Handbook* and if these items were provided to Respondent. She said that usually the office will direct the candidate to their office's website and advise him or her to download and print the documents. She said that she and Ms. Futch showed Respondent where the documents could be found on their website but in addition, the office provided him with hard copies of both Chapter 106, Florida Statutes and the candidate handbook. She said that where Respondent was a first-time candidate and he had started his campaign so early in the process, they provided him with actual copies of the documents.

5. **Date and time:** 02/12/18 @ 11:03 a.m.

**Name:** Respondent

**Phone #:** 407-460-6452

**Summary:** Respondent returned my telephone call from earlier. I also informed him that it appeared that he did not have receive any funds or make any expenditures during his campaign; he agreed. Respondent was advised that he should have filed a notification-of-no-activity report covering both reporting periods but that he did not do so. Respondent's only response was that he was "in disposed" at the time and that he had been out-of-town. Respondent said that he is planning to go and visit the supervisor of elections office and "get this matter behind him" and take care of any outstanding matters with their office. When asked, Respondent confirmed his address as: 8931 Somerset Boulevard, #31-D, Fort Myers, FL 33919.

**RE: Case No.: FEC 17-382; Respondent: John G. Heim**

Dear Mr. Heim:

On October 31, 2017, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2017 M8
- 2017 M9

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when it failed to file a report on the prescribed reporting date for the following reporting period:

- 2017 M8
- 2017 M9

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You

John G. Heim  
December 22, 2017  
Page 2  
FEC 17-382

will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website ([www.fec.state.fl.us](http://www.fec.state.fl.us)).

If you have additional questions, please contact **Keith Smith**, the investigator assigned to this case.

Re: John G. Heim – Candidate for County Commissioner-District2  
Attachment to Initial Complaint – FAIL TO FILE CAMPAIGN TREASURER'S REPORTS

Our office has been in contact with JOHN G. HEIM for some time now. Since he has verbally mentioned that he intends to withdraw his candidacy in mid-September, he has failed to file two [2] Campaign Treasurer's Reports. Mr. Heim has not sent in a written statement of withdrawal of candidacy [which has been provided to him several times]. Mr. Heim has advised our office several times that he would be in to complete the outstanding reports, submit a Candidate Withdrawal Statement and close his file; to date, this has not been completed.

Mr. Heim failed to file Campaign Treasurer's Report 2017-M8 due 09/11/2017 and Campaign Treasurer's Report 2017-M9 due 10/10/2017. This violates Chapter 106.07(1).

Also included are copies of supported documentation:

- emails of report reminder notices
- email correspondence
- certified mail receipt signed by the Candidate
- phone records

**NOTIFICATION OF LATE FILING**

TO : John G Heim, Candidate/Treasurer 8931 Somerset Blvd., #31-D  
County Commission – 2 Fort Myers, FL 33919

FROM : Tammy Lipa, Administration Support Specialist 

DATE : September 20, 2017

RE : M8 Campaign Treasurer's Report  
DUE: 09/11/2017

The campaign treasurer's report M8, which was due 09/11/2017, has not been received.

Section 106.07(8)(b), Florida Statutes, requires that the filing officer notify the candidate or chairperson of a political committee of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary or general election, the fine shall be \$500 per day for each day late, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Once the report is filed, this office will notify the candidate or political committee of the specific amount of the fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice. Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report, this office will turn the matter over to the Florida Elections Commission. Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.

Re: Withdrawal of Candidacy

Dear Mr. Heim:

As we discussed on the phone, a signed statement is required to withdraw as a candidate. The form is included. Please sign the form and send back to our office. You may scan and email the form or FAX the form to (239) 533-6310.

Also, you are still required to file the M-8 campaign report that was due on 09/11/2017 [even if it is a waiver]. Since you stated that you will be filing a Waiver Report, a Waiver Report form is also included.

And finally, a termination report will be due 90 days from the date we receive your candidacy withdrawal.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Tammy Lipa  
Administration Support Specialist

Hi John,

As we discussed on the phone, a signed statement is required to withdraw as a candidate. The form is attached, please sign the form and send back to our office.

You may scan and email the form or FAX the form to (239) 533-6310.

Also, you are still required to file the M-8 campaign report that was due on 09/11/2017 [even if it is a waiver]. After you withdraw your candidacy, you will be required to file a termination report 90 days from the date of termination.

Please do not hesitate to contact me if you have any questions.

The Lee County Elections Office provides a courtesy reminder notice prior to each report due date, however, the absence of a reminder notice does not release the candidate or campaign treasurer from his/her obligation to timely file a required campaign finance report.

Good Afternoon Mr. Heim,

In response to your reply to Tammy, you have on several occasions made indications you were coming into our office to withdraw from your race, we have yet seen you keep one of these dates. In addition, your non-written intent to withdraw does not alleviate your responsibility to file your required reports, the M8 that was due 09/11/17 and the M9 that was due on 10/10/17, of which one is egregiously late. At this time and according to statute I am referring your case to the Florida Election Commission for failure to file.

I hope to see you in our office so we can arrange to close your file.

Good Morning Mr. Heim,

Per your request to Tammy, I am providing you with the forms required to withdraw from the 2018 County Commission Election. These forms were originally sent to you September 22, 2017, by Tammy at your request. You may scan and email the form and send it to myself or Tammy or FAX the form to (239) 533-6310...

In addition, you still have two unfiled campaign reports you are responsible for filing. You will also have one Termination Report that will be due once we receive your withdraw paperwork.

Hi John,

As we discussed on the phone, a signed statement is required to withdraw as a candidate. The form is attached, please sign the form and send back to our office.

You may scan and email the form or FAX the form to (239) 533-6310.

Also, you are still required to file the M-8 campaign report that was due on 09/11/2017 [even if it is a waiver]. After you withdraw your candidacy, you will be required to file a termination report 90 days from the date of termination.

Please do not hesitate to contact me if you have any questions.
