This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Florida's Committed

Case No.: FEC 16-156

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on July 3, 2017, the following facts and law support this staff recommendation:

1. On June 16, 2016, the Florida Elections Commission ("Commission") received a referral from the Department of State, Division of Elections ("Division"), alleging that Florida's Committed ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent was a political committee registered with the Division. (ROI Exhibit 6)¹ On November 8, 2016, the Division received Respondent's notice of disbandment. (Attachment A)

3. By letter dated May 25, 2017, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to timely notify the filing officer that it had no reportable activity and, therefore, would not be filing a report on the prescribed reporting date for each of the following reporting periods:

- 2015 M11
- 2016 M4

4. By letter dated November 18, 2015, Kristi Reid Bronson, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 2, page 1)

5. The acknowledgment letter advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2, page 3)

¹ The Report of Investigation is referred to herein as "ROI."

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Political Committee Handbook* references the statutory requirement regarding written notification and directs political committees to notify the Division by way of the Division's electronic filing system. (ROI Exhibit 3, page 4) The *Political Committee EFS User's Guide* shows the process through which to notify the Division. The user's guide instructs political committees to select the relevant reporting period and place a checkmark in a box titled "Waiver" to indicate the lack of reportable financial activity. (ROI Exhibit 4, pages 3-4)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 5, page 9)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M11	11/6/15 – 11/30/15	12/10/15	1/4/16	25
2016 M4	4/1/16 – 4/30/16	5/10/16	5/12/16	2

9. Respondent was given multiple opportunities to respond to Commission staff's investigation, but failed to do so. (ROI Exhibit 7)

10. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

11. The facts set forth above show that Respondent was a political committee registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2015 M11, and 2016 M4.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about December 10, 2015, Florida's Committed violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2015 M11 Report.

Count 2:

On or about May 10, 2016, Florida's Committed violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2016 M4 Report.

Respectfully submitted on July 24, 2017.

Stephanie J. Cunningham
Assistant General Counsel

I reviewed this Staff Recommendation this 24th day of July 2017.

Amy McKeever Toman
Executive Director

Dear Reader,

Florida's Committed, PAC 65042, is dissolving and will have no further transactions. After realizing what it is like to run a committee, I have realized that it really takes a team. As a result, no transactions have been conducted since the committee was formed.

I look forward to hearing back from the Division.
Thank you for your time and attention.

Best Regards,

Christopher Thomas Johnson

Report of Investigation for Failure to Notify Filing Officer

Case Number: FEC 16-156

Section 106.07(7), Florida Statutes, failure of a political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed

Respondent: Florida's Committee

Complainant: Division of Elections

Respondent Type:

- Candidate
 Political Committee

I. Preliminary Information:

1. An appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on November 9, 2015¹. (Ex. 1)

2. An acknowledgement letter was mailed to the address provided on Respondent's DS-DE 6 on November 18, 2015 advising Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the Calendar of Reporting Dates. (Ex. 2)

3. The acknowledgement letter also states, "An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports" and provides the telephone number for the Division's EFS Help Desk.

4. The *Political Committee Handbook*, discusses filing a waiver when there is no activity to disclose on page 18. (Ex. 3)

5. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose. (Ex. 4)

6. In a telephone interview on April 2, 2014, Kristi Reid-Bronson clarified that once the waiver box is chosen and a new report is opened as shown on page 12, the only available option on the report summary screen will be "Go To File Report" as shown on page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on pages 45 and 46.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. Respondent's filing history reflects the untimely filed notifications summarized below. (Ex. 5)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M11	11/6/15 – 11/30/15	12/10/15	1/4/16	25
2016 M4	4/1/16 – 4/30/16	5/10/16	5/12/16	2

¹ The current DS-DE 6 form was filed on November 16, 2015.

8. Respondent's chairman did not provide a written response to the referral, in which the reasons for the untimely filings could have been stated.

9. Respondent's chairman did not return a questionnaire-affidavit nor was he interviewed by telephone in which he could have explained the reason for the late filings.

III. FEC History:

10. Respondent has not had any prior cases before the Commission.

Conclusion:

11. I attempted to contact Respondent's chairman on several occasions to give him an opportunity to discuss the allegations in the referral. Additionally, an affidavit was mailed to Respondent on June 12, 2017. As of the date of this report, Respondent's chairman has not returned my calls, nor has he returned an affidavit.

12. Because Respondent has not contacted the Commission or returned an affidavit, I am unable to ascertain whether he has read Chapter 106, Florida Statutes and/or the *Political Committee Handbook*. Respondent's chairman signed his Statement of Organization form on November 16, 2015. (Ex. 6)

13. The Investigative Phone Log is included with this report. (Ex. 7)

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Waiver of Report

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division must be filed electronically using the Division's electronic filing system.

(Section 106.0705, F.S.)

Special Election Reports

When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of the special election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to Section 100.111, F.S.

When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

Committees are to include on the special election campaign treasurer's reports only expenditures related to the special election made by the committee during the special election reporting periods. All contributions received and all expenditures made not related to the special election during the current quarter should be filed on the next quarterly report. Once a committee has participated in the special election and has filed a special election campaign report, all other special election reports remaining must also be filed by the committee, even if there is no further special election activity.

(Section 106.07(1), F.S.)

Incomplete Reports

Note: The Division's Electronic Filing System will allow a committee to file an incomplete report, however, filing a report that is incomplete means filing a report that is not in compliance with the Florida Statutes.

If a campaign treasurer files a report that is deemed incomplete, he or she will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of Chapter 106, F.S.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts, and total sums of all expenditures made during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

1. Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. Occupations or principal type of business are not required if the contribution is \$100 or less.
2. Name, address, amount, and date of each political committee or organization making any transfer of funds.

records of petty cash expenditures must be kept:

4. Amount and nature of debts and obligations owed by or to the committee, which relate to the conduct of any political campaign.
5. The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.
6. The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure. (See also Reporting Other Distributions)

(Section 106.07, F.S.)

Reporting Other Distributions

Every distribution should be reported during the coverage period when the distribution actually occurred, as is the case with the expenditures and contributions. The related distribution(s) and expenditure can and often do occur in different reporting periods.

Types of distributions:

- Prepaid
- Credit card purchases/payments
- Reimbursements
- In-kind

Reports must contain:

1. Full name and address of each person to whom payment for reimbursement was made by check drawn upon the campaign account together with the purpose of such payment.
2. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance or other expenditures that include multiple integral components as part of the expenditure.
3. Distribution of goods and services to a candidate, committee or party.

(Section 106.07, F.S.)

Chapter 11: Electronic Filing of Campaign Reports

The Electronic Filing System (EFS) is an Internet system for recording and reporting campaign finance activity by reporting period. Each political committee required to file reports with the Division pursuant to Section 106.07, F.S., must file such reports with the Division by means of the EFS.

Reports filed pursuant to this section:

1. Shall be completed and filed through the EFS not later than midnight of the day designated. Reports not filed by midnight of the day designated are late filed and are subject to the penalties under Section 106.07(8), F.S., as applicable.
2. Are considered to be under oath by the chairperson and treasurer, and such persons are subject to provisions of Section 106.07(5), F.S. Persons given a secure sign-on to the EFS are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they

have notified the Division that their credentials have been compromised.

(Sections 106.0705 and 106.0706, F.S.)

Accessing the EFS

From Internet Explorer, you can access the EFS at <https://efs.dos.state.fl.us>. Each person filing a report is provided an identification number and initial password to gain entry. Once you log in using the initial password, you will be prompted to change it to a confidential one. You are responsible for protecting the password from disclosure. Contact the Division immediately if your password has been compromised.

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the EFS either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of approved software vendors whose programs meet the file specifications for filing campaign reports. Instructions for uploading reports are provided in the EFS Help Guide located at:

http://election.dos.state.fl.us/EFs/pdf/dsde110B_UderGuidePAC.pdf

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a PIN (personal identification number) that allows the person to file reports via the EFS. A person's PIN is considered the same as that person's signature on a filed report.

Electronic Receipts

The person filing a report on the EFS may print an electronic receipt verifying the report was filed with the Division. Each report filed by means of the EFS is considered to be under oath and such persons filing the report are subject to the provisions of Chapter 106, F.S.

Chapter 12: Electioneering Communications

Electioneering communication means communication publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographical area the candidate would represent if elected.

Attn: Christopher Thomas Johnson, Chair

RE: Case No.: FEC 16-156; Respondent: Florida's Committed

Dear Mr. Johnson:

On June 16, 2016, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to timely notify the filing officer that it had no reportable activity and, therefore, would not be filing a report on the prescribed reporting date for each of the following reporting periods:

- 2015 M11
- 2016 M4

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website (www.fec.state.fl.us). If you have additional questions, please contact **Keith Smith**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Johnson:

The notification that you had no reportable activity for the report deadline of December 10, 2015, was not filed until January 4, 2016. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

However, to avoid potential issues in the future, please note that state law (s. 106.07(7), Fla. Stat.) requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do may constitute a violation of sections 106.07(1) and 106.19(1)(c), Fla. Stat. The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. Stat. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,
