Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Kyle Chaderwick Gibson /

Case No.: FEC 15-329

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on August 28, 2015, the following facts and law support this staff recommendation:

1. On April 17, 2015, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections alleging that Kyle Chaderwick Gibson (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a 2018 candidate for Governor and he served as his own campaign treasurer. (ROI Exhibit 2)<sup>1</sup>

3. Complainant alleged that Respondent, acting as his own treasurer, failed to timely make necessary amendments to the campaign’s 2014 M10 and 2015 M2 campaign treasurer reports.

4. Respondent filed a State of Florida Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) on September 25, 2014, and appointed himself as campaign treasurer. (ROI Exhibit 1)

5. By letter dated June 12, 2015, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

**Section 106.07(2)(b)1., Florida Statutes:** Respondent, a 2014 candidate for Florida Governor, acting as his own treasurer, failed to timely make necessary amendments to the campaign’s 2014 M10 and 2015 M2 campaign treasurer reports, as alleged in the complaint

**2014 M10 Report**

6. Respondent timely filed his campaign’s 2014 M10 Report on January 25, 2015; however, the report was incomplete.

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI”

7. By letters dated February 19, 2015 and March 2, 2015, the Division informed Respondent that the campaign's 2014 M10 Report was incomplete and required an amendment. The letters advised Respondent to file an amended report providing the missing information within seven days after receipt of the notice. As a courtesy, the Division also attached an error report to the notices which explained the item that required an amendment. The "Final Notice" letter mailed on March 2, 2015 was sent via certified mail and confirmed delivered to Respondent on March 9, 2015. (ROI Exhibits 3 and 4)

8. In his sworn affidavit-questionnaire, when asked why he did not amend his report upon notification from the Division, Respondent replied, "2018 Report are waivers, unclear on what more is needed for M10 2014." (ROI Exhibit 5)

9. In an email received from the Division on August 24, 2015, Kristi Bronson, Chief, Bureau of Election Records, indicated that Respondent still has not amended the campaign's 2014 M10 Report. (ROI Exhibit 8)

10. Despite having received two written notices from the Division, Respondent still has not amended the campaign's 2014 M10 Report (ROI Exhibits 3, 4, and 8)

### **2015 M2 Report**

11. Respondent timely filed his campaign's 2015 M2 Report; however, the report was incomplete.

12. By letters dated March 11, 2015 and April 2, 2015, the Division informed Respondent that the campaign's 2015 M2 Report was incomplete and required an amendment. The letters advised Respondent to file an amended report providing the missing information within seven days after receipt of the notice. As a courtesy, the Division also attached an error report to the notices which explained the item that required an amendment. The "Final Notice" letter mailed on April 2, 2015 was sent via certified mail and confirmed delivered to Respondent on April 7, 2015. (ROI Exhibits 6 and 7)

13. When asked why he did not amend the campaign's 2015 M2 Report upon notification from the Division, Respondent replied "2015 M2 address was added. , Did not press record when originally submitted." (ROI Exhibit 5)

14. In an email received from the Division on August 24, 2015, Kristi Bronson, Chief, Bureau of Election Records, indicated that Respondent's 2015 M2 Report still has not been amended (ROI Exhibit 8)

15. Despite having received two written notices from the Division, Respondent still has not amended the campaign's 2015 M2 Report. (ROI Exhibits 6, 7, and 8)

16. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has

committed the offense charged. *Schmitt v State*, 590 So.2d 404, 409 (Fla. 1991) Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v Favino*, 667 So.2d 305, 309 (Fla. 1<sup>st</sup> DCA 1995).

17. The facts set forth above show that Respondent is currently a 2018 candidate for Florida Governor, and he is serving as his own campaign treasurer. During his campaign, Respondent failed to timely make necessary amendments to the campaign's 2014 M10 and 2015 M2 Reports after receiving notice from the Division that the reports required an amendment.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following statutory provision:

**Count 1:**

On or about March 16, 2015, Respondent violated Section 106 07(2)(b)1, Florida Statutes, when he failed to timely make necessary amendments to the campaign's 2014 M10 Report.

**Count 2:**

On or about April 14, 2015, Respondent violated Section 106 07(2)(b)1, Florida Statutes, when he failed to timely make necessary amendments to the campaign's 2015 M2 Report.

Respectfully submitted on September 29<sup>th</sup>, 2015.

**Case No.: FEC 15-329**

**Respondent:** Kyle Chaderwick Gibson

**Complainant:** Division of Elections

Pursuant to Section 106 25, Florida Statutes, on April 17, 2015, the Florida Elections Commission received information from the Division of Elections alleging that Respondent violated Chapter 106, Florida Statutes. The Division's referral was mandated pursuant to Section 106 07(8)(d), Florida Statutes. Commission staff, therefore, investigated whether Respondent violated the following statute:

Section 106 07(2)(b)1, Florida Statutes, failure of the treasurer of a candidate to file an addendum to an incomplete report after receiving notice from the filing officer

**I. Preliminary Information:**

- 1 Respondent, Kyle Chaderwick Gibson, is a 2018 candidate for Governor
- 2 Complainant is the Division of Elections (Division).
- 3 Respondent's filing officer is Kristi Reid-Bronson, Chief, Bureau of Election Records

**II. Alleged Violation of Section 106.07(2)(b)1, Florida Statutes:**

4 I investigated whether Respondent violated this section of the election laws by not filing addenda to his 2014 M10 and 2015 M2 reports, after receiving notice that the reports were incomplete.

5 On September 25, 2014, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates (DS-DE 9) form with the Division, appointing himself as treasurer for his campaign. To review the DS-DE 9 form, refer to Exhibit 1.

6 On September 26, 2014, Ms. Bronson sent Respondent a letter acknowledging that his name had been placed on the 2018 active candidate list. The letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (EFS), and provided Respondent with his user identification number and initial password allowing him access to the EFS.

7 The letter also advised Respondent that all of the Division's publications and

reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the Calendar of Reporting Dates. The letter further advised Respondent that it is his responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 2.

### **2014 M10 report**

9. On March 2, 2015, the Division sent Respondent a letter marked "Final Notice" informing him that his 2014 M10 report was incomplete. An error report was included with the final notice as an attachment. The final notice was delivered to Respondent at the address provided on the DS-DE 9 form filed on September 25, 2014 (Exhibit 1). To review copies of the final notice, error report and delivery confirmation, refer to Exhibit 4.

10. In an affidavit, Respondent was asked about the M10 report and why he did not amend his report upon notification from the Division. Respondent stated, "2018 Report are waivers unclear on what more is needed for M10 2014." To review Respondent's questionnaire-affidavit, refer to Exhibit 5.

### **2015 M2 report**

15. No record was found to indicate that Respondent has previously violated this section of the election laws.

**FEC History:**

16. Respondent has been named as a respondent on three other occasions in the past, each involving automatic-fine cases.

**Conclusion:**

17 On August 28, 2015, I interviewed Respondent for the purpose of the final interview and to provide him with an overview of the case. I informed Respondent that Ms. Bronson had advised me that neither report had been amended. Respondent said that he would contact the Division to make the amendments.

18 In an affidavit, Respondent attested that he does possess a copy of Chapter 106, Florida Statutes as well as a copy of the *Candidate and Campaign Treasurer Handbook*. When asked what action had he taken to determine his responsibilities under Florida's election laws, Respondent stated, "I read the handbook." To review Respondent's questionnaire-affidavit, refer to Exhibit 5.

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### Timely Filing

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes

**RE: Case No.: FEC 15-329; Respondent: Kyle Chaderwick Gibson**

Dear Mr. Gibson:

On April 17, 2015, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

**Section 106.07(2)(b)1., Florida Statutes:** Respondent, a 2014 candidate for Florida Governor, acting as his own treasurer, failed to timely make necessary amendments to the campaign's 2014 M10 and 2015 M2 campaign treasurer reports, as alleged in the complaint.

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral

statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

**The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.**

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Keith Smith**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman  
Executive Director

Dear Mr. Gibson:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of Governor, which was placed on file in our office on September 25, 2014. Your name has been placed on the 2018 active candidate list

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2014**. The report will cover the period of September 1-30, 2014 (M9). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting these passwords from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

**EFS Website Address:** <https://efs.dos.state.fl.us>  
**Identification Number:** 64360

Kyle Chaderwick Gibson

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
