2018-2019 Annual Regulatory Plan

Section 120.74(1)(d)

This certification verifies that the undersigned have reviewed this Annual Regulatory Plan and verify that the Florida Elections Commission (FEC) regularly reviews its rules to determine if those rules remain consistent with FEC's rulemaking authority and the laws implemented and that FEC performed its most recent review during June through September of 2018.

This certification further verifies that because it has not identified in its annual regulatory plan any laws for which rule development is required, FEC is in compliance with Section 120.74(4), Florida Statutes.
