NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **May 14, 2019 at 8:30 am**, *or as soon thereafter as the parties can be heard*, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

Tim Vaccaro

Executive Director
Florida Elections Commission
April 30, 2019

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Subject: FEC 18-318 Request for Continuance of Hearing Scheduled February 26, 2019

Gentlemen:

Thank you for speaking with me earlier this week. I sincerely appreciate your courtesy in handling the above-styled matter. As discussed, I will not be able to appear before the Commission on February 26. We completed jury selection late last night and are scheduled to begin the presentation of our case on Monday, February 25. Trial is expected to conclude by March 8.

It is my understanding that you do not oppose my request for continuance or my absence from the proceeding on the 26th. I greatly appreciate your understanding in this matter.

Attached are copies of the Notice of Hearing (Automatic Fine), my request for a continuance and a copy of the affidavit supporting such request. Originals of all 3 documents were sent today to Mr. Lipman's attention (FedEx) and should be in your office by Monday, February 25. The documents would have been prepared and arrived sooner, but we have had some difficulties this week and jury selection took more time than anticipated.

If you need to discuss this matter further, please feel free to contact me directly. My personal cell phone is listed on the enclosed documents. My office contact information can be found below. Thank you, again, for your courtesy in this matter.

Sincerely,

J. Ryan Will

Re: FEC 18-318 – Notice of Hearing (Automatic Fine) on February 26, 2019

Dear Sir or Madam:

Please accept this correspondence as a formal request for continuance of the above-styled matter. I am unable to appear for the hearing occurring February 26, 2019 as a result of my trial calendar in Daytona Beach, Florida. On February 18, we began jury selection in a 3-week, first degree murder and death penalty trial. Jury selection lasted 4 days and concluded late last night. Opening statements and testimony will be given on Monday, February 25. The trial is expected to conclude on March 8. As lead prosecutor for the State, I have been working this case for nearly six years and am personally responsible for its handling.

Please accept my sincere apology for this request and for any difficulty that a delay may cause. It has always been my intent to attend the hearing and discuss this matter with your Committee. However, I only received notice of the hearing on Friday, February 15. Our trial has been scheduled since October. There was no way to postpone the trial so I could appear in the above-styled matter.

In anticipation of my request for continuance, I have spoken with Eric Lipman and Wilson Brantley. Neither individual opposes the continuance or my absence from the proceeding. While I would ordinarily make this request in person, please understand that

circumstances prevent my appearance. Further, I do not know anyone in Tallahassee that could appear on my behalf.

Please recognize that this matter is both personally and professionally important to me. It is my hope that the Committee will reschedule the hearing. A fine of this magnitude is financially crippling. As I have previously explained, I believe this violation was the result of exceptional and unusual circumstances. I would sincerely appreciate the opportunity to offer additional explanation. It is my fervent belief that this circumstance warrants consideration and may justify relief.

Please find the enclosed affidavit supporting my request for continuance. An courtesy copy has been sent by email to Mr. Lipman and Mr. Brantley. Original documents have been sent to the Florida Elections Commission by FedEx and should be received by Monday, February 25th.

If you desire additional information regarding this issue, please feel free to contact me directly.

Sincerely,

NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **February 26, 2019 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Tim Vaccaro, J.D.
Executive Director
Florida Elections Commission
February 11, 2019

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Ryan Will is a candidate for Circuit Judge, Circuit 7, Group 15 in the 2018 elections. Bryan C. Will is his treasurer.

Ryan Will is appealing the fine claiming that he did not file the report timely because he sought legal advice to determine if a contribution could be accepted. According to Ryan Will, as soon as he received counsel, he immediately filed the report. He also states that because the report preceded the primary election, the fine incurred is \$500 per day instead of the usual \$50 per day. He states that his fine of \$1,500 would cause substantial hardship. He requests that the fine be waived or reduced.

- The 2018 P7 Original Report covers the period from 08/11/18-08/23/18; it was due on 08/24/18.
- The 2018 P7 Queued Transaction Report shows that it was created on 08/24/18 and filed on 08/27/18.
- Ryan Will reported receiving 7 contributions, while making 6 expenditures.
- The Division of Elections does not have any notes that pertain to Ryan Will's 2018 P7 report.

Re: CAN 70318 - Notice of Appeal and Statement of Exceptional Circumstances

Dear Sir or Madam:

On September 26, 2018 I received the enclosed correspondence, assessing a fine for untimely filing of campaign finance documents. Please let me apologize for the late report and any difficulty that it caused. By way of this document, I acknowledge that the campaign finance report for August 24th was not timely filed and offer the following explanation. It is my hope that you will reduce or waive the fine levied, based upon these exceptional and unusual circumstances.

- Tuesday, August 21st: Received campaign contribution in the amount of \$96.80 from North Florida Lawyers, PLLC. The contribution was made on the campaign website www.ElectRyanWill.com
- Wednesday, August 22nd: Received an email stating that a contribution was made on the campaign website by North Florida Lawyers, PLLC.
- Friday, August 24th: Deadline for filing campaign finance report; personally prepared and saved the campaign finance documents, but did not file with the Division of Elections. Sought legal advice as to whether the contribution could be accepted.
- Monday, August 27th: Filed campaign finance report for the period August 11 – August 23.

There is a rule that no judicial candidate may receive support from another political candidate. In the process of preparing the finance report on Friday, August 24th it

was discovered that one of the members of North Florida Lawyers, PLLC is currently seeking political office in St Johns County. Because I recognized this issue on Friday afternoon, I was unable to appropriately research the matter and receive legal advice before the filing deadline. Given the source of the contribution, there was some question as to whether it could be accepted, whether it must be returned, or whether it should be refunded in the next reporting cycle. Monday morning, I had the opportunity to speak with counsel, received an answer to the question, and immediately filed the report.

If this issue had been recognized a few hours earlier, it could have been cured during business hours, thereby allowing for a timely filing and avoiding the imposition of a hefty fine. Similarly, if this issue had occurred during any other reporting period, the fine would have been \$50 per day. Because it occurred during the reporting period immediately preceding the primary election, there was a corresponding fine of \$500 per day.

The imposition of a fine is a significant punishment to any candidate. Fines are a deterrent for bad conduct and meant to prevent intentional disregard for the rules regulating campaign finance. I recognize that there should be some action on the part of the Division of Elections. But, a fine of this magnitude is financially crippling. I was trying to do the right thing – in taking the time to appropriately research the acceptability of this contribution, I violated the reporting requirements of the Division of Elections. It was never my intent to show indifference for the financial requirements. But I wanted to be sure that I was in compliance with the ethical standards of judicial candidates. As a result, I have incurred a fine of \$1500.

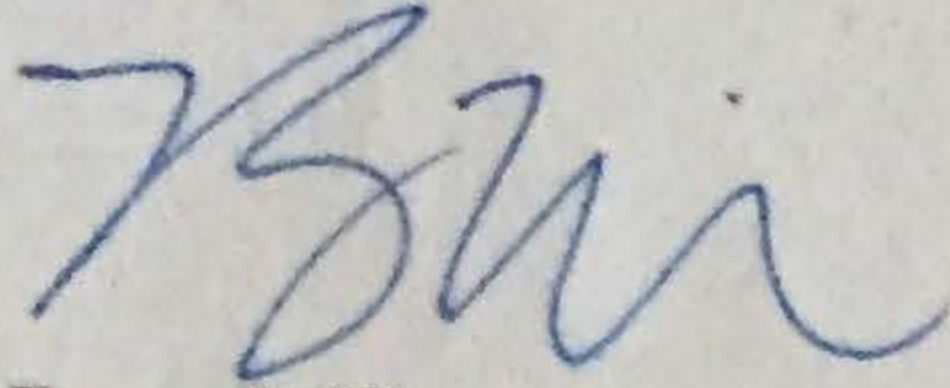

Both as a candidate and informed voter, I recognize the importance of filing deadlines and public transparency. In this particular circumstance, it was absolutely necessary to proceed with caution and be well-advised. I apologize for the delay in filing and ask for leniency from the review committee. It is the purpose of our system to ensure that candidates and voters know the source and supply of campaign contributions. Though late, the report was filed in the spirit of disclosure and prior to the August 28 primary election. Importantly, citizens were given the opportunity to know the finances of my campaign before casting a ballot.

This is my first time running for political office. And this has been my only indiscretion. As a result, I would ask the review committee to waive or significantly reduce the fine that has been levied. No matter the amount, this is an expensive lesson to learn. My family has already funded a significant portion of my campaign. A \$1500 penalty for late filing would cause substantial hardship.

Independent of your decision in this matter, please be advised that a check from the campaign account has been issued to North Florida Lawyers, PLLC in the amount of \$96.80 with instructions to please accept the refund of this contribution. It was probably advisable to immediately return the instrument, rather than taking the time to research the issue and risking additional penalty.

Thank you for your time and consideration of this matter. It is my hope that you will agree that my transgression was marked by exceptional and unusual circumstances, worthy of relief. Please recognize that my actions were not an intentional disregard for the rules. If you desire additional information regarding this issue, please feel free to contact me.

Sincerely,

CAN 70318

Dear Mr. Will:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 24, 2018.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief
