Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Re: Service Employees International Union, Florida State Council PC - Facts in Support of Appeal, Case No.: FEC 21-045

Dear Mr. Vaccaro:

This correspondence is furnished in advance of the Commission's meeting at which the appeal of the Service Employees International Union, Florida State Council PC (the "PC") will be considered. We would appreciate it if you would provide Commission Members with a copy of this correspondence in advance of the meeting.

The appeal seeks to set aside an automatic fine in the amount of \$5,650.00 which was imposed by the Division of Elections as a result of the 2020 G3 report being filed late.

As the Commission has often seen, there is great misunderstanding regarding the ability of a reporting committee to amend a waiver notice which has been timely filed to properly reflect overlooked financial activity. That is exactly what occurred here.

The PC, on September 15, 2020, made a wire transfer contribution to another political committee. At the time the contribution was furnished, it was believed that the contribution was being made to a 501(c)(4) organization with a similar name. Accordingly, when the 2020 G3 report was due to be filed on or before September 25, 2020, the PC did not believe that it had any financial activity and therefore filed a waiver.

However, subsequently the PC's staff realized that the contribution had been made to the political committee and not the (c)(4) organization. Upon this realization, on October 9, 2020, the staff person amended the waiver which had been filed to correctly disclose the proper receiving entity.

Since the Division's position is that a "waiver" is not a "report," and cannot be amended without

Mr. Tim Vaccaro, Executive Director

an amendment being considered a late-filed report, the automatic fine was imposed. We respectfully submit that imposition of a fine of \$5650 is unreasonable since the amendment was made in an effort to be completely transparent and to correctly reflect the proper entity to which the contribution was made. The failure to timely report was the result of a mistaken belief occasioned by entities having similar names. There was no intention to conceal the contribution.

We submit that the PC should not be punished for attempting to correct a mistake by filing an amended report disclosing the correct recipient of the contribution.

We respectfully request that the Commission find unusual circumstances and set aside the penalty or, if failing to find unusual circumstances, nonetheless set aside the fine given the overall lack of any improper motivations.

Thank you, in advance, for your cooperation.

Sincerely,

Miami Lakes, Florida 33014

Dear Ms. Russo:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Service Employees International Union, Florida State Council PAC**, which were placed on file in our office on August 5, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides confidential pin numbers for you. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
