Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Peace River Valley Citrus Growers Association PAC is a political committee (PC) registered with the State of Florida. The PC's chair is Leonard Lempenau and its treasurer is Lynn Shelfer. The treasurer during the 2016 M12 reporting period was Kaylee Lopez.

The PC is appealing the fine claiming that unforeseen circumstances surrounding the Treasurer and Chairman prevented them from timely filing the 2016 M12 Report. According to Mr. Lempenau, the PAC's previous treasurer, LeAnna Himrod, was set to resign on December 19th, however, her replacement (Katherine Marks) recanted on her employment.

Mr. Lempenau states that this left them without a treasurer for some time. He also notes that the PAC Chairman, Justin Sorrells, was admitted into a rehabilitation center and was unreachable to sign off on any paperwork reinstating a new treasurer. On January 10, 2017, the new treasurer, Kaylee Lopez contacted the Division of Elections about submitting the January report. Mr. Lempenau states that the Division should have documented calls on file.

- The 2016 M12 Original Report covers the period from 12/01/16-12/31/16; it was due on 01/10/17.
- The 2016 M12 Queued Transaction Report shows that it was created on 01/04/17 and filed on 01/20/17.
- Peace River Valley Citrus Growers Association PAC reported receiving 21 contributions, while making zero expenditures.
- The Division of Elections has several notes pertaining to Peace River Valley Citrus Growers Association PAC's 2016 M12 report. Several entries starting from 12/20/16 to 01/18/17 discuss appointing a new Treasurer/Chairman and issues with incomplete paperwork.

PRIOR CASES: None.

To Whom It May Concern:

My name is Leonard Lempenau, Chairman of the PRVCGA PAC (29841). We would like to appeal the fine assigned to us of \$525.00. We have specific reasons as to why Report # M12 was filed on January 20th instead of on January 10th.

December 19, 2017, was our previous PAC treasurer LeAnna Himrod's last day with the association. During the holidays, Katherine Marks, who was supposed to start with the association as Ms. Himrod's replacement, recanted on her employment. Furthermore, previous PAC Chairman Justin Sorrells was admitted into a rehabilitation center and was unable to be contacted to sign off on the appropriate paperwork. Due to these unforeseen circumstances, the PRVCGA PAC account was left with no treasurer filed with the Florida Division of Elections for a short time period. Without our previous chairman being reached and without being able to acquire his signature, the PRVCGA PAC was unable to file the proper paperwork instating a new treasurer.

On January 10th, Kaylee Lopez, current PAC treasurer, made several calls to the Florida Division of Elections inquiring on how to submit the January report. There should be a plethora of documented/recorded calls to the Florida Division of Elections on how our PAC can move forward and submit the January report. It is due to the unforeseen circumstances outlined above that we appeal the January report. Our issue has since been remedied, as a new PAC treasurer and chairman are currently in place and the sequential reports have been filed on time.

Sincerely,

Leonard Lempenau

RE: Incomplete Paperwork			
I spoke with Kailey on the phone about the paperwork we need from her committee to appoint a new treasurer. I explained that she will need to fill out a DS-DE 6 and that the committee's new chairperson will need to sign it. I showed her where to find this form on the DOE website. She said that she would fill out the form tomorrow (01/11/2017) and send the signed copy to us by priority mail. I asked her to contact our Help Desk if she has any questions about filling out the form.

RE: Audit Letter Phone Call			
Received phone call from Leanna regarding the audit letter she received for the 2014 P3 and the 2014 G1A. I helped her file the amendments. P3 = she said it was actually the business who gave the money not Mr. Yahraus so I had her change the name to the company and left the contributor type as Business. G1A = had her change from CAN Expense to MON since it was money going to a PAC. I explained that CAN is only used for contributions given directly to the candidate's campaign. I also had her remove the office data. She then said she was new to being the treasurer as of December 2014 and she was told to only put in the expenditures but wanted to know if that was correct. I explained any money coming or going from the PAC account needed to be shown in the reports. She said that they had received a bunch of contribution checks back in Dec and she had filed them as waivers because she did not know she was supposed to put them in the report. I explained she needed to amend those reports that were in the coverage period of when they received the contributions and also suggested she send in an explanation letter as to why she was adding activity to a waiver. She asked if it was a violation to not have reported those back in Dec. I explained that yes, it was a violation of the statute, as it was seen as filing a false report, and again strongly suggested she send in the letter of explanation along with amending those reports.

Any subsequent supplemental documents shall be filed no later than five business days before the hearing.

2B-1.0055 Late-filed Reports; Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

- (a) Natural disaster or other emergency that prevented timely filing, Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency
- (b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer, Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice,

- (d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member, Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.

- (e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.
 - (f) The abrupt and unexpected loss of the campaign treasurer; over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.
 - (g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days.
- (2) Unusual circumstances shall not include:
- (a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.
