This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**ORDER OF PROBABLE CAUSE**

**THIS MATTER** was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on February 28, 2017, in Tallahassee, Florida.

On December 9, 2016, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff's Recommendation are adopted by reference and incorporated herein. The Commission finds that there is **no probable cause** to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

**DONE AND ORDERED** by the Florida Elections Commission on February 28, 2017.

**Case No.: FEC 16-190**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and that there is **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on November 8, 2016, the following facts and law support this staff recommendation:

1. On June 30, 2016, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Ryan Lee Fleming (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2016 candidate for State Representative, District 91. (ROI Exhibit 10)<sup>1</sup> Respondent withdrew from the race on June 6, 2016.

3. By letter dated October 4, 2016, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2016 M3

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when it failed to file a report on the prescribed reporting date for the following reporting period:

- 2016 M3

4. By letter dated June 2, 2015, Kristi Reid Bronson, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his Appointment

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

of Campaign Treasurer and Designation of Campaign Depository for Candidates form and that his name was placed on the 2016 active candidate list. (ROI Exhibit 2, page 1)

5. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 2, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2, page 3)

6. Respondent’s 2016 M3 Report was due to be filed by April 11, 2016; however, Respondent failed to timely file the report or notify the filing officer that no report would be filed. (ROI Exhibit 9, page 1) By letters dated April 13, 2016, May 11, 2016, and June 1, 2016, the Division notified Respondent that his 2016 M3 Report had not been received. The letters also notified Respondent that he was still required to notify the Division if he had no reportable financial activity. (ROI Exhibits 4-6) The June 1, 2016 letter was confirmed delivered. (ROI Exhibit 6, page 2)

7. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., March 1, 2016 – March 31, 2016. The financial institution had no record of an account in Respondent’s name. (ROI Exhibit 7)

8. Respondent stated that he did not collect or spend any money during his campaign. He stated that he never opened a campaign depository. (Attachment A)

9. As it appears that Respondent had no financial activity, Respondent was required to notify the filing officer in writing that he would not be filing his 2016 M3 Report on the prescribed reporting date, but failed to do so. Therewith, it does not appear that Respondent falsely reported or deliberately failed to include information in his 2016 M3 Report as the report was waived due to a lack of reportable financial activity.

10. As of November 3, 2016, Respondent had not filed his 2016 M3 Report or notified the filing officer that no report would be filed. Further, the Division’s Filing History shows that Respondent had knowledge of how to file reports and notify the Division of a lack of reportable financial activity, but failed to do so for the 2016 M3 reporting period. (ROI Exhibit 9)

11. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

12. The facts set forth above show that Respondent was a 2016 candidate for State Representative, District 91. Respondent failed to timely file his 2016 M3 Report or notify the filing officer that no report would be filed. It appears that Respondent had no financial activity during the relevant reporting period, and therefore was required to notify the filing officer in writing that he would not be filing his 2016 M3 Report on the prescribed reporting date, but failed to do so. Therewith, it does not appear that Respondent falsely reported or deliberately failed to include information in his 2016 M3 Report as the report was waived due to a lack of reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

**Count 1:**

On or about April 11, 2016, Ryan Lee Fleming violated Section 106.07(7), Florida Statutes, when he failed to notify the filing officer in writing on the prescribed reporting date that he would not be filing his 2016 M3 Report.

Respectfully submitted on December 9, 2016.

REPORT OF INVESTIGATION  
Case No.: FEC 16-190**

**Respondent: Ryan Lee Fleming**

Counsel for Respondent: n/a

**Complainant: Division of Elections**

Counsel for Complainant: n/a

On June 30, 2016, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(7), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed; and

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

**I. Preliminary Information:**

1. Respondent was a candidate for the office of State Representative, District 91 in the 2016 election. Respondent withdrew his candidacy on June 6, 2016.

2. Complainant is the Division of Elections.

3. Respondent’s filing officer is Kristi Reid-Bronson, Chief, Bureau of Election Records.

4. On June 1, 2015, Respondent filed his original Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) with his filing officer<sup>1</sup>. Respondent appointed himself as his own campaign treasurer. To view a copy of Respondent’s June 1, 2015 DS-DE 9 form, refer to exhibit 1.

5. On June 2, 2015, Ms. Bronson sent Respondent a letter acknowledging he had been placed on the active candidate list. The letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing him access to the EFS. To review a copy of the June 2, 2015 acknowledgement letter, refer to exhibit 2.

6. On June 17, 2016, a DOE staff representative, Kristi Reid-Bronson, submitted a sworn affidavit alleging that Respondent failed to report campaign activity, or in the alternative failed to notify the filing officer that no report would be filed, for the 2016 M3 reporting period. To review a copy of the

<sup>1</sup> On June 29, 2015, Respondent filed a second DS-DE 9 form with his filing officer that changed depositories from Sun Trust Bank to Wells Fargo N.A.

June 17, 2016 sworn affidavit from Complainant, refer to exhibit 3.

7. On April 13, 2016, Complainant mailed Respondent a failure-to-file letter informing him that the 2016 M3 Report had not been filed. This letter was sent to the address Respondent provided on his DS-DE 9 form (Exhibit 1). To review a copy of the April 13, 2016 failure-to-file letter, refer to exhibit 4.

8. On May 11, 2016, Complainant mailed Respondent a second failure-to-file letter informing him that the 2016 M3 Report still had not been filed. This letter was also sent to the address Respondent provided on his DS-DE 9 form (Exhibit 1). To review a copy of the May 11, 2016 failure-to-file letter, refer to exhibit 5.

9. On June 1, 2016, Complainant mailed Respondent a failure-to-file letter (Final Notice) via certified mail, informing him that the 2016 M3 Report had not been filed. This letter was sent to the address Respondent provided on his DS-DE 9 form (Exhibit 1). To view a copy of the June 1, 2016 failure-to-file letter with delivery confirmation receipt, refer to exhibit 6.

10. The allegations that Respondent failed to report campaign activity, or in the alternative, failed to notify the filing officer in writing, that no report would be filed for the 2016 M3 reporting period will be discussed in the following paragraphs.

**II. Alleged Violation of Section 106.19(1)(c), Florida Statutes:**

11. I investigated whether Respondent violated this section of the election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, when he failed to file a treasurer's report, or written notice to the filing officer that no report would be filed due to lack of reportable activity during the 2016 M3 reporting period, on the prescribed reporting date.

12. On August 30, 2016, I subpoenaed Respondent's campaign account records from Wells Fargo, the campaign depository listed on Respondent's current DS-DE 9 form (Exhibit 1). In the Wells Fargo Response to the subpoena dated September 13, 2016, Ms. Dawn Ward, Subpoena Operations Manager, stated that she was unable to locate any information on Respondent. To review a copy of the response from Respondent's depository, refer to exhibit 7.

13. Based upon Wells Fargo's declaration in response to the Commission's subpoena, it appears that Respondent did not have any contributions or expenditures during the 2016 M3 reporting period<sup>2</sup>. Therefore, it appears there was no campaign activity for Respondent to disclose during this period.

14. There is a record that Respondent has previously been investigated for violating this section of the election laws.

**III. Alleged Violation of Section 106.07(7), Florida Statutes:**

15. I investigated whether Respondent violated this section of the election laws by failing to timely notify the filing officer, in writing, that no report would be filed due to not receiving any contributions or making any expenditures during the 2016 M3 reporting period.

---

<sup>2</sup> The 2016 M3 reporting period covers the time period of March 1, 2016 through March 31, 2016.

16. To review the circumstances regarding Respondent's campaign activity, refer to paragraphs 12 and 13 of this report.

17. Section 106.07(7), Florida Statutes, states in part:

“Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived...any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.”

18. In an e-mail dated April 2, 2014, Ms. Bronson was asked to clarify the procedure regarding how to notify the Division in writing on the prescribed reporting date that no report would be filed. In her response, Ms. Bronson stated, “The notice that no report will be filed is the waiver, which must be filed in the EFS. We do not require anything separate in writing.” To review a copy of Ms. Bronson's e-mail, please refer to exhibit 8.

19. Based upon Wells Fargo's declaration and Ms. Bronson's email, because Respondent did not have any contributions or expenditures during the 2016 M3 reporting period, it appears Respondent was required to notify the Division in writing on the prescribed reporting date that no report would be filed. As of the date of this report, there is no record that Respondent has filed a 2016 M3 Report, nor advised in writing of no reportable activity to disclose. To review a copy of Respondent's filing history, refer to exhibit 9.

20. There is a record that Respondent has previously been investigated for violating this section of the election laws.

#### **IV. FEC History:**

21. Respondent has been involved in three prior investigations. FEC 16-005; the Commission found PC for a violation of 106.07(7). In FEC case numbers 16-069 and 16-155; staff recommended PC for 106.07(7), but NPC for violations of 106.19(1)(c); these cases will be heard during the November 2016 Commission meeting.

#### **Conclusion:**

22. In a final interview on November 3, 2016, Respondent was offered an opportunity to make comments regarding the findings of this investigation. Respondent stated that he had been receiving the messages that FEC staff left for him; however, he didn't know how to respond so he chose not to. He inquired as to how to get FEC staff to stop contacting him and sending him correspondence. I explained that the reason that I had been calling was to inquire about a 2016 M3 Report not being filed. Respondent stated that he was no longer a candidate and he was not aware that any of his reports needed to be filed. Respondent told me that he didn't collect or spend any monies during his campaign. Respondent told me that he never opened up a depository. I inquired if he would be filing a waiver for no activity during the 2016 M3 reporting period. He told me that he didn't know what to do. I instructed him to contact the DOE for assistance in resolving his issues.

23. During the course of the investigation, I reviewed Respondent's filing history. I determined that there were nine reporting periods, prior to the 2016 M3 reporting period. Respondent submitted waivers for the first six reporting periods. All were filed timely or early, with the exception of

the waivers for the 2015 M10 (filed one day late) and 2015 M11 (filed seven days late) reporting periods. In addition, there has been no 2015 M12 Report, nor waiver of report for that reporting period filed with the DOE. To review a copy of Respondent's filing history, refer to exhibit 9.

24. In the June 2, 2015 acknowledgement letter, Respondent was informed that all of the Division's publications are available online at the DOE's website. In the letter, Respondent was admonished as follows: **It is your responsibility to read, understand, and follow the requirements of Florida's election laws. Therefore, please print a copy of the following documents: Chapters 104 and 106, Florida Statutes, Candidate and Campaign Treasurer Handbook, Calendar of Reporting Dates, and Rule 1S-2.017, Florida Administrative Code**". To review a copy of the June 2, 2015 acknowledgement letter, refer to exhibit 2.

25. On June 1, 2015, Respondent filed his Statement of Candidate for State Representative, District 91 acknowledging that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. To review a copy of the Statement of Candidate, refer to exhibit 10.

Respectfully submitted on November 8, 2016.

Dear Mr. Fleming:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Representative, which was placed on file in our office on June 1, 2015. Your name has been placed on the 2016 active candidate list.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **July 10, 2015**. The report will cover the period of June 1-30, 2015 (M6). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting these passwords from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Fleming:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was April 11, 2016.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Mr. Fleming:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was April 11, 2016.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on April 13, 2016.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

CAN 64740

Dear Mr. Fleming:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2016	M3	3/1/16 - 3/31/16

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Good Afternoon Kristi,

I am investigating a referral from DOE for failure to notify the filing officer in writing on the prescribed reporting date that no report would be filed, i.e. the untimely filing of waivers.

Would you please inform me as to what the procedure is for a candidate who wants to notify the Division in writing that there will be no report filed? Is it similar to the request for password in that they have to fax a signed letter to the Division? Does the Division acknowledge receipt of the notification that no report will be filed? Once the letter is received is the candidate still required to file the actual waiver of report?

Thank you for your assistance in this matter.

**RE: Case No.: FEC 16-190; Respondent: Ryan Lee Fleming**

Dear Mr. Fleming:

On July 6, 2016, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation<s>:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2016 M3

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when it failed to file a report on the prescribed reporting date for the following reporting period:

- 2016 M3

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have

violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

**The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.**

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Cedric Oliver**, the investigator assigned to this case.

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Fleming:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was April 11, 2016.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Fleming:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was April 11, 2016.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on April 13, 2016.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

CAN 64740

Dear Mr. Fleming:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2016	M3	3/1/16 - 3/31/16

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.
