**NOTICE OF HEARING (AUTOMATIC FINE)**

A hearing will be held in this case before the Florida Elections Commission on, **March 13, 2018 at 8:30 am**, *or as soon thereafter as the parties can be heard*, at the following location: **Augustus B. Turnbull Conference Center, 555 West Pensacola Street, Room 103, Tallahassee, Florida 32301.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

**If you are an Appellant**, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

**See further instructions on the reverse side.**

**Amy McKeever Toman**  
Executive Director  
Florida Elections Commission  
February 26, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Marine Industries Promoting Access to Citizens (MIPAC) is a political committee (PC) registered with the State of Florida. The PC's chair is Mr. Josh Maxwell and its treasurer is Mr. Hunter Dane.

The PC is appealing the fine claiming that unusual circumstances existed that cause the 2017 M8 Report to be untimely filed. According to Mr. Maxwell, "We suffered a direct hit from Hurricane Irma and therefore lost power, cable and internet for nearly three weeks. During this time, we were unable to file the September filing in a timely manner. We appreciate your review of our late fee and hope that you will waive this for our organization".

- The 2017 M8 Report covers the time-period from 8/1/17 through 8/31/17.
- The 2017 M8 Queued-Transactions Report reflects that this report was created on 9/25/17 at approximately 1:33 p.m., before being filed on 9/25/17 at approximately 1:46 p.m.
- Records reflect that Hurricane Irma hit Naples, Florida on 9/10/17.

**PRIOR CASES:** This PC has been involved in three prior automatic fine appeals before this Commission: FEC 06-249 found no unusual circumstances/fined \$125.00; FEC 15-434 found no unusual circumstances/fined \$187.50; FEC 15-435 found no unusual circumstances/fined \$50.00. Also, in FEC 14-194, an automatic default final order was issued and Respondent was fined \$25.00. FEC 17-403 alleged violation of 106.07(7)/Settlement in Process.

RE: Returned Mail for Hunter Dane			
I attempted to contact the committee again about the returned mail. Tiffany answered the phone and stated that she was the only employee of the company and that Mr. Dane and Mr. Maxwell were both on the board. I told her that Mr. Dane needed to update his address otherwise the committee risked having its registration revoked. She said that she would contact Mr. Dane and have him update his address through EFS today.

Returned Mail for Hunter Dane			
I attempted to contact Mr. Dane by phone regarding the returned but the call went to voicemail. I left a message informing him of the fine notice which had been returned to the Division with the message "doesn't live here." I also sent a scanned copy of the fine notice to the following email address: director@miacc.org

RE: Appeal Letter			
Received appeal letter from Mr. Dane. It did not specify which report/fine he was trying to appeal. I called and left a voicemail for him explaining, they had two fines and needed to know which one or both. Also explained they needed to have a real signature and not a computer generated font signature and that the appeal needed to be addressed to the florida election commission (instructions in the fine letter) and copied to us. I left my name and the EFS hotline number.

RE: Returned Mail			
Received a returned failure to file letter addressed to Mr. Josh Maxwell, Chairperson. The address the letter was mailed to does not match the address in CanCom. I am mailing the original letter back out to the address listed in CanCom.

RE: Call from Chairperson			
Spoke to Josh Maxwell. He said Tiffany told him I said someone from DOE had spoken to him about his chair pin. I checked for his password and found that it had never been issued. He had been made chairperson in Cancom on 8/8/16; however, the letter was not valid as it did not have the signature of the preceding officer. The signed letter was received today, so I changed the status date to today and issued his password and pin, which I gave him on the phone.

RE: Treasurer PIN			
Called the number on the DSDE 6. It was to the MIPAC. Left a message for Hunter Dane to call me back regarding his treasurer PIN. Called again after 30 minutes and spoke with Tiffany. Advised that I need to give Mr. Dane his treasurer PIN and could only release it to him. She said she would have him give me a call. I explained that the PC has about 5 outstanding reports that need to be filed immediately.
