Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: ABC PAC is a political committee (PC) registered with the State of Florida. The PC's chair is Peter M. Dyga, and its treasurer is Jaylin Martir.

The PC is appealing the fine claiming they were locked out of their online account due to a change in treasurer credentials. According to Mr. Dyga, they had a change in treasurer and had to request new credentials from the Division of Elections. He notes that, after multiple phone messages and a hard copy credential reset request, the report was filed late.

- The 2022 P5 Original Report covers the period from 07/23/22-07/29/22; it was due on 08/05/22.
- The 2022 P5 Queued Transaction Report shows that it was created on 07/29/22 and filed on 08/16/22.
- ABC PAC reported receiving zero contributions while making 3 expenditures.
- The Division of Elections provided four notes that pertain to ABC PAC's 2022 P5 report. Three entries reference credentials.

To Whom It May Concern:

Please accept this appeal of the fine assessed for PAC 112's late August 5th report. We had both a change of treasurer and were locked out of our on-line account related to that change, which resulted in not being able to approve the filing in a timely manner. By the time several phone messages were exchanged and the procedure for having the account credentials reset was completed (which required a hard copy of a document be forwarded to the Division), our report was late.

Thank you for your consideration.

Dear Mr. Dyga:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 5, 2022.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:

- \$50 per day for the first 3 days late
- \$500 per day for each day after the 3rd day late
- If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief
Bureau of Election Records

<p>Re: Contribution to out of state candidate</p> <p>I spoke to Ms. Bowen, treasurer of the PAC. I told her I looked over the PAC's 2015 M9 and did not see the refund of \$500 that was given to an out of state Candidate, Frank Colvett of Tennessee. She told me that they had received a check from his campaign but the PAC's name was wrong and the check had to be sent back. She told me she is keeping a record of all the correspondence between the PAC and Mr. Colvett's campaign to try to rectify this error. I told her to please send another letter to Kristi Bronson explaining what the PAC is doing and what has happened so far so the Bureau Chief will be aware of your efforts to correct this situation. She also asked about where it was written that PACs can't give to out of state candidates. By email, I referred her to the Political Committee Handbook, Appendix A: Frequently Asked Questions #16. ejr</p>

<p>Re: Audit Letter</p> <p>8/13/15- Rcvd call from representative of ABC PAC regarding audit letter. I explained to her that state-wide pacs registered with the Division cannot give to candidates outside of Florida. I then instructed her to contact Frank Colvett's Campaign, ask for a refund and send in a letter of explanation to the DoE. She had no other questions. Jha</p>
