Amy McKeever Toman
Executive Director
Florida Elections Commission
November 1, 2016

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

CONSENT FINAL ORDER

FINDINGS OF FACT

1. On September 19, 2014, a complaint was filed with the Commission alleging that Respondent violated Florida's election laws.
2. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.
3. Respondent and the staff stipulate to the following facts:
 - a. Respondent is a Nevada Corporation registered with the Nevada Department of State.

CONCLUSIONS OF LAW

4. The Commission has jurisdiction over the parties to and subject matter of this cause, pursuant to Section 106.26, Florida Statutes.

5. Section 106.25(4)(i)3., Florida Statutes, allows the Commission to approve a consent agreement with a Respondent prior to the Commission finding probable cause that a violation of the election laws occurred. The consent agreement has the same force and effect as a consent agreement reached after the Commission finds probable cause.

6. The Commission staff and Respondent stipulate that staff could prove the facts in paragraph three by clear and convincing evidence and to the Commission's ability to impose a civil penalty against the Respondent in this case.

ORDER

7. The Respondent and the staff of the Commission have entered into this Consent Order voluntarily and upon advice of counsel.

8. The parties shall each bear its own attorney's fees and costs that are in any way associated with this case.

9. The Commission will consider the Consent Order at its next available meeting.

10. The Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal the Consent Order.

11. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall be responsible for all fees and costs associated with enforcement.

Handwritten signature and initials in the bottom right corner of the page.

12. If the Commission does not receive the signed Consent Order and full payment of the civil payment by the close of business on August 15, 2016, the staff withdraws this offer of settlement and will proceed with the case.

13. Payment of the civil penalty by cashier's check, money order, good for at least 120 days, or attorney trust account check is a condition precedent to the Commission's consideration of the Consent Order.

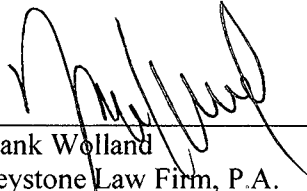

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that the Respondent has violated Sections 106.03(1)(a), and 106.19(1)(c), Florida Statutes, and imposes a \$2,000 civil penalty for the violations.

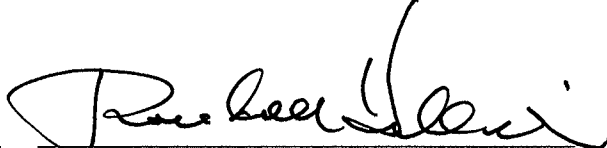

Therefore it is

ORDERED that the Respondent shall remit to the Commission a civil penalty in the amount of \$2,000, inclusive of fees and costs. The civil penalty shall be paid by cashier's check, money order, good for at least 120 days, or attorney trust account check, and arrive at the Commission's offices at 107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida, 32399-1050 by the close of business on August 15, 2016.

**Re: Response of Women's Leadership Conference ("WLC") to Florida Elections
Commission Staff Recommendation Following Investigation, Case No. FEC 14-308,
dated April 12, 2016**

Dear Ms. Malphurs:

Thank you for your letter, and the opportunity to respond to the preliminary findings. My client has always strived to adhere to Chapter 106 and to cooperate fully with the FEC.

The FEC Staff Recommendation makes reference to Chapter 106, Florida Statutes, as the "Who Gave It, Who Got It" statute. Which is precisely the point: The FEC Staff Recommendation does not establish that WLC did anything other than its mission — which was to act as a non-advocacy, voter participation expansion organization. The FEC Staff Recommendation takes issue with some of the donors having written "political contribution" in the memo line on the check for their donation. Just because a donor wrote "political contribution" on the check does not mean that the money was used for advocacy or political purposes. A donor's use of the term "political contribution" is not determinative of what is or is not an "electioneering communication" and what constitutes "non-advocacy".

The FEC Staff Recommendation has not established that WLC conducted any political activity that would have required WLC to register as a political committee. In fact, the IRS Code allows 501(c)(3) charities and 501(c)(4) organizations to expand voter participation. What matters is that WLC conducted no communication that would be deemed "advocacy". Rather, its mission and conduct was geared toward voter participation, *i.e.* encouraging absentee voter participation.

The Staff Investigation produced no electioneering communication(s) that was/were attributable to WLC. The Complainant did not produce any electioneering communication(s) that was/were attributable to WLC. The FEC Staff Investigation appears to be using photographs of Deede and Mark Weithorn as the sole basis of its opinion that WLC should have registered as a political organization. This is erroneous on its face as there was no advocacy involved in taking or using a photograph. In fact, the primary purpose of the photo shoot was to obtain a photograph for Ms. Weithorn, a former City of Miami Beach ("CMB") Commissioner who had recently won re-election and was then term limited, to use on the CMB's website. She was not and could not be a candidate. The photographing of Mr. Weithorn was simply an afterthought. WLC did not play any part in any campaign of Mr. or Mrs. Weithorn. Regardless, a photograph that contains no advocacy related message should not be considered political simply because the subjects are politicians.

WLC registered and operated as a 501(c)(4) with the Federal Elections Commission and the Internal Revenue Service ("IRS"). As a non-advocacy voter participation expansion organization, it is my

client's belief that WLC was regulated by only those two federal agencies. My client did so under the advice of counsel from the law firm of Rarick Beskin Garcia and Vega located in Miami Lakes, Florida. The perceived reporting requirements of WLC's contributions and expenditures were based on the advice of counsel from Rarick Beskin et al. In fact, in the FEC's Report of Investigation, Table 2: Respondents Expenditures on pages 8, 9 and 10 details that legal fees were a significant portion of WLC's expenditures not only to Rarick Beskin et al, but also legal services from other law firms.

Among WLC's non-advocacy voter participation activities was data collection for a think tank to expand voter participation. A definition of a think tank is as "a group or organization dedicated to problem-solving and research, especially in such areas as technology, social or political strategy, and the military." As a result of WLC's data collection activities, it was able to create a system of data collection that dramatically expanded voter participation.

At issue in FEC Case No. 14-308 are alleged violations of two sections of Chapter 106, Florida Statutes:

1. Section 106.03(1)(a), Florida Statutes, failure of a political committee to file a timely a statement of organization;
2. Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

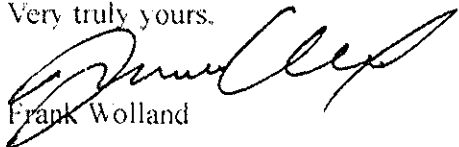

Respondent's alleged violations of Section 106.03(1)(a), Florida Statutes Count 1 is denied. WLC's activities were non-advocacy, and voter participation expansion was its primary mission. Under the advice of counsel WLC did not believe that it needed to file as a political committee with the Florida Department of Elections. My client believed that it was following the requirements of Chapter 106.03(1)(a). As my client was proceeding under the advice of counsel, there was no intent to violate Chapter 106 or to deceive the FEC. The Complainant produced no evidence that WLC engaged in any activity that was political advocacy. The Staff Investigation's reliance on a photograph and erroneous notations by donors on checks that they maintain is proof of being a political committee is deficient on its face. **Count 1 should be dismissed.**

The alleged violations of Section 106.19(1)(c), Florida Statutes are denied. WLC was organized under the advice of counsel from Rarick Beskin et al. My client believed that it was following Chapter 106.19(1)(c), and that WLC did not need to file a report since its activities were of a non-advocacy First Amendment voter participation expansion nature. There was no intent to violate Chapter 106 or to deceive the FEC, and **Counts 2 through 27 should be dismissed.**

Additionally, donors to a 501(c)(4) are supposed to be shielded from disclosures. The FEC's overreach in obtaining donor information for an organization over which it has no jurisdiction should not have occurred. Consequently, my client's donors should be shielded from disclosure by the FEC and all documents related to donors should be either sealed or redacted to protect their anonymity according to IRS guidelines.

Thank you, again, for your attention to the above.

Very truly yours,

Frank Wolland

Case No.: FEC 14-308

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.03(1)(a), and 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.08(5)(a), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 16, 2016, the following facts and law support this staff recommendation:

1. On September 19, 2014, the Florida Elections Commission ("Commission") received a sworn complaint from Juan-Carlos Planas ("Complainant") alleging that Women's Leadership Conference ("Respondent" or "WLC") violated Chapter 106, Florida Statutes

2. On December 18, 2014, the Executive Director notified Respondent that Commission staff would investigate the following sections of law:

Section 106.03(1)(a), Florida Statutes: Respondent, a Nevada corporation, organized a political committee that received contributions or made expenditures in a calendar year in an aggregate amount exceeding \$500, but failed to file a statement of organization within 10 days of doing so, as alleged in the complaint.

Section 106.08(5)(a), Florida Statutes: Respondent, a Nevada corporation, made one or more contributions in the name of another, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a Nevada corporation, acted as an unregistered political committee that falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

3. Respondent is a Nevada Corporation that filed its Articles of Incorporation with the Nevada Secretary of State's Office ("NSOS") on October 17, 2011. WLC's incorporation documents stated its purpose was, "To support or oppose candidates who (*sic*) based on their support of woman's issues." (ROI Exhibit 1, pages 3 and 4)¹

4. On July 2, 2012, Respondent filed its Initial List of Officers, Directors, and Registered Agent and Application for Business License with the NSOS. On February 19, 2014, Respondent filed an amended List of Officers, Directors, and Registered Agent and State Business License Application designating Randall Hilliard as its president, secretary, treasurer, and only director. (ROI Exhibit 1, pages 5 and 10)

5. On February 20, 2013, Respondent registered with the Federal Election Commission as a committee that supported Michael Gongora for Miami Beach Mayor. Respondent listed Randall Hilliard as its president, treasurer, and secretary. As of March 30, 2016, Respondent has not filed any campaign reports or additional documents with the Federal Election Commission. (ROI Exhibit 4, pages 2-19)

Section 106.03(1) and 106.19(1)(c), Florida Statutes.

6. Complainant alleged that Respondent was a shell corporation formed solely to allow people and entities to make contributions to Citizens for Fiscal Responsibility, a Florida Electioneering Communications Organization without disclosing their identity. Complainant also alleged that Respondent was an unregistered political committee.

7. Respondent is not registered as a committee in Florida and does not report its campaign activity in Florida. In Respondent's January 29, 2015 response to the complaint, Respondent swore under oath that, "Woman's Leadership Conference (WLC) is not a political committee as defined in Section 106.03(1)(a). WLC is an IRS-approved 501(c)(4). As such, its activities are governed by IRS Regulations. As allowed under IRS code, its activities are First Amendment related and/or ballot access oriented." (ROI Exhibit 18, page 2 and 3)

8. WLC opened its campaign bank account at City National Bank in Miami Beach, Florida, on July 3, 2012. Respondent's initial bank documents indicated that Respondent was an educational foundation. The only signatory on the bank account was Randall Hilliard. (ROI Exhibit 3, pages 3 and 4)²

¹ The Report of Investigation shall be referred to herein as "ROI."

² While Respondent's account is not titled as a campaign account, based upon the account activity, it appears to be a campaign account.

9. Section 106.011(16)(a), Florida Statutes, defines a political committee as follows:

1. A combination of two or more individuals, or a person other than an individual, that, in an aggregate amount in excess of \$500 during a single calendar year;³

a. Accepts contributions for the purpose of making contributions to any candidate, political committee, affiliated party committee, or political party;⁴

b. Accepts contributions for the purpose of expressly advocating the election or defeat of a candidate or the passage or defeat of an issue;

c. Makes expenditures that expressly advocate the election or defeat of a candidate or the passage or defeat of an issue; or

d. Makes contributions to a common fund, other than a joint checking account between spouses, from which contributions are made to any candidate, political committee, affiliated party committee, or political party.

10. Respondent accepted several checks that were noted to be political contributions. The checks are listed in the table below:

(This space intentionally left blank)

³ 106.011(14), Florida Statutes, defines person as:

"Person" means an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term includes a political party, affiliated party committee, or political committee.

⁴ 106.011(5)(a), Florida Statutes, defines contribution as:

A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

11. Respondent accepted contributions for the purpose of making contributions to candidates. For example, on November 15, 2012, Respondent made an expenditure for \$585 to Werner Kahn Studio that was an in-kind contribution to Mark Weithorn, a 2012 candidate for the House of Representatives. Respondent paid Werner Kahn Studio with a check drawn on Respondent's campaign account. Within ten days of making the in-kind contribution, Respondent was required to file a statement of organization for a political committee and start filing campaign reports with the Division⁶ (ROI Exhibit 17, pages 4-9; Sections 106.03(1) and 106.03(3)(a), Florida Statutes)⁷

⁵ ROI Exhibit 7, pages 4-43

⁶ While it appears that several of Respondent's expenditures were in-kind contributions for candidates running for public office, the investigation could not conclusively determine which or how many of Respondent's expenditures were in-kind contributions and which candidates received the in-kind contributions except as discussed in this paragraph.

⁷ 106.011(5)(a), Florida Statutes, defines contribution as:

12. The following table lists the reports Respondent was required to file with the Division between November 25, 2012, and September 19, 2014, the cover period of each report, and the date the report was due.⁸

13. Based upon the information above, it appears Respondent accepted contributions in an aggregate amount in excess of \$500 in a single year for the purpose of making contributions to one or more candidates and Respondent made an in-kind contribution to at least one candidate. It

A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

⁸ November 25, 2012, is ten days after Respondent made an in-kind contribution to Mark Weithorn's campaign. The complaint in this case was filed on September 19, 2014.

also appears that Respondent failed to file a statement of organization for a political committee and failed to file campaign reports with the Division.

Section 106.08(5)(a), Florida Statutes.

14. Complainant alleged that Respondent made contributions to candidates through or in the name of another.

15. Section 106.08(5)(a), Florida Statutes, prohibits a person from making any contribution through or in the name of another, directly or indirectly, in any election.

16. Contributors gave Respondent contributions that were for, or to be used for, a designated candidate. The table below lists the contributions.

17. Even though contributors gave Respondent checks for, or to be used for, a designated candidate, Respondent paid vendors using Respondent's own checks in Respondent's own name.

18. Based on the foregoing, it appears Respondent did not make contributions through or in the name of another individual or entity.

19. "Probable Cause" is defined as reasonable ground of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995)

20. Chapter 106, Florida Statutes, is often referred to as the "Who Gave It, Who Got It" statute.⁹ The facts set forth above show Respondent is a Nevada Corporation that is not registered as a political committee in Florida and does not report its Florida campaign activity. Respondent accepted contributions in an aggregate amount in excess of \$500 in a single year for the purpose of making contributions to a candidate. On November 15, 2012, Respondent made an in-kind contribution to Michael Weithorn, a 2012 candidate for the Florida House of Representatives by paying a \$585 invoice to Werner Kahn Studio on behalf of Mr. Weithorn. Respondent was required to register as a political committee within ten days of making the in-kind contribution to Mr. Weithorn and begin file regular campaign reports with the Division, which it failed to do.

21. The facts set forth above also show contributors gave Respondent contributions that were for, or to be used for, a designated candidate. However, when Respondent paid vendors, it did so in its own name using its own checks.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with:

* If not reported as individual contributions when received, a political committee must report contributions that comprise multiple uniform contributions from the same person aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of the political committee. The report must list the name, address, and occupation of the person making the contribution; however, the occupation need not be listed if the aggregate contribution from the person is \$100 or less. Even if the political committee has nothing to report, the committee must file a waiver report. (Because the law containing this provision did not go into effect until 11/01/13, this first report will not cover a full calendar year.)

** These reports need only contain information on all previously unreported contributions received as of the preceding day. Expenditures need not be reported.

**Re: Response of Women's Leadership Conference to Florida Elections Commission
Letter, Case No. FEC 14-308, dated March 17, 2016**

Dear Ms. Malphurs:

Thank you for your letter, and the opportunity to respond to the preliminary findings. My client has always strived to adhere to Chapter 106 and to cooperate fully with the FEC.

WLC registered and operated as a 501(c)(4) with the Federal Elections Commission and the Internal Revenue Service ("IRS"). As a non-advocacy voter participation expansion organization, it was my client's belief that WLC was regulated by only those two federal agencies. My client did so under the advice of counsel from the law firm of Rarick Beskin Garcia and Vega located in Miami Lakes, Florida. The perceived reporting requirements of WLC's contributions and expenditures were based on the advice of counsel from Rarick Beskin et al. In fact, in the FEC's Report of Investigation, Table 2: Respondents Expenditures on pages 8, 9 and 10 details that legal fees were a significant portion of WLC's expenditures not only to Rarick Beskin et al, but to others.

Among WLC's non-advocacy voter participation activities was data collection for a think tank to expand voter participation. A definition of a think tank is as "a group or organization dedicated to problem-solving and research, especially in such areas as technology, social or political strategy, and the military." As a result of WLC's data collection activities, it was able to create a system of data collection that dramatically expanded voter participation.

At issue in FEC Case No. 14-308 are alleged violations of three sections of Chapter 106, Florida Statutes:

1. Section 106.03(1)(a), Florida Statutes, failure of a political committee to file timely a statement of organization;
2. Section 106.08(5)(a), Florida Statutes, a person may not make any contribution through or in the name of another, directly or indirectly, in any election; and

3. Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

Respondent's alleged violations of Section 106.03(1)(a), Florida Statutes are denied. WLC's primary activities were non-advocacy, and voter participation expansion as its primary mission and under the advice of counsel from WLC did not believe that it needed to file as a political committee with the Florida Department of Elections. My client believed that it was following the requirements of Chapter 106.03(1)(a). As my client was proceeding under the advice of counsel, there was no intent to violate Chapter 106 or to deceive the FEC, and this complaint should be dismissed.

The alleged violations of Section 106.08(5)(a), Florida Statutes are denied. WLC was organized as a 501(c)(4) under the advice of counsel from Rarick Beskin et al. As my client was proceeding under the advice of counsel, there was no intent to violate Chapter 106 or to deceive the FEC, and this complaint should be dismissed.

The alleged violations of Section 106.19(1)(c), Florida Statutes are also denied. WLC was organized under the advice of counsel from Rarick Beskin et al. My client believed that it was following Chapter 106.19(1)(c) that WLC did not need to file a report since its activities were of a non-advocacy First Amendment voter participation expansion nature. There was no intent to violate Chapter 106 or to deceive the FEC, and this complaint should be dismissed.

Thank you, again, for your attention to the above.

Very truly yours,

Frank Wolland

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 14-308

Respondent: Women's Leadership Conference

Counsel for Respondent: Frank Wolland

Complainant: Juan-Carlos Planas

Counsel for Complainant: None

On September 19, 2014, the Florida Elections Commission ("Commission") received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106 03(1)(a), Florida Statutes, failure of a political committee to file timely a statement of organization;

Section 106 08(5)(a), Florida Statutes, a person may not make any contribution through or in the name of another, directly or indirectly, in any election; and

Section 106 19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. On October 17, 2011, Respondent was registered with the State of Nevada as a domestic corporation. According to the Articles of Incorporation, its purpose is "TO SUPPORT OR OPPOSE CANDIDATES WHO [sic] BASED ON THEIR SUPPORT OF WOMEN'S ISSUES". Randall Hilliard was named as the corporation's president, secretary, treasurer and director for its initial list of officers for the filing period of October 2011 to 2012. On November 15, 2012, he was again identified for the same offices for the filing period of October 2012 to October 2013, and on August 6, 2013, for the filing period of October 2013 to October 2014. Frank Wolland, Esq., (Respondent's counsel in the instant case) was identified as Respondent's trustee. To review Respondent's Articles of Incorporation and additional documents filed with the Nevada Secretary of State, refer to Exhibit 1.

2. On or about October 9, 2013, Frank Wolland, Esq., Trustee, replaced Hilliard on the corporate filings, as Respondent's president, secretary, treasurer and director, for the filing period of October 2013 to October 2014. To review Respondent's Articles of Incorporation and additional documents filed with the Nevada Secretary of State, refer to Exhibit 1.

3. On or about February 19, 2014, Randall Hilliard was again named as the corporation's president, secretary, treasurer and director for its list of officers for the filing period of October 2013 to 2014. To review Respondent's Articles of Incorporation and additional documents filed with the Nevada Secretary of State, refer to Exhibit 1.

4. Sandra Page Millard, the mother of Michael Góngora, former Miami Beach City Commissioner and a 2013 candidate for Miami Beach Mayor, initially served as the corporation's registered agent. On or about August 6, 2013, she was replaced by State Agent

and Transfer Syndicate, Inc., at 112 North Curry Street, Carson City, Nevada 89703-4934. Respondent's business license expired in Nevada on October 31, 2014 and is in "Revoked" status for failing to file its annual list of officers. (Note that Ms. Millard was also a paid campaign worker for Góngora's 2013 campaign.) To review Respondent's Articles of Incorporation and additional documents filed with the Nevada Secretary of State, refer to Exhibit 1.

5. On February 20, 2013, Respondent filed its Form 1, Statement of Organization, with the Federal Election Commission ("FEC") and identified itself as "Women's Leadership Conference, Inc." In his cover letter to the FEC, Randall Hilliard¹, treasurer, declared its intent to "raise funds in unlimited amounts" and make "independent expenditures." Mr. Hilliard offered that the committee will not use funds to make contributions to federal candidates or committees. Respondent's campaign depository was identified in its federal filing as City National Bank, in Miami Beach, Florida. (Bank records obtained by subpoena in FEC 13-267 dated March 6, 2014, identified the entity as Women's Leadership Conference, Inc., and Randall Hilliard, president, is the only signer on the bank account signature card. Respondent and Randall Hilliard shared the same address at 600 NE 36th Street, Suite #PH-26, Miami, Florida 33137.) To review Respondent's federal Form 1 and cover letter, refer to Exhibit 2. To review the signature card for Respondent's bank account, refer to Exhibit 3.

6. Mr. Hilliard identified on Respondent's federal Form 1, "This committee supports/opposes only one candidate, and is NOT an authorized committee." The form identified the candidate as "Michael Góngora for Miami Beach Mayor (a non-partisan election)." (Note Michael Góngora received 36.44% of the vote in the November 5, 2013 election for Mayor of Miami Beach; Philip Levine received 50.48% in a four-candidate race for Mayor.) To review Respondent's federal Form 1 and cover letter, refer to Exhibit 2.

7. According to the federal filing, Respondent declares that it is an "Independent Expenditure-Only Committee²." As of the date of this report of investigation, the only documents on file with the FEC are Respondent's Statement of Organization and multiple failure-to-file letters³ from the FEC to Randall Hilliard, as Respondent's treasurer. Since filing its federal Statement of Organization, Respondent has failed to file any reports with the FEC. To review the federal failure-to-file notices for the relevant 2013, 2014 and 2015 reporting periods, refer to Exhibit 4.

8. Respondent is represented by attorney Frank Wolland, Law Office of Frank Wolland, in North Miami, Florida.

¹ Note Randall Hilliard is a political consultant, and lobbyist. It appears that Mr. Hilliard served as campaign manager for one or more of Michael Góngora's campaigns for Miami Beach City Commission and it appears Mr. Hilliard was retained for Góngora's 2013 campaign for Mayor.

² Note according to "uspolitics about com," independent expenditure-only committees are allowed to raise and spend unlimited amounts of money from corporations, unions, individuals and associations and are commonly referred to as a "Super PAC."

³ Note a letter dated August 22, 2013 advised Mr. Hilliard that as Treasurer he may have failed to file a report of receipts and disbursements relative to a Mid-Year Report covering 02/19/13 to 06/30/13. A second letter, dated February 26, 2014 advised Mr. Hilliard that he may have failed to file a report of receipts and disbursements or failed to file a report covering the entire reporting period.

9. Complainant, Juan-Carlos Planas, is a former member of the Florida House of Representatives, District 115, in Miami-Dade County; he served from 2002 to 2010 before having to retire due to term limits. Complainant is an attorney and was admitted to The Florida Bar in 1998. In 2008 he joined the law firm of Kurkin Brandes LLP in Miami. His areas of practice include ethics and elections law, local government operations, and government regulatory matters. He supported Philip Levine for Mayor of Miami Beach in the 2013 election.

II. Alleged Violation of Section 106.03(1)(a), Florida Statutes:

10. I investigated whether Respondent violated this section of the election laws by not filing timely a statement of organization as a political committee.

11. Complainant alleged that Respondent should have registered as a political committee. Complainant argues that Respondent was organized for the sole purpose of collecting funds to contribute to Citizens for Fiscal Responsibility, Inc.⁴, ("CFR"), an electioneering communications organization, ("ECO"). Complainant stated that CFR published several electioneering communications that favored Michael Góngora, a 2013 Miami Beach Mayoral candidate. Complainant provided copies of the electioneering communications for our review.

12. Section 106 011(16)(a), Florida Statutes (2014), defines a political committee as:

1. A combination of two or more individuals, or a person other than an individual, that, in an aggregate amount in excess of \$500 during a single calendar year:

- a. Accepts contributions for the purpose of making contributions to any candidate, political committee, affiliated party committee, or political party;
- b. Accepts contributions for the purpose of expressly advocating the election or defeat of a candidate or the passage or defeat of an issue;
- c. Makes expenditures that expressly advocate the election or defeat of a candidate or the passage or defeat of an issue; or
- d. Makes contributions to a common fund, other than a joint checking account between spouses, from which contributions are made to any candidate, political committee, affiliated party committee, or political party;

2. The sponsor of a proposed constitutional amendment by initiative who intends to seek the signatures of registered electors.

(b) Notwithstanding paragraph (a), the following entities are not considered political committees for purposes of this chapter:

- 1. National political parties, the state and county executive committees of political parties, and affiliated party committees regulated by chapter 103.
- 2. Corporations regulated by chapter 607 or chapter 617 or other business entities formed for purposes other than to support or oppose issues or candidates,

⁴ Note CFR registered with the State of Nevada as a Nevada domestic corporation on October 17, 2011; its business license was revoked October 31, 2014 for failing to file its annual list of officers. CFR first registered with the Division of Elections ("DOE") as an ECO on October 14, 2011; Randall Hilliard was its chairperson, treasurer and registered agent. On June 3, 2015, a notice of disbandment was filed with the DOE by CFR. It appears CFR, WLC and Randall Hilliard shared the same address at 600 NE 36th Street, Suite #PH-26, Miami, Florida 33137.

if their political activities are limited to contributions to candidates, political parties, affiliated party committees, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.”

To review Section 106.011(16)(a), Florida Statutes (2014), refer to Exhibit 5.

13. In order to determine if Respondent was accepting contributions or making expenditures in an aggregate amount in excess of \$500 during a single calendar year to support or oppose issues or candidates, I reviewed Respondent's bank records obtained by subpoena from City National Bank in Miami-Dade County, Florida, in FEC 13-267.⁵ To review relevant pages of Respondent's bank records, refer to Exhibits 6 and 7.

14 Section 106 011(5), Florida Statutes (2014), defines contribution as:

(5) “Contribution” means:

(a) A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

(b) A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups.

(c) The payment, by a person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or committee for such services

(d) The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes interest earned on such account or certificate

Notwithstanding the foregoing meanings of “contribution,” the term may not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or editorial endorsements.

To review Section 106.011(5), Florida Statutes (2014), refer to Exhibit 5

15. Table 1 discusses deposit items that were found in Respondent's bank records and were identified in the memo line as “contribution,” some variant of “Political Contribution” or appear to be marked or “earmarked” with a candidate's initials or name (Note individual

⁵ Note in FEC 13-267, Commission staff obtained bank records for CFR and Respondent by subpoena. On August 5, 2014, at its regularly scheduled meeting, the Commission found probable cause against CFR. On October 28, 2014, at its meeting, the Commission accepted a consent order and payment of a fine totaling \$1,000 00 for violating Section 106.0703(1)(e), Florida Statutes, on three occasions

deposit items (checks or cashier checks) in Respondent's bank records ranged from \$250.00 to \$100,000.00, plus a deposit by wire transfer on February 25, 2013, in the amount of \$50,000.00. Most deposit items were unmarked; however, some additional deposit items were marked "charity," "charitable donation," and "donation." The total of all deposit items was \$613,283.00.) To review Respondent's relevant bank records, refer to Exhibits 6 and 7.

16. It appears Respondent via Mr. Hilliard and his associates including 2012 candidate Mark Weithorn solicited contributions for candidates in Florida in the 2012 election for State Representative namely for Mr. Weithorn, and in the 2013 Miami Beach Municipal Election for the Honorable Jorge Exposito, Michael Góngora and Matti Herrera Bower. 17. The following table discusses the expenditures by check and/or electronic funds transfer ("EFT") made to vendors that were found in Respondent's bank records that appear directly related to campaign activity (Note the information provided in the table for "Type of Business" was based upon online research including the vendor's website or other relevant documents including campaign treasurer's reports ("CTRs"); for vendors whose name appears in bold font, records were obtained by subpoena. Note also that several expenditures identified in Table 2 were made to vendors also used by 2013 candidates running for office in Miami Beach that were identified in Table 1. And note that Randall Hilliard signed all expenditure by check.) To review Respondent's relevant bank records, refer to Exhibits 6 and 7. 18. It appears contributor's may have needed a mechanism to effectuate additional contributions to candidates during the relevant election cycle; therefore, contributions to support candidates appear to have been directed and sent to Respondent rather than to the relevant candidate directly. And it appears Mr. Hilliard, on behalf of Respondent, may have orchestrated how the money was to be spent. (Note the contribution limit in 2012 was \$500 00 and the contribution limit in 2013 was \$1,000 00.) To review Respondent's relevant bank records, refer to Exhibits 6 and 7. To review the phone log in FEC 13-267, refer to Exhibit 9.

19. Randall Hilliard in his capacity as chairman and treasurer of Respondent submitted a sworn response to the complaint via counsel. Mr. Hilliard alleges Respondent is not a political committee but an IRS-approved 501(c)(4), and its activities are governed by IRS regulations. "As approved by the IRS, WLC is a think tank and research organization and allowed under IRS code, its activities are First Amendment related and/or ballot access oriented." To review Hilliard's response filed on February 3, 2015, refer to Exhibit 18.

20. Hilliard continued, "As an IRS-approved 50(c)(4), [sic] the very basis of this complaint is deficient and should be dismissed." To review his sworn response submitted via counsel, refer to Exhibit 18.

21. However, Commission staff was unable to obtain any information from numerous online searches since the filing of the instant complaint identifying Respondent as a "think tank and research organization," or identifying research produced by Respondent. To review the phone log in FEC 13-267, refer to Exhibit 10.

22. According to online records at the DOE, Respondent is not registered in the state of Florida as a political committee, or an electioneering communications organization, in order to accept contributions and make expenditures for the purpose of affecting the results of an election in the State of Florida. In his complaint, Mr. Planas alleged that Randall Hilliard should have registered Respondent, as a "Florida political committee," rather than a "Federal political committee," but failed to do so.

23. In an affidavit in FEC 13-267, Randall Hilliard attested that he has not sought elective office or ever been appointed to serve as a campaign treasurer for a candidate. He also attested that he has served as chairman and/or treasurer for political committees in the past. To review the affidavit of Randall Hilliard in FEC 13-267, refer to Exhibit 19.

24. Mr. Hilliard attested that he does possess and has read Chapter 106, Florida Statutes, although he first obtained and read the law 23 years ago. He also attested he does not

possess nor has he read the *Candidate and Campaign Treasurer Handbook*. Mr. Hilliard had been asked in the affidavit to explain what action had he taken to determine his responsibilities under Florida's election laws. Mr. Hilliard stated, "I try to remain as up to date as possible on Florida's Election Laws. However, in recent years they have been amended so much that they are often 'clear as mud'. It used to be much less complicated." To review the affidavit of Randall Hilliard in FEC 13-267, refer to Exhibit 19.

25. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

III. Alleged Violation of Section 106.08(5)(a), Florida Statutes:

26. I investigated whether Respondent violated this section of the election laws by making one or more contributions in the name of another, directly or indirectly, in any election.

27. Complainant asserted "[t]he purpose behind Florida's Campaign Finance and Disclosure laws are to provide voters information as to where campaign money comes from ... When individuals attempt to circumvent the campaign finance disclosure laws, it prevents voters from determining who is financing these campaigns...." He alleged that Respondent was used "as a 'clearing house' for anonymous contributions used to influence the 2013 Miami Beach Mayor's race...." Complainant alleged instead of properly disclosing the contributors to CFR, a Florida ECO, Mr. Hilliard arranged to keep them anonymous by having them flow through Respondent.

28. To review "contributions" made to Respondent, refer to paragraph 15 and Table 1 of this report.

29. As previously discussed in this report in paragraph 18, it appears contributor's may have needed a mechanism to effectuate additional contributions to candidates during the relevant election cycle; therefore, contributions to support candidates appear to have been directed and sent to Respondent rather than to the relevant candidate directly. And it appears Mr. Hilliard, on behalf of Respondent, may have orchestrated how the money was to be spent. (Note the contribution limit in 2012 was \$500.00 and the contribution limit in 2013 was \$1,000.00.) To review Respondent's relevant bank records, refer to Exhibits 6 and 7. To review the phone log in FEC 13-267, refer to Exhibit 9.

30. Mr. Hilliard declared, "WLC made no contributions in the name of another." To review his sworn response submitted via counsel, refer to Exhibit 18.

31. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

IV. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

32. I investigated whether Respondent violated this section of the election laws by operating as a political committee while deliberately not having filed registration documents and reports of contributions and expenditures.

33. Complainant alleged that Respondent was a fake entity that was solely created for the purpose of hiding the identity of political campaign donors and Respondent was registered as a federal "political committee" rather than as a Florida political committee in order to circumvent the Florida Campaign Finance Laws.

34. To review information regarding this section of the election laws, refer to paragraphs 12 through 24 in this report.

35. Randall Hilliard in his capacity as chairman and treasurer of Respondent affirmed, "Under the IRS code, an IRS-approved 501(c)(4) may make expenditures that are advocacy related. WLC made contributions to Citizens for Fiscal Responsibility [CFR] for the purposes of advocacy. Citizens for Fiscal Responsibility reported all WLC contributions as required by Florida Statute 106.19(1)(c)." To review his sworn response submitted via counsel, refer to Exhibit 18.

36. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

V. FEC History:

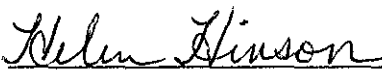

37. Respondent has no history of previous complaints filed against it with the Commission.

Conclusion:

38. On March 9, 2016, I phoned Mr. Wolland and reviewed my findings in the instant case. He made no specific comments in response to my report other than to inform me that Mr. Hilliard has changed his address, and Mr. Wolland will provide that address to me at a later time. To review the phone log, refer to Exhibit 20.

39. Since Respondent did not file paperwork with a municipal or county filing officer, or the DOE, it was not provided the usual documents by its filing officer regarding Florida's election laws. Respondent was not required to file a Statement of Candidate.

Respectfully submitted on March 16, 2016

Re: Form 1, Statement of Organization—Unlimited Contributions

To Whom It May Concern:

There is no previously registered FEC ID for Women's Leadership Conference, Inc.

This committee intends to make independent expenditures, and consistent with the U.S. Court of Appeals for the District of Columbia Circuit decision in *SpeechNow v. FEC*, it therefore intends to raise funds in unlimited amounts. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to federal candidates or committees.

Respectfully submitted,

Randall Hilliard

REFERENCE: MID-YEAR REPORT REPORT (02/19/2013 - 06/30/2013)

Dear Treasurer:

It has come to the attention of the Federal Election Commission that you may have failed to file the above referenced report of receipts and disbursements or failed to file a report covering the entire reporting period as required by the Federal Election Campaign Act, as amended.

It is important that you file this report immediately with the Federal Election Commission, 999 E Street, N.W., Washington, DC 20463. Please note that electronic filers must submit their reports electronically, as per 11 CFR §104.18. A copy of the report or relevant portions must also be filed with the Secretary of State or equivalent State officer unless the State is exempt from the federal requirement to receive and maintain paper copies. You can verify the Commission's receipt of any documents submitted by your committee on the FEC website at www.fec.gov.

The failure to timely file a complete report may result in civil money penalties, an audit or legal enforcement action. The civil money penalty calculation for late reports does not include a grace period and begins on the day following the due date for the report. Due to heightened security screening measures, delivery of mail by the US Postal Service may be delayed. The Commission recommends that you submit your report via overnight delivery or courier service.

If you have any questions regarding this matter, please contact David Garr in the Reports Analysis Division on our toll free number (800)424-9530. Our local number is (202)694-1130.

ELECTORS AND ELECTIONS

Chapter 106

CAMPAIGN FINANCING

[View Entire Chapter](#)

106.011 Definitions.—As used in this chapter, the following terms have the following meanings unless the context clearly indicates otherwise:

- (1) "Campaign fund raiser" means an affair held to raise funds to be used in a campaign for public office.
- (2) "Campaign treasurer" means an individual appointed by a candidate or political committee as provided in this chapter.
- (3) "Candidate" means a person to whom any of the following applies:
 - (a) A person who seeks to qualify for nomination or election by means of the petitioning process.
 - (b) A person who seeks to qualify for election as a write-in candidate.
 - (c) A person who receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about his or her nomination or election to, or retention in, public office.
 - (d) A person who appoints a treasurer and designates a primary depository.
 - (e) A person who files qualification papers and subscribes to a candidate's oath as required by law.

However, this definition does not include any candidate for a political party executive committee. Expenditures related to potential candidate polls as provided in s. [106.17](#) are not contributions or expenditures for purposes of this subsection.

(4) "Communications media" means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an expenditure for use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group

(5) "Contribution" means:

- (a) A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything

EXHIBIT 5 (1 of 5)

of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

(b) A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups.

(c) The payment, by a person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or committee for such services.

(d) The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes interest earned on such account or certificate.

Notwithstanding the foregoing meanings of "contribution," the term may not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or editorial endorsements.

(6) "Division" means the Division of Elections of the Department of State.

(7) "Election" means a primary election, special primary election, general election, special election, or municipal election held in this state for the purpose of nominating or electing candidates to public office, choosing delegates to the national nominating conventions of political parties, selecting a member of a political party executive committee, or submitting an issue to the electors for their approval or rejection.

(8)(a) "Electioneering communication" means communication that is publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone and that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographic area the candidate would represent if elected.

(b) The term "electioneering communication" does not include:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence before the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter, which newsletter is distributed only to members of that organization.
2. A communication in a news story, commentary, or editorial distributed through the facilities of a radio station, television station, cable television system, or satellite system, unless the facilities are owned or controlled by a political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by a political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area.
3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that:

EXHIBIT 5 (2 of 5)

- a. The staging organization is either:
 - (I) A charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or
 - (II) A newspaper, radio station, television station, or other recognized news medium; and
- b. The staging organization does not structure the debate to promote or advance one candidate or issue position over another.
- (c) For purposes of this chapter, an expenditure made for, or in furtherance of, an electioneering communication is not considered a contribution to or on behalf of any candidate.
- (d) For purposes of this chapter, an electioneering communication does not constitute an independent expenditure and is not subject to the limitations applicable to independent expenditures.
- (9) "Electioneering communications organization" means any group, other than a political party, affiliated party committee, or political committee, whose election-related activities are limited to making expenditures for electioneering communications or accepting contributions for the purpose of making electioneering communications and whose activities would not otherwise require the group to register as a political party or political committee under this chapter.
- (10)(a) "Expenditure" means a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. However, "expenditure" does not include a purchase, payment, distribution, loan, advance, or gift of money or anything of value made for the purpose of influencing the results of an election when made by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, for the purpose of printing or distributing such organization's newsletter, containing a statement by such organization in support of or opposition to a candidate or issue, which newsletter is distributed only to members of such organization.
- (b) As used in this chapter, an "expenditure" for an electioneering communication is made when the earliest of the following occurs:
 - 1. A person enters into a contract for applicable goods or services;
 - 2. A person makes payment, in whole or in part, for the production or public dissemination of applicable goods or services; or
 - 3. The electioneering communication is publicly disseminated.
- (11) "Filing officer" means the person before whom a candidate qualifies or the agency or officer with whom a political committee or an electioneering communications organization registers.
- (12)(a) "Independent expenditure" means an expenditure by a person for the purpose of expressly advocating the election or defeat of a candidate or the approval or rejection of an issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee. An expenditure for such purpose by a person having a contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not an independent expenditure.
- (b) An expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of the political party, an affiliated party committee, a political committee, or any other person is not considered an independent expenditure if the committee or person:
 - 1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member, concerning the preparation of, use of, or payment for, the specific

EXHIBIT 5(3 of 5)

expenditure or advertising campaign at issue;

2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to a general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;

3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member;

4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or an agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;

5. After the last day of the qualifying period prescribed for the candidate, consults about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:

a. An officer, director, employee, or agent of a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or

b. A person whose professional services have been retained by a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate;

6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of a person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or

7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate

(13) "Issue" means a proposition that is required by the State Constitution, by law or resolution of the Legislature, or by the charter, ordinance, or resolution of a political subdivision of this state to be submitted to the electors for their approval or rejection at an election, or a proposition for which a petition is circulated in order to have such proposition placed on the ballot at an election.

(14) "Person" means an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term includes a political party, affiliated party committee, or political committee.

(15) "Political advertisement" means a paid expression in a communications medium prescribed in subsection (4), whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue. However, political advertisement does not include:

(a) A statement by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, in support of or opposition to a candidate or issue, in that organization's newsletter, which newsletter is distributed only to the members of that organization.

(b) Editorial endorsements by a newspaper, a radio or television station, or any other recognized news medium.

EXHIBIT 5 (4 of 5)

(16)(a) "Political committee" means:

1. A combination of two or more individuals, or a person other than an individual, that, in an aggregate amount in excess of \$500 during a single calendar year:
 - a. Accepts contributions for the purpose of making contributions to any candidate, political committee, affiliated party committee, or political party;
 - b. Accepts contributions for the purpose of expressly advocating the election or defeat of a candidate or the passage or defeat of an issue;

 - d. Makes contributions to a common fund, other than a joint checking account between spouses, from which contributions are made to any candidate, political committee, affiliated party committee, or political party;
2. The sponsor of a proposed constitutional amendment by initiative who intends to seek the signatures of registered electors.

(b) Notwithstanding paragraph (a), the following entities are not considered political committees for purposes of this chapter:

1. National political parties, the state and county executive committees of political parties, and affiliated party committees regulated by chapter 103.
2. Corporations regulated by chapter 607 or chapter 617 or other business entities formed for purposes other than to support or oppose issues or candidates, if their political activities are limited to contributions to candidates, political parties, affiliated party committees, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.
3. Electioneering communications organizations as defined in subsection (9).

(17) "Public office" means a state, county, municipal, or school or other district office or position that is filled by vote of the electors.

(18) "Unopposed candidate" means a candidate for nomination or election to an office who, after the last day on which a person, including a write-in candidate, may qualify, is without opposition in the election at which the office is to be filled or who is without such opposition after such date as a result of a primary election or of withdrawal by other candidates seeking the same office. A candidate is not an unopposed candidate if there is a vacancy to be filled under s. 100.111(3), if there is a legal proceeding pending regarding the right to a ballot position for the office sought by the candidate, or if the candidate is seeking retention as a justice or judge.

Case No.: FEC 13-267**

Respondent: Citizens for Fiscal Responsibility

Complainant: Juan-Carlos Planas

1. **Date and time:** 02/07/14 @ 12:26 p.m.
Name: Mayra Espinola – City National Bank
Phone #: 305-577-7294
Summary: I called Ms. Espinola, a representative with the bank, for the purpose of advising her that I was in the process of issuing a subpoena for bank records and that I needed to know where to forward the subpoena and how the bank would accept the subpoena. She said that the bank would accept the subpoena via certified mail and that I would mail the subpoena to: City National Bank, 25 West Flagler Street, Miami, Florida 33130 and put it to her attention.

2. **Date and time:** 02/27/14 @ 11:11 a.m.
Name: Rafael Granado – Miami Beach City Clerk
Phone #: 305-673-7411
Summary: I called Mr. Granado to ask him a few questions relative to his response to an affidavit that he provided in this case

I reminded him that he had provided me with copies of four campaign reports filed with his office on behalf of Respondent. I brought it to his attention that one of the reports, the G3 report, appeared to be missing the itemized-contributions page(s) as well as the itemized-expenditures page(s) as the summary page declared activity for contributions and expenditures. After pulling the file, he noted that it appeared that the pages did not copied for the request and that he would e-mail both the itemized-contributions page and the itemized-expenditures page to me.

In addition, I brought it to his attention that in reviewing the campaign reports he provided and comparing when the reports were filed to the due dates, I noticed that the G2 report, the first report filed, was filed 12 days late. I inquired of him whether his office notified Respondent that the report was late and if so, whether in person or in writing. He said that his office did not notify Respondent that the report was late. He explained that because Respondent was not registered with his office, it was his understanding that he did not have to notify Respondent that the report was late. He added that he had a conversation with someone at the Division—but was unable to recall who he spoke with—and was advised that since Respondent was registered with the Division, Respondent more or less only had to file “courtesy” copies of their reports with his office because the original reports were filed with the Division.

I inquired of him whether or not he had any discussion with Randall Hilliard or anyone representing themselves as being associated with Respondent of the need to file campaign

EXHIBIT 7(1 of 6)

reports with his office even though Respondent was registered with the Division. He said that he did not and added that in addition to himself there are only two other people in his office that handles election matters and had the other two persons been asked they would have referred any caller to him to answer the question.

I reminded him that I had asked for copies of any and all campaign reports filed with his office on behalf of Respondent and he provided me with copies of Respondent's 2013 G2, G3, G4 and TR. He said that he was reviewing the file he has in his office on Respondent and that his file for Respondent consists only of my letter of February 5, 2014 requesting information from him concerning Respondent and the campaign reports that I acknowledged as having received from him.

Phone #: 305-577-7294

Summary: I called Ms. Espinola to inquire as to the status of the subpoena for bank records issued in this case, due in our office by February 28, 2014. She reviewed her records and said that the bank records for the group, Citizens for Fiscal Responsibility, were ready and would go out in today's mail. She added that she completely missed the second subpoena for bank records for the group, Women's Leadership Conference. She further added that she will get to work on those records and the records should go out to me next week.

Name: Jeremy Goldstein - Contributor
Phone #: 305-534-2351

Summary: Mr. Goldstein called and left a message on voice-mail in response to a letter and questionnaire that I had mailed to him relative to his donation to WLC. In his voice-mail, Mr. Goldstein said that he had received an e-mail from an individual, Ed Tobin, who was endorsing Mark Weithorn for public office and asked him to make a contribution. He said that he inquired of Ed Tobin as to whom to make his check out to and was told, WLC. He said that I could return his call after 3:00 p.m. as he will be on a conference call from 2:00 until 3:00 p.m. and that should I e-mail him (Jeremy.goldstein@mac.com), he would send me the e-mail he initially received from Ed Tobin. He suggested that I call him at 305-205-0679.

5. **Date and time:** 04/04/14 @ 3:30 p.m.
Name: Jeremy Goldstein - Contributor
Phone #: 305-205-0679

Summary: I returned Mr. Goldstein's call from earlier relative to the questionnaire that he had received pertaining to his donation to WLC. I reminded him that he had mentioned in his voice-mail message that he had received an e-mail from an Ed Tobin regarding having

EXHIBIT 9(2 of 6)

him (Goldstein) possibly contribute to the campaign of Mark Weithorn and that he was advised to make his check payable to WLC.

When asked to clarify, Mr. Goldstein said that he had received an e-mail directly from Mark Weithorn, who was seeking office as a State Representative in District 113, whereby Miami Beach Commissioner Ed Tobin endorsed his campaign. He said that he had known Ed Tobin and Weithorn's wife, who was also on the Miami Beach Commission, so he decided to support his campaign as well. He said that Weithorn told him to make his check payable to WLC and that he would come by his house later to pick-up the check, which he did. I inquired of him whether he questioned Weithorn about making the check to WLC since he was seeking elective office. He said that he did not and that he just assumed that WLC was a PAC or an organization working on behalf of his campaign since a person can give more to a PAC or an organization. When asked, he said that was the first time he had heard of WLC and he did not know what their mission or purpose was and he was unfamiliar with anyone claiming an affiliation with WLC. When questioned as to how often he donates to organizations similar to WLC, he said that he had never donated to an organization or PAC; he has always directly given to a candidate.

I inquired of him whether or not he was familiar with Michael Gongora; he responded that he knew of him only as city commissioner, not personally. When asked, he said that he was not familiar with Randall Hilliard or the organization, Citizens for Fiscal Responsibility. When asked about his familiarity with Weithorn, he said that he did not know him as well as he knew Weithorn's wife.

6 **Date and time:** 04/07/14 @ 2:14 p.m.

Name: Harold Rosen - Contributor

Phone #: 305-672-7772

Summary: Mr. Rosen called me in response to having received an affidavit that I had mailed to him relative to his donation to WLC. He said that he wanted to call and answer the questions rather than return the affidavit. I took the opportunity to remind him that he had issued a check to WLC in the amount of \$500 but I was unable to decipher what the Memo line of his check read. He said that his hand-writing is bad as he is 88 years old but he wrote "political contribution" on the memo line.

When asked about his donation, Mr. Rosen said that he believed "one of the lobbyist" had asked him for a donation so he wrote a check and gave it to him. When asked, he said that he thought it was Randall Hilliard but it may have been Mark Weithorn. After a few minutes, he said that he believes it was Randall Hilliard who asked him about making the donation. I inquired of him whether he mailed the check or did Mr. Hilliard pick up the check from him. He said that he could not recall for sure. When asked whether he was familiar with Mr. Hilliard, he said he only knows him as being a lobbyist.

Mr. Rosen was asked whether or not he had any knowledge as to the purpose or mission of WLC; he said that he did not. I inquired of him whether he had an understanding of how WLC was planning on using his donation. He said "they" may have told him but that he just does not remember. He added that he is 88 years old and the donation was made

EXHIBIT 9(3 of 6)

nearly two years ago. When asked what prompted or caused him to donate to WLC, he said that he thought he may have been under the impression that he was going to be donating to a PAC and that his name would not have to be disclosed. He added that he didn't really want his name disclosed as being a contributor because other people would then solicit him for a contribution. When asked, he said that he very seldom donates to organizations such as WLC and that he did not recall giving a donation in 2013. He was not familiar with any officers of WLC or claiming to have an affiliation.

I inquired of him whether he was familiar with Michael Gongora. He said that he was in that he knows him to be an attorney and that he had run for Miami Beach Commissioner, but he did not know him personally. When asked, he said he was unfamiliar with the group Citizens for Fiscal Responsibility. When asked, he said he was familiar with Mark Weithorn in that his wife is one of the commissioners and he was aware that Mark Weithorn had sought office for the House of Representatives but he did not know him personally.

7 **Date and time:** 04/09/14 @ 10:31 a.m.

Name: Emily Triffin - Shore Club

Phone #: 305-695-3204

Summary: Ms. Triffin called relative to the affidavit that I had previously mailed to The Shore Club pertaining to its donation to WLC. Ms. Triffin explained that she is executive office assistant to the general manager and that she was familiar with the check at issue as her former boss, Tim Nardi, had asked her to contact the accounting department and have the check issued. She added that she is the hotel's only notary and since she would be completing the affidavit and is unable to notarize the affidavit herself, she wanted to be able to give her answers to the questions over the telephone; I agreed.

Ms. Triffin explained that her former boss, the hotel's former general manager, Tim Nardi, had received an e-mail from Mark Weithorn, who was seeking office to State Representative, District 113, about the possibility of having the hotel provide his campaign with a monetary contribution. She added that Mr. Nardi knew candidate Weithorn and agreed to give him a contribution so he asked her to have the accounting department cut a check in the name of the hotel for the purpose of a campaign contribution to him (Weithorn). She said that she has a copy of the e-mail from Mr. Nardi regarding his e-mail exchange with Weithorn and within one of the e-mails, Weithorn told him (Nardi) to make the check payable to WLC and put his (Weithorn) address on it (check). When asked whether there was any particular reason as to why the check was issued in July 2012, she said that she thought that was around the date of the e-mail that Mr. Nardi received from Weithorn seeking a contribution. She added that sometime later, the hotel held a meet-the-candidate forum for Weithorn and she believed it to be in either late June or early July. I inquired of her whether she or Mr. Nardi was aware of how the donation was planning to be used. She explained that she assumed it would be used for Weithorn's campaign because on the e-mail she sent to the accounting department in order for them to issue the check, she wrote something to the effect of "PAC for Mark Weithorn," so she assumed it was for his (Weithorn) political committee. When asked about the check and whether it was mailed or hand-delivered, she said that although the check included Weithorn's

EXHIBIT 9(4 of 6)

address, she would assume that Mr. Nardi handed the check directly to him (Weithorn). She said that Mr. Nardi enjoyed being out and about and mingling in political circles and being able to directly hand a candidate a check.

When asked, Ms. Triffin said that she had not heard of WLC prior to the check being issued and she was rather certain that Mr. Nardi had not either. In addition, she said that she was unaware of the mission or purpose of WLC. When asked, she said that she was not familiar with anyone claiming to have an affiliation with WLC other than Weithorn's comment to make the check payable to WLC.

I inquired of her whether she was familiar with an individual name Michael Gongora. She said that she is rather familiar with him in the sense that he frequents the hotel for various functions and events that are held at the hotel. She said that she believes that Mr. Nardi was good friend with Mr. Gongora.

I inquired of her whether she was familiar with an individual name Randall Hilliard. She said that he was copied on the e-mail exchanges between Mr. Nardi and Mr. Weithorn relative to the request for the donation. She added that she, at the request of Mr. Nardi, had booked a room for him (Hilliard) at a hotel in New York on a previous occasion.

I inquired of her whether she was familiar with a group or organization, Citizens for Fiscal Responsibility. She said that she was not familiar with the group but added she had heard of a similar sounding name, Citizens for Ethical and Effective Leadership.

When asked how often the hotel makes donations to groups or organizations like WLC, she said that generally, if the hotel does make a donation, it is to the same candidates and not randomly to a group or organization. She added that Mr. Nardi was/is familiar with a lot of the candidates who have run for office in the Miami Beach area and he usually contributes to his/her campaign.

Name: Bucky Mitchell – Respondent's counsel
Phone #: 850-681-1029

Summary: Counsel called to advise that he has the hard-copy of his client's response to the questionnaire-affidavit and whether he needed to have it brought over today. I told him that unless he had to be over this way that he could just drop it in the mail and that I will put it in the case file when I receive it. Also, I took the opportunity to advise counsel that I would probably be calling him sometime early next week for the final interview.

the report of investigation with him, counsel said that it was his understanding that a \$4,760 contribution reported in the 2013 Q3 report was more or less in error on Mr. Hilliard's part and that according to Mr. Hilliard, he was suppose to file an amendment to the report. Counsel said that he did not have anything to add to the report and that he would just wait and view the report once he receives it.

Hey Randy-

I'll be in town for 3 or 4 days. But it's going to be busy. It's Ella's 3rd birthday, and we are having her party on the 2nd. I'm setting the 3rd aside for service calls. I have three lined up including you. I'd like to start with you as I know you are an early riser. I am too now. Funny what 2 kids under 3 years old will do to your sleeping pattern. You're still over at the end of the 195 bridge, right?

I can carve out about 3 hours if you need that much time. What kind of work do you have in mind?

Let me know if I should bring anything.

Hi Randy-

Hope the San Francisco trip was productive. I assume that there are no further problems with the laptop you gave to Parker. Please let him know if he has any questions, he is welcome to email me and I'll help out.

⇒ I think we agreed on \$450 for the 2 nights spend getting that thing working again, right? If you have questions about any of that please let me know.

Thanks-
Adam.

Hmm. Did you go ahead and do the Safe Boot I detailed in my earlier message?
Try that first.

You're using Adobe Acrobat Pro to open these PDFs, right? Not Apple's Preview application (it can open PDFs too).

OK Randy, the Big Mac and the laptop should be all set. There are still a bunch of contacts on the big mac in the "On My Computer" database that may be duplicated in the "Exchange" database. The Exchange database is the one that is being synced between all your computers and devices.

The "On My Computer" is just that- only on the computer.

If you want that contact data synced across the exchange server just drag and drop the contacts into the Exchange account and they will sync.

ALSO, you have several emails with very large (~30MB) attachments. These will cause problems with syncing and should be deleted. Most are from Ike and Alberto G. I recommend that you delete these messages and then empty the deleted items. Attachments this large will only cause problems, particularly when everything is getting synced across so many computers and devices.

Lets call this part of the project done, OK? If you have more problems we can tackle them over the weekend or whenever works.

⇒ So far, were are at 2 hours yesterday and 1 today, so \$225 total. OK?

Please let me know if you have any problems or questions.

Thanks!

Adam.

Hi randy-

I had time to remote in last night, but I'm booked up today till Saturday.

I found how to setup the second account. It's dead simple on your macs, iPhone an iPad. Just setup another email account. Using your ministry email address and password (same pass as the wsp account)

Setting up the pc is a little different.

Can we please just settle up for the last couple weeks work? I've been waiting for that check, and if it goes out today I'll hopefully get it before next week. Ok?

Hi Randy-

I did testing from Outlook and from webmail. You were right, it was not sending or receiving. I was able to send and receive from webmail. So I quit Outlook and relaunched the program. Then it started working fine.

Its still working fine now, 15 minutes later. I think that you could have probably resolved this yourself by just quitting and opening Outlook. But either way, its working now

I went ahead and setup theministryofinformation email on outlook for you and verified that email is working inbound and outbound.

So you are all set. We should still setup your other computers and devices. We are leaving to visit the in-laws for June's 2nd birthday on saturday. Ill be back on the 10th.

So far you and I have run up 3 hours of ongoing support. Maybe we should consider setting up a monthly retainer to deal high this stuff. What do you think?

Magic,

We don't really need to meet to get started You will want to do an initial background investigation of these are the two people:

- 
1. Philip L Levine; D O B =2/18/1962; 1425 North View Drive, Miami Beach FL 33140.
 2. Jerome E Libbin; D O B =3/3/1952; 1125 North Shore Drive, Miami Beach FL 33141.

It will be more productive to meet, once the initial background is done to look at other issues

I also need, ASAP, a mug shot and the paperwork relating to the recent arrest of:
Robert Sanchez III; D O B =5/12/1982; 520 West Avenue, Apt 2003, Miami Beach FL 33139. You might
as well do a background on him as well.

If you tell me how much you need, I can either leave you a check with the front desk of my building (I've
moved) New address is 600 NE 36 Street, #PH-26, Miami FL 33137 or can Express Mail it to you.

Let me know,
Thanks,

EXHIBIT 18(1 of 3)

**STATEMENT OF RANDALL HILLIARD
ON BEHALF OF WOMEN'S LEADERSHIP CONFERENCE,
RESPONDENT IN FEC 14-308,
IN HIS CAPACITY AS CHAIRMAN AND TREASURER**

The complaint alleges the three following alleged violations of Florida Election Law:

1. **Section 106.03(1)(a), Florida Statutes:** Respondent, a Nevada corporation, organized a political committee that received contributions or made expenditures in a calendar year in an aggregate amount exceeding \$500, but failed to file a statement of organization within 10 days of doing so, as alleged in the complaint.

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

Women's Leadership Conference (WLC) is not a political committee as defined in Section 106.03(1)(a). WLC is an IRS-approved 501(c)(4). As such, its activities are governed by IRS regulations. As approved by the IRS, WLC is a think tank and research organization. As allowed under IRS code, its activities are First Amendment related and/or ballot access oriented.

As an IRS-approved 50(c)(4), the very basis of this complaint is deficient and should be dismissed.

2. **Section 106.08(5)(a), Florida Statutes:** Respondent, a Nevada corporation, made one or more contributions in the name of another, as alleged in the complaint.

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

WLC made no contributions in the name of another.

3. **Section 106.19(1)(c), Florida Statutes:** Respondent, a Nevada corporation, acted as an unregistered political committee that falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

Under the IRS code, an IRS-approved 501(c)(4) may make expenditures that are advocacy related. WLC made contributions to Citizens for Fiscal Responsibility (CFFR) for the purposes of advocacy. Citizens for Fiscal Responsibility reported all WLC contributions as required by Florida Statute 106.19(1)(c).

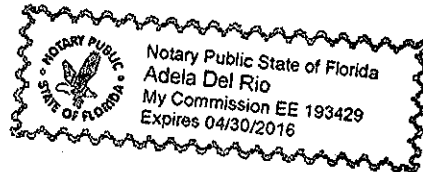

I HEREBY SWEAR OR AFFRIM THAT THE FOREGOING STATEMENT IS
TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

STATE OF FLORIDA

County of Miami-Dade

Randall Hilliard, being duly sworn, says:

1. This affidavit is made upon my personal knowledge

2. I am of legal age and competent to testify to the matters stated herein. I am currently employed by self-employed as real estate broker

3. Have you ever run for public office? If so, please name the office(s) you ran for and the date(s) of the election(s) you ran in:

No.

4. Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name the candidate(s) you served as treasurer, the office(s) the candidate ran for, and the dates of the election(s)

No.

5. Have you ever held the office of chairperson or treasurer for a political committee? If so, please list the names and addresses of the committees and dates when you held the position

Yes. BetPAC and PlanPAC in the late 90s from 420 Lincoln Road, PH, Miami Beach, FL 33139. Hank Sopher Good Government PAC around 2003-2005. I do not remember the address. I think I was chairman and treasurer of all.

6. What action have you taken to determine your responsibilities under Florida's election laws?

I try to remain as up to date as possible on Florida's Election Laws.

However, in recent years they have been amended so much that they are often "clear as mud." It used to be much less complicated.

According to records, "Women's Leadership Conference" ("WLC") is registered as a domestic corporation with the State of Nevada with an address of "112 North Curry Street, Carson City, Nevada 89703." Also, a Statement of Organization was filed with the Federal Elections Commission registering WLC, Inc., as an independent expenditures only committee with an address of "600 Northeast 36th Street, Suite #PH-26, Miami, Florida 33137."

13 Campaign reports filed on behalf of Citizens for Fiscal Responsibility ("CFR") with the Division of Elections ("Division") indicates that CFR received several contributions from WLC with an address of 112 North Curry Street, Carson City, Nevada 89703 and 1285 Sharrow Way, Carson City, Nevada 89703. However, according to bank records, the contribution checks from WLC are embossed with an address of 600 Northeast 36th Street, Suite #PH 26, Miami, Florida 33137. Please explain why the contributions were reported as coming from WLC with two addresses in Carson City, Nevada as opposed to coming from WLC, Inc., with an address of 600 Northeast 36th Street, Suite #PH 26, Miami, Florida 33137.

WLC is registered as an "independent expenditures" only committee with Federal

Elections Commission and uses my home address at 600 NE 36 St., PH-26, Miami

FL 33137. I changed registered agents in August or September of 2013. (Con't below)

14 Campaign reports filed on behalf of CFR with the Division discloses the occupation of WLC as "Think Tank," "Policy Studies," "Women's Group," and "Conference Producer." Please explain why multiple descriptions of the principal type of business were reported for WLC's occupation and further explain the true occupation of WLC.

WLC engages in all of the activities listed above, and the Division's electronic filing system doesn't "autofill" reporting fields.

15 Who was responsible for entering the contribution and expenditure data for the campaign reports filed on behalf of CFR?

Me

(Con't from #13) It is a professional registered agent company located at 112 North Curry Street, Carson City, NV 89703.

16 Who was responsible for overseeing that the campaign reports of CFR were filed with the Division?

Me.

17 According to the 2013 Q3 campaign report, CFR reported receiving a contribution in the amount of \$4,670 from WLC on September 2, 2013. However, having reviewed CFRs bank records, there is no transaction (deposit, transfer of funds) for this amount. Please explain

This was apparently an inadvertent reporting error. I experienced some problems using the Division's website for data entry. I will prepare an amendment to this report deleting the contribution.

18 According to the 2013 Q3 campaign report, CFR reported receiving a contribution in the amount of \$5,000 from WLC on September 19, 2013. According to bank records, this appears to have been the result of a banking transfer between WLCs account and CFRs account. Who was responsible for completing the transfer of funds?

Me.

19 Please provide the name and contact information for each individual responsible for soliciting donations to WLC.

The requested information is irrelevant to this matter and beyond the scope of the complaint(s) and the jurisdiction of the Elections Commission.

I HEREBY SWEAR OR AFFIRM THAT THE FOREGOING INFORMATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

Name: Complainant—J.C. Planas, Esq.
Phone #: 850-980-6542
Summary: I phoned, identified myself, and we exchanged pleasantries; Complainant suggested that I subpoena donations to Women's Leadership Conference a/k/a "WLC." Complainant intimated that it irks him when anyone tries to play a shell game, as has been done here, with contributions; they filed no reports for the federal "PAC" and he suggests the contributors gave believing they were making a contribution to the federal "PAC." I asked Complainant how he knew this; he said they interviewed several of the contributors.

Complainant said the issues at hand are related to Respondent's involvement with the following: (former city commission member) Michael Góngora's 2013 election campaign

EXHIBIT 20(1 of 11)

for City of Miami Beach Mayor (retiring Mayor Matti Herrera Bower served 3 two-year terms beginning in 2007); and redevelopment of the (Miami Beach) City Convention Center. Complainant believes when the contributors are identified they will be found to have ties to that project—city charter prevents vendors of city projects from making campaign contributions to local/city/municipal candidates. (Note Gongora's opponent, businessman Philip Levine, was elected Mayor on Tuesday, November 5, 2013, with 50 48% of the votes; Gongora came in second and received 36 44% of the votes; a total of four candidates were vying for Mayor. Also, note the redevelopment proposal was defeated unanimously by Mayor Levine and the City Commission)

Summary: I phoned after searching their website for records available for Women's Leadership Conference ("WLC") and finding WLC has never filed any reports with them. Miles said there have been no fines imposed/levied against WLC; there are no closed investigations against WLC; and no public records available regarding any actions taken by the FedEC against WLC. He noted they may or may not investigate—it would depend upon their (WLC's) level of contribution activity to federal candidates and since WLC has reported nothing it would depend upon the FedEC's receipt of a complaint(s).

I explained that I wish to follow up Mr. Hilliard's earlier response on behalf of Respondent Women's Leadership Conference with a questionnaire and requested Mr. Wolland's email address; he provided fwolland@wolland.com. He requested that I identify the target of my investigation; I explained that my investigation is confidential. Mr. Elkes asked if this was normal business; I confirmed.

[While we were on the phone, our conversation was interrupted by a dog barking loudly and growling and I heard Mr. Elkes tell someone "Come in," and then I heard what sounded like a squeaky door opening, metal window blinds hitting a door and a man's voice.] Mr. Elkes directed me to continue and I provided the dates, amounts of each check and information provided in the memo line of each check from WLC to his business entity for check numbers **5024, 5025, 5026, and 5030**. I noted the series of numbers provided on

She placed emphasis on having her name in the attention line as she did not want it to float or wander "all over the bank." I explained that this office had obtained bank records about a year ago from her and I found an (as yet unidentified) account number by reviewing those records and wish to obtain information about that account by subpoena. I confirmed I was speaking with "Nellie." She explained that she had informed the owner's about my call but they require that I put my request in writing since I could be anyone calling. I explained that I had called the following week but was informed they were out of town on location in Jacksonville for a photo shoot; she confirmed. I explained that I have "something in writing" to comply with the owner's request. She explained the owner's work out of their home at 7529 Mutiny Ave., North Bay Village, FL 33141-4332. Nellie confirmed that was near Miami Beach area. (Note that address is identified on the Miami-Dade County Property Appraiser's website for Armando Vaquer and wife Nelida; there was no listing for Alejandro Vaquer.)

Summary: I returned his call; he explained that all he did was to provide head and shoulders shots of two people in May 2012; taking photos and finishing photos. He said he has since changed computers (an earlier computer crashed) and is unable to access emails, etc., and he's concerned that three people identified on the subpoena (Armando, Alejandro, and Nelida Vaquer) will have to appear in Tallahassee for a trial. I explained that the subpoena does not require them to appear, as noted on the first page they may provide records in lieu of an appearance. He requested I confirm it in writing-email.

Summary: DOB: 12/03/1971; RE: Subpoena No.: 14-308-61. After searching the internet, I found Mr. Gegg's profile on LinkedIn where he is identified as the Director of IT at St. Louis Art Museum; I obtained and reviewed the museum's website information. I phoned the museum's number provided for general information; reviewed the phone tree options and reached the staff directory; I entered his name into the staff directory (last name followed by first name) by pressing corresponding numbers into the number pad on my telephone, and was provided his extension number, 5320. I reached his voice-mailbox; I identified myself, provided my contact number and requested he return my call regarding possible campaigns he had assisted in the past; again I provided my contact number. Name: Adam C. Gegg, vendor/witness

Summary: He returned my call; he explained that he left Miami Beach in 2012, and rents his condo in Miami Beach; he'd love to sell it but owes more than it's worth right now. He confirmed this is the best number to reach him "for now"; he confirmed his home mailing address is: 435 W Rose Hill Ave., St. Louis, MO 63122; he provided his email address as adamgegg@gmail.com. I explained that I have a subpoena for records related to eight check payments to him made by Women's Leadership Conference, signed by Randall Hilliard, and with a production date of January 22, 2016; Mr. Gegg asked what that meant. I explained that the subpoena directed him to provide the requested records by January 22, 2016. I understand that is a week away, and if an extension is requested in which to respond that will be considered. He agreed to review my request (subpoena), look through his emails and respond.

I explained that I had copies of several payments to him beginning in April 2013 through December 2013; he did not recall the numerous payments I identified. I also noted he did work for Lewis Thaler, a candidate for Mayor of Sunny Isles Beach, in Miami-Dade County, Florida, in the November 4, 2014 general election. Also, I indicated Thaler's CTR identified a payment to Gegg for website and IT work with the Missouri address. He recalled working on Thaler's website in response to several concerns. Mr. Gegg also recalled doing some computer networking in the past. Mr. Gegg said he had a former business entity in Florida; I found on the Division of Corporations' website his most recent

Florida For-Profit Corporation: Get-a-Tech, Inc., first registered on July 31, 2008, and voluntarily dissolved on March 26, 2012; Adam C. Gegg was identified as president and director. Mr. Gegg said he will be looking for my email.

Summary: He phoned, explained that he has limited correspondence in response to our subpoena and he has no invoices indicating billable hours at a specific rate; however, he noted he was paid \$75.00 per hour and indicated that some of the emails he will forward to me indicate the number of hours he had worked on a project for Hilliard. The work he did for Hilliard included the following: email migration from one service to another; exporting data; networking; remote tech support services for Hilliard's home-based business with five computers and numerous printers for "campaigns and projects he was doing at the time." He noted that Hilliard had a "complicated communication set-up."

I asked Mr. Gegg to review his emails for the time period of October 1, 2012 through January 31, 2014, as indicated in the subpoena. Mr. Gegg asked if he will receive an acknowledgment that he has complied with our subpoena; I agreed to send an email acknowledging his compliance after he complies with my requests for copies of emails, etc. I indicated that after I receive copies of his emails I will forward an affidavit to him by email confirming our telephone conversation and request he have it notarized and return the signed, dated and notarized original to me by mail. I will then ask Mr. Lipman for his approval prior to sending the email acknowledgment to Mr. Gegg. Mr. Gegg confirmed he understands my request.

Summary: I called Mr. Elkes regarding the subpoena issued for documents from A & B Mailers, Inc.

I called the office number in Miami first, and reached a voice mail. I then called Mr. Elkes on his cell phone. I identified myself and told him that I was following up on his phone conversation from the middle-late December (12/21/15, entry number 22) during which Mr. Elkes requested additional time to produce the remaining documents and records that were listed on the subpoena regarding WLC. **NOTE:** Mr. Elkes has already provided Investigator Hinson with invoices; however he has not provided Investigator Hinson with copies of the mailers and mark-ups from any flyers or mailers that A & B did for Mr. Hilliard, and all communication between him and Mr. Hilliard.

Mr. Elkes told me that he did not have any more documents to produce. I told him that I would like a notarized statement to that effect by Friday (he could scan or fax a copy and

send the original by mail) and that based upon what A & B Bulk Mailers had, he had fully complied with the subpoena.

After making the request for the notarized document, Mr. Elkes stated he would provide missing documents and requested that the Commission send him a list of what remains outstanding in addition to the place/address to where he should send them. I indicated to Mr. Elkes that he could send them via email to Ms. Hinson and he told me that he would have to go "digging" for the information and her email address. He asked me to send him a list of outstanding items and where he should send them, including a copy of the subpoena.

I told Mr. Elkes that we would email him a copy of the subpoena and note those documents he previously provided to Ms. Hinson in addition to her email address. I also told Mr. Elkes that we needed to receive the documents/sworn statement by Friday at noon. He indicated he would get the remaining production to Helen by that time.

**STATEMENT OF RANDALL HILLIARD
ON BEHALF OF WOMEN'S LEADERSHIP CONFERENCE,
RESPONDENT IN FEC 14-308,
IN HIS CAPACITY AS CHAIRMAN AND TREASURER**

RECEIVED
2015 FEB -3 A 9:40
FLORIDA
ELECTIONS COMMISSION

The complaint alleges the three following alleged violations of Florida Election Law:

1. **Section 106.03(1)(a), Florida Statutes:** Respondent, a Nevada corporation, organized a political committee that received contributions or made expenditures in a calendar year in an aggregate amount exceeding \$500, but failed to file a statement of organization within 10 days of doing so, as alleged in the complaint

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

Women's Leadership Conference (WLC) is not a political committee as defined in Section 106.03(1)(a). WLC is an IRS-approved 501(c)(4). As such, its activities are governed by IRS regulations. As approved by the IRS, WLC is a think tank and research organization. As allowed under IRS code, its activities are First Amendment related and/or ballot access oriented.

As an IRS-approved 50(c)(4), the very basis of this complaint is deficient and should be dismissed.

2. **Section 106 08(5)(a), Florida Statutes:** Respondent, a Nevada corporation, made one or more contributions in the name of another, as alleged in the complaint.

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

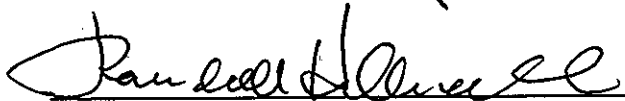

WLC made no contributions in the name of another.

3. **Section 106 19(1)(c), Florida Statutes:** Respondent, a Nevada corporation, acted as an unregistered political committee that falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

Randall Hilliard in his capacity as chairman and treasurer of Women's Leadership Conference makes the following statement:

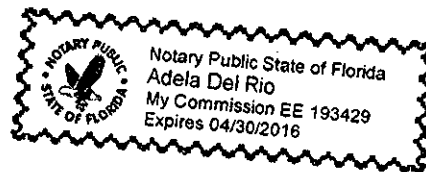

Under the IRS code, an IRS-approved 501(c)(4) may make expenditures that are advocacy related. WLC made contributions to Citizens for Fiscal Responsibility (CFFR) for the purposes of advocacy. Citizens for Fiscal Responsibility reported all WLC contributions as required by Florida Statute 106.19(1)(c).

I HEREBY SWEAR OR AFFRIM THAT THE FOREGOING STATEMENT IS
TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

RE: Case No.: FEC 14-308; Respondent: Women's Leadership Conference

Dear Mr. Hilliard:

On September 19, 2014, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

Section 106.03(1)(a), Florida Statutes: Respondent, a Nevada corporation, organized a political committee that received contributions or made expenditures in a calendar year in an aggregate amount exceeding \$500, but failed to file a statement of organization within 10 days of doing so, as alleged in the complaint.

Section 106.08(5)(a), Florida Statutes: Respondent, a Nevada corporation, made one or more contributions in the name of another, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a Nevada corporation, acted as an unregistered political committee that falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

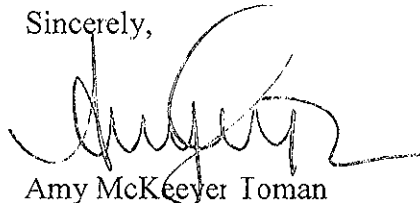

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Helen Hinson**, the investigator assigned to this case.

COMPLAINT AGAINST WOMEN'S LEADERSHIP CONFERENCE

The purpose behind Florida's Campaign Finance and Disclosure laws are to provide voters information as to where campaign money comes from. See *Worley v. Florida Secretary of State*, 717 F.3d 1238 (11th Cir., 2013) When individuals attempt to circumvent the campaign finance disclosure laws, it prevents voters from determining who is financing these campaigns. Any entity that is formed specifically to hide contributors to a campaign or committee by deceit is committing a criminal violation because it is failing to disclose its donors. See *Falzone v. State*, 500 So.2d 1337 (Fla., 1987).

Women's Leadership Conference ("WLC") is guilty of violating Florida's campaign financing laws in several ways. The central figure of this group is an individual named Randall Hilliard. Hilliard used WLC as a "clearing house" for anonymous contributions used to influence the 2013 Miami Beach Mayor's race. In order to properly trace the money, we must start from how the money was used.

Randall Hilliard is also the sole person responsible for a Florida Electioneering Communications Organization ("ECO") known as Citizens for Fiscal Responsibility. (See Exhibit "A", Organizational Paperwork). The only Electioneering that this ECO conducted in all of 2013 is for the election for Mayor in the City of Miami Beach. (See Exhibit "B", ECO expenditure report with expenses of local mail-house) The ECO has sent out mail pieces (See Exhibit "C", Electioneering Mail Pieces) and even placed television electioneering ads (See copy of ad at: <http://www.youtube.com/watch?v=72xeH1yHH0U>) All of these communications were directed at influencing voters in the 2013 Miami Beach Mayoral Election and all are intended to favor candidate Michael Gongora in the race against Philip Levine. Instead of properly disclosing the contributors to the ECO, Hilliard arranged to keep them anonymous by having them flow through WLC.

Hilliard, first attempted to circumvent the Florida Campaign Finance Laws by registering WLC as a Federal political committee rather than as a Florida political committee. (See Exhibit "D" Organization papers of the Federal PAC listing Michael Gongora as the beneficiary of their work) Because the purpose of registering as a Federal PC was to avoid the disclosure of donors to the ECO before the election, he has committed a criminal violation by failing to disclose donors. Hilliard has even violated Federal campaign finance laws by failing to disclose the donors to his Federal PAC. (See Exhibit "E", Fail to file letter). Hilliard then opened a Nevada corporation (See Exhibit "F"), under the same name of his Federal PAC, more than likely to avoid any FEC subpoenas of the PAC. This Nevada corporation lists as its address, the location of a company in Nevada that serves as registered agents for dummy Nevada corporations like this one. Other than their corporate name and identity, there is no record of their actual existence anywhere in Nevada. Although the contributions to the ECO that were reported (See Exhibit "G") stated that they came from the Nevada entity, three

different occupations are listed for each contribution, adding to the evidence that it is not a real corporation and therefore a fake company used to hide donors.

Based on the investigation conducted by the Florida Elections Commission on Randall Hilliard, it is known that the bank that was used for "Women's Leadership Conference", was the City National Bank branch listed by the Federal PAC in their organization documents and not any account in Nevada or opened as a business account for a Nevada Corporation. This would violate the law because money from a Federal Pac was illegally reported in the ECO campaign finance report as having come from a Nevada corporate entity rather than from a Federal PAC.

WLC has broken the law by being a fake entity that was solely created for the purpose of hiding political donors. It is neither a Federal PAC acting within the laws of the Federal Election Commission, nor is there any evidence of any charitable work performed in Nevada. With bank accounts solely in Miami Beach, the sole purpose of WLC is to hide the identity of those wishing to contribute to Citizens for Fiscal Responsibility. Additionally, there is ample evidence that it has lied to those giving money to it by falsely claiming the contributors are donating to a Federal Pac when in reality, the contributions are reported as if they came from the Nevada Corporation.

Florida Statute §106.03 requires any group that receives contributions or makes expenditures during a calendar year in an aggregate amount exceeding \$500 or that seeks the signatures of registered electors in support of an initiative shall file a statement of organization as provided in subsection (3) within 10 days after its organization as a Political Committee (PC). WLC did all these things and never registered as a Florida PC. The instead funneled their money through an ECO and lied about what entity the contributions were coming from. They should be penalized for violating the law.

Meet Developer: Philip "Million Dollar" Levine

Developer Philip Levine likes to tell us how well he's done in business. However, a closer examination of the litigious Levine's business practices reveals a lot of questionable details he doesn't want you to know about and will go to great lengths to prevent you from finding out.

The Sunset Harbour Garage was a great deal for Levine's company and a terrible deal for the City:

The City assumed all of the risk while Levine and his partners used your hard-earned tax dollars in an interest-free loan. Each space cost ended up costing an obscene \$47,191.14 while Levine and his partners have reaped millions in profits.

Here's how the deal worked: Levine and his partners acquired land in Sunset Harbour to develop a 458-space parking garage with

Source: City of Miami Beach City Clerk Public Records and South Florida Business Journal, 11/29/12.

retail space as a public-private venture with the City of Miami Beach.

The City provided Levine and his partners with \$23,527,861.12 in Parking Bond financing — an astonishing interest-free loan at a time of tight money guaranteed by your public tax dollars.

In exchange, Levine and partners sold the land and air rights they had assembled the City at a price Commissioner Jerry Libbin complained was more than double the appraised value.

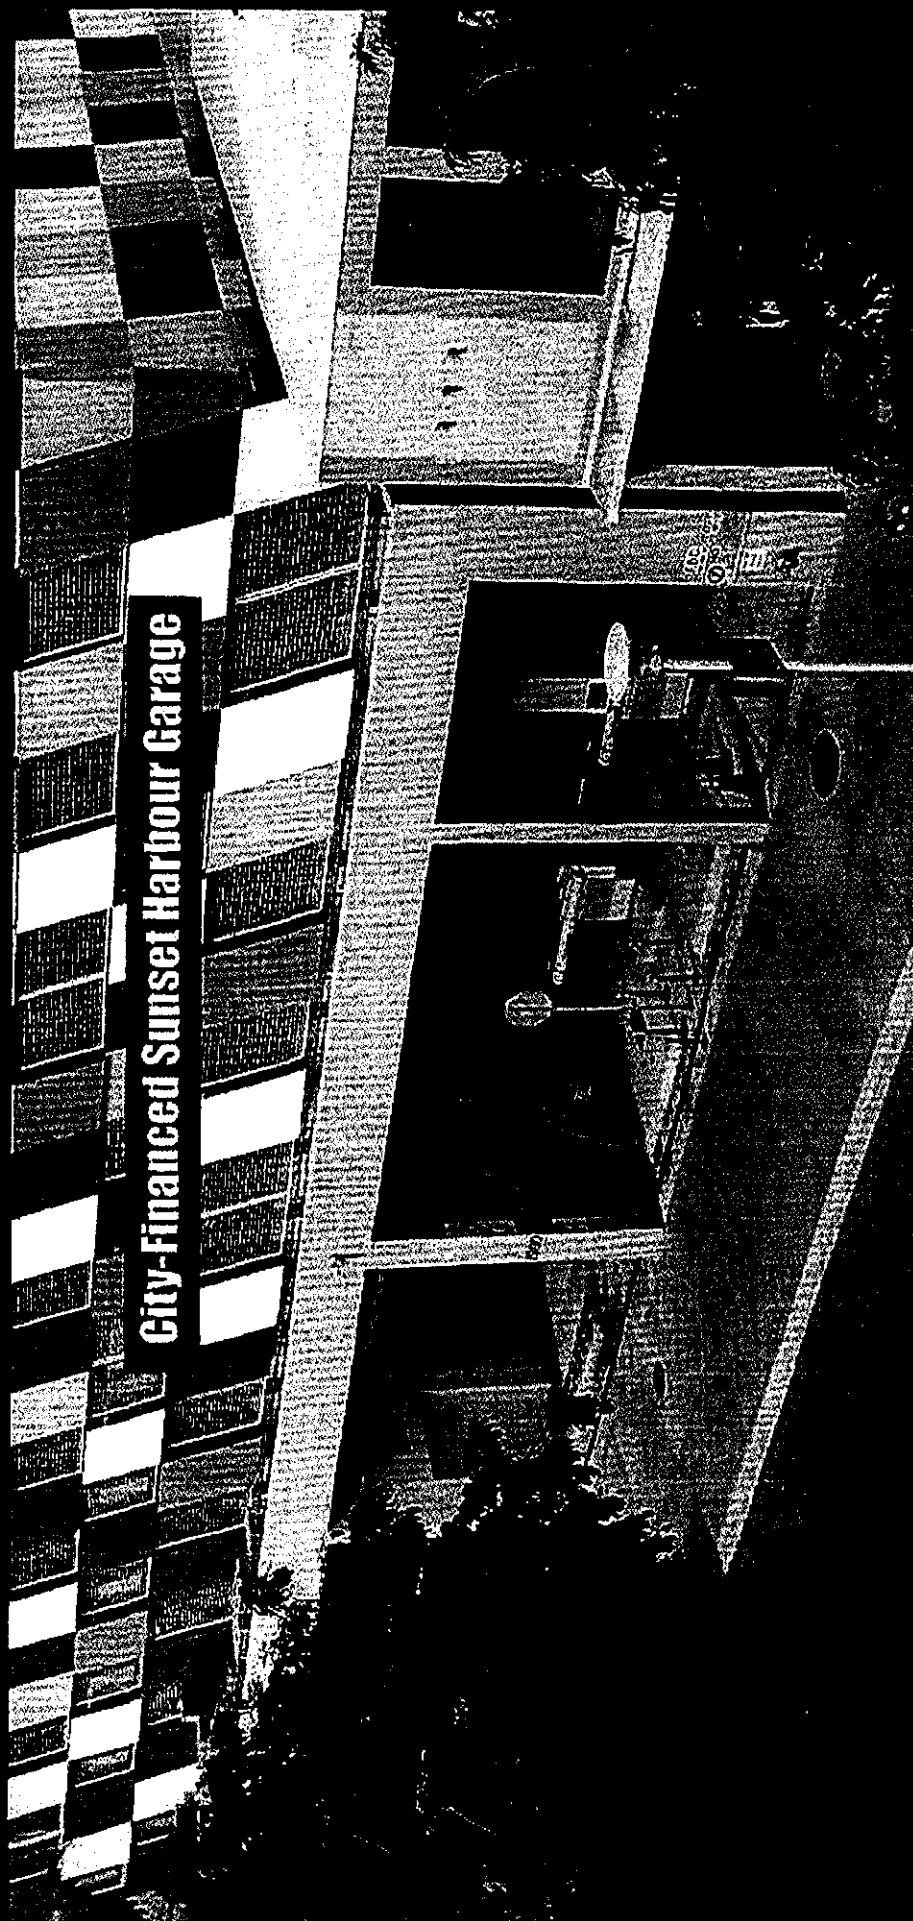

"We are paying more than double the appraised value of the air rights."

Then, immediately upon the closing between Levine and the City, Levine's group refinanced their ownership portion of the garage's retail and parking space, pulling \$8,000,000 out in equity. Levine's group continues to own the retail space. That space will generate millions in future additional profits.

Levine has spent more than \$1,000,000 capture a job that pays \$13,000 a year. Why?

¿Que tienen en común Fidel Castro, Philip Levine y Raúl Castro?

Philip Levine hace negocios con compañías que hacen negocio con Cuba.

Fuente: South Florida Business Journal, 29 Noviembre 2012

Digámosle a Levine que no queremos que nuestros líderes hagan negocio con Fidel y Raúl Castro.

Cuando Philip Levine y sus socios necesitaron financiamiento para Sunset Harbour Shops, acudieron a Aztec Group, Inc. para obtener un préstamo de \$18 millones. Aztec is una firma de inversiones en bienes raíces asociada con una compañía de Coral Gables llamada The Americas Group.

The Americas Group se especializa en oportunidades de inversión en bienes

raíces y hospedería en varios países de America Central, notablemente entre estos" Cuba. Esto es lo que dice The Americas Group en su sitio del internet: "Los principales socios de The Americas Group Cuba Business Enterprise tienen relaciones muy extensas y profundas con muchas de las entidades extranjeras que están actualmente haciendo negocios con Cuba a través de sus 35 años de presencia en esos negocios...."

Evidentemente Levine no entiende y no le interesa. De otra forma no estaría haciendo negocios con compañías que hacen negocios en Cuba. El no sabe que Cuba ha exportado su revolución a Venezuela y Nicaragua y apoya las guerrillas de Colombia, Honduras, El Salvador, Perú y otros países de nacimiento de muchos residentes de Miami Beach.

As soon as, his partners and the city completed their deal, they decided to leave the vehicles in Flamingo Park.

In less than a year, Levine's development company has pulled \$8,000,000 from a deal financed with the taxpayer's hard-earned tax dollars while leaving the city-owned vehicles in Flamingo Park.⁴

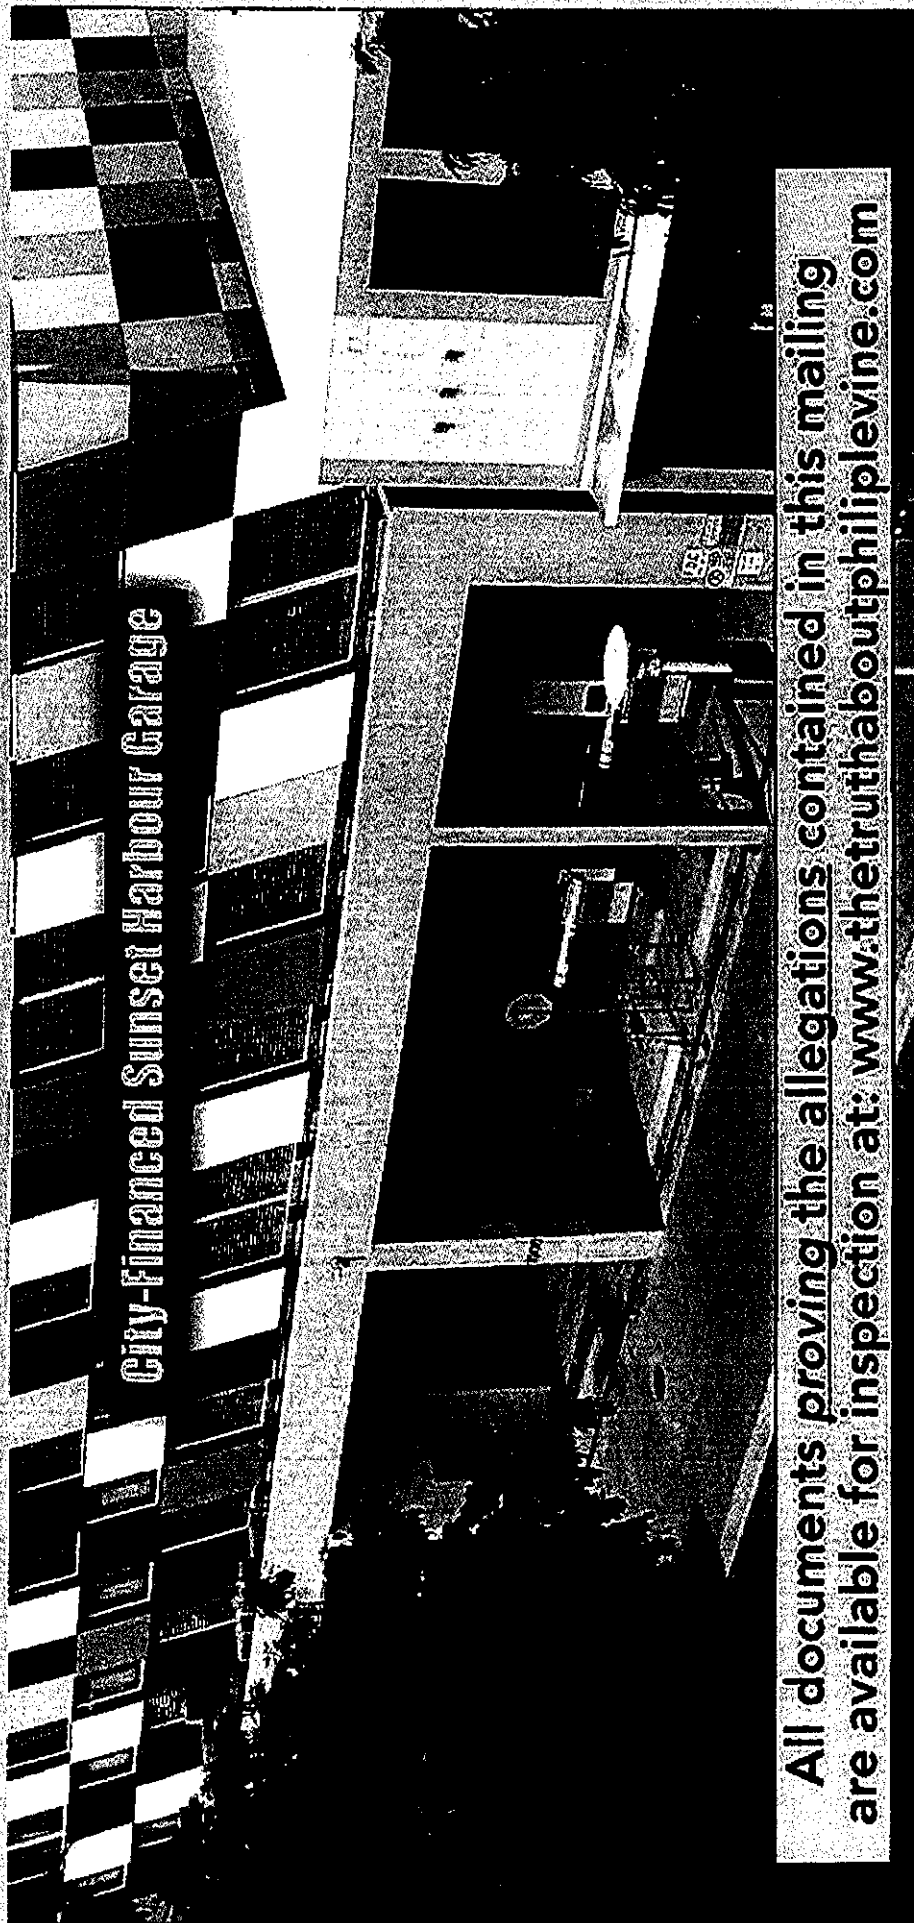

As a result, Levine and his partners received an additional \$6,000,000 taxpayer-financed subsidy for their garage.⁵

What other "GREAT DEALS" does Levine have in mind for our taxpayers?

To Whom It May Concern:

There is no previously registered FEC ID for Women's Leadership Conference, Inc.

Dear Treasurer:

It has come to the attention of the Federal Election Commission that you may have failed to file the above referenced report of receipts and disbursements or failed to file a report covering the entire reporting period as required by the Federal Election Campaign Act, as amended.

It is important that you file this report immediately with the Federal Election Commission, 999 E Street, N.W., Washington, DC 20463.
