Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 19-147

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the sworn complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.141(1), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on April 20, 2023, the following facts and law support this staff recommendation:

1. On March 18, 2019, the Florida Elections Commission (“Commission”) received a sworn complaint from Deborah Clark (“Complainant”), alleging that Amy Kedron (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2018 candidate for Pinellas County Board of County Commissioners, District 6. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on May 1, 2018. (ROI Exhibit 2)¹

3. By letter dated May 22, 2019, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, filed a 2018 Termination Report that may have failed to accurately reflect the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, as alleged in the complaint.

¹ The Report of Investigation is referred to herein as “ROI.”

4. On May 1, 2018, Respondent acknowledged that she had been provided access to read the requirements of Chapter 106, Florida Statutes. (ROI Exhibit 2) Additionally, Respondent's filing officer attested that she provided Respondent with a candidate packet with links to access Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. (ROI Exhibit 5, pages 1 & 2)

5. On May 1, 2018, Respondent filed three Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates forms ("DS-DE 9") appointing William M. Walker as treasurer for her campaign and William Wells and herself as deputy treasurers for her campaign. (ROI Exhibit 1, pages 1-3) On August 13, 2018, Respondent filed a subsequent DS-DE 9 appointing Meagan Salisbury as treasurer for her campaign. (ROI Exhibit 1, page 4) On September 5, 2018, Respondent filed a subsequent DS-DE 9 appointing Charles William Tucker as treasurer for her campaign. (ROI Exhibit 1, page 5) On September 27, 2018, Respondent filed a subsequent DS-DE 9 appointing herself as treasurer for her campaign. (ROI Exhibit 1, page 6)

Alleged Violation: Section 106.141(1), Florida Statutes

6. Complainant alleged that Respondent violated Florida's election laws by failing to dispose of the funds on deposit in her campaign account. *See* Compl., p. 3

7. Respondent was eliminated as a candidate during the 2018 General Election. (ROI, p. 1, ¶1) Respondent was required to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate.

8. On June 21, 2018, Respondent's filing officer notified Respondent that she was required to dispose of the funds on deposit in her campaign account within 90 days after withdrawing, becoming unopposed, being eliminated as a candidate, or elected to office. (ROI Exhibit 4, page 1) The filing officer sent five additional notifications reminding Respondent that she was required to dispose of her campaign funds by February 4, 2019. (ROI Exhibit 4, pages 2-6)

9. A subpoena was issued to Respondent's designated campaign depository. The campaign's bank records show that Respondent had a surplus balance of \$3,769.81 as of the last day of the 2018 TRG (termination) reporting period, i.e., February 4, 2019. (ROI Exhibit 8, page 125)

10. Respondent was given multiple opportunities to respond to Commission staff's investigation but failed to do so. (ROI, p. 2, ¶10; ROI Exhibit 9) However, documentation obtained from her filing officer shows that Respondent asserted that one of her treasurers embezzled funds during her campaign. (ROI Exhibit 23, page 1)

11. Respondent failed to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate.

Alleged Violation: Section 106.07(5), Florida Statutes

12. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's reports were true, correct, and complete when they were not. 13. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures.

14. On June 29, 2018, Respondent certified the campaign's 2018 P1 Report was true, correct, and complete. (ROI Exhibit 11, page 1) The campaign's report was incomplete as Respondent failed to disclose three or more contributions. (ROI Exhibit 8, pages 1-21; ROI Exhibit 11, pages 1-5; *See* ROI, p. 3)

15. On July 9, 2018, Respondent certified the campaign's 2018 P2 Report was true, correct, and complete. (ROI Exhibit 12, page 1) The campaign's report was incomplete as Respondent failed to disclose one or more contributions, two expenditures, and the name of a contributor, and misreported the amount of a contribution. 44. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 P1, 2018 P2, 2018 P7, 2018 G1, 2018 G2, 2018 G3, 2018 G5, 2018 G6, 2018 G7, and 2018 TRG reports.

45. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

46. The facts set forth above show that Respondent was a 2018 candidate for Pinellas County Board of County Commissioners, District 6. Respondent failed to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate. Respondent certified that the campaign's 2018 P1, 2018 P2, 2018 P3, 2018 P4, 2018 P7, 2018 G1, 2018 G2, 2018 G3, 2018 G5, 2018 G6, 2018 G7, and 2018 TRG reports were true, correct, and complete

when they were not. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 P1, 2018 P2, 2018 P7, 2018 G1, 2018 G2, 2018 G3, 2018 G5, 2018 G6, 2018 G7, and 2018 TRG reports.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 19-147

Respondent: Amy Kedron
Counsel for Respondent: None

Complainant: Deborah Clark, Pinellas County Supervisor of Elections
Counsel for Complainant: None

On March 18, 2019, the Florida Elections Commission (Commission) received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, may have certified that one or more campaign treasurer reports were true, correct, and complete when they were not;

Section 106.141(1), Florida Statutes, filed a 2018 Termination Report that may have failed to accurately reflect the disposition of all remaining campaign funds; and

Section 106.19(1)(c), Florida Statutes, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. Respondent was a 2018 candidate for Pinellas County Board of County Commissioners, District 6; she was defeated in the general election held on November 6, 2018. Respondent was a first-time candidate.

2. Respondent's filing officer was Deborah Clark, Pinellas County Supervisor of Elections (SOE).

3. On May 1, 2018, Respondent filed three Appointment of Campaign Treasurer and Designation of Campaign Depository forms (DS-DE 9) with the SOE. William Walker was appointed as campaign treasurer. Respondent and William Wells were appointed as deputy treasurers. On August 13, 2018, Respondent filed a fourth DS-DE 9 appointing Meagan Salisbury as the new campaign treasurer. On September 5, 2018, Respondent filed a fifth DS-DE 9 appointing Charles William Towner as the new campaign treasurer. Finally, on September 27, 2018, Respondent filed a sixth DS-DE 9 appointing herself as the new campaign treasurer. To review the DS-DE 9s, refer to Exhibit 1.

4. Respondent filed a Statement of Candidate with the SOE on May 1, 2018, in which

Respondent certified she had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

5. On May 1, 2018, Respondent signed and filed an acknowledgement with the SOE. The acknowledgement notified Respondent that candidates are required to file campaign treasurer reports electronically by means of the SOE's website using the C-Finance module. By signing the form, Respondent acknowledged, "Any reports that I file through the electronic filing system are considered to be certified to correctness within the meaning of Sections 106.07(5), Florida Statutes. Persons filing reports are subject to penalties as prescribed in Chapter 106, Florida Statutes." To review the acknowledgment, refer to Exhibit 3.

6. By letter dated June 21, 2018, the SOE notified Respondent that a candidate who withdraws, becomes unopposed, is defeated, or elected must dispose of funds in the campaign account and file a Termination Report (TR) with the SOE reflecting the disposition of funds within 90 days, pursuant to Section 106.141, Florida Statutes. Four email reminders about the TR were sent to candidates; each email cited the requirements of Section 106.141, Florida Statutes. On February 4, 2019, the SOE emailed Respondent a reminder that the TR was due. The SOE referred to the TR as the "2018-TRG" and "TRG-18." To review the letter and emails, refer to Exhibit 4.

7. In an affidavit, Wendy Grimes, SOE Elections Administrator, attested that Respondent received copies of Chapters 104 and 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook* on May 1, 2018. Ms. Grimes also stated that the SOE offered a candidate workshop on June 27, 2018, which Respondent did not attend. The agenda for the workshop shows that topics included incomplete campaign treasurer reports, disposing of campaign funds, and the termination report. To review the affidavit, refer to Exhibit 5. To review the workshop agenda, refer to Exhibit 6.

II. Alleged Violation of Section 106.141(1), Florida Statutes:

8. I investigated whether Respondent violated this section of the election laws by not disposing of all remaining campaign funds within 90 days of being eliminated.

9. Respondent's 2018 TRG was due on February 4, 2019, on which date Respondent filed the original report. The 2018 TRG showed an apparent surplus balance of \$9,318.08. However, campaign account records reflect that on day the report was due, the balance was \$3,769.81.¹ To review the original 2018 TRG, refer to Exhibit 7, pages 1-4. To review the relevant bank statement, refer to Exhibit 8, page 125.

10. Respondent did not respond to the complaint. Commission staff attempted to contact Respondent on four occasions for the purpose of providing an opportunity to discuss the allegations made in the complaint. Commission staff also mailed Respondent an affidavit posing questions about the complaint, but the affidavit was not returned. As of the date of this report, Respondent has not responded to staff's attempts to contact her. To review the phone log and

¹ I subpoenaed bank records from the designated campaign depository. The May 2019 bank statement showed a closing balance of \$785.99, which is the extent of the records obtained by the investigation. To review the relevant bank statement, refer to Exhibit 8, page 130.

affidavit correspondence, refer to Exhibit 9.

III. Alleged Violation of Sections 106.07(5), 106.141(1), and 106.19(1)(c) Florida Statutes:

11. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer reports were true, correct, and complete when they were not, falsely reporting or deliberately failing to include information in one or more campaign treasurer reports, and not accurately reflecting the disposition of all remaining campaign funds on the 2018 TRG.

12. As previously stated, Respondent's 2018 TRG was filed on February 4, 2019, and it showed an apparent surplus balance of \$9,318.08. Complainant stated that Respondent was notified by her office that an amended 2018 TRG was required because the total contributions and total expenditures were not equal. Complainant further stated that after being notified, Respondent filed eight amended reports on February 12, 2019, and sixteen amended reports on March 1, 2019. Based on the dates the amended reports were filed, it appears that Respondent filed them in an attempt to resolve the apparent surplus issue on the 2018 TRG. Therefore, the reports that were amended on February 12, 2019, and March 1, 2019, will be reviewed in the paragraphs that follow for their accuracy and completeness; expenditures and/or contributions that were omitted from the original reports will be presented.² The reports that were amended on those dates included: 2018 P1, 2018 P2, 2018 P3, 2018 P4, 2018 P7, 2018 G1, 2018 G2, 2018 G3, 2018 G4, 2018 G5, 2018 G6, 2018 G7, and 2018 TRG. To review Complainant's statement, refer to Exhibit 10, pages 1-3. To review Complainant's emails about the apparent surplus, refer to Exhibit 10, pages 4-11. To review Complainant's schedule of reporting dates, refer to Exhibit 10, page 12.

Review of Reports

2018 P1 Report

13. The original 2018 P1 report was due and filed with the SOE on June 29, 2018. It covered from June 1, 2018, through June 22, 2018. By filing the report, Respondent certified that it was true, correct, and complete. The report omitted a \$30.00 contribution from Joel Metz on June 5, 2018, a \$25.00 contribution from Joseph Saportas on June 13, 2018, and a \$40.00 cash deposit on June 13, 2018. Respondent filed three amended 2018 P1 reports. The amended reports did not add any of the omitted contributions.³ To review the applicable bank records, refer to Exhibit 8, pages 1-21. To review Complainant's statement, refer to Exhibit 10, pages 1-3. To review the original and amended 2018 P1 reports, refer to Exhibit 11.

² The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions.

³ Complainant specifically noted in the complaint that in her amended 2018 P1 reports, Respondent deleted an expenditure to Complainant in the amount of \$5,691.42 for Respondent's filing fee that had been disclosed on her original 2018 P1 report. That expenditure was by check found in the bank records. On her amended 2018 P1 reports, Respondent added and deleted the expenditure three times.

2018 P2 Report

14. The original 2018 P2 report was due on July 13, 2018, and it was filed with the SOE on July 9, 2018. It covered from June 23, 2018, through July 6, 2018. By filing the report, Respondent certified that it was true, correct, and complete. A \$20.18 contribution from Ginny Nelson on June 29, 2018, was reported as being in the amount of \$50.00. Cash deposits were made in the amounts of \$265.00 on June 29, 2018, and \$20.00 on July 5, 2018. However, the report only disclosed three cash contributions totaling \$80.00 on June 27, 2018, including \$20.00 each from Robert Percy, Brenda Bond, and “Anonymous Contribution.” Further, the following two expenditures were omitted: \$257.21 to Slyce Maderia on June 28, 2018, and \$950.00 to the Florida Democratic Party on July 6, 2018. Respondent filed two amended 2018 P2 reports, but they did not revise the amount of the contribution from Ms. Nelson, and they did not add or revise any cash contributions. The two omitted expenditures were added to the second amended report. To review the applicable bank records, refer to Exhibit 8, pages 1-2 and 22-54. To review the original and amended 2018 P2 reports, refer to Exhibit 12.

2018 P3 Report

15. The original 2018 P3 report was due and filed with the filing officer on July 27, 2018. It covered from July 7, 2018, through July 20, 2018. By filing the report, Respondent certified that it was true, correct, and complete. A \$7.00 expenditure to USPS on July 9, 2018, was omitted from the original report, though it was added to the first of three amended 2018 P3 reports that were filed. An expenditure in the amount of \$5.00 to Mdc Internal Sv on July 17, 2018, was reported as an expenditure to William Wells, who was deputy treasurer of Respondent’s campaign; the amended reports did not correct that expenditure recipient’s name. To review the applicable bank records, refer to Exhibit 8, pages 45-46. To review the original and amended 2018 P3 reports, refer to Exhibit 13.

2018 P4 Report

16. The original 2018 P4 report was due on August 3, 2018, and it was filed with the SOE on August 2, 2018. It covered from July 21, 2018, through July 27, 2018. By filing the report, Respondent certified that it was true, correct, and complete. A contribution from Patricia Drecchio in the amount of \$10.00 deposited on July 25, 2018, was omitted from the report.⁴ An expenditure to Party City on July 26, 2018, in the amount of \$39.77 was reported in the amount of \$39.37. Respondent filed three amended 2018 P4 reports. The omitted contribution was not added, though the amount of the Party City expenditure was corrected to \$39.77 on the second amended report. To review the applicable bank records, refer to Exhibit 8, pages 45-48 and 55-60. To review the original and amended 2018 P4 reports, refer to Exhibit 14.

2018 P7 Report

17. The original P7 report was due and filed with the SOE on August 24, 2018. It covered from August 11, 2018, through August 23, 2018. By filing the report, Respondent certified that it was true, correct, and complete. An expenditure in the amount of \$300.00 to Brooke

⁴ Other contributions deposited on July 25, 2018, were previously reported on the 2018 P3 report.

Reynolds on August 20, 2018, was reported as an expenditure to Brooke Bennett.⁵ Further, the following three expenditures were omitted from the original report: \$500.00 ATM withdrawal on August 13, 2018, \$0.20 to PayPal on August 14, 2018, and \$85.60 to Florida Print on August 15, 2018. Respondent filed an amended 2018 P7 report in which she added two of the expenditures,⁶ but she did not add the omitted \$0.20 expenditure to PayPal. To review the applicable bank records, refer to Exhibit 8, pages 61-66 and 68-70. To review the original and amended 2018 P7 reports, refer to Exhibit 15.

2018 G1 Report

18. The original 2018 G1 report was due and filed with the SOE on September 7, 2018. It covered from August 24, 2018, through August 31, 2018. By filing the report, Respondent certified that it was true, correct, and complete. Respondent reported receipt of a \$500.00 contribution from Peter Hagggar on August 24, 2018, but the \$500.00 check at issue was drawn on an account in the name of Blind and Shutter Gallery, a Florida profit corporation of which Mr. Hagggar is the sole listed officer.⁷ Also, \$30.00 cash was deposited on August 31, 2018, but the report did not include a corresponding \$30.00 cash contribution. The campaign account records also show that a \$300.00 cashier's check was purchased on August 31, 2018, but that expenditure was omitted from the report. Respondent filed two amended 2018 G1 reports, but they did not correct or add any of these transactions. To review the applicable bank records, refer to Exhibit 8, pages 61-62, 67, and 71-79. To review the original and amended 2018 G1 reports, refer to Exhibit 16.

2018 G2 Report

19. The original G2 report was due and filed with the SOE on September 21, 2018. It covered from September 1, 2018, through September 14, 2018. By filing the report, Respondent certified that it was true, correct, and complete. The following three expenditures were omitted from the original report: \$8.24 to GoDaddy.com on September 10, 2018, \$1,750.00 to Second Line on September 10, 2018, and \$0.17 to Paypal on September 13, 2018. Respondent added the expenditures to Second Line and GoDaddy in the second of two amended 2018 G2 reports that she filed. To review the applicable bank records, refer to Exhibit 8, pages 80-93.⁸ To review the original and amended 2018 G2 reports, refer to Exhibit 17.

2018 G3 Report

20. The original G3 report was due and filed with the SOE on October 5, 2018. It

⁵ These two names might be referring to the same individual. Respondent reported two \$300.00 expenditures to Brooke Bennett on the 2018 P7 report. The campaign account included two checks in the amount of \$300.00 during that timeframe. One check was made out to Brooke Bennett, and the other one was made out to Brooke Reynolds.

⁶ The ATM withdrawal appears to have been reported as a \$500.00 expenditure to William Pena Wells.

⁷ The address on the check and the address of reported contributor Hagggar are the same.

⁸ On September 7, 2018, Respondent closed her campaign account with a debit of \$4,622.38, which was the remaining balance. On the same date, Respondent opened a new campaign account at the same bank and deposited the \$4,622.38 in campaign funds that had been withdrawn from the former account.

covered from September 15, 2018, through September 28, 2018. By filing the report, Respondent certified that it was true, correct, and complete. The following five expenditures were omitted from the original report: \$64.99 to Gramista.com on September 21, 2018, a fee of \$1.95 charged by Gramista.com on September 21, 2018, \$123.86 to GoDaddy.com on September 24, 2018, \$23.56 to Marathon Petro1 on September 25, 2018, and \$27.54 to Earth Origins on September 25, 2018. Respondent filed three amended 2018 G3 reports, and she added all five of the omitted expenditures to the first amended report. To review the applicable bank records, refer to Exhibit 8, pages 80-81 and 94-98. To review the original and amended 2018 G3 reports, refer to Exhibit 18.

2018 G4 Report

21. The original 2018 G4 report was due and filed with the SOE on October 12, 2018. It covered from September 29, 2018, through October 5, 2018. By filing the report, Respondent certified that it was true, correct, and complete. All activity transpiring through the campaign account during this reporting period was disclosed in the original report. To review the applicable bank records, refer to Exhibit 8, pages 99-102. To review the original and amended 2018 G4 reports, refer to Exhibit 19.

2018 G5 Report

22. The original 2018 G5 report was due and filed with the SOE on October 19, 2018. It covered from October 6, 2018, through October 12, 2018. By filing the report, Respondent certified that it was true, correct, and complete. An expenditure in the amount of \$115.07 to Paypal on October 9, 2018, was omitted. Respondent filed two amended 2018 G5 reports, but she did not add this expenditure to the report.⁹ To review the applicable bank records, refer to Exhibit 8, pages 99-100 and 104-105. To review the original and amended 2018 G5 reports, refer to Exhibit 20.

2018 G6 Report

23. The original 2018 G6 report was due and filed with the SOE on October 26, 2018. It covered from October 13, 2018, through October 19, 2018. By filing the report, Respondent certified that it was true, correct, and complete. The following contributions deposited on October 19, 2018, were omitted from the report: \$200.00 from David J. Butcher, \$100.00 from Greater Pinellas Dem Club PC, Inc., and \$20.00 in cash. Further, an expenditure in the amount of \$225.00 to "PayPal Echeck" on October 15, 2018, was omitted from the original report; it appears to have been added to the amended 2018 G6 report as an expenditure to Nicole Morris on October 18, 2018. To review the applicable bank records, refer to Exhibit 8, pages 99-100 and 106-110. To review the original and amended 2018 G6 reports, refer to Exhibit 21.

2018 G7 Report

24. The original G7 report was due and filed with the SOE on November 2, 2018. It

⁹ Respondent added an expenditure to Paypal in the second amended 2018 G5 report, but it was in the amount of \$3.51 and reportedly occurred on October 12, 2018. The only deposit during this reporting period was a \$50.00 check from David Lyons dated October 3, 2018, which had been previously reported on the 2018 G4 report.

covered from October 20, 2018, through November 1, 2018. By filing the report, Respondent certified that it was true, correct, and complete. The following seven expenditures were omitted from the original report: \$20.00 to Facebook on October 29, 2018, \$20.67 to Speedway on October 29, 2018, \$7.00 to Earth Fare on October 29, 2018, \$35.00 to USPS on October 29, 2018, \$30.15 to Craft Kafe on October 30, 2018, \$9.56 to Craft Kafe on October 30, 2018, and \$1,200.00 to Nicole Morris on October 30, 2018. Respondent filed two amended 2018 G7 reports. She added six of the seven expenditures to the second amended report, but she did not add the \$1,200.00 expenditure to Nicole Morris occurring on October 30, 2018. To review the applicable bank records, refer to Exhibit 8, pages 99-100, 103, and 111-112. To review the original and amended 2018 G7 reports, refer to Exhibit 22.

2018 TRG

25. The original 2018 TRG was due and filed with the SOE on February 4, 2019. It covered from November 2, 2018, through February 4, 2019. By filing the report, Respondent certified that it was true, correct, and complete. There was one deposit of \$500.00 during the 2018 TRG reporting period. It was made on November 2, 2018, and it was comprised of four contribution checks dated between October 13, 2018, and October 28, 2018. All four of the contributions were disclosed in the original 2018 G7 report. The following five expenditures were omitted from the original 2018 TRG: \$10.99 to GoDaddy.com on December 10, 2018, \$20.00 to Mailchimp on December 10, 2018, \$135.11 to Firestone on December 12, 2018, \$10.99 to GoDaddy.com on January 8, 2019, and \$20.00 to Mailchimp on January 10, 2019. Respondent filed an amended 2018 TRG in which she added all five omitted expenditures. To review the original report and amended 2018 TRG, refer to Exhibit 7. To review the applicable bank records, refer to Exhibit 8, pages 111-126.

26. As previously stated, Respondent did not provide a response to this complaint. However, after she received the notification from the filing officer regarding possible reporting errors, Respondent emailed the SOE spreadsheets of contributions and expenditures for her campaign. The spreadsheets, which were attached to an email to the SOE dated March 1, 2019, were included with the complaint; however, they are extremely difficult to read, and the information on the spreadsheets could not be authenticated. Therefore, the information on the spreadsheets was not considered in the review of the campaign reports. Rather, the investigation relied upon the campaign account records themselves. To review the spreadsheets, refer to Exhibit 23.

27. Regardless, in her email to the SOE attaching the spreadsheets, Respondent asserted that one of her campaign treasurers, “embezzled funds from my account during my campaign.” She stated that an accountant had reviewed her campaign account and that, “Numerous adjustments had to be made to my Campaign Finance Reports filed with the Pinellas Supervisor of Elections as a result of this treasurer’s negligence...” Respondent also claimed that a technical problem with the SOE’s electronic filing system created further errors in apparent campaign totals when amended reports were filed; “Therefore, it is impossible for me to balance my campaign through the Pinellas County SOE’s Website...In spite of these circumstances I have been able to successfully balance my contributions and expenses and bring my account to zero in compliance with elections law.” To review Respondent’s email to the SOE, refer to Exhibit 23, page 1.

28. Complainant asserted that on March 1, 2019, Respondent contacted their office and indicated, "...that the accounting of her contributions and expenditures did not equal because of an electronic filing system error. Ms. Kedron stated that 'the system adds the deleted amount to the total.'" Complainant stated that Respondent did not report a system error or malfunction with the electronic filing system at any other time. Complainant further asserted that no other candidate reported a system error or malfunction during the 2018 election cycle. Moreover, Complainant asserted that the SOE was not notified of a system error or malfunction by their C-Finance vendor at any time during the 2018 election cycle. To review Complainant's statement, refer to Exhibit 10, pages 1-3. To review Respondent's email to the SOE, refer to Exhibit 23, page 1.

Respectfully submitted on April 20, 2023.

Subject: General Election Candidates - TRG-18 Termination Report - Due February 4, 2019

RE: General Election Candidates - TRG-2018 Termination Report
Deadline: Midnight (Eastern Time) February 4, 2019
Reporting Period: November 2, 2018 - February 4, 2019

REMINDER

F.S. 106.141 states a candidate who withdraws, becomes unopposed, is defeated or elected to office must, within 90 days, disposed of funds in the campaign account and file a campaign treasurer's report reflecting the disposition of funds.

Your Termination Report due to be filed online and signed with your Personal Identification Number (PIN) no later than **Midnight (Eastern Time) February 4, 2019**. The report code is "2018 – TRG." The reporting period is **November 2, 2018 - February 4, 2019**. [Click here](#) to login to your Campaign Finance account.

When completing your Termination Report, all of your expenditures need to be reported using the monetary "MO" code for column "9 – expenditure type." This includes monies that you give back to yourself as a refund or reimbursement for contributions that you made to your own campaign. By using the "monetary" expenditure type, all of your expenditures for the TR will be reported on the summary page.

In addition, before filing your report check the summary page (preview report) to see if the report was filed correctly. The TOTAL Contributions and the TOTAL Expenditures must equal; meaning the money that was deposited equals the amount that was withdrawn from the account. The report cannot have more contributions than expenditures or vice versa; the totals must equal out.

Additional information regarding disposing of surplus campaign funds can be found on pages 37 - 39 of the [2018 Pinellas County Candidate Handbook](#). If you need assistance filing your report, please give me a call at (727) 464-4987.

Sincerely,

Wendy

Phone #: 205-264-6390

Summary: I called Regions Bank regarding the production of bank records, specifically, records on the page showing "Trans Activity Pan." I spoke with Mr. Paschenko. He explained that Mr. Chance Turner, who assembled the production no longer worked with the bank. He stated that the "Trans Activity Pan" is part of an Excel spreadsheet that shows all the transactions of the debt cards associated with the account. He stated that there were two accounts under Respondent's name and five debit cards associated with the two accounts. The spreadsheet shows every time the debits cards were used, where they were used, what they were used for, e.g., purchase, balance check, etc., and the exact time of day the card was used. He explained that if the card was used for a purchase, and the purchase was approved, the transaction would appear on the monthly bank statements. He added that if the purchase was not approved, no money was withdrawn from the account; therefore, the transaction would not appear in the bank statement. I asked if either of the accounts were still active. He stated he could not reveal that information without another subpoena.

Commissioner Scott Thomas, Chairman
Florida Elections Commission

Dear Chairman Thomas:

This statement is part of the enclosed official complaint, which I am filing with the Commission against Amy Kedron, Candidate for Board of County Commissioners, District 6, for the November 6, 2018 – General Election. Ms. Kedron filed a General Election – Termination Report and amended reports, none of which reflect the disposition of remaining funds.

Pursuant to Florida Statute 106.141 “each candidate who withdraws his or her candidacy, becomes an unopposed candidate, or is eliminated as a candidate or is elected to office shall, within 90 days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.”

- February 4, 2019 – Ms. Kedron filed her original General Election – Termination Report using our electronic filing system. The total contributions equaled \$36,630.56 and total expenditures equaled \$27,312.48.
- February 5, 2019 – Ms. Kedron was notified by both email and phone that an amended report was required, as the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.
- February 11, 2019 – Ms. Kedron was sent an email reminder of the February 12, 2019 amended report deadline, which she confirmed receipt by email.
- February 12, 2019 – Ms. Kedron was sent an email reminder of the February 12, 2019 amended report deadline. Ms. Kedron filed eight amended reports. In addition, we spoke to Ms. Kedron and reiterated that the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.
- February 15, 2019 – Ms. Kedron sent an email stating that there were issues concerning her campaign account and requested an extension in order to “build an accurate and effective legal claim” in regard to alleged criminal activity to “take more time to ensure I am doing my due diligence” and that she planned “to meet with my accountant on Monday and will have more information thereafter.”

- February 22, 2019 – Ms. Kedron was sent an email and was left a voicemail notifying her of our extending her amended report deadline to March 1, 2019.
- February 27, 2019 – Ms. Kedron was sent an email and was left a voicemail reminding her of the extended amended report deadline, which she confirmed receipt by email.
- March 1, 2019 – Ms. Kedron filed 16 amended reports.
 - Ms. Kedron was contacted by phone reminding her of the extended amended report deadline. Additionally, we sent a confirmation email, which Ms. Kedron acknowledged receipt.
 - Ms. Kedron contacted our office stating that the accounting of her contributions and expenditures did not equal because of an electronic filing system error. Ms. Kedron stated that “the system adds the deleted amount to the total.”
 - At no other time did Ms. Kedron report a system error or malfunction.
 - At no time during the 2018 Election Cycle did any of the other 41 county candidates report a system error or malfunction.
 - At no time during the 2018 Election Cycle were we informed/notified by our C-Finance vendor (VR Systems) of a system error or malfunction.
 - Ms. Kedron acknowledged many times on different occasions that she was provided the correct way to enter amended contributions and expenditures in the system (add/delete) and that she understood how to correctly enter the information.
 - Ms. Kedron was emailed the CSV file of her campaign finance reports for her reference.
 - As the filing officer, we are aware of the \$5,691.42 qualifying fee expenditure made on June 12, 2018. This expenditure is no longer reflected on the P1 – Amended Report, as it was deleted twice.
 - Ms. Kedron’s final extended amended report was filed at 4:53 p.m. using our electronic filing system. The total contributions equaled \$38,477.56 and total expenditures equaled \$18,893.00.
 - Ms. Kedron emailed an explanation of why her extended amended report did not equal and provided additional Excel spreadsheets. One of Ms. Kedron’s spreadsheets indicates that her contributions and expenditures equaled.

Please note, on April 9, 2013, the Pinellas Board of County Commissioners passed Resolution No.13-32, pursuant to F.S. 106.07(2)(a)2., requiring all county candidates, political committees and executive committees to file campaign treasurer reports electronically using our C-Finance website module.

On June 27, 2018, we conducted a Candidate Workshop to review Chapters 99 and 106, which Ms. Kedron did not attend. Ms. Kedron was provided with the following:

- 2018 Candidate Handbook
- Campaign Finance Handbook (Electronic Filing System)
- 2018 Reporting Deadlines
- Electronic Filing Acknowledgement Form
- General Election – Termination Report filing reminder emails (November 9, 2018, January 23, 2019, January 28, 2019, January 30, 2019, February 4, 2019), in which we stated the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.

Subject: Amended Termination Report
Attachments: General ledger to 013119.pdf; income and expenses through 013119.pdf

Wendy,

The Amended Termination Report which officially closes out the Amy Kedron Campaign for the Pinellas County Commission is attached below. Additionally I am including a copy of my campaign's General Ledger and Profit and Loss Statements prepared for me by my accountant.

This email represents my official addendum/narrative to this report.

I truly appreciate your office's extending the filing deadline for me to today 3/1/19 in order to amend this Termination Report. As you know one of my campaign treasurers embezzled funds from my account during my campaign and I wanted to make sure I had extra time to do my due diligence and have my accountant, Clare Garaty, review my campaign account to determine the extent of the illegalities perpetrated against my campaign. Numerous adjustments had to be made to my Campaign Finance Reports filed with the Pinellas Supervisor of Elections as a result of this treasurer's negligence so I truly appreciate the extended time.

Upon making adjustments to my past campaign reports, my accountant and I discovered a problem with the Supervisor of Election's accounting system, which I have detailed in the Excel Spreadsheet entitled CFinExport.csv-CLOSINGREPORT below. Please see the tab entitled "Summary AK vs SOE" in the report.

It appears that instead of counting deletions from amended campaign reports as a debit from total campaign expenses, for some reason the system adds the deleted amount to the total. The first four tabs in this spreadsheet were directly exported from your database. The tabs entitled "SOE Expenses Edited" and "SOE Contributions Edited" contain the errors we discovered. The highlighted numbers in the "SOE Expenses Edited" document were then adjusted in numerous Amended Reports on my Candidate Report on Voterfocus.com. However, once I made these adjustments and exported a new Excel CSV the new deletions were erroneously added as well and consequently increased the total contributions and expenses of my campaign even more, rather than lowering them.

Therefore, it is impossible for me to balance my campaign through the Pinellas County SOE's Website and add my PIN. I am attaching the exported CSV entitled "CFinExport(1)1Mar5pm" which shows this discrepancy.

In spite of these circumstances I have been able to successfully balance my contributions and expenses and bring my account to zero in compliance with elections law. Please see the tab in my closing report entitled "Closing Report" for details.

It has truly been a pleasure working with the Pinellas SOE team. I have been impressed by your office's professionalism, attentiveness and attention to detail.

Moreso, I truly appreciated how hard you have worked on behalf of Pinellas Candidates, Wendy. Thank you for all you have done, it has truly made a difference.

Sincerely,

Dr. Amy Kedron

Phone #: 205-264-6390

Summary: I called Regions Bank regarding the production of bank records, specifically, records on the page showing "Trans Activity Pan." I spoke with Mr. Paschenko. He explained that Mr. Chance Turner, who assembled the production no longer worked with the bank. He stated that the "Trans Activity Pan" is part of an Excel spreadsheet that shows all the transactions of the debt cards associated with the account. He stated that there were two accounts under Respondent's name and five debit cards associated with the two accounts. The spreadsheet shows every time the debits cards were used, where they were used, what they were used for, e.g. purchase, balance check, etc., and the exact time of day the card was used. He explained that if the card was used for a purchase, and the purchase was approved, the transaction would appear on the monthly bank statements. He added that if the purchase was not approved, no money was withdrawn from the account; therefore, the transaction would not appear in the bank statement. I asked if either of the accounts were still active. He stated he could not reveal that information without another subpoena.

RE: Case No.: FEC 19-147; Respondent: Amy Kedron

Dear Ms. Kedron:

On March 18, 2019, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, filed a 2018 Termination Report that may have failed to accurately reflect the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2018 candidate for Pinellas County Board of County Commissioners, District 6, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount

of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the “Frequently Asked Questions” section of the Commission’s website (www.fec.state.fl.us).

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case.

Sincerely,

Tim Vaccaro

Commissioner Scott Thomas, Chairman
Florida Elections Commission
107 West Gaines Street
Suite 224, Collins Building
Tallahassee, FL 32399-1050

Dear Chairman Thomas:

This statement is part of the enclosed official complaint, which I am filing with the Commission against Amy Kedron, Candidate for Board of County Commissioners, District 6, for the November 6, 2018 – General Election. Ms. Kedron filed a General Election – Termination Report and amended reports, none of which reflect the disposition of remaining funds.

Pursuant to Florida Statute 106.141 “each candidate who withdraws his or her candidacy, becomes an unopposed candidate, or is eliminated as a candidate or is elected to office shall, within 90 days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.”

- February 4, 2019 – Ms. Kedron filed her original General Election – Termination Report using our electronic filing system. The total contributions equaled \$36,630.56 and total expenditures equaled \$27,312.48.
- February 5, 2019 – Ms. Kedron was notified by both email and phone that an amended report was required, as the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.
- February 11, 2019 – Ms. Kedron was sent an email reminder of the February 12, 2019 amended report deadline, which she confirmed receipt by email.
- February 12, 2019 – Ms. Kedron was sent an email reminder of the February 12, 2019 amended report deadline. Ms. Kedron filed eight amended reports. In addition, we spoke to Ms. Kedron and reiterated that the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.
- February 15, 2019 – Ms. Kedron sent an email stating that there were issues concerning her campaign account and requested an extension in order to “build an accurate and effective legal claim” in regard to alleged criminal activity to “take more time to ensure I am doing my due diligence” and that she planned “to meet with my accountant on Monday and will have more information thereafter.”

- February 22, 2019 – Ms. Kedron was sent an email and was left a voicemail notifying her of our extending her amended report deadline to March 1, 2019.
- February 27, 2019 – Ms. Kedron was sent an email and was left a voicemail reminding her of the extended amended report deadline, which she confirmed receipt by email.
- March 1, 2019 – Ms. Kedron filed 16 amended reports.
 - Ms. Kedron was contacted by phone reminding her of the extended amended report deadline. Additionally, we sent a confirmation email, which Ms. Kedron acknowledged receipt.
 - Ms. Kedron contacted our office stating that the accounting of her contributions and expenditures did not equal because of an electronic filing system error. Ms. Kedron stated that “the system adds the deleted amount to the total.”
 - At no other time did Ms. Kedron report a system error or malfunction.
 - At no time during the 2018 Election Cycle did any of the other 41 county candidates report a system error or malfunction.
 - At no time during the 2018 Election Cycle were we informed/notified by our C-Finance vendor (VR Systems) of a system error or malfunction.
 - Ms. Kedron acknowledged many times on different occasions that she was provided the correct way to enter amended contributions and expenditures in the system (add/delete) and that she understood how to correctly enter the information.
 - Ms. Kedron was emailed the CSV file of her campaign finance reports for her reference.
 - As the filing officer, we are aware of the \$5,691.42 qualifying fee expenditure made on June 12, 2018. This expenditure is no longer reflected on the P1 – Amended Report, as it was deleted twice.
 - Ms. Kedron’s final extended amended report was filed at 4:53 p.m. using our electronic filing system. The total contributions equaled \$38,477.56 and total expenditures equaled \$18,893.00.
 - Ms. Kedron emailed an explanation of why her extended amended report did not equal and provided additional Excel spreadsheets. One of Ms. Kedron’s spreadsheets indicates that her contributions and expenditures equaled.

Please note, on April 9, 2013, the Pinellas Board of County Commissioners passed Resolution No.13-32, pursuant to F.S. 106.07(2)(a)2., requiring all county candidates, political committees and executive committees to file campaign treasurer reports electronically using our C-Finance website module.

On June 27, 2018, we conducted a Candidate Workshop to review Chapters 99 and 106, which Ms. Kedron did not attend. Ms. Kedron was provided with the following:

- 2018 Candidate Handbook
- Campaign Finance Handbook (Electronic Filing System)
- 2018 Reporting Deadlines
- Electronic Filing Acknowledgement Form
- General Election – Termination Report filing reminder emails (November 9, 2018, January 23, 2019, January 28, 2019, January 30, 2019, February 4, 2019), in which we stated the total contributions and expenditures had to equal in order to be in compliance with F.S. 106.141.

Subject: Amended Termination Report

Wendy,

The Amended Termination Report which officially closes out the Amy Kedron Campaign for the Pinellas County Commission is attached below. Additionally I am including a copy of my campaign's General Ledger and Profit and Loss Statements prepared for me by my accountant.

This email represents my official addendum/narrative to this report.

I truly appreciate your office's extending the filing deadline for me to today 3/1/19 in order to amend this Termination Report. As you know one of my campaign treasurers embezzled funds from my account during my campaign and I wanted to make sure I had extra time to do my due diligence and have my accountant, Clare Garaty, review my campaign account to determine the extent of the illegalities perpetrated against my campaign. Numerous adjustments had to be made to my Campaign Finance Reports filed with the Pinellas Supervisor of Elections as a result of this treasurer's negligence so I truly appreciate the extended time.

Upon making adjustments to my past campaign reports, my accountant and I discovered a problem with the Supervisor of Election's accounting system, which I have detailed in the Excel Spreadsheet entitled CFinExport.csv-CLOSINGREPORT below. Please see the tab entitled "Summary AK vs SOE" in the report.

It appears that instead of counting deletions from amended campaign reports as a debit from total campaign expenses, for some reason the system adds the deleted amount to the total. The first four tabs in this spreadsheet were directly exported from your database. The tabs entitled "SOE Expenses Edited" and "SOE Contributions Edited" contain the errors we discovered. The highlighted numbers in the "SOE Expenses Edited" document were then adjusted in numerous Amended Reports on my Candidate Report on Voterfocus.com. However, once I made these adjustments and exported a new Excel CSV the new deletions were erroneously added as well and consequently increased the total contributions and expenses of my campaign even more, rather than lowering them.

Therefore, it is impossible for me to balance my campaign through the Pinellas County SOE's Website and add my PIN. I am attaching the exported CSV entitled "CFinExport(1)1Mar5pm" which shows this discrepancy.

In spite of these circumstances I have been able to successfully balance my contributions and expenses and bring my account to zero in compliance with elections law. Please see the tab in my closing report entitled "Closing Report" for details.

It has truly been a pleasure working with the Pinellas SOE team. I have been impressed by your office's professionalism, attentiveness and attention to detail.

Moreso, I truly appreciated how hard you have worked on behalf of Pinellas Candidates, Wendy. Thank you for all you have done, it has truly made a difference.

Sincerely,

Dr. Amy Kedron

Amy –

As discussed on the phone today, your final amended reports are due by midnight tonight, March 1, 2019. The total contributions and the total expenditures must equal the same amount; meaning the money that was deposited equals the amount that was withdrawn from the account. The report cannot have more contributions than expenditures or vice versa; the totals must equal out.

Request

Wendy,

Upon reviewing my campaign finances over the past few weeks I have discovered a few concerning practices and I think it is best for me to have my accountant and attorney review some details before closing out my campaign.

I realize this puts me past the reporting deadline but, as you know, a unique challenge occurred during my campaign. William Pena Wells embezzled funds from my account while he was treasurer and I want to make sure I am doing a sufficient investigation to determine the extent of the damage he caused so that we can build an accurate and effective legal claim.

I have discussed this matter with elections representatives at the state level who have assured me that state campaigns often submit reports well after their campaign's end. I would rather take more time to ensure I am doing my due diligence. I plan to meet with my accountant on Monday and will have more information thereafter.

Thank you,

Amy

CANDIDATE HANDBOOK 2018

For 2018 County and Special District Candidates

Deborah Clark
Supervisor of Elections
Pinellas County

Revised January 2018

Deborah Clark
Pinellas County Supervisor of Elections

PLEASE NOTE: The 2018 Legislative Session is January 9 - March 9, 2018.
The information in this Candidate Handbook is subject to change.

Dear Candidate,

Congratulations on becoming involved in public service as a candidate for office in Pinellas County. This candidate handbook is printed with the intention of familiarizing Pinellas County candidates for county and special district offices with their duties and responsibilities as provided by Florida law.

We hope the information contained in this publication is useful as a quick reference guide. It is current upon publication and serves as a supplement to Florida Statutes Chapters 97-106 (the Election Code), the Constitution of the State of Florida, the Pinellas County Charter, the Division of Elections' opinions and rules, Attorney General opinions, and municipal charters and ordinances.

It is important for you and all persons involved in your campaign to become familiar with this handbook and the laws that govern Florida elections. As a candidate, you are responsible for all aspects of your campaign – from filing timely treasurer's reports, to ensuring proper political disclaimers appear on your advertisements, to filing the necessary forms to complete qualifying. Investing the necessary time and attention to ensure compliance with the Florida Election Code can help you avoid making errors that could result in monetary fines and negative publicity.

Please review this handbook as well as the Florida Election Code in its entirety for a more comprehensive understanding of the laws. The Election Code can be viewed on the Division of Elections' website at www.DOS.MyFlorida.com/Elections.

Remember, all the materials contained in this handbook are subject to change by the Florida Legislature. In 2018, the Florida Legislature is scheduled to be in session from January 9 to March 9, 2018.

As your qualifying officer, my staff and I are available and ready to assist you. Please call us if you have any questions regarding election laws or the information in this handbook.

Sincerely,

Deborah Clark
Pinellas County Supervisor of Elections

Allocation of the qualifying fee is as follows (Partisan includes minor parties, F.S. 99.096):

Filing Fee:	3% -- partisan, nonpartisan and no party affiliation

Candidates must submit valid signatures of 1% of the registered voters residing in the district in which they are running as of the last general election, November 2016. For districts that are at large and other countywide offices, candidates must submit valid signatures of 1% of the registered voters residing in the county as of the last general election, November 2016.

After filing a DS-DE 9 - Appointment of Campaign Treasurer and Designation of Campaign Depository form with the qualifying officer, a candidate may begin collecting petition signatures. Signatures are valid only for the qualifying period immediately following the filing of the candidate's DS-DE 9 - Appointment of Campaign Treasurer and Designation of Campaign Depository form.

Candidates must use for reproduction the Candidate Petition Card prescribed by the Division of Elections. Petition cards may be printed to include the candidate's information and/or the voter's information. The petition can be resized within the Division's requirements (no smaller than 3 inches by 5 inches and no larger than 8 1/2 inches by 11 inches), but the format CANNOT be changed. For copying purposes, multiple petitions can be included per page. BUT, prior to presenting petitions to be verified by the Supervisor of Elections, the petitions must be separated.

The candidate petition provides two check boxes for "Nonpartisan" and "No Party Affiliation (NPA)." Nonpartisan and NPA candidates need to either pre-populate the form by checking the applicable box or ensure voters are accurately populating the applicable box. Nonpartisan and NPA candidates may want to consider crossing out or otherwise precluding voters from writing anything on the line provided for an indication of political party. For a candidate petition to be valid, there must be a clear indication of what type of candidate the voter is petitioning to have placed on the ballot – Nonpartisan or No Party Affiliation (NPA).

- **All Other County Candidates - PRIOR TO NOON on May 21, 2018**

The Supervisor of Elections must certify the number of valid signatures no later than seven days before the first day of qualifying, F.S. 99.095(3).

The Supervisor of Elections shall be paid in advance the sum of \$0.10 for each petition verified [F.S. 99.097(4)]. This payment must be paid with a campaign check, with the exception of special district candidates who choose not to open a campaign account pursuant to F.S. 99.061 (3). If such charges impose an undue burden on the candidate's personal resources or upon resources otherwise available, he/she may file an Undue Burden Affidavit and the fee will be waived, F.S. 99.097(4).

If a candidate pays any person to solicit signatures on a petition, he/she may not file an undue burden oath in lieu of paying the fee for signature verification. And, if an undue burden oath has been filed and a candidate subsequently pays any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor shall be paid by the candidate, F.S. 99.097(6).

If a candidate submits the required number of valid signatures, he or she has completed qualifying by petition and a Certificate of Signature Verification will be placed in the candidate's file.

If the required number of valid signatures are not met, the candidate may still pay the qualifying fee.

If a candidate qualifies by petition, he/she is not required to pay the filing, election assessment or party assessment fees.

What is the Definition of a Campaign Contribution? - F.S. 106.011(5)

- A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, **made for the purpose of influencing the results of an election.**
- The payment, by a person other than the candidate or political committee, of compensation for the personal services of another person which are rendered without charge to a candidate for such services.
- The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes interest earned on such account or certificate.

F.S. 106.15(4) prohibits the acceptance or soliciting of a contribution in a building owned by a governmental entity except if the building is rented for the specific purpose of holding a fund raiser.

What is NOT Considered a Campaign Contribution? - F.S. 106.011(5)

Services provided without compensation by individuals volunteering time on behalf of a candidate including, but not limited to, legal and accounting services or editorial endorsements.

Who Can Make a Campaign Contribution? - F.S. 106.011(14), 106.08(5)(a) & 106.021(3)

Any person may contribute to a candidate as long as the contributions are within the limits provided. However, a person may not make any contribution through or in the name of another, directly or indirectly, in any election.

A "person" is defined as an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, syndicate or other combination of individuals having collective capacity, which includes a political party, affiliated party committee or political committee.

Is There a Deadline for Accepting Campaign Contributions? - F.S. 106.08(3)(a)

Yes. Any contribution received by a candidate **with opposition** in an election or by the campaign treasurer or a deputy treasurer on the day of that election or less than five days before the day of the election must be returned to the person contributing it and may not be used or expended by or on behalf of the candidate. For a Tuesday election, the deadline is midnight on Thursday prior to the election.

NOTE: The deadline of the Thursday prior to the Primary would **not** apply to a candidate who has no opposition in the Primary. However, the deadline prior to the General would apply because the candidate has opposition.

Contributions which are returned prior to being deposited into the campaign account may be reported to the Supervisor of Elections on the DS-DE 2 - Contributions Returned form, F.S. 106.07(4)(c).

Any contributions received by a candidate or campaign treasurer after the date on which the candidate withdraws his/her candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office, shall be returned to the person and shall not be used or expended by or on behalf of the candidate, F.S. 106.08(3)(b).

A candidate who accepts contributions via a campaign website, e.g. PayPal, may want to consider restricting the website from accepting contributions after the deadline.

Campaign Contributions (cont.)

Are There Limits to Campaign Contributions? - F.S. 106.08

Yes. A candidate seeking office for Constitutional Officers, County Commission, School Board, County Judge, Special Fire District or Community Development District cannot accept a contribution in excess of \$1,000 from any one person (including family members). The contribution limit is \$1,000 for the Primary Election, even if the candidate has no opposition in the Primary, and \$1,000 for the General Election.

A candidate **may not** accept contributions from a county executive committee of a political party whose contributions in the aggregate exceed \$50,000 or from the national or state executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, whose contributions in the aggregate exceed \$50,000. For this purpose:

- Polling services, research services, costs for campaign staff, professional consulting services, and telephone calls **are not** contributions to be counted toward the contribution limits, but must still be reported by the candidate and the political party. [Political polls conducted by political party executive committees or affiliated party committees to determine the viability of a potential candidate are not contributions to the potential candidate. [F.S. 106.17]
- All other contributions are counted toward the contribution limits.

What is an In-Kind Contribution? - DE 78-23 (Division of Elections Advisory Opinion)

Anything of value in any form, made for the purpose of influencing the results of an election. In-kind contributions are subject to the same contribution limits outlined in F.S. 106.08.

Money; personal services provided by volunteers; independent expenditures [F.S. 106.011(12)]; and endorsements of three or more candidates by an affiliated party committee or political party [F.S. 106.021(3)(d)] are not considered in-kind contributions.

How do I Place a Value on In-Kind Contributions? - F.S. 106.055

The person making an in-kind contribution must, at the time of making the contribution, place a fair market value on the contribution. In-kind contributions must be reported on the campaign treasurer's report, so it is recommended to get a written statement of value from the contributor. Travel conveyed upon private aircraft must be valued at the actual cost of per person commercial air travel for the same or a substantially similar route.

Note: If a candidate uses campaign materials from a previous campaign, e.g. campaign signs, as part of his/her current campaign efforts, those materials must be reported as in-kind contributions from the candidate during the reporting period in which the materials were used in the current campaign.

Can I Accept Cash Contributions? - F.S. 106.09

Yes. A candidate may accept cash contributions as long as the total cash contribution (including cashier's check) from the same contributor does not exceed **\$50 per election**. All cash contributions count towards the \$1,000 contribution limit.

How Much Can I Contribute to My Campaign? - F.S. 106.08(1)(b)

There is no limit to the amount of personal funds a candidate may contribute or loan their campaign. Candidates can reimburse themselves at any time as long as funds are available.

Campaign Contributions (cont.)

Can I Accept Campaign Contributions via Debit Card ?

- Division of Elections Opinion 00-03 (DE 00-03)

Yes. Accepting contributions via debit card is not specifically prohibited by Chapter 106, Florida Statutes. The Division concluded that as long as the disclosure requirements of Chapter 106, Florida Statutes, are met, a candidate, political committee or political party may accept campaign contributions via debit card.

Can I Accept or Spend Anonymous Campaign Contributions? - F.S. 106.07(4)(a) & DE 89-02

No. Florida law requires a candidate to show the source of each contribution. In the Advisory Opinion (DE 89-02), the Division of Elections (DOE) recommends that the contribution be reported on the treasurer's report as an anonymous contribution, and that the candidate send a cover letter to the qualifying officer explaining that the contribution is anonymous and impossible to return. The DOE further recommends that candidates not spend the contribution, and at the end of the campaign, donate the amount to an appropriate entity under F.S. 106.141.

Can I Accept Campaign Contributions From PayPal? - F.S. 106.05 & DE 09-03

Yes. These contributions are limited to the same amounts and reporting requirements as all other contributions. A PayPal contribution would be reported as a check. The fee for using PayPal would be reported as an expenditure.

A candidate using PayPal may want to consider requiring a contributor to enter his/her contributor information, as part of their campaign website, prior to making a contribution through PayPal. PayPal does not require a person to enter the same information that Florida law may require a candidate to report on his/her treasurer's report (for example: a contributor's occupation).

Loans Made to My Campaign - F.S. 106.075

Candidates ELECTED to office who had loans exceeding \$500 in value, which were accepted and used for campaign purposes within the 12 months preceding the election must be reported to the Supervisor of Elections within 10 days after the candidate's election to office. In addition, any person who makes a contribution to a candidate to pay all or part of a loan incurred, in the 12 months preceding the election, to be used for the individual's campaign, may not contribute more than the amount allowed in F.S. 106.08.

These loans would be reported to the Supervisor of Elections using DS-DE 73 - Campaign Loans Report and the DS-DE 73A—Campaign Loans Report Itemized.

Can I Conduct a Lottery to Raise Money for my Campaign? - F.S. 846.09

No. It is unlawful for any person to set up, promote, or conduct any lottery for money or anything of value.

- All money and other contributions collected with respect to a campaign fund raiser shall be deemed to be campaign contributions.
- All such contributions shall be accounted for and are subject to the limits of any other contribution.
- All expenditures made with respect to the campaign fund raiser which are made or reimbursed are to be paid with a check drawn on the campaign account of the candidate for whom the funds are to be used and shall be deemed to be campaign expenditures, accounted for and subject to the same restrictions as other campaign expenditures.
- Tickets and advertising for a campaign fund raiser are required to have a political disclaimer.
- Tickets with stubs can be used so the name, address and occupation of the contributor can be written on the stub at the time of sale and remitted to the campaign treasurer for reporting.

Contributions by Foreign Nationals - United States Code - Title 2, Chapter 14, Subchapter 1, Section 441e

It is unlawful for a foreign national directly or through any other person to make any contribution of money or other thing of value, or to promise expressly or impliedly to make any such contribution, in connection with an election to any political office or in connection with any primary election, convention, or caucus held to select candidates for any political office; or for any person to solicit, accept, or receive any such contribution from a foreign national.

As used in this section, the term “foreign national” means:

- A foreign principal, as such term is defined by Section 611(b)(3) of Title 22, except that the term “foreign national” shall not include any individual who is a citizen of the United States.
- An individual who is not a citizen of the United States and who is not lawfully admitted for permanent residence, as defined by Section 1101(a)(20) of Title 8.

Title 8, Section 1101(a)(20) – the term “lawfully admitted for permanent residence” means the status of having been lawfully accorded the privilege of residing permanently in the United States as an immigrant in accordance with the immigration laws, such status not having changed.

Campaign Expenditures (cont.)

What is the Definition of a Campaign Expenditure? - F.S. 106.011(10)(a)

Expenditure means a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election, or making an electioneering communication.

Can I Make a Campaign Expenditure? - F.S. 106.11 & 106.14

Yes. All campaign expenditures must be paid from the campaign account.

The candidate qualifying fee must be paid using a campaign check.

Only a candidate's campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account.

A candidate **may not** authorize any expenditure for the purchase of goods or services unless there are sufficient funds on deposit in the campaign account to pay the full amount of the authorized expense. F.S. 106.11(4) specifies that the term "sufficient funds on deposit" means that the funds have been delivered to the depository for deposit, not that the funds are available for withdrawal pursuant to funds availability policies of the bank.

A candidate must pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services.

Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period. Payment for public utilities such as telephone, electric, gas, water and like services must be made when the bill is received.

F.S. 106.021(3) - No expenditure, including expenditures by a candidate or the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person, except through the campaign treasurer; provides for exceptions.

May I Use Debit Cards for Campaign Expenditures? - F.S. 106.11(2)(a)

Yes. A debit card may be used if it is obtained from the same financial institution that has been designated as the candidate's primary campaign depository. Debit cards can be issued in the name of the treasurer, deputy treasurer or authorized user. The debit card must include the candidate's name. No more than three debit cards can be requested or issued. A debit card cannot be used to receive cash back as part of, or independent of, any transaction for goods or services.

All receipts for debit card transactions must contain:

- The last four digits of the debit card number
- The exact amount of the expenditure
- The name of the payee
- The signature of the campaign treasurer, deputy treasurer or authorized user

Campaign Expenditures (cont.)

Yes. A candidate may establish a petty cash fund to be used by the campaign. To establish the fund, the campaign treasurer must write a check drawn from the campaign account. Cash contributions received by a candidate must not be mixed with petty cash.

Until the end of candidate qualifying, the campaign treasurer may withdraw \$500 per calendar quarter from the campaign account for the petty cash fund.

After qualifying is over and until the election at which the candidate is eliminated, elected to office or becomes unopposed, the treasurer may withdraw \$100 per week.

The petty cash fund must be spent in amounts less than \$100. Petty cash may only be used for office supplies (pens, pencils, paper clips), transportation expenses, and other necessities. Petty cash shall not be used for the purchase of time, space, or services from communications media.

The total amount withdrawn and the total amount spent for petty cash must be reported in each reporting period. Individual expenditures of petty cash do not have to be reported, but complete records of petty cash expenditures must be kept.

Can I Use Credit Cards to Make Campaign Expenditures? - F.S. 106.125

No. Only candidates for statewide office and political committees created to support or oppose any candidate for statewide office or to support or oppose any statewide issue may obtain a credit card. These credit cards are only to be used for making travel-related campaign expenditures.

May I Draw a Salary or Pay for Personal Living Expenses From My Campaign Account? - F.S. 106.1405

Expenses actually incurred for transportation, meals, and lodging by the candidate or a family member during travel in the course of the campaign can be paid for with campaign funds.

Are There Any Limits on How Much I Spend on My Campaign? - F.S. 106.11(4)

A candidate is only limited by the funds available in his or her campaign account.

What is an Independent Expenditure? - F.S. 106.011(12)(a)

Independent expenditure means an expenditure by a person for the purpose of expressly advocating the election or defeat of a candidate or the approval or rejection of an issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee.

Campaign Expenditures (cont.)

What is Not Considered an Independent Expenditure? - F.S. 106.011(12)(b)

- An expenditure for the purpose of expressly advocating the election or defeat of a candidate by a person having a contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not an independent expenditure.
- An expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of the political party, an affiliated party committee, a political committee, or any other person, is not considered an independent expenditure if the committee or person:

 4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or an agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;
 5. After the last day of the qualifying period prescribed for the candidate, consults about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:

The candidate, like with all reported expenditures, would provide the name, full address and purpose of the expenditure, but would provide a “summary” or “lump sum” of the transaction fees in the total monetary expense box in that line item of the report.

Campaign Financial Reporting Requirements

Reporting Campaign Contributions and Expenditures - F.S. 106.07 & 106.141

Candidates need to stay involved in managing campaign finances. Ultimately, it is the candidate’s responsibility to ensure the completeness and accuracy of the treasurer’s report. A candidate or campaign treasurer who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a first degree misdemeanor. F.S 106.07(5).

It is not the responsibility of the Supervisor of Elections, nor does the Supervisor of Elections have authority to investigate or ensure that all contributions and expenditures are reported. The Supervisor of Elections must accept the documents at face value.

Campaign Financial Reporting Requirements (cont.)

Deadlines for Filing Reports - F.S. 106.07(2)(a) 1.

Campaign Finance Reports must be completed and filed electronically through the Supervisor of Elections website using the C-Finance module no later than Midnight (Eastern Time) of the due date. Late-filed campaign finance reports are subject to the penalties prescribed under Section 106.07(8), Florida Statutes.

Reporting Campaign Contributions - F.S. 106.07

A campaign treasurer must report on the DS-DE 12 - Campaign Treasurer's Report - Summary totals for all contributions received during the reporting period. An itemization of contributions received, regardless of the amount, must be reported on the DS-DE 13 - Itemized Contributions form.

The DS-DE 13 - Itemized Contributions form must contain the following:

- The full name and full address of each person or political committee who made a contribution during the reporting period, the amount, and date the contribution was received. When contributions are received from joint checking accounts, the signer of the check is the contributor.
- If a contribution is more than \$100, the report must include the occupation or type of business of the contributor (unless the contribution is from a relative and the relationship is reported). The occupation or type of business must be specific. A clear description of the type of business or occupation must be provided.
- The full name, full address, occupation and principal place of business, if any, of each person who made a loan to the campaign during the reporting period, together with the amount and date the loan was received.
- A statement of each contribution, rebate, refund, or other receipt not listed above.
- The DS-DE 12 - Campaign Treasurer's Report - Summary shall include the total contributions, loans, in-kind contributions, and other receipts by or for such candidate during the reporting period.

Common Errors in Reporting Campaign Contributions

- Incomplete addresses.
- Contributions over \$100 without a clear description of the occupation or type of business of the contributor (unless the contribution is from a relative and the relationship is reported).
- Contributions received outside the reporting period. A contribution is considered received on the day the candidate or treasurer actually received the contribution, not the date it is deposited.
- Contributions that exceed the contribution limit of \$1,000 per person, per election.
- Cash contributions that exceed the \$50 limit.

Returning Campaign Contributions - F.S. 106.07(4) & F.S. 106.08

Contributions which are returned prior to being deposited in the campaign account must be reported on the DS-DE 2 - Contributions Returned form.

A candidate receiving a contribution in excess of the contribution limit must return to the contributor the amount over the contribution limit.

Any contribution received on the day of an election or less than five days prior to an election by a candidate with opposition must be returned.

Campaign Financial Reporting Requirements (cont.)

Returning Campaign Contributions - F.S. 106.08 (continued)

Once a candidate is elected, defeated, becomes unopposed or withdraws, contributions may not be accepted. Any contribution received after this time must be returned to the contributor.

If a candidate has deposited a contribution in the campaign account that is required to be returned, he or she must report the itemized contribution, write a check from the campaign account to the contributor for the amount of the contribution, report the itemized expenditure, and explain on the form under the "Purpose of Expenditure" column the reason for returning the contribution. A candidate may wish to notify the filing officer in writing of the error so that this information can be placed in the candidate's file.

Reporting Campaign Expenditures - F.S. 106.07

A campaign treasurer must report on the DS-DE 12 - Campaign Treasurer's Report - Summary totals for all expenditures during the reporting period. An itemization of expenditures made, regardless of the amount, must be reported on the DS-DE 14 - Itemized Expenditures form.

The DS-DE 14 - Itemized Expenditures form must contain the following:

- The full name and full address of each person to whom expenditures have been made during the reporting period, the amount, date and purpose of each such expenditure. The purpose of an expenditure must be clear.
- The full name and full address of each person to whom an expenditure has been made for personal services, salary or reimbursed expenses and which is not otherwise reported, including the amount, date and purpose of such expenditure. Receipts for reimbursement of expenditures shall be retained by the treasurer along with the records for the campaign account.
- *The total amount withdrawn and the total amount spent for petty cash during the reporting period. Petty Cash – A candidate does not have to report individually each expenditure made from the petty cash fund. However, complete records of petty cash expenditures must be kept, F.S. 106.12.*
- The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates are located.
- The amount and nature of debts and obligations owed by or to the candidate, which relate to the conduct of any political campaign.
- The DS-DE 12 - Campaign Treasurer's Report - Summary shall include the total expenditures made during the reporting period.
- The primary purpose of an expenditure made indirectly through a campaign treasurer pursuant to F.S. 106.021(3) for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

Incomplete Reports - F.S. 106.07(2)(b)

An incomplete report shall be accepted on a conditional basis.

The Supervisor of Elections will inform the candidate and campaign treasurer by telephone and certified mail or other method that provides proof of delivery of the notice that the report is deemed incomplete. The treasurer must file an amended report within seven days of being notified. The amended report must include a complete account of all contributions and expenditures to be considered a complete report.

What is the Penalty for Late Filing? - F.S. 106.07(8)

The Supervisor of Elections shall notify the candidate and campaign treasurer by telephone or mail if a report is late. Any candidate who does not file a report by the deadline will be subject to a fine for each late day.

Late filing fines must be paid from PERSONAL FUNDS (not campaign funds).

The fine shall be \$50 per day for the first three days late and thereafter, \$500 per day. The total of the fine cannot exceed 25% of the total contributions or expenditures, whichever is greater, for the period covered by the late report.

For reports immediately preceding each special primary election, special election, primary election and general election, the fine shall be \$500 for each late day, subject to the same 25% limit.

Within twenty (20) days after receipt of the notice, a candidate may:

Pay the fine from PERSONAL FUNDS (not campaign funds) to the Supervisor of Elections

OR

Appeal the fine to the Florida Elections Commission and notify the Supervisor of Elections in writing.

The Supervisor of Elections shall notify the Florida Elections Commission if a candidate fails to pay any fines imposed.

Office Accounts Guidelines

Establishing an Office Account

- F.S. 106.141(5)

- Personal taxes payable on office account funds by the candidate or elected public official.
- Expenses incurred in the operation of his or her office, including additional staff.
- Professional services provided by a certified public accountant or attorney for preparation of the elected official's financial disclosure filing.

- Fees to certain organizations of which the elected official is a member.
- Items of modest value given on behalf of the elected official for a constituent's special event or family occasion.
- Personal expenses in connection with attending a constituent meeting or event where public policy is discussed, if no more than once a week.

Political Advertising and Disclaimers

Definition of Political Advertisement - F.S. 106.011(15)

A political advertisement is a paid expression in a communications media, whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which shall support or oppose any candidate, elected public official or issue.

Campaign business cards and campaign letterhead are forms of communication and are considered political advertising and therefore require a disclaimer.

Exceptions:

- A statement by an organization in existence before the time during which a candidate qualifies for that election, in support of or in opposition to a candidate, in that organization’s newsletter, which newsletter is distributed only to the members of that organization.
- Editorial endorsements by a newspaper, a radio or television station, or any other recognized news medium.

Definition of Communications Media - F.S. 106.011(4)

Communications media means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an expenditure for the use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group.

Miscellaneous Advertisements - F.S. 106.1437

Any advertisement, other than a political advertisement or independent expenditure, on billboards, bumper stickers, radio, or television, or in a newspaper, a magazine, or a periodical, intended to influence public policy or the vote of a public official, shall clearly designate the sponsor of such advertisement by including a clearly readable statement of sponsorship. If the advertisement is broadcast on television, the advertisement shall also contain a verbal statement of sponsorship. The section does not apply to editorial endorsements.

An expenditure made for, or in furtherance of, a miscellaneous advertisement is not considered to be a contribution to or on behalf of a candidate, and does not constitute an independent expenditure. Such expenditures are not subject to the limitation applicable to independent expenditures.

Candidate Petitions - Administrative Rule 1S-2.045 & DS-DE 104

A political disclaimer need not be on a candidate petition form; however, if the reproduced petition form is contained within a larger political advertisement, the political advertisement would have to have the

Internet, Email and Other Technology

- F.S. 106.143 (10)(b)-(i)

The Technology and Elections Act provides exceptions for political disclaimers for any campaign message or political advertisement used by a candidate and the candidate's supporters if the message or advertisement is:

- Placed as a paid link on a website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another website that complies with F.S. 106.143(1).
- Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another website that complies with F.S. 106.143(1).
- Placed at no cost on a website for which there is no cost to post content for public users.
- Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.
- Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.
- Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with F.S. 106.143(1).
- Sent by a third-party user from or through a campaign or committee's website, provided the website complies with F.S. 106.143(1).
- Contained in or distributed through any other technology-related item, service, or device for which compliance with F.S. 106.143(1) is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with subsection (1) impracticable.

Each page of your website must include the required political disclaimers, F.S. 106.011(15) &(4).

Such political advertisement must expressly state that the content of the advertisement was approved by the candidate, unless the political advertisement is published, displayed, or circulated in compliance with subparagraph (1)(a) 2., and must state who paid for the advertisement.

The candidate must provide a written statement of authorization to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution. Exceptions include novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate and items designed to be worn by a person.

- A municipality may impose additional or more stringent requirements on the use or removal of political advertisements.
- If a candidate wishes to reuse campaign signs left at the polls on Election Day, the signs must be collected by the candidate's campaign staff prior to our poll workers removing and disposing of them after the polls close.
- Failure to remove signs within 30 days of the end of an election is a violation of F.S. 106.1435, and complaints can be directed to the Florida Elections Commission. Again, county or municipal law may be more restrictive than state law.

Primary Elections

The State of Florida has a “closed” primary system, F.S. 101.021.

In a closed Primary Election, a qualified voter is entitled to vote the ballot of the political party with which the voter is registered. The voter’s political party with which he/she was registered 29 days before the election is the party affiliation recognized at the polls during Early Voting and on Election Day.

The political party noted in the precinct register is the voter’s party affiliation.

Voters may **ONLY** change their party affiliation at the polls for **FUTURE ELECTIONS**.

For example, in a Primary Election

- * A voter registered as a Republican may vote for Republican and Nonpartisan candidates/ballot issues only.
- * A voter registered as a Democrat may vote for Democratic and Nonpartisan candidates/ballot issues only.
- * A voter registered with a minor party may vote for the minor party and Nonpartisan candidates/ballot issues only.
- * A voter registered with no party may vote for Nonpartisan candidates/ballot issues only.

Universal Primary Elections

The State of Florida has provided for what is known as a Universal Primary Election (Florida Constitution, Article VI, Section Five, Paragraph B).

When all of the candidates running for an office are registered with the same political party, it becomes a Universal Primary Election and all eligible voters regardless of party affiliation can vote in that contest. If a write-in, minor party or no party affiliation candidate files for the office, it remains a closed Primary Election.

General Elections

General Elections are considered “open” elections. All eligible voters may vote in General Elections on all candidates, issues, referenda and amendments. Party affiliation of the candidate is still indicated on the ballot, but voters may vote for any candidate and are not restricted by party.

A space for a write-in candidate will only appear on the ballot if someone qualified to run as a write-in candidate.

Nonpartisan Elections

All judicial, school board, fire district and municipal elections are nonpartisan. This means candidates are not allowed to declare an affiliation with a political party, and party affiliation of the candidates are not indicated on the ballot.

Sample Ballots

Sample ballots with all contests and questions will be available approximately five weeks prior to the election.

Precinct Specific ballots can be obtained on our website approximately five weeks prior to the election.

Sample ballots are mailed to each registered household (with the exception of households in which all voters requested mail ballots) approximately three weeks prior to a primary or general election. A sample ballot is published approximately three weeks prior to a countywide Primary or General Election. Sample ballots will be emailed to those voters who choose this option.

Ballot Format

Ballot Format - F.S. 101.151, 101.2512 & Administrative Uniform Ballot Rule 1S-2.032

Primary Election

- Ballots are by political party (major and minor); the candidates will be listed alphabetically by surname in each contest.
- A candidate will be determined elected if there is no opposition.
- If there are at least two major or minor party candidates for an office, those candidates will appear on the Primary Election ballot. The candidate with the most votes in the Primary Election will appear on the General Election ballot.
- If there are two candidates for School Board or a judicial office, the office will appear on the Primary Election ballot. The candidate with the most votes shall be declared elected.
- If there are three or more candidates for School Board or a judicial office, and none receives a majority of the votes cast in the Primary, the two candidates receiving the most votes will be in a run-off in the General Election. If a candidate does receive a majority of the votes cast in the Primary, that candidate will be determined elected.
- Partisan ballots include candidates for partisan contests and candidates for nonpartisan contests, and ballot issues.
- Nonpartisan ballots include candidates for nonpartisan contests and ballot issues.
- Nonpartisan Special District candidates (regardless of the number of candidates) appear only on the General Election ballot in alpha order by surname in each contest.

General Election

- Candidates who were nominated in the Primary Election will appear on the General Election ballot.
- The names of the candidates of the party that received the highest number of votes for Governor in the last election in which a Governor was elected shall be listed first under the heading for each partisan office.
- The names of candidates of the party that received the second highest number of votes for Governor shall be second under the heading for each partisan office.
- Minor political party candidates will be listed in the order in which they qualified followed by the candidates with no party affiliation in the order in which they qualified.
- Nonpartisan Special District candidates appear only on the General Election ballot in alpha order by surname in each contest.
- If a write-in candidate has qualified, a space to write the candidate's name will appear last in the contest.

A candidate's name will appear on the ballot as it was written on the Candidate Oath form. Once the qualifying period has ended, this information **CANNOT be changed.**

Mail Ballots

Requesting a Mail Ballot- F.S. 101.62

**See pg. 9 for the 2018 Tentative Ballot Mailing Schedule*

ALL registered voters may request a mail ballot. Voters are not required to provide an excuse or be absent.

How to request a mail ballot:

- Go to www.VotePinellas.com/MailBallot
- Email requests to MailBallot@VotePinellas.com (must include DOB)
- Call our elections office at (727) 464-8683
- Fax a request to (727) 464-7636 (must include DOB)
- Visit one of our three elections office locations (Monday - Friday, 8:00 a.m. - 5:00 p.m.)

Voters who request mail ballots will receive ballots for elections scheduled through the end of the calendar year of the second regularly scheduled general election. Voters may also request a mail ballot for a specific election. Voters may cancel requests by contacting the Supervisor of Elections office.

For ballots to be mailed, requests must be received by 5:00 p.m. on the sixth day before the election.

Voters/designees may not pick up mail ballots on the day of the election unless they sign an affidavit affirming that they are unable to go to the polls because of an emergency.

Voted mail ballots must be received at one of the three Supervisor of Elections Offices by 7:00 p.m. on Election Day.

Please note: Postal delivery service has changed. Voters are advised to allow at least ONE WEEK for their ballots to be returned by mail to the Supervisor of Elections Office.

To request a mail ballot for a voter, an immediate family member must provide the Supervisor of Elections office with the following information either in writing or by telephone [F.S. 101.62(1)(b)]:

- Voter's name
- Voter's address (mailing and residence)
- Voter's date of birth
- Requester's name (immediate family member making request)
- Requester's address
- Requester's driver license # (if available)
- Requester's relationship to voter
- Requester's signature (if a written request)

A request for a ballot to be mailed to an address other than the one in the voter's file must be in writing and signed by the voter (does not apply to absent military or overseas voters).

An immediate family member means the designee's spouse or the parent, child, grandparent, or sibling of the designee or of the designee's spouse, F.S. 101.62(4)(c)4.

Mail Ballots (cont.)

Picking up a Mail Ballot **- F.S. 101.62 & 104.0616**

Five days prior to an election, a voter may designate anyone to pick up a mail ballot on his or her behalf. This person may not pick up more than two mail ballots per election (does not include the designee's own ballot or ballots for immediate family members).

In order for a designee to pick up a ballot for a voter, the designee must present picture and signature identification, written authorization from the voter, and complete an affidavit.

Any person who provides or offers to provide, and any person who accepts, a pecuniary or other benefit in exchange for distributing, ordering, requesting, collecting or delivering or otherwise physically possessing more than two mail ballots per election in addition to his or her ballot or a ballot belonging to an immediate family member commits a misdemeanor of the first degree.

Immediate family means a person's spouse or the parent, child, grandparent, or sibling of the person or the person's spouse.

Address and Signature Updates - F.S. ***101.64, 101.65, 101.68, 97.1031 & 98.077***

Mail ballots will be mailed to the voter's mailing address on file. Mail ballots are not forwardable. Voters are encouraged to update their addresses with the Supervisor of Elections office. In-state address changes can be made over the phone, online at VotePinellas.com, by email, or by submitting a voter registration application.

The mail ballot certificate return envelope **MUST** be signed by the voter in order for the ballot to be counted.

A voter's signature on the return certificate envelope/affidavit is compared with the voter's signature on the voter file. Voters are encouraged to update their signatures on file with the Supervisor of Elections office. Signature updates can be made by completing a voter registration application. Signature updates can be made up to the time the Canvassing Board begins canvassing mail ballots.

If a certificate return envelope is returned unsigned or if a voter's signature on their certificate return envelope does not match their signature on file with the Supervisor of Elections Office, the voter may "cure" the unsigned certificate or signature mismatch by submitting the subscribed affidavit and copy of identification by 5:00 p.m. on the day before the election. The Canvassing Board will determine whether or not to accept a "cured" ballot.

Deadline to Return a Mail Ballot **- F.S. 101.62 & 101.69**

Mail ballots must be received at one of the three Supervisor of Elections offices by 7:00 p.m. Election Day, with the exception of 10-day overseas ballots (UOCAVA ballots). In countywide general elections, ALL contests/questions, including local contests/questions, must be counted on 10-day overseas ballots.

Once mail ballots have been received by the Supervisor of Elections, the ballots are cast, and no changes can be made to the ballot and/or return certificate envelope.

Mail Ballots *(cont.)*

Requested Mail Ballot - Want to Vote at the Polls on Election Day - F.S. 101.69 & 101.048

A voter who received a mail ballot, but decides to vote at the polls on Election Day, needs to take the mail ballot (the entire kit) to his/her polling place. The ballot must be given to the poll worker, who will cancel the ballot and allow the voter to vote a regular ballot.

If the voter does not bring the mail ballot to the polls, the poll worker is required to verify the voter has not voted in the election. If the voter did not already vote in the election, the voter will be allowed to vote a regular ballot.

If the poll worker or the Supervisor of Elections office is unable to determine if the mail ballot has been received or if the voter refutes the Supervisor of Elections office's determination that he/she has already voted in the election, the voter will be allowed to vote a provisional ballot. A provisional ballot is a conditional ballot that must be presented to the Canvassing Board, who will determine the validity of the ballot.

Signing Up Voters to Receive Mail Ballots - F.S. 101.62

If a candidate would like to sign up voters to receive mail ballots, the information below needs to be included. Please note: we need enough information to identify the voter.

- A statement of "I would like to receive mail ballots for future elections" followed by a check box
- A statement of "I would like to receive a mail ballot for the (state the election)" followed by a check box
- A line for the voter's name (first, middle, last)
- A line for the voter's date of birth and the statement "required"
- A line for the voter's residential address (street address, apt/lot #, city, ZIP code)
- A line for the voter's mailing address (street address, apt/lot #, city, ZIP code)
- A line for the voter's phone number
- A line for the voter's signature and the statement "required"

A mail ballot request form is included for photocopy. Our office will not be able to make photocopies for a candidate's use.

Ballot Drop-off Locations

Voted mail ballots can be dropped off at any of the three Elections Office or designated ballot drop-off location during specified days and hours. During countywide elections voters have additional remote locations to drop off their voted mail ballots. Some locations are open on Saturdays and all locations are open on the day before Election Day. Election employees are stationed with secure ballot boxes inside each location to assist and hand out "I Voted" stickers.

A complete schedule is included in mail ballot kits and also available online at VotePinellas.com.

Voted mail ballots cannot be accepted at polling places. They must be received at one of the Supervisor of Elections Offices by 7:00 p.m. Election Day. [F.S. 101.67(2) and 101.6103(2)]

Canvassing Board and Mail Ballot Challenges

Testing the Ballot Tabulating Equipment **- F.S. 101.5612**

Before any election, the Canvassing Board tests the ballot scanning equipment to verify it is accurately counting the votes cast for all candidates in all offices and on all issues. All candidates will be given a Canvassing Board schedule in their qualifying packets.

The ballot scanning equipment is tested no earlier than 10 days prior to the start of Early Voting for any election. There are two additional tests of scanning equipment.

Tests are conducted at the Election Service Center and are verified by the Canvassing Board. These tests are open to candidates, political parties and committees and their representatives, the public and the media.

For additional information, please visit our website at VotePinellas.com or call (727) 464-6108.

Canvassing Mail Ballots **- F.S. 101.68**

The Canvassing Board may begin canvassing mail ballots at 7:00 a.m. 15 days prior to the election, including processing the ballots through the scanning equipment. However, results shall not be released until after 7:00 p.m. on Election Day.

If a certificate return envelope is returned unsigned or if a voter's signature on their certificate return envelope does not match their signature on file with the Supervisor of Elections Office, the voter may "cure" the unsigned certificate or signature mismatch by submitting the subscribed affidavit and copy of identification by 5:00 p.m. on the day before the election. The Canvassing Board will determine whether or not to accept a "cured" ballot.

Challenge of Mail Ballots **- F.S. 101.6104**

Mail ballots may be reviewed for possible challenge before they are opened and separated from the return certificate ballot envelopes.

If any voter present for the canvass of mail ballots believes that any ballot is illegal due to any defect apparent on the voter's certificate envelope, the voter may, at any time before the ballot is removed from the return certificate envelope, file with the Canvassing Board a protest against the canvass of such ballot, specifying the reason he or she believes the ballot to be illegal.

No challenge based upon any defect on the voter's return certificate envelope shall be accepted after the ballot has been removed from the envelope.

Public Inspection of Ballots **- F.S. 101.572 & 101.5614**

Official ballots may be reviewed while in the custody of the Supervisor of Elections or the Canvassing Board at any reasonable time, under reasonable conditions, after the election. However, no persons other than the Supervisor of Elections or his or her employees or the Canvassing Board shall handle any official ballot.

Optical Ballot Scanner Used at the Polling Place

Frequently Asked Questions About the DS200

- **Why is Pinellas County using paper ballots?**
Effective July 1, 2008, the Florida Legislature mandated that all Florida voters vote a paper optical scan ballot whether voting by mail, at an early voting site or at the polls on Election Day.
- **What voting system does Pinellas County use?**
Voters are using the Election Systems & Software DS200 (Digital Scanner), with the AutoMark Voter Assist Terminal ballot-marking device for voters with special needs or disabilities.
- **Have other counties and/or states been using this system?**
More than 30 counties in Florida have been using voting systems manufactured by Election Systems & Software for years. Although Pinellas was one of the first counties in the country to use the latest digital scanner model, the DS200, other Florida counties began using the system in the fall of 2008.
- **What does the optical scan paper ballot look like?**
The paper ballots look exactly like the mail ballots.
- **What happens if I make a mistake on my ballot?**
The voter must return the ballot to a poll worker and ask for another one. The voter can have up to three ballots. The voter will be asked to place the ballot in a spoiled ballot envelope, seal the envelope and hand it to a poll worker.
- **What happens if I make a mistake on the third ballot I am allowed?**
State law does not allow a fourth ballot to be given to a voter. The first two spoiled ballots will be in sealed envelopes, so the third ballot will need to be used.
- **Does it matter how I insert my ballot into the optical scanner?**
No. The ballot can be placed with either end of the ballot into the scanner, with either side up.
- **How do I know that my votes are being counted?**
The scanner screen message indicates that votes are being recorded and the ballot was accepted.
- **What happens if I do not vote in any of the contests?**
The ballot scanner will alert the voter if it does not detect any votes on the ballot. The voter will have the option to accept the ballot as is or return it for corrections.
- **What happens if I do not vote in every contest?**
The optical scanner will accept the ballot and count all contests voted.
- **What happens if I vote for too many candidates?**
The optical scanner will alert the voter if too many candidates are selected in a contest, called an over-vote. The voter will have the option to accept the ballot or return it for corrections.
- **How will I correct a ballot with one or more overvotes?**
An overvoted ballot cannot be corrected. A poll worker will give the voter a “spoiled ballot” envelope for the first ballot and then give the voter a new ballot.
- **Can I write in a candidate?**
Only contests in which there is a certified qualified write-in candidate will provide a space to write in a candidate’s name and fill in the oval, and only votes for certified qualified write-in candidates will be counted.
- **Can I change my ballot once it has been scanned and accepted by the ballot scanner?**
No. Once a ballot has been accepted, it cannot be retrieved.
- **Is there a paper trail?**
Yes. The voter’s paper ballot secured in the ballot box is the official record of votes cast and is available for recounts or audits.

ADA Accessible Voting Terminal

The AutoMark

The AutoMark is an ADA accessible voting terminal that allows voters with disabilities and other special needs to mark a paper ballot privately and independently.

This voting technology includes an audio headset, Braille keypad, touch screen, two-switch paddle and sip-and-puff devices to assist voters with their ballots. The AutoMark will mark the voter's selections on a paper ballot. From there, the voter will place the ballot in the ballot scanner, which will record his/her votes and deposit the ballot in a secure ballot box.

The AutoMark only marks the ballot. All votes are recorded on the DS200 ballot scanner.

Optical Ballot Scanner — Central Counter

The DS850

The DS850 processes and tabulates all mail ballots and provisional ballots. The DS850 will "out stack" all overvoted ballots and ballots that appear blank. These ballots are then presented to the Canvassing Board, who is responsible for determining voter intent.

Ballots that are clearly overvoted and blank will be processed through the DS850 as is. Ballots that the Canvassing Board determines voter intent are then duplicated and processed through the DS850.

To duplicate a ballot means the Canvassing Board determines voter intent and properly marks a "new" ballot that is able to be read by the DS850. All original ballots are kept as part of the election.

A third-party voter registration organization does not include a person who seeks to register to vote or collect voter registration applications from that person's spouse, child, or parent, or a person engaged in registering to vote or collecting voter registration applications as an employee or agent of the Division of Elections, Supervisor of Elections, Department of Highway Safety and Motor Vehicles, or an official voter registration agency.

Definition of an Affiliate Organization (of a Third-Party Voter Registration Organization) - Division of Elections Rule 1S-2.042

An affiliate organization of a third-party voter registration organization means any person, as defined in F.S. 1.01(3), that is associated with the third-party voter registration organization as a subordinate, subsidiary, member, branch, chapter, as a central or parent organization, or through direct or indirect ownership or control. Ownership or control means substantial and effective, though not necessarily predominant, ownership or control.

Engaging in Third-Party Voter Registration Activities - F.S. 97.0575

Prior to engaging in any voter registration activities, the third-party voter registration organization shall file form DS-DE 119 to provide required information about its registered agent and officers. This form must also list all employee/paid registration agents collecting applications on behalf of the organization.

No Voter Registration Applications can be provided to the organization until the Division assigns it an identification number, which must be listed on each application.

Third-Party Voter Registration Organizations (cont.)

Engaging in Voter Registration Activities - F.S. 97.0575 (continued)

For each registration application collected and not turned in promptly by the third-party voter registration organization, there are fines associated:

- \$50 for each registration application collected and turned in or postmarked more than 10 days after it was delivered by the applicant; \$250 for each application collected and turned in or postmarked more than 10 days after it was delivered by the applicant if the agent acting on behalf of the third-party registration organization acted willfully.
- \$100 for each application collected and turned in or postmarked after the voter registration deadline (book closing); \$500 for each application collected and turned in or postmarked after the voter registration deadline (book closing) if the agent acting on behalf of the third-party registration organization acted willfully.
- \$500 for each application collected and never turned in; \$1,000 for each application collected and never turned in if the agent acting on behalf of the third-party registration organization acted willfully.

Total aggregate fines for any third-party voter registration organization are capped at \$1,000 per calendar year. The Secretary of State has the ability to waive fines upon a showing that failure to deliver the voter registration applications resulted from *force majeure* or impossibility of performance.

Provisional Ballots

When is a Voter Entitled to Vote a Provisional Ballot? - F.S. 101.048 & F.S. 101.045

A voter is entitled to vote a provisional ballot for the following reasons:

- Voter's name cannot be found on the EViD and eligibility cannot be verified.
- Voter refutes the supervisor's office confirmation that he or she is not eligible.
- The electronic pollbook shows that the voter has requested a mail ballot, the voter does not have a ballot to surrender and the poll worker cannot verify that the voter has not voted.
- There is an indication on the precinct register that the voter has returned the mail ballot or has voted in the office or at an early voting site, but the voter maintains that he or she has not voted, even after a call to the office.
- There is an indication on the precinct register that the voter's registration information has not been verified by the Department of State.
- Voter did not provide picture and signature identification.
- There is an indication on the precinct register that the voter has been challenged in this election.
- Voter is challenged at the precinct.
- A voter whose signature differs from the ID presented and the voter refuses to complete the affidavit.
- A voter who makes an out-of-county address change at the polls must vote a provisional ballot, unless the county uses electronic poll books at the polling place.

A provisional ballot is a conditional ballot whose validity is determined by the Canvassing Board. A voter who casts a provisional ballot has the right to present written evidence supporting his/her eligibility to vote to the Canvassing Board by no later than 5:00 p.m. on the second day following the election.

Provisional ballots that are accepted by the Canvassing Board will be tabulated and included in the first set of unofficial results and in the final official results. The voter will also be notified in writing that his/her ballot was accepted. If the Canvassing Board determines the voter was not eligible to vote, the certificate envelope containing the ballot will not be opened and the voter will be notified in writing why his/her ballot was not accepted.

Election Results

Election Results Provided Election Night - F.S. 102.141(4) & Division of Elections Rule 1S-2.013

The Supervisor of Elections Office will post unofficial results to our website at VotePinellas.com after 7:00 p.m. election night. The first results posted are early voting returns and partial mail ballot returns. Precinct results will be added as they are received (via modem) from the polling places. Provisional ballot and write-in results are not available election night.

For countywide General Elections, 10-day overseas mail ballot returns will not be available until 10 days after the election (this includes ALL contests and questions, including local contests and questions, on the 10-day overseas ballots).

Unofficial Results & Determining a Recount - F.S. 102.141(5)(7), 102.166

The first set of unofficial results must be submitted to the Division of Elections no later than Noon of the third day after the Primary Election and no later than Noon of the fourth day after the General Election. The first set of unofficial results must include provisional ballots and votes for qualified write-in candidates.

If the first set of unofficial results reflect that a candidate for any office was defeated or eliminated by one-half of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-half of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-half of a percent or less of the votes cast on such measure, a MACHINE RECOUNT will be ordered. The results of a machine recount are considered the second set of unofficial results.

If the second set of unofficial results reflect that a candidate for any office was defeated or eliminated by one-quarter of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-quarter of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-quarter of a percent or less of the votes cast on such measure, a MANUAL RECOUNT will be ordered.

A candidate can choose NOT to proceed with a machine or manual recount by submitting a written request to the Supervisor of Elections office if the contest is within the boundaries of Pinellas County. Multi-County, State and Federal candidates must submit their requests to the Department of State.

The second set of unofficial results must be submitted to the Division of Elections no later than 3:00 p.m. on the fifth day after the Primary Election and no later than 3:00 p.m. of the ninth day after the General Election.

Final Official Results - F.S. 102.112

Final Official Results must be submitted to the Division of Elections by 5:00 p.m. of the seventh day after the Primary Election and by Noon of the 12th day after the General Election.

Contest of Election

Filing a Contest of Election - F.S. 102.168

The certification of election or nomination of any person to office, or of the result on any question submitted by referendum, may be contested in circuit court by any unsuccessful candidate for such office or nomination thereto or by any elector qualified to vote in the election related to such candidacy, or by any taxpayer respectively.

A contest of election must be filed with the fees prescribed with the clerk of the circuit court within 10 days after midnight of the date the official results were certified.

The grounds for filing a contest of election are as follows:

- Misconduct, fraud, or corruption on the part of any election official or any member of the Canvassing Board sufficient to change or place in doubt the result of the election.
- Ineligibility of the successful candidate for the nomination or office in dispute.
- Receipt of a number of illegal votes or rejection of a number of legal votes sufficient to change or place in doubt the result of the election.
- Proof that any elector, election official, or Canvassing Board member was given or offered a bribe or reward in money, property, or any other thing of value for the purpose of procuring the successful candidate's nomination or election or determining the result of any question submitted by referendum.

Manual Post-Election Audit

Conducting the Manual Post-Election Audit - F.S. 101.591 & Division of Elections Rule 1S-5.026

Immediately following the certification of each election, the Canvassing Board must conduct a manual post-election audit of the voting system. However, if a manual recount is undertaken pursuant to F.S. 102.166, the Canvassing Board is not required to perform the manual post-election audit.

The Canvassing Board must randomly select a contest or question that appears on the ballot. From the contest or question that is selected, the Canvassing Board must then randomly select 2% of the precincts that were eligible to vote for that contest or question. For example, if the Canvassing Board selected a state house district contest, the Canvassing Board would select 2% of the precincts that were eligible to vote for that contest. If the Canvassing Board selected a countywide referendum question, the Canvassing Board would select 2% of all the precincts in the county.

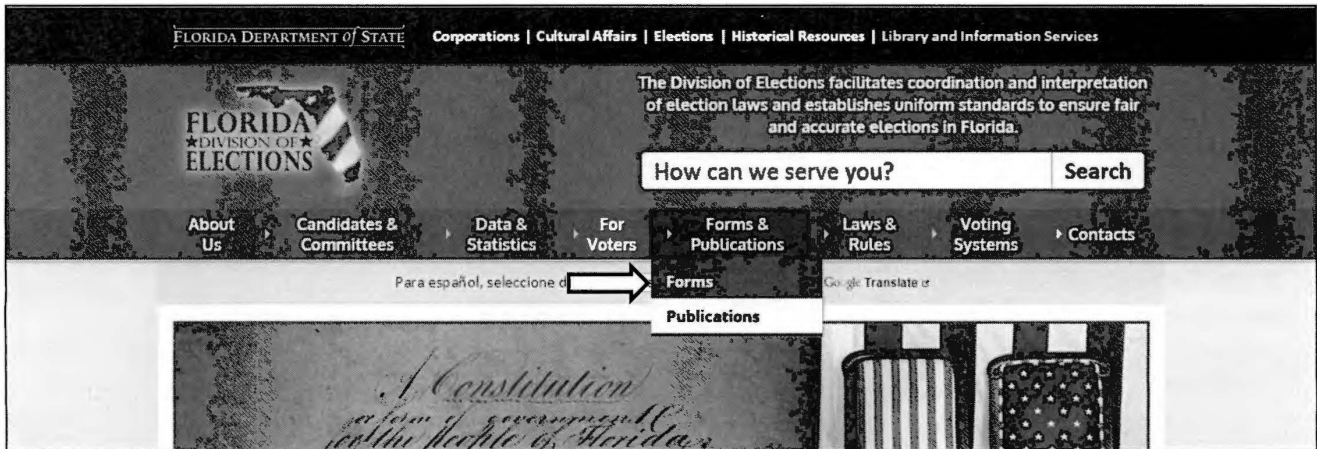

Once the contest/question and precinct(s) have been randomly selected, the mail, early voting, election day and provisional ballots cast would be retrieved and the Canvassing Board or audit teams would manually audit the votes for the contest/question selected. The results of the manual audit would be compared to the results from the tabulation system. The Division of Elections provides the Canvassing Board with tally sheets and a report form to be completed. The results of the audit must be made available to the public within seven days of certification and must be sent to the Division of Elections within 15 days after the completion of the audit.

The random selection of the contest/question and precinct(s) and the audit process are open to the public. Notices are posted to our website at VotePinellas.com and at each of the entrances to our offices (notices must be posted at least 24 hours before each meeting).

AFFIDAVIT OF UNDUE BURDEN (Section 99.097(4), Florida Statutes)

IMPORTANT: (1) Paying signature gatherers will preclude or invalidate the filing of an undue burden oath. Section 99.097(6), Florida Statutes, provides: (a) If any person is paid to solicit signatures on a petition, an undue burden oath may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition. (b) If an undue burden oath has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any submitted thereafter shall be paid by the candidate, person, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, any monetary contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of the undue burden oath. [Note: The second sentence in (b) applies only when payment is made to a signature gatherer after an undue burden oath had been filed.]

(2) Upon a candidate terminating the campaign, any candidate who qualified by the petition process and who has surplus funds, must first apply the surplus funds to the reimbursement of the signature verification fee (if applicable). See s. 106.141(7), Florida Statutes.

I certify under oath that I intend to qualify as a candidate for the office of _____ and that I am unable to pay the fee for verification of petition signatures for that office without imposing an undue burden on my personal resources or on resources otherwise available to me.

FILING INSTRUCTIONS:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format) and send it to CEForm1@leg.state.fl.us. Do not file by both mail and email. Choose only one filing method. Form 6s will not be accepted via email.

Candidates file this form together with their filing papers.

MULTIPLE FILING UNNECESSARY: A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHEN TO FILE: Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2017.

What's shown in an online financial report?

As you know, Florida law requires that candidates and political committees file reports with the Supervisor of Elections. These reports detail all contributions received and expenditures made by or on behalf of the candidate/committee. The **Voter Focus Campaign Financial Reporting** system gives campaign treasurers an easy way to complete and file these required reports online.

Each report generated by the **Campaign Financial Reporting** system is a PDF file that can be viewed in Adobe® Acrobat® Reader. Since Pinellas County requires electronic filing, the PDF is submitted online and signed by the candidate's and treasurer's electronic personal identification numbers (PINs).

Once a report is accepted by the Pinellas County Supervisor of Elections, it will appear on the elections website and can be viewed by the public. Along with the financial reports, you have the option of providing a short description (or "bio") of the candidate/committee and a photograph.

What do I need to create reports online?

- **A computer equipped with:**

- An Internet connection.
- A web browser configured to accept cookies and with pop-up blockers disabled. In this document, the examples shown use Internet Explorer.
- Adobe® Acrobat® Reader, which you will need to view and print your reports. If you don't have the Reader software on your computer, you can download it free of charge from:
 - a link in the Campaign Financial Reporting System (see page 19)
 - or
 - www.adobe.com
- A printer, if you want a hard copy of the report for your records.

- **A candidate ID and password.**

This will be provided to you by Pinellas County Supervisor of Elections office. Candidates need a new ID each time they run for office, even when they are running for re-election to the same office. Committees also need a new ID for each election.

The password can be changed after you log in, if you wish.

- **PINs for the candidate and campaign treasurer password.**

Since Pinellas County Supervisor of Elections requires electronic submission of financial reports, two 4-digit PINs will be provided to you by the elections office. You can change the PINs after logging in if you wish.

(See page 53 for instructions.)

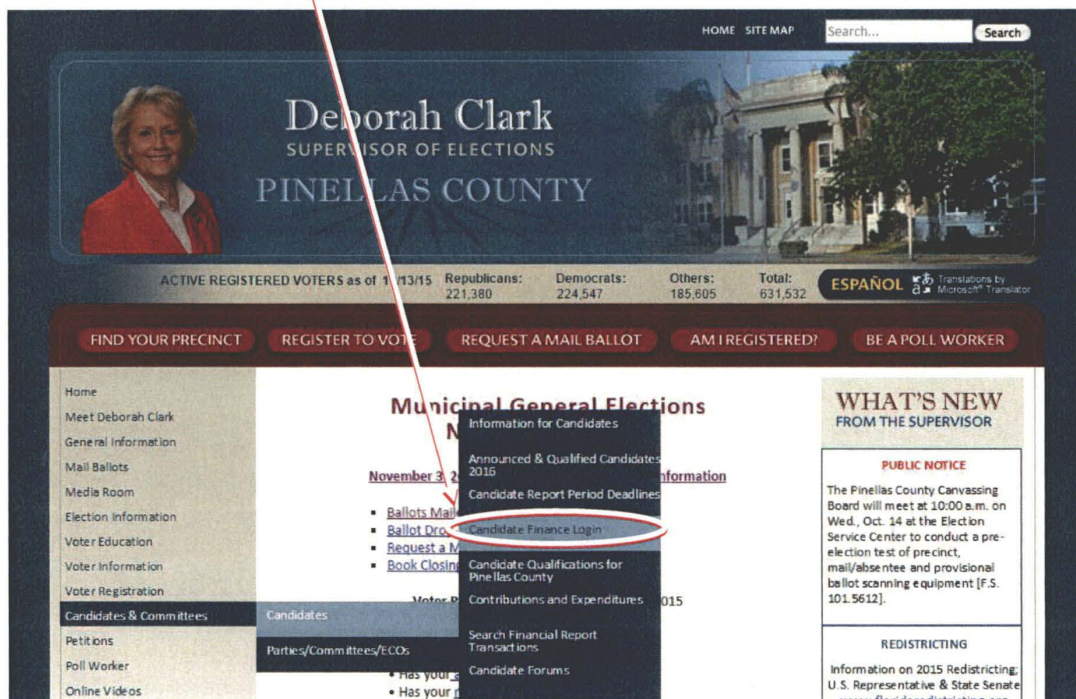

How do I start?

Log into the Campaign Financial Reporting system like this:

- 1 Type the Pinellas County Supervisor of Elections address into your browser:

VotePinellas.com

- 2 Go to the left hand page menu and select Candidates & Committees > Candidates > Candidate Finance Login.

3 You'll then see the Candidate Log In page:

The image shows a login form with a light orange background. It contains three main elements: a text label "Numeric ID (no leading zeros)" followed by an empty input box, a text label "Password" followed by an empty input box, and a "Login" button to the right. Below the input boxes is a link labeled "FORGOT PASSWORD?". Two red arrows point from the text below to the input boxes: one points to the Numeric ID box and the other points to the Password box.

4 Enter your candidate ID and password here.

The password is case-sensitive. That means you have to enter the password in exactly the form given to you by the elections office: if a letter is uppercase, you must enter it in uppercase; the same goes for lowercase letters. Your password might also have numbers.

By the way...you can change your password once you get on the system.
We'll explain how to do this on page 53.

5 Click .

What you see when you log in.

This is the main page of the Campaign Financial Reporting System. It shows the reporting periods for the campaign. We call this page the *Report List*.

Time periods when financial reports are required.
Colors indicate reporting periods:

- Past Reporting Periods (beige)
- Current Reporting Periods (green)
- Future Reporting Periods (blue)

The reporting periods are color-coded to help you choose the correct period for reporting data.

The past and future reporting periods are locked to prevent you from inadvertently entering current data into a past or future report. If you need to enter past or future data, you can easily unlock the report by clicking .

The colors of the reporting periods switch automatically at midnight on the due date of the current report.

If any of your reports are overdue or the due date is less than 10 days away (that is, 9 or fewer days from today), you'll see a message like this at the top of the page:

About Petty Cash

In *Expenditure Type*, notice that there are two types for petty cash:

- Use *Petty Cash Withdrawn* when withdrawing funds from the campaign account for petty cash. This will add an expenditure of the entered amount to your report.
- Use *Petty Cash Spent* to record an expense out of petty cash.

***Petty Cash Spent* does not add an expenditure to the report because the expenditure was already recorded as *Petty Cash Withdrawn*.**

It's important to keep accurate petty-cash records so your final report will balance.

When you've completed the form, click **Submit**.

After the expenditure is saved, you'll get another blank form where you can add the next expenditure.

Click **Cancel** when you've saved the last expenditure you want to add right now.

Expenditure type

should be one of these:

Disposition of Funds

Pro-rata refunds to contributors, donations to charitable organizations, donations to the State general revenue fund, or the return of matching funds to the State.

Want to see how the report is adding up? Just do a preview.

Previewing of reports isn't required. But it's a good idea to preview the report before you submit it, to catch any data entry errors, missing transactions, or other anomalies.

You can preview a report as many times as you like, make changes, and preview it again until you are confident it is correct and complete. Then you can submit the finished report to the Supervisor. Once a report has been submitted, it cannot be changed, so you want to be sure you preview each report carefully.

Previewing a report DOES NOT submit the report to the Supervisor.

Forgot to add a contribution or expenditure?

That's OK: You can continue to add them after doing the preview.

On the Report List, notice that the **Prepare Totals** button is now labeled **Preview**.

You can click **Preview** at any time you want to look at the report. If transactions are added, the button label will switch back to **Prepare Totals**, which means you need to total the new transactions into the report before you can preview it again.

How do I record a distribution?

Distributions are not typically used by local candidates. Check with your Supervisor of Elections to determine if your campaign should record distributions.

A transaction is a distribution only if it is a:

Credit Card Payment – Linked to the expenditure that represents payment of the credit card bill on which the purchase appears. *Only statewide candidates may use this type of distribution.*

Each purchase made with the credit card will be itemized under and linked to the expenditure that represents payment of the credit card bill on which the purchase appears. The credit card may be used only for travel-related expenses.

Prepaid Distribution – Reserved for up-front, lump sum payments to be disbursed to different entities at a later date. (For example, payment to a media consultant who then makes disbursements to newspapers and television stations.) Related entries under will be reported and linked to the expenditure as they occur.

Reimbursement – Reimbursement for authorized expenses made in connection with the campaign. (For example, Candidate Smith paid for printing of campaign signs with his own money. A check to reimburse him for the cost would be recorded as a Reimbursement.)

Distributions do not add to your report totals.

They are used only to report pro-rata amounts of an already recorded expenditure to provide detail for:

- Refunds to contributors
- Donations to charitable organizations
- Contributions to political parties
- Donations to the State general revenue fund
- Return of matching funds to the State

To record a distribution:

How do I import data from my campaign application?

Candidates or committees using campaign finance reporting software such as Campaign ToolBox™ can import contribution, expenditure, distribution, and fund-transfer data from a file created by the application directly into the Campaign Financial Reporting system.

Import File Requirements

The system can import any file that meets the Division of Elections Campaign Finance Reporting File Specifications:

[Dos.myflorida.com/elections/candidates-committees/campaign-finance/filing-campaign-reports/](https://dos.myflorida.com/elections/candidates-committees/campaign-finance/filing-campaign-reports/)

For a list of State-approved software vendors for electronic filing, see:

[Dos.myflorida.com/elections/candidates-committees/campaign-finance/filing-campaign-reports/vendors/](https://dos.myflorida.com/elections/candidates-committees/campaign-finance/filing-campaign-reports/vendors/)

When you import data from a file, the transactions are added to the report you are working in. Be sure to review the report prior to submission to verify the data matches what you intended to import, and make any adjustments manually.

Don't worry if you happen to import the same file more than once. The system will import only the transactions it doesn't already have. It won't duplicate existing transactions.

To import data for the current reporting period:

On the main page, locate the row for the current reporting period (look for the green row) and click .

Current reporting period is shown in green.

Contributions from persons with protected-address status are not shown in reports. Instead, the notation *****Protected***** will be seen in place of the address. The Campaign Financial Reporting system scans the county's voter registration database for voters with protected addresses and automatically redacts those addresses from campaign reports, so they cannot be seen by the public or the Supervisor's staff. If you are aware of a contributor with a protected address who is not in Pinellas County's voter database, please advise our Supervisor of Elections office by phone at (727) 464-6108 or email: Election@VotePinellas.com.

How do I export data to a spreadsheet?

The system has two ways to export your financial data to a Microsoft Excel comma-separated values (.CSV) file:

collects all data for the selected report.

collects all data from all reports in this election.

Both options create a file named **CFinExport.csv** in your C:\Temp folder.

When you click either button, you'll see a message asking if you want to open or save the file. You can view the file immediately or save it to a different name and location, if you like.

The spreadsheet file contains this information:

- Date the item was recorded
- Whether it's a contribution (C) or an expenditure (E)
- Contributor or vendor name and address
- Contribution type
- Contributor's occupation
- Item type
- Description
- Amount
- Whether the item was recorded in the original report (blank) or an amendment (A)

What reporting is required at campaign end?

On the Report List, you will see a section for the termination report, which is the absolute last report that will be submitted by your campaign. This report states the financial status of your campaign after all contributions and expenditures have been reconciled. It should also show how any surplus funds were disposed of.

The termination report might not appear in the Report List at the beginning of the campaign, but the elections office will add it to your reporting dates at the appropriate time. Note that it might not be named *Termination Report*. The elections office can give it any name, such as *2015-Final*, like the example here.

				Prepare Totals Create Waiver
			No Data Entered Unlock this report	Import Entries Enter Contributions Enter Expenditures Prepare Totals Create Waiver
	2015-Final (10/01/2015 - 10/31/2015) 11/10/2015	-	-	

When it's time to file the termination report, its row will turn green.

To file this report, you will need to add any outstanding contributions and expenditures that haven't been reported in an earlier report.

If surplus funds remain in the campaign account, the termination report should include an expenditure that disposes of those excess funds. When you enter this expenditure, be sure to select **Disposition of Funds** for the **Expenditure type**.

To report on the disposition of surplus funds, select one of the **Disposition of Funds** options in the **Expenditure type** field. For a description of each type, see page 15.

Campaigns sometimes confuse **Disposition of Funds** and **Enter Distributions**. Remember that **Disposition of Funds** is a type of **expenditure**, whereas a **distribution** is a type of transaction referring back to a previously recorded expense.

When you return to the list of expenditures for the termination report, you will see the item listed, but the amount will not be reflected in the total expenditures for the period. Nor will the amount be included on the Report List—in the **Total Exp** column—although it will be counted as an “item.” This design is in accordance with Division of Elections requirements.

The item in the photo area need not be a photograph. Committees might prefer to show their logo instead. But the file placed in this area must be a JPEG file. That is, the file's 3-character file extension must be .JPG.

The system won't accept a JPEG file that's larger than 500 KB. It's best to use an even smaller file if you can, because smaller files display more quickly to website visitors than large ones, especially if a visitor has a slow Internet connection.

Note Images with large dimensions (that is, large pixel sizes) might not display properly in certain older browsers.

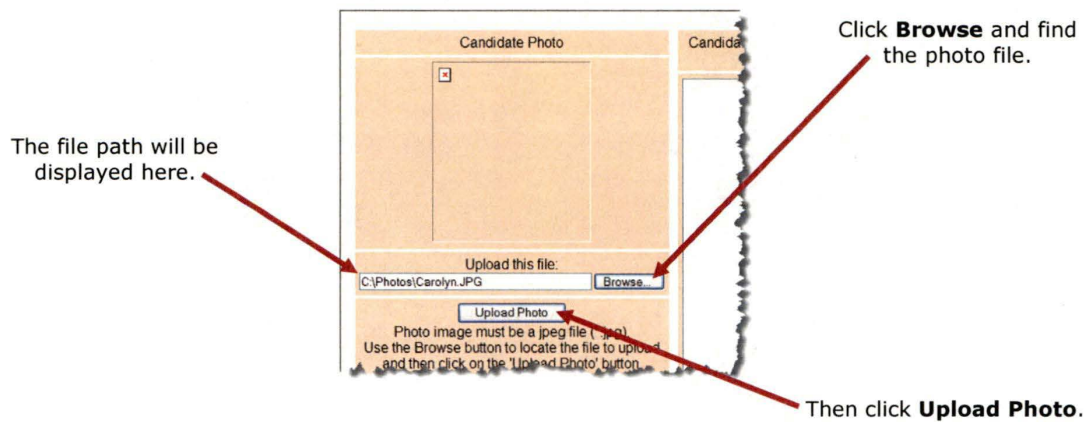

To enter a photo:

On the main page, click the yellow button.

to bring up the Candidate/Committee Bio page:

Click **Browse** and navigate to the JPEG file you want to use. Then click **Upload Photo**.
