Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Elijah Manley

Case No.: FEC 20-412

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on August 25, 2021, the following facts and law support this staff recommendation:

1. On September 23, 2020, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Elijah Manley (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2020 candidate for State Representative, District 94. Respondent was acting as his own treasurer. (ROI Exhibit 1, page 1)¹

3. By letter dated January 11, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2020 candidate for State Representative, District 94, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer’s reports, as alleged in the complaint.

- 2020 M2
- 2020 M3
- 2020 M4
- 2020 P2
- 2020 P3
- 2020 P4
- 2020 P6
- 2020 P7

4. On December 13, 2019, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer. (ROI Exhibit 1, page 1)

5. By letter dated December 16, 2019, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2020 active candidate list. (ROI Exhibit 2, page 1)

¹ The Report of Investigation is referred to herein as “ROI.”

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 2, page 1) The letter further advised Respondent that all the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 2, page 2)

Alleged Violation: Section 106.07(2)(b)1., Florida Statutes

7. The campaign’s 2020 M2 Report was filed on April 1, 2020; the 2020 M3 Report was filed on May 3, 2020; the 2020 M4 Report was filed on July 7, 2020; the 2020 P2 Report was filed on July 3, 2020; the 2020 P3 Report was filed on July 17, 2020; the 2020 P4 Report was filed on July 24, 2020; the 2020 P6 Report was filed on August 7, 2020; and the 2020 P7 Report was filed on August 15, 2020. (Attachment A) The reports were incomplete when filed. (ROI Exhibits 3-8)

8. The Division sent 17 letters regarding the erroneous reports. The letters notified Respondent that the campaign’s reports were incomplete and that Respondent was required to amend the reports within seven days of receipt of the notifications. An Error Report showing why each of the relevant reports was incomplete was attached to every notification. (ROI Exhibits 3-8) The final notification letters were confirmed delivered. (ROI Exhibit 4, page 8; ROI Exhibit 6, page 4; ROI Exhibit 8, page 11)

9. As of January 12, 2021, Respondent had not filed the required amendments to the reports. (ROI Exhibit 9, page 1)

10. Respondent stated that he tried to amend the reports after the deadline and that he did not have a paid treasurer to keep track of his finances. Respondent was uncertain as to whether he possessed or read Chapter 106, Florida Statutes; however, Respondent stated that he possessed and read the *Candidate and Campaign Treasurer Handbook*. Respondent was not a first-time candidate. (ROI Exhibit 10, page 2)

11. Respondent failed to timely amend the campaign’s 2020 M2, 2020 M3, 2020 M4, 2020 P2, 2020 P3, 2020 P4, 2020 P6, and 2020 P7 Reports within seven days of receiving notification from the Division.

12. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

13. The facts set forth above show that Respondent was a 2020 candidate for State Representative, District 94. Respondent failed to timely file the required amendment to the campaign's 2020 M2, 2020 M3, 2020 M4, 2020 P2, 2020 P3, 2020 P4, 2020 P6, and 2020 P7 Reports within seven days of receiving notification from the Division that the reports were incomplete and required amendment.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about August 6, 2020, Elijah Manley violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2020 M2 Report within seven days after receiving notice from the Department of State, Division of Elections, that the report required amendment.

Count 2:

On or about August 6, 2020, Elijah Manley violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2020 M3 Report within seven days after receiving notice from the Department of State, Division of Elections, that the report required amendment.

Count 3:

On or about August 29, 2020, Elijah Manley violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2020 P2 Report within seven days after receiving notice from the Department of State, Division of Elections, that the report required amendment.

Count 4:

On or about September 5, 2020, Elijah Manley violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2020 M4 Report within seven days after receiving notice from the Department of State, Division of Elections, that the report required amendment.

RE: Case No.: FEC 20-412; Respondent: Elijah Manley

Dear Mr. Manley:

On September 23, 2020, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation(s):

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2020 candidate for State Representative, District 94, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer's reports, as alleged in the complaint.

- 2020 M2
- 2020 M3
- 2020 M4
- 2020 P2
- 2020 P3
- 2020 P4
- 2020 P6
- 2020 P7

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Charles Mellow**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Charles.Mellow@myfloridalegal.com.
