Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**ORDER OF PROBABLE CAUSE**

**THIS MATTER** was heard by the Florida Elections Commission (“Commission”) at its regularly scheduled meeting held on August 20, 2025, at 1:00 p.m. via Zoom teleconferencing.

On January 10, 2025, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff’s Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff’s Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violations:

**Count 1:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign’s 2023 M2 Report within seven days after receiving notice from the Division that the report required amendment.

**Count 2:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign’s 2023 M3 Report within seven days after receiving notice from the Division that the report required amendment.

**Count 3:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2023 M6 Report within seven days after receiving notice from the Division that the report required amendment.

**DONE AND ORDERED** by the Florida Elections Commission on August 20, 2025.

**NOTICE OF RIGHT TO A HEARING**

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. You have thirty (30) days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings ("DOAH") if you dispute any material fact in the Staff Recommendation. You have thirty (30) days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present

evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within thirty (30) days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida 32399-6596. The telephone number is (850) 922-4539. The Clerk will provide you with a copy of Chapter 28-106, *Florida Administrative Code*, and other applicable rules upon request. No mediation is available.

**Subject:** RESPONSE

Dear Ms. Mattie Clay Esq.,

This is my response to case no.s FEC24-133 and FEC 24-052

The Treasurer's report was filed in a timely fashion. My recorded address on the certificate as Treasurer was 1215 Gator Trail West Palm Beach 33409.

There was no issues with correspondence at first.

Subsequently, we changed our address to 225 Ocean Breeze # 6 Lake Worth Beach 33460, which we reported.

After moving to the Ocean Breeze address a report needed corrections which we did not receive notice of. The notice of the needed changes went to a Jupiter address with out explanation.

A agent finally called for the corrections and we gave him the new proper address on Ocean Breeze.

We made those corrections.

There was never a failure to file, only a lateness for corrections caused by a improper address for the notice. Thank you very much.

Respectfully,

Leslie Gibbs

**Case No.: FEC 24-052**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on November 4, 2024, the following facts and law support this staff recommendation:

1. On March 12, 2024, the Florida Elections Commission (“Commission”) received a referral from the Florida Division of Elections (“Complainant” or “Division”) alleging that Leslie Gibbs (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was the treasurer for Katherine Waldron, a 2024 candidate for State Representative, District 93. (ROI Exhibit 1, page 1)<sup>1</sup>

3. The Appointment of Campaign Treasurer and Designation of Campaign Depository form (“DS-DE 9”) was filed on February 15, 2023, appointing Respondent to serve as the campaign’s treasurer. (ROI Exhibit 1, page 1)

4. By letter dated July 17, 2024, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

**Section 106.07(2)(b)1., Florida Statutes:** Respondent, treasurer for Katherine M. Waldron, a 2024 candidate for State Representative, District 93, failed to timely make necessary amendments to the following campaign treasurer’s reports, as alleged in the complaint:

- 2023 M2
- 2023 M3
- 2023 M6

5. By letter dated February 17, 2023, Donna S. Brown, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received Respondent’s DS-DE 9. (ROI Exhibit 2, page 1)

6. The acknowledgment letter provided Respondent with a user identification number and initial password to grant access to the electronic filing system (“EFS”). The letter further

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

advised Respondent that all the Division's publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 2, page 1)

**Alleged Violation: Section 106.07(2)(b)1., Florida Statutes**

7. The campaign's 2023 M2 Report was filed on March 10, 2023. (ROI Exhibit 5, page 6) The report was incomplete when filed as it reflected two expenditures to the candidate for expenses made by the candidate on behalf of the campaign. (ROI Exhibit 3, page 2; ROI Exhibit 4, page 2; ROI Exhibit 5, page 3)

8. The campaign's 2023 M3 Report was filed on April 8, 2023. (ROI Exhibit 5, page 12) The report was incomplete when filed as it reflected one expenditure to the candidate for expenses made by the candidate on behalf of the campaign. (ROI Exhibit 3, page 2; ROI Exhibit 4, page 2; ROI Exhibit 5, page 9)

9. The campaign's 2023 M6 Report was filed on July 10, 2023. (ROI Exhibit 5, page 18) The report was incomplete when filed as it reflected two expenditures to the candidate for expenses made by the candidate on behalf of the campaign. (ROI Exhibit 3, page 2; ROI Exhibit 4, page 2; ROI Exhibit 5, page 15)

10. The Division sent letters on January 16, 2024, and February 6, 2024, notifying Respondent that the campaign's reports were incomplete and that Respondent was required to amend the reports within seven days of receipt of the notifications. (ROI Exhibit 3, page 1; ROI Exhibit 4, page 1) A Compliance Report showing why each report was incomplete was attached to every notification. (ROI Exhibit 3, page 2; ROI Exhibit 4, page 2) The final notification was confirmed delivered on February 12, 2024. (ROI Exhibit 4, page 3)

11. Respondent stated that he did not receive any assistance, advice, or materials from the Division. Respondent stated that he called the Division, but staff could not explain what corrections were needed. Respondent stated that he did not make any corrections. Respondent stated that he was a first-time treasurer. (ROI Exhibit 7, page 1)

12. As of January 7, 2025, Respondent has not filed the required amendments to the campaign's reports. (Attachment A, pages 1-4)

13. The omitted information triggers issues of transparency, which the Florida Election Code was designed to address. The manner in which the expenditures were reported concealed the true expenditure recipients required under section 106.07(4)(a)6., Florida Statutes. Consequently, the public could not determine the actual venues, events, sponsors, stores, or printing services the candidate used. This omitted information points to potential violations under section 106.07(5), Florida Statutes.

14. Additionally, the transactions, without further explanation, appear to be unlawful as the candidate's finances reflect no prior loans to the campaign under sections 106.11(6) and

106.141(2), Florida Statutes. (Attachment B, pages 1-5) The transfer of funds from the campaign account to the candidate raises concerns under section 106.19(1)(c), Florida Statutes.

15. Finally, if Respondent knew of but failed to report contributions made by the candidate, to which reimbursement was proper, then there are concerns about potential violations under section 106.19(1)(b), Florida Statutes.

16. Commission staff often gives weight to respondents' efforts to mitigate harm caused by their conduct. In this case, Respondent had approximately one year from the time the complaint was filed to seek guidance and correct the reports; however, no corrections have been made. Respondent asserted that the Division offered no help or resources, but this claim appears to be without merit. It seems that Respondent received the acknowledgment letter directing him to review the necessary elections materials on the Division's website. Further, the notice letters expressly stated that the identified expenditures looked like reimbursements and provided the specific page number in the *Candidate EFS User's Guide* to guide Respondent in making the appropriate changes. Based on how detailed and specific the Division's notices were, it is highly unlikely that the Division did not or could not discern what the relevant issues were or how to assist Respondent in remedying the errors.

17. Respondent failed to amend the campaign's 2023 M2, 2023 M3, 2023 M6 Reports within seven days of receiving notification from the Division that the reports were in error and required correction.

18. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

19. The facts set forth above show that Respondent was the treasurer for Katherine Waldron, a 2024 candidate for State Representative, District 93. Respondent failed to timely file the required amendments to the campaign's 2023 M2, 2023 M3, 2023 M6 Reports within seven days of receiving notification from the Division that the reports were incomplete and required amendment.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

**Count 1:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2023 M2 Report within seven days after receiving notice from the Division that the report required amendment.

**Count 2:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2023 M3 Report within seven days after receiving notice from the Division that the report required amendment.

**Count 3:**

On February 19, 2024, Leslie Gibbs violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2023 M6 Report within seven days after receiving notice from the Division that the report required amendment.

Respectfully submitted on January 10, 2025.

  
Mattie T. Clay  
Assistant General Counsel

## FLORIDA ELECTIONS COMMISSION

### Report of Investigation for Failure to Timely Amend

**Case Number:** FEC 24-052

Section 106.07(2)(b)1., Florida Statutes, failure of the treasurer for a candidate or political committee to file an addendum to an incomplete report after receiving notice from the filing officer.

**Respondent:** Leslie Gibbs

**Respondent's Atty:** N/A

**Division of Elections (Division)**

**Referral Filed:** March 12, 2024

**Respondent Type:** Treasurer for Candidate

#### I. Preliminary Information:

1. I investigated whether Respondent violated this section of the election laws by failing to file amended report(s) for the following campaign treasurer report(s) after receiving notice from the filing officer: 2023 M2; 2023 M3; and 2023 M6.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on February 15, 2023. Respondent was appointed as campaign treasurer for Katherine Waldron, a 2024 candidate for State Representative, District 93. To review the DS-DE 9, refer to Exhibit 1.

3. On February 17, 2023, the Division sent Respondent a letter acknowledging Respondent's appointment as the campaign treasurer for Katherine Waldron's campaign. The letter advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 2.

#### II. Alleged Violation of Section 106.07(2)(b)(1), Florida Statutes:

4. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that one or more campaign treasurer report(s) were incomplete. The correspondence included error report(s) referencing the following report(s): 2023 M2; 2023 M3; and 2023 M6. To review the correspondence and error report(s), refer to Exhibit 3.

5. On February 6, 2024, the Division sent a letter marked "Final Notice" with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that one or more campaign treasurer report(s) were incomplete. The letter included an error report referencing the following report(s): 2023 M2; 2023 M3; and 2023 M6. It was confirmed delivered on February 12, 2024. To review the "Final Notice," error report and delivery confirmation, refer to Exhibit 4.

6. As noted above, the "Final Notice" was confirmed delivered on February 12, 2024. The Division filed the referral on March 12, 2024. By filing the referral, the Division affirmed that as of that date, the report(s) at issue had not been amended to correct all errors identified by the Division. To review the report(s) at issue, refer to Exhibit 5.

7. Respondent did not respond to the referral.

8. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent stated that he was a first-time treasurer. He stated that he did not receive any election materials, advice, or assistance from the Division. **RE: Case No.: FEC 24-052; Respondent: Leslie Gibbs**

Dear Mr. Gibbs:

On March 12, 2024, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation:

**Section 106.07(2)(b)1., Florida Statutes:** Respondent, treasurer for Katherine M. Waldron, a 2024 candidate for State Representative, District 93, failed to timely make necessary amendments to the to the following campaign treasurer's reports, as alleged in the complaint:

- 2023 M2
- 2023 M3
- 2023 M6

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violation occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

Re: CAN 83640

Dear Mr. Gibbs:

You have previously been advised that one or more campaign treasurer's reports are incomplete for the reasons noted in the attached error report.

Pursuant to Section 106.07(2), Florida Statutes, you have 7 days from receipt of this letter to correct errors or provide missing information. If the audit states that a written explanation is required, provide the division with a signed letter of explanation addressing the errors noted in the report(s). Your explanation should (1) reference the specific error(s) that occurred; (2) describe how you corrected the errors (example: refunded excess contribution and reported the refund in 2021 M8 report); and (3) list the report(s) and sequence number(s) that were amended to reflect the corrections. Please be advised that if you fail to comply with this request, the Division will forward this matter to the Florida Elections Commission for further action. Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose civil penalties of up to \$1,000 per violation.

If you need assistance in filing an amendment, please contact Tracie Setzer at (850) 245-6280.

Sincerely,
