Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Florida Elections Commission,
Petitioner,**

Case No.: FEC 21-181

v.

**Tammyette Thomas,
Respondent.**

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (“Commission”) at its meeting held on August 20, 2025, at 9:00 a.m. via Zoom teleconferencing.

On February 26, 2024, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff’s Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff’s Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violation(s):

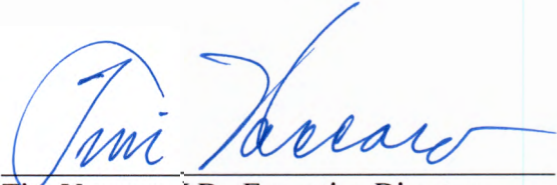

Count 1:

On or around March 4, 2021, Tammyette Thomas violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign’s 2021 TR Report.

THIS SPACE INTENTIONALLY LEFT BLANK

The Commission finds that there is **no probable cause** to charge Respondent with violating Sections 106.07(5), and 106.141(1), Florida Statutes.

DONE AND ORDERED by the Florida Elections Commission on August 20, 2025.

NOTICE OF RIGHT TO A HEARING

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (DOAH), if you dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH

or an informal hearing before the Commission within 30 days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 W. Gaines Street, Collins Building, Suite 224, Tallahassee, Florida 32399-1050. The telephone number is (850) 922-4539. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

Executive Director
Florida Elections Commission
April 26, 2024

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Tammyette Thomas

Case No.: FEC 21-181

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Sections 106.07(5), and 106.141(1), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on July 14, 2023, the following facts and law support this staff recommendation:

1. On March 5, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division” or “Complainant”), alleging that Tammyette Thomas (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2020 candidate for State Representative, District 15. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed October 25, 2019. (ROI Exhibit 2)¹

3. By letter dated October 7, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:²

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, may have certified one or more campaign treasurer’s reports were true, correct, and complete when they were not, based upon an apparent surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, filed a 2020 TR report that may have failed to accurately reflect the disposition of all remaining campaign funds, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, may have falsely reported or deliberately failed to include information in one or more

¹ The Report of Investigation is referred to herein as “ROI.”

² The references to the 2020 TR are scrivener’s errors. The referral’s supporting documentation alleges violations occurring during the 2021 TR reporting period.

campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

4. On October 30, 2019, Respondent filed her Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing Erica Gayden as treasurer for her campaign. (ROI Exhibit 1, page 1) On November 14, 2019, and June 10, 2020, Respondent filed additional DS-DE 9 forms appointing Kendra Kohn-Fitzpatrick and herself as deputy treasurers for her campaign, respectively. (ROI Exhibit 1, pages 2 & 3)

5. By letter dated October 31, 2019, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received her DS-DE 9. (ROI Exhibit 3)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3)

Alleged Violation: Section 106.141(1), Florida Statutes

7. Complainant alleged that Respondent violated Florida’s election laws by failing to dispose of the funds on deposit in her campaign account. *See Compl.*, pp. 1 & 2

8. Respondent was eliminated as a candidate during the 2020 General Election. (ROI, p. 1, ¶1) Respondent was required to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate.

9. A subpoena was issued to Respondent’s designated campaign depository. The campaign’s bank records show that Respondent had a deficit balance of -\$24.24 as of the last day of the 2021 TR reporting period, i.e., February 1, 2021. (ROI Exhibit 5, page 13)

10. It does not appear that Respondent failed to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate.

Alleged Violation: Section 106.07(5), Florida Statutes

11. Complainant alleged that Respondent violated Florida’s election laws by certifying that the campaign’s 2021 TR Report was true, correct, and complete when it was not.

12. On March 4, 2021, Respondent notified the filing officer in writing that she would not be filing her 2021 TR Report. (ROI Exhibit 4; ROI Exhibit 6, pages 1-5 & 23) The requirement under Section 106.07(5), Florida Statutes, to certify as to the correctness of a report does not apply to notifications of no activity submitted to the filing officer pursuant to Section 106.07(7), Florida

Statutes. Therefore, Respondent did not violate Section 106.07(5), Florida Statutes, with regard to the 2021 TR reporting period.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

13. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign's 2021 TR Report. The reporting period at issue ran from October 30, 2020, through February 1, 2021. (ROI Exhibit 6, page 1)

14. The campaign's 2021 TR Report was due on February 1, 2021. On March 4, 2021, Respondent notified her filing officer that she had no reportable financial activity during the 2021 TR reporting period. (ROI Exhibit 4; ROI Exhibit 6, pages 1-5 & 23)

15. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period. Respondent's bank records show financial activity that was required to be reported on the 2021 TR Report. (ROI Exhibit 5)

16. On April 1, 2021, Respondent filed a report. (ROI Exhibit 6, page 24) On July 1, 2021, and July 16, 2021, Respondent filed two amendments to the report. (ROI Exhibit 6, pages 35 & 42) The second amended report disclosed 77 contributions totaling \$146.47 and 60 expenditures totaling \$34,121.99. (ROI Exhibit 6, pages 6-22)

17. Respondent stated that she did not have the bank records necessary to file the 2021 TR. She stated that she later obtained and reviewed the records which showed activity that was not reported by the treasurer. (ROI Exhibit 8, page 1)

18. On February 15, 2021, the Division contacted Respondent's treasurer regarding the 2021 TR Report which was overdue. (ROI Exhibit 7, page 2) On March 2, 2021, the Division received a request from Respondent to reset her EFS password and provided Respondent with a new password by phone that same day. (ROI Exhibit 7, pages 1 & 3) Two days later the notice of no activity was filed despite the bank records showing financial activity. (ROI Exhibit 4; ROI Exhibit 5; ROI Exhibit 6, pages 1-5 & 23)

19. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2021 TR Report, as evidenced by the filing of a notice of no activity, followed by a report and two amended reports.

20. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an

offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

21. The facts set forth above show that Respondent was a 2020 candidate for State Representative, District 15. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2021 TR Report. It does not appear that Respondent failed to dispose of the funds on deposit in her campaign account within 90 days after being eliminated as a candidate. Respondent did not violate Section 106.07(5), Florida Statutes, with regard to the 2021 TR reporting period.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Sections 106.07(5), and 106.141(1), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

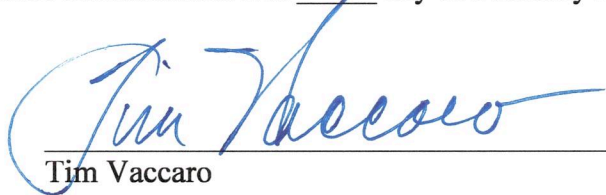

On or around March 4, 2021, Tammyette Thomas violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2021 TR Report.

Respectfully submitted on February 26, 2024.

Stephanie J. Cunningham
General Counsel

I reviewed this Staff Recommendation this 28th day of February 2024.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Apparent Surplus in Campaign Account

Case Number: FEC 21-181

Section 106.141(1), Florida Statutes, failure of a candidate to dispose of funds remaining in the campaign account within 90 days after the candidate withdrew, became unopposed, was eliminated, or elected and to file a termination report (TR) reflecting the disposition of all remaining funds.

Sections 106.07(5) and 106.19(1)(c), Florida Statutes, a candidate certified campaign treasurer report(s) as true, correct, and complete when they were not and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Tammyette Thomas**Respondent's Atty:** N/A**Division of Elections (Division)****Referral Filed:** March 5, 2021**Respondent Type:** Candidate**Additional Section(s):** None**I. Preliminary Information:**

1. Respondent was a 2020 candidate for the Florida House, District 15; she was defeated in the general election held on November 3, 2020. Respondent was a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on October 30, 2019. Erica Gayden was appointed as campaign treasurer. Subsequent DS-DE 9s were filed appointing Kendra Fitzpatrick and Respondent as deputy campaign treasurers. To review the DS-DE 9s, refer to Exhibit 1.

3. Respondent filed a Statement of Candidate with the Division on October 25, 2019, in which Respondent certified she had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on October 31, 2019. The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate & Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.

II. Alleged Violation of Section 106.141(1), Florida Statutes:

6. I investigated whether Respondent violated this section of the election laws by not disposing of all remaining campaign funds within 90 days of being eliminated. To review Respondent's filing history, refer to Exhibit 4.

7. On the date the 2021 TR was due, campaign account records reflect that the balance was \$-24.24.¹ To review the relevant bank statement, refer to Exhibit 5, page 13.

III. Alleged Violation of Sections 106.07(5), 106.141(1), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, falsely reporting or deliberately failing to include information in one or more campaign treasurer report(s) and failing to accurately reflect disposition of all remaining campaign funds in a termination report due to an apparent surplus balance after the TR was filed.

9. I reviewed bank records from the designated campaign depository and compared them with campaign treasurer report(s) covering the following reporting period(s): 2021 TR.² Respondent filed the original 2021 TR on March 4, 2021, which was 31 days late. However, the report did not include any activity. Therefore, none of the reportable financial activity that transpired through the campaign account during the TR reporting period and was required to be included on the TR was reported by the TR due date.³ A review of the bank records reveals that numerous expenditures transpired during the TR reporting period in amounts varying from \$1.87 to \$2,633.27 for purposes such as food, office supplies, online contribution platform fees, and ATM withdrawals. Also, many deposits/credits occurred during the TR reporting period in amounts varying from \$0.44 to \$1,438.32. To review Respondent's filing history, refer to Exhibit 4. To review the bank records, refer to Exhibit 5. To review Division records of the original 2021 TR, refer to Exhibit 6, pages 1-5 and 23.

10. On April 1, 2021, which was almost a month after this referral was filed, Respondent filed an amended 2021 TR in which she disclosed 77 contributions in amounts varying from \$1.00 to \$8.69, and 62 expenditures in amounts varying from \$1.87 to \$2,633.27. She filed further amended TRs in July 2021, in which she revised and/or deleted some of these transactions from the TR. To review the amended 2021 TRs, refer to Exhibit 6, pages 6-22 and 24-44.⁴

11. According to Division records, Division staff spoke with Respondent's campaign treasurer, Erica Gayden, on February 15, 2021. Division staff advised Ms. Gayden that a TR had not been filed for Respondent. Ms. Gayden reportedly indicated that she would file the TR the next day. However, as noted above, the original TR was not filed until March 4, 2021, and it did not include any activity. An amended TR disclosing a large amount of activity was filed on April 1, 2021, which was after this referral was filed. Division records show Respondent had requested a reset of EFS credentials on March 2, 2021, and Division staff released them to her by phone on the same date. To review the Division records, refer to Exhibit 7.

12. Respondent did not respond to the referral.

¹ I subpoenaed campaign account records from the designated campaign depository. The account was taken to a -\$88.24 balance on 2/19/21, after which \$590.00 was deposited into the account to cover outstanding check #1073, leaving the account balance at \$1.76 on 2/19/21. On 3/22/21, the \$1.76 balance was transferred to another account, which zeroed out the campaign account. The account remained open and was charged off and closed on 1/8/22.

² The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions.

³ Some checks that posted to the account during the TR reporting period were dated prior to the TR reporting period, and some deposits that occurred during the TR reporting period were disbursements from online contribution platforms that may have been comprised of online contributions made prior to the TR reporting period.

⁴ The accuracy of the amended TR is not analyzed in this report since it was not filed until after this referral was filed.

13. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent stated she was a first-time candidate and had a first-time campaign treasurer. Respondent stated she did not have bank records to file her TR, but she later obtained and reviewed the bank records, which showed a lot of activity that was not reported by the campaign treasurer. Respondent stated that on April 1, 2021, she filed a TR to reflect that activity. To review the phone log, refer to Exhibit 8.

RE: Returned mail			
I made contact with Ms. Erica Gayden (Treasurer – 74674) regarding returned mail. Ms. Gayden confirmed that the address on file is correct. I advised her that the letter would be re-mailed to her. Ms. Gayden inquired about the contents of the letter. I told her the letter was in reference to either a termination report or notification reportable activity occurred. I checked the on-line reporting system and advised Ms. Gayden that a termination report had not been filed. Ms. Gayden advised that she would file the report tomorrow. KAF

**FLORIDA ELECTIONS COMMISSION
PHONE LOG
Case No.: FEC 21-181**

Respondent: Tammyette Thomas

Complainant: Division of Elections

1. **Date and time:** January 10, 2023; 5:59 p.m.

Name: Respondent—Tammyette Thomas

Phone #: 904-424-6365

Summary: I phoned, identified myself, requested to speak with Respondent, Respondent confirmed I had reached her; I asked if she had time to discuss the case and she confirmed. I reminded Respondent that I sent an email introducing myself and identifying the sections of law I'm investigating. Respondent said this has been "going on for two years now," she is ready to discuss the case; she was a first-time candidate and had a first-time treasurer. She said she called our office (the Division), spoke with Mr. Howard and attempted to make the required corrections. I said that we and the Division are separate agencies.

I explained that I am investigating activity in her campaign account during and after the TR reporting period (October 30, 2020—February 1, 2021) that was not reported as she filed a late notice of no activity (Waiver of Report) on March 4, 2021, and it appears the account had a (\$39,992.13) surplus balance based upon the Sum of Contributions vs. Expenditures report on that date which raised a red flag for the Division; therefore, on March 5, 2021, the Division made the referral to us to investigate. Subsequently, on April 1, 2021, a TR was filed adding contributions and expenditures; on July 1, 2021, an amendment to the TR was filed adding, deleting and/or updating financial activity; on July 16, 2021, another amendment was filed with the Division. On March 2, 2021, Respondent requested the EFS credentials—password reset. [Currently, there is a surplus of \$1,553.00 based on running totals of contributions and expenditures on the Division's website.]

Respondent said she did not have the bank records to file a TR, but later, she obtained and reviewed the bank records that showed a lot of activity that was not reported by the campaign treasurer; on April 1, 2021, she filed a TR to reflect that activity. I explained to her that any activity that was not on the original (notice of no activity/Waiver) raised a red flag and indicated the original was certified as true, correct, and complete when it was not; and based upon the bank records, there were contributions and expenditures that were not reported when the Waiver, TR reporting period, was filed.

I explained that activity was not reported even after the subsequent amendments were filed including the following: the account was overdrawn on January 30, 2021; an ACH return charge (\$32) on February 10, 2021; an NSF bank fee (\$32) on February 19, 2021; a \$590 contribution on February 19, 2021, .to cover check # 1073 for \$500; Respondent added that was to pay a consultant (which was written in the memo line on the check). I explained that the check was dated November 8, 2020 but presented for payment on February 18, 2021. Respondent added that she did not know that she/consultant had held the \$500 check and it hadn't cleared the account; Respondent said she added \$590 so the check would clear the

account. I explained our process in detail and encouraged Respondent to respond in writing to the ROI and the SR; Respondent confirmed.

RE: Case No.: FEC 21-181; Respondent: Tammyette Thomas

Dear Ms. Thomas:

On March 5, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. Our Executive Director has reviewed the complaint and finds that it contains one or more legally sufficient allegations. I will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, based upon an apparent surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, filed a 2020 TR report that may have failed to accurately reflect the disposition of all remaining campaign funds, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 15, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

I will contact you by phone at the number provided above to conduct a phone interview within the next week regarding information I have obtained and the allegations in the complaint. When the investigation is concluded, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

If you have any questions, please contact me, the investigator assigned to this case, by email at Helen.Hinson@myfloridalegal.com.
