Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: The Dream Foundation PAC

Case No.: FEC 22-291

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 1, 2023, the following facts and law support this staff recommendation:

1. On September 7, 2022, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that The Dream Foundation PAC (“Respondent”) violated Chapter 106, Florida Statutes.
2. Respondent is a political committee registered with the Division. (ROI Exhibit 2)¹
3. By letter dated November 30, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2022 M1
- 2022 M2
- 2022 M3
- 2022 M4

4. By letter dated January 25, 2022, Donna S. Brown, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 3, page 1)

5. The acknowledgment letter advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 2)

¹ The Report of Investigation is referred to herein as “ROI.”

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Political Committee Handbook* references the statutory requirement regarding written notification and directs political committees to notify the Division by way of the Division’s electronic filing system. (ROI Exhibit 4, page 2) The *Political Committee EFS User’s Guide* shows the process through which to notify the Division. The user’s guide instructs political committees to select the relevant reporting period and place a checkmark in a box titled “Waiver” to indicate the lack of reportable financial activity. (ROI Exhibit 5, pages 2-3)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 6)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2022 M1	01/11/22 – 01/31/22	02/10/22	02/11/22	1
2022 M2	02/01/22 – 02/28/22	03/10/22	03/18/22	8
2022 M3	03/01/22 – 03/31/22	04/11/22	05/02/22	21
2022 M4	04/01/22 – 04/30/22	05/10/22	05/13/22	3

9. Michael Dobson, chairperson and treasurer for Respondent, stated that he was busy and disorganized. Mr. Dobson stated that he oversees numerous statewide organizations and clients and travels often. (ROI Exhibit 7, page 2)

10. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

11. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2022 M1, 2022 M2, 2022 M3, and 2022 M4.

Based upon these facts and circumstances, I recommend that the Commission find probable

cause to charge Respondent with violating the following:

Count 1:

On or about February 10, 2022, The Dream Foundation PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 M1 Report.

Count 2:

On or about March 10, 2022, The Dream Foundation PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 M2 Report.

Count 3:

On or about April 11, 2022, The Dream Foundation PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 M3 Report.

Count 4:

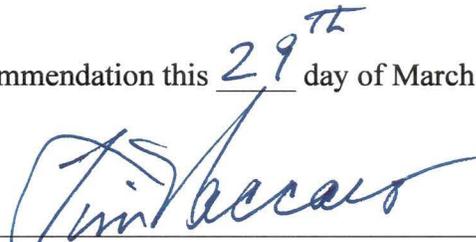

On or about May 10, 2022, The Dream Foundation PAC violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 M4 Report.

Respectfully submitted on March 29, 2023.

This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **February 10, 2022**. The report will cover the period of January 1-31, 2022 (2022 M1). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer, and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Instructions and Assistance

An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports. The Division of Elections will also provide assistance to all users by contacting the EFS Help Desk at (850) 245-6280.

RE: Case No.: FEC 22-291; Respondent: The Dream Foundation PAC

Dear Mr. Dobson:

On September 7, 2022, the Florida Elections Commission received a complaint alleging your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation(s):

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2022 M1
- 2022 M2
- 2022 M3
- 2022 M4

However, prior to an investigation, you have the option to **resolve your case now by** signing a minor violation consent order and **paying a fine of \$200**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, **you would not be required to admit or deny the allegation(s)** in the complaint, but you would be required to immediately correct the violation, if feasible.

The signed consent order would then be considered by the Commission at its next available meeting and would constitute final action by the Commission once it is accepted and approved by the Commission. You and the Complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please contact Stephanie Cunningham by phone at (850) 922-4539, by email at Stephanie.Cunningham@myfloridalegal.com, or at the address listed above, to accept this minor violation consent order.

If you choose not to resolve this case by consent order, an investigation will be conducted, the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of fine to be imposed upon your committee.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.
