If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

- 2020 P4
- 2020 P5
- 2020 P6
- 2020 TR

Section 106.19(1)(d), Florida Statutes: Respondent, a 2020 candidate for State Senator, District 35, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, based upon an apparent deficit after the following reports were filed, as alleged in the complaint:

- 2020 TR

4. On June 10, 2020, Respondent filed her Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing herself as treasurer for her campaign. (ROI Exhibit 1)

5. By letter dated June 11, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that her name was placed on the 2020 active candidate list. (ROI Exhibit 3, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

With the exception of the \$600.00 expenditure to Natacha Placide on August 16, 2020, for “graphic design,” these expenditures were all reportedly made to campaign staff on August 16, 2020, for purposes such as “poll worker,” “early voting,” or “campaign office staff.” To review the 2020 TR, refer to Exhibit 6, pages 26-33. Respondent explained that she relied on another member of her campaign team, Priscilla Johnson, to complete, file, and amend campaign treasurer’s reports. When asked about the failure to timely amend the reports at issue, Respondent stated that she thought the reports had been amended and reiterated that Ms. Johnson was supposed to be handling amendments. When asked about the apparent deficit in the campaign account, Respondent stated she did not know there was an imbalance until hearing from the Commission. Further, Respondent explained that she funded most of the campaign herself and never noticed a negative balance in her bank records. Respondent confirmed that she had read through Chapter 106, Florida Statutes, during past campaigns, though not in its entirety. She did not remember receiving the <i>Candidate and Campaign Treasurer Handbook</i> but indicated that she believed she viewed it online. To review the phone log, refer to Exhibit 10.</p> | | | |

⁹ Respondent made two \$50.00 expenditures to Ms. Rembert on 10/29/20; she reported one of them.

¹⁶ This expenditure was made by check dated 10/6/20 that posted to the account on 11/30/20.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.
