Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider **an appeal of an intent to revoke a registration**, of a Political Committee, Electioneering Communications Organization, or a Political Party, the Division of Elections has issued you a notice of intent, citing the reasons for which it intends to cancel your registration. By filing the appeal, you have asked the Commission to recommend that the Division's Notice of Intent be set aside. You are required to explain why you believe your registration should not be cancelled. Based upon the information you present, the Commission will issue a recommended order to the Division, in which it will either recommend that the Notice of Intent be set aside, or that the cancellation be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

RE: 2024 Q2 and Treasurer PIN Issue			
<p>Called Mr. Brill back regarding the report and pin issue. I explained that it appears that the error he is receiving, which is also given when an invalid pin is being used, is most likely due to the pin. I advised him that the treasurer could complete an EFS Credential Request Form so that our office can release her pin to him or call so that we can give her the pin directly. I told him that once she has the pin, go into EFS and try to file the report using that pin. If they continue to have issues, to please contact the Division's help line at (850) 245-6280.</p> <p>He stated that he would just have her call to get it, but wanted to clarify that he has 3 different pins that was given to her and wanted to know, understanding that I could not tell him which one (if any one) was the one, if one of those were it. I advised him that none of the pin numbers he gave me were the new treasurer's pin. He said he would have her call for her pin and attempt to file the report.</p>

RE: 2024 Q2 Filing and Treasurer Pin Issues			
<p>Returned a call to Mr. Jonathan Brill @ 813-785-6335, stated he is the compliance consultant for the PAC and could not file the 2024 Q2 report due to what the system showed as a type of service error. I advised him that it may have been a Pin issue and told him that I could not give him the recently appointed treasurer's pin. He stated it was not that he was entering the incorrect pin and he did not get the incorrect pin error, but that the system would not file the report and stated it was a server error. He stated he sent an email with a screenshot of the error he was receiving and that he has the pin that was given to him by the treasurer, who stated to him that she had called 3 days ago and was given the pin. I asked him to tell me the pin he had and reminded him that while I could not give him the pin due to him not being listed as a legal representative and/or us not having credential request form stating we are authorized to give him the pin, it would help me verify if the correct pin was used. The pins he gave me were not the pin showing in the system for the current treasurer. He stated he didn't get the wrong pin error and does not feel it was due to that reason. I advised him I would speak with the Bureau Chief and give him call back.</p>

RE: M3 Upload Errors			
<p>Received call from Valerie Rogers saying she was working on the M3 report being uploaded and it was off by \$18 and couldn't figure out why. I logged into the account in EFS and saw that everything in the contribution section (27 pages) had an error. The errors were showing the contribution date was outside the coverage period. They all had a January date. She this was the date the money was collected but they were just notified that it had happened. I asked who had collected it and she said the committee collected and she was just notified about it to put it into the report. I guided her to the PC handbook, Chapter 9, Page 22, Contributions Sections and went over the following: The campaign treasurer of each political committee shall keep detailed accountsof all contributions received, currentwithin not more than two days after thedate of receiving the contribution.(Section 106.06, F.S.) All funds received by the campaigntreasurer of any political committee shallbe deposited in the campaign depositoryprior to the end of the fifth business dayfollowing receipt (Saturdays, Sundaysand legal holidays excluded).(Section 106.05, F.S.).</p> <p>She said she would have a talk with the committee and let them know about this. I explained shee would need to amend the January report and put these contributions into that report if that was when the committee actually received them. She said she going to make a phone call.</p> <p>Sib</p>

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides confidential pin numbers for you. By copy of this letter, confidential pin numbers to access the EFS were sent to the treasurer and deputy treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
