If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 22-107

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the sworn complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 6, 2024, the following facts and law support this staff recommendation:

1. On May 27, 2022, the Florida Elections Commission (“Commission”) received a sworn complaint from Julie Marcus, Pinellas County Supervisor of Elections (“Complainant”), alleging that Kaitlin Noethen (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2022 candidate for Pinellas County School Board, District 2. (ROI Exhibit 3)¹

3. By letter dated June 16, 2023, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for Pinellas County School Board, District 2, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because she had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2021 M8
- 2021 M11
- 2022 M3

4. Respondent’s filing officer provided Respondent with the *Pinellas County Candidate Handbook*. (ROI Exhibit 4, pages 1-2) On July 21, 2021, Respondent acknowledged that she had been provided access to read the requirements of Chapter 106, Florida Statutes. (ROI Exhibit 3)

5. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a candidate has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the candidate is required

¹ The Report of Investigation is referred to herein as “ROI.”

to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

6. The *Pinellas County Candidate Handbook* references the statutory requirement regarding written notification and directs candidates to file a DS-DE 87 Waiver of Report. (ROI Exhibit 5, page 2)

7. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 7)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2021 M8	08/01/2021 – 08/31/2021	09/10/2021	09/15/2021	5
2021 M11	11/01/2021 – 11/30/2021	12/10/2021	12/12/2021	2
2022 M3	03/01/2022 – 03/31/2022	04/11/2022	04/12/2022	1

8. Respondent did not respond to Commission staff's investigation. (ROI Exhibit 8)

9. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

10. The facts set forth above show that Respondent was a 2022 candidate for Pinellas County School Board, District 2. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the 2021 M8, 2021 M11, and 2022 M3 reporting periods.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about September 10, 2021, Kaitlin Noethen violated Section 106.07(7), Florida Statutes, when she failed to notify the filing officer in writing on the prescribed reporting date that she would not be filing her 2021 M8 Report.

Count 2:

On or about December 10, 2021, Kaitlin Noethen violated Section 106.07(7), Florida Statutes, when she failed to notify the filing officer in writing on the prescribed reporting date that she would not be filing her 2021 M11 Report.

Count 3:

On or about April 11, 2022, Kaitlin Noethen violated Section 106.07(7), Florida Statutes, when she failed to notify the filing officer in writing on the prescribed reporting date that she would not be filing her 2022 M3 Report.

Respectfully submitted on November 4, 2024.

General Counsel

Report of Investigation for Failure to Notify Filing Officer

Case Number: FEC 22-107

Section 106.07(7), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to timely notify the filing officer, in writing, that no report is being filed.

Respondent: Kaitlin Noethen**Respondent's Atty:** N/A**Complainant:** Julie Marcus, Pinellas County Supervisor of Elections**Complaint Filed:** May 27, 2022**Respondent Type:** Candidate**I. Preliminary Information:**

1. Respondent was a 2022 candidate for Pinellas County School Board, District 2; she failed to qualify. Respondent was a first-time candidate. To review the disqualifying email, refer to Exhibit 1.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed with the Pinellas County Supervisor of Elections (SOE) on July 21, 2021. Danielle Russo was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 2.

Subject: RE: Case No.: FEC 22-107 - Kaitlin Noethen (2022 School Board Member Candidate)
Attachments: RE: Reminder - Termination Report (TRJ) - Due Thursday, September 15, 2022

Good morning,

No, as she "did not qualify" because she did not submit a Candidate Oath, Form 6 or candidate qualifying fee check or petitions. However, we emailed Ms. Noethen the attached emails regarding her final termination report due on September 15, 2022. This email was sent on June 17 at 4:45 p.m., after the end of the qualifying period that same day (6/17) at noon. The email states, "...a candidate who withdraws, becomes unopposed, is defeated or elected to office must, within 90 days, disposed of funds in the campaign account and file a campaign treasurer's report reflecting the disposition of funds."

Best regards,

Wendy

RE: County Candidates – June Termination Report (TRJ)
Deadline: Midnight (Eastern Time) September 15, 2022
Reporting Period: June 1 – September 15, 2022

REMINDER

F.S. 106.141 states a candidate who withdraws, becomes unopposed, is defeated or elected to office must, within 90 days, dispose of funds in the campaign account and file a campaign treasurer's report reflecting the disposition of funds.

Your Termination Report due to be filed online and signed with your Personal Identification Number (PIN) no later than Midnight (Eastern Time) September 15, 2022. The report code is "2022 - TRJ." The reporting period is June 1 – September 15, 2022.

Click here to login to your Campaign Finance account.

When completing your Termination Report (TRJ), all of your expenditures need to be reported using the monetary "MO" code for column "9 – expenditure type." This includes monies that you give back to yourself as a refund or reimbursement for contributions that you made to your own campaign. By using the "MO" expenditure type, all of your expenditures for the TR will be reported on the summary page.

In addition, before filing your report check the summary page (preview report) to see if the report was filed correctly.
The TOTAL Contributions and the TOTAL Expenditures must equal; meaning the money that was deposited equals the amount that was withdrawn from the account. The report cannot have more contributions than expenditures or vice versa; the totals must equal out.

Please let me know if you need assistance filing your report.

The Supervisor of Elections shall notify the candidate and campaign treasurer by telephone or mail if a report is late. Any candidate who does not file a report by the deadline will be subject to a fine for each late day.

Late filing fines must be paid from PERSONAL FUNDS (not campaign funds).

The fine shall be \$50 per day for the first three days late and thereafter, \$500 per day. The total of the fine cannot exceed 25% of the total contributions or expenditures, whichever is greater, for the period covered by the late report.

For reports immediately preceding each special primary election, special election, primary election and general election, the fine shall be \$500 for each late day, subject to the same 25% limit.

Within twenty (20) days after receipt of the notice, a candidate may:

Pay the fine from **PERSONAL FUNDS (not campaign funds)** to the Supervisor of Elections

OR

Appeal the fine to the Florida Elections Commission and notify the Supervisor of Elections in writing.

The Supervisor of Elections shall notify the Florida Elections Commission if a candidate fails to pay any fines imposed.

If a candidate repeatedly files late reports, it is the Supervisor of Elections' responsibility to notify the Florida Elections Commission.

Hi Wendy. I tried doing my report but I have no idea what my password is. When I tried to recover the password it said it was sent to veteranswithvacuum@gmail.com. my email has an s after password. Is there a way to fix that please so I can get in? I attached it so you can see. Thank you.

Also when I try to return the call on the number you called me from it says it's not a working number. And then when I try to use the phone number and your email it sounds like someone picks up but then it's a little staticky and crackly and I can't seem to get through for some reason.

Thank you.

RE: Case No.: FEC 22-107; Respondent: Kaitlin Noethen

Dear Ms. Noethen:

On May 27, 2023, the Florida Elections Commission received a complaint alleging you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation(s):

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for Pinellas County School Board, District 2, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because she had not received funds, made contributions, or expended reportable funds during following reporting periods:

- 2021 M8
- 2021 M11
- 2022 M3

However, prior to an investigation, you have the option to **resolve your case now by** signing a minor violation consent order and **paying a fine of \$150**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, **you would not be required to admit or deny the allegation(s)** in the complaint, but you would be required to immediately correct the violation, if feasible.

The signed consent order would then be considered by the Commission at its next available meeting and would constitute final action by the Commission once it is accepted and approved by the Commission. You and the Complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

FEC 22-107

Please contact Stephanie Cunningham by phone at (850) 922-4539, by email at Stephanie.Cunningham@myfloridalegal.com, or at the address listed above, to accept this minor violation consent order.

If you choose not to resolve this case by consent order, an investigation will be conducted, the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of fine to be imposed upon you.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

For additional information, please refer to the "Frequently Asked Questions" section on the Commission's website.

Sincerely,

Dear Ms. Noethen:

We have not received your campaign treasurer report that was due September 10, 2021. This M8 report is for the August 1 – August 31, 2021 reporting period. A report received after that date and postmarked by the due date is considered filed on time.

According to Florida Statute 106.07, the late fine for this report is \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total contributions or expenditures, whichever is greater, for the period covered by the late report.

Upon receipt of the report, we will notify you of the amount of the late fine. You have 20 days after receipt of the notice of payment due to pay the fine or file an appeal with the Florida Elections Commission (Florida Statute 106.07).

If you decide to pay the fine, payment must be made from your personal funds; the late fine is not an allowable campaign expenditure. The personal check should be payable to the Supervisor of Elections. If you file an appeal, you are required to notify the Supervisor of Elections in writing of your intention to bring the matter before the Florida Elections Commission.

Please give me a call at (727) 464-4987 if you have any questions.

Sincerely,

Hi Wendy. I tried doing my report but I have no idea what my password is. When I tried to recover the password it said it was sent to veteranswithvacuum@gmail.com. my email has an s after password. Is there a way to fix that please so I can get in? I attached it so you can see. Thank you.

Also when I try to return the call on the number you called me from it says it's not a working number. And then when I try to use the phone number and your email it sounds like someone picks up but then it's a little staticky and crackly and I can't seem to get through for some reason.

Thank you.
