Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Count 2:

On or about September 20, 2018, Jerry Wyche violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 Termination Report.

The Commission finds that there is **no probable cause** to charge Respondent with violating Section 106.07(7), Florida Statutes.

In Re: Jerry Wyche

Case No.: FEC 18-474

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.141(1) and 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on August 19, 2021, the following facts and law support this staff recommendation:

1. On December 14, 2018, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Jerry Wyche (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2018 candidate for State Representative, District 6. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on February 15, 2017. (ROI Exhibit 3, page 1)¹

3. By letter dated June 17, 2020, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2018 Termination Reporting period.

Section 106.141(1), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, failed to timely file his 2018 Termination Report reflecting the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, may have falsely reported or deliberately failed to include information in his 2018 Termination Report, as required by Chapter 106.

¹ The Report of Investigation is referred to herein as “ROI.”

4. On February 15, 2017, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer for his campaign. (ROI Exhibit 2, page 1) On June 21, 2018, Respondent filed a subsequent DS-DE 9 designating a new campaign depository. (ROI Exhibit 2, page 2)

5. By letter dated February 16, 2017, Kristi Reid Bronson, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2018 active candidate list. (ROI Exhibit 4, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1) The letter further advised Respondent that all the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 4, page 3)

Alleged Violation: Section 106.141(1), Florida Statutes

7. Complainant alleged that Respondent violated Florida’s election laws by failing to timely file the campaign’s 2018 Termination Report.

8. Respondent did not qualify as a candidate. (ROI, page 1, ¶1) Respondent was therefore required to dispose of the funds on deposit in his campaign account and file the campaign’s 2018 Termination Report within 90 days after being eliminated.

9. On September 21, 2018 and November 20, 2018, the Division sent letters notifying Respondent that his report had not been received. (ROI Exhibits 5 & 6)

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., June 22, 2018 – September 20, 2018. Respondent’s bank records show two contributions totaling \$1,900 and two expenditures totaling \$1,900, which includes one cash withdrawal totaling \$600 and one closing debit totaling \$1,300. (ROI Exhibit 8) (*See* ROI, page 2)

11. Respondent did not reply to the investigation. (ROI Exhibit 9)

12. As it appears that Respondent had reportable financial activity during the relevant reporting period, Respondent was required to file the campaign’s 2018 Termination Report within 90 days after being eliminated but failed to do so.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

13. Complainant alleged that Respondent violated Florida’s election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign’s 2018 Termination Report.

14. Based on the above analysis, Respondent had reportable financial activity during the relevant reporting period and was therefore required to disclose the financial activity on the campaign's 2018 Termination Report. Regarding a deliberate failure to include information, Respondent may have failed to disclose the campaign's financial activity as the funds were not disposed of properly pursuant to sections 106.141(4)(a), and 106.11(5), Florida Statutes. The funds were withdrawn as cash or remitted to Respondent. (ROI Exhibit 8)

15. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 Termination Report.

Alleged Violation: Section 106.07(7), Florida Statutes

16. Complainant alleged that Respondent violated Florida's election laws by failing to notify the filing officer on the prescribed reporting date that no report would be filed for the 2018 Termination reporting period.

17. Based on the above analysis, the campaign was not required to submit a notice of no activity for the 2018 Termination reporting period as there was reportable financial activity that Respondent was required to disclose on his 2018 Termination Report.

18. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

19. The facts set forth above show that Respondent was a 2018 candidate for State Representative, District 6. Respondent failed to file the campaign's 2018 Termination Report within 90 days after being eliminated. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 Termination Report. Respondent was not required to notify the filing officer that he would not be filing his 2018 Termination Report because the campaign had reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about September 20, 2018, Jerry Wyche violated Section 106.141(1), Florida Statutes, when he failed to file the campaign's 2018 Termination Report reflecting the disposition of all remaining campaign funds within 90 days after being eliminated.

Count 2:

On or about September 20, 2018, Jerry Wyche violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2018 Termination Report.

Respectfully submitted on October 12th, 2021.

Sections 106.07(7), and 106.19(1)(c), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during the TR reporting period to notify timely the filing officer, in writing, that no TR is being filed or failure to file the TR to reflect financial activity.

Respondent: Jerry Wyche**Respondent's Atty:** N/A**Division of Elections (Division)****Referral Filed:** December 14, 2018**Respondent Type:** Candidate**I. Preliminary Information:**

1. Respondent was a 2018 candidate for State Representative, District 6; he failed to qualify. Respondent was not a first-time candidate. To review petition signature information, refer to Exhibit 1.

3. Respondent filed a Statement of Candidate with the Division on February 15, 2017 in which Respondent certified he had been provided access to read and understand Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 3.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on February 16, 2017. The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 4.

6. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that the 2018 TR, or the required notification that no reportable activity occurred, had not been filed and reiterating that the filing date was September 20, 2018. To review the failure to file correspondence, refer to Exhibit 5.

¹ Another form was subsequently filed designating a new depository and/or appointing a new treasurer.

7. On November 20, 2018, the Division sent a letter marked "Final Notice" with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that the 2018 TR, or the required notification that no reportable activity occurred, had not been filed. 8. I investigated whether Respondent violated these sections of the election laws by not notifying the filing officer, in writing, that no TR would be filed due to not receiving any contributions or making expenditures during the TR reporting period or by not filing a TR to reflect financial activity during the TR reporting period. I also investigated whether Respondent violated Section 106.141(1), Florida Statutes, by not disposing of all remaining campaign funds within 90 days of being eliminated. To review Respondent's filing history, refer to Exhibit 7.

10. On the date the TR was due, campaign account records reflect that the balance was \$0.00. To review the relevant bank statement, refer to Exhibit 8, page 2.

11. Respondent did not respond to the referral.

12. I attempted to contact Respondent on three occasions for the purpose of providing an opportunity to discuss the allegations made in the referral. As of the date of this report, my telephone calls have not been returned. Dear Mr. Wyche:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Representative, which was placed on file in our office on February 15, 2017. Your name has been placed on the 2018 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **March 10, 2017**. The report will cover the period of February 1-28, 2017 (M2). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting these passwords from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

EFS Website Address: <https://efs.dos.state.fl.us>

Identification Number: 69667

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Wyche:

Our records indicate that you have not filed either your termination report or notification that no reportable activity occurred, whichever is applicable. The filing date was September 20, 2018.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as \$50 per day until you file your report. The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.
- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

Dear Mr. Wyche:

A recent review of the Division's records show that the Division has not yet received your termination report or the required notification that no reportable activity occurred, whichever is applicable.

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report or notification is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Subject: RE: Candidate 69667 - Wyche

Mr. Wyche has two outstanding reports for this account:

2018 P1 – Coverage period 6/1/18 – 6/22/18 – Due 6/29/18
2018 TR – Coverage period 6/22/18 – 9/20/18 – Due 9/20/18

EMAIL RECEIVED FROM EXTERNAL SOURCE

For clarification, I do know that the due date of this candidate's 2018 TR was 9/20/18, and I believe that the start date of his TR reporting period was 6/22/18, since this candidate did not qualify.

Is that correct?

The only thing I really need to know is the start date of the TR period for this candidate. I thought I should email you that clarification since my below email was vague.

Thanks,

Cole

RE: Case No.: FEC 18-474; Respondent: Jerry Wyche

Dear Mr. Wyche:

On December 14, 2018, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2018 Termination Reporting period.

Section 106.141(1), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, failed to timely file his 2018 Termination Report reflecting the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2018 candidate for State Representative, District 6, may have falsely reported or deliberately failed to include information in his 2018 Termination Report, as required by Chapter 106.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case.

Sincerely,

Tim Vaccaro

Dear Mr. Wyche:

A recent review of the Division's records show that the Division has not yet received your termination report or the required notification that no reportable activity occurred, whichever is applicable.

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report or notification is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief
