This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

**If you are an Appellant**, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Re: Appeal of Fine

July 9, 2024

To Whom It May Concern;

I am reaching out regarding the late fine issued to ABC PAC in the amount of \$4,150.00. The past treasurer, who unexpectedly left the organization, changed the password and pins and the new credentials were not shared with me, nor our Chapter President. When we went to complete the June 10<sup>th</sup> report, we were unable to sign in to the campaign treasurer's report and immediately called the Division of Elections for assistance. A phone call was returned by Mr. Hudson on June 12, 2024, and Mr. Howard on June 13, 2024, who assisted with resetting the password and provided the changed PIN numbers for the PAC. After completing the report, we followed up to ensure the issue was resolved online with no fine, but, evidently, it was not.

ABC PAC respectfully requests the Florida Elections Committee to appeal the issued fine.

Please feel free to contact me on my cell at (954) 540-3637.

Sincerely,

Sonny Maken, Chairperson

Dear Mr. Maken:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was June 10, 2024.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - ⊗ \$50 per day for the first 3 days late
  - ⊗ \$500 per day for each day after the 3rd day late
  - ⊗ If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

She told me she is keeping a record of all the correspondence between the PAC and Mr. Colvett's campaign to try to rectify this error. I told her to please send another letter to Kristi Bronson explaining what the PAC is doing and what has happened so far so the Bureau Chief will be aware of your efforts to correct this situation. She also asked about where it was written that PACs can't give to out of state candidates. By email, I referred her to the Political Committee Handbook, Appendix A: Frequently Asked Questions #16. ejr</p>

8/13/15- Rcvd call from representative of ABC PAC regarding audit letter. I explained to her that state-wide pacs registered with the Division cannot give to candidates outside of Florida. I then instructed her to contact Frank Colvett's Campaign, ask for a refund and send in a letter of explanation to the DoE. She had no other questions. Jha

RE: 2015 M4 Amendment			
Received phone call from Nancy who was making the corrections based on the letter she received regarding the \$600 cash contribution. She had already corrected everything she jus wanted to know how to refile the report. I guided her back to the report summary page, had her do a review - it still showed incomplete, but it looked to only be because of the original \$600 cash contribution. She refiled the report. She asked what happens next after she has corrected all the errors. I explained someone would contact her or she would receive a new updated letter if there was anything else that needed to be done.

I spoke with Mr. Dyga and explain that the email that our sent to address dshaw@abceastflorida.com was return undeliverable. He explained that Mr. Shaw was no longer with the committee and that he thought they had notified our office of this. I explained that we have no records of a change and I explained that they would need to go in and update the email address in the EFS system and send our office a DS-DE 6 and removal letter explaining that the treasurer has changed. He said that he would get tot work on this asap and thanked me for the call.
