#### **NOTICE OF HEARING (AUTOMATIC FINES (AF))**

A hearing will be held in this case before the Florida Elections Commission on, August 19, 2025 at 9:00 a.m., or as soon thereafter as the parties can be heard, at the following location: Virtual Meeting via Webinar link: https://register.gotowebinar.com/register/3863768971242962781 and Webinar ID 748-293-987.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have 5 minutes to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

**If you are an Appellant**, and you have requested a hearing, you may attend the hearing, and you or your attorney will have 5 *minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director Florida Elections Commission July 28, 2025 Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, he must provide the Commission with written proof of his financial resources at the hearing. A financial affidavit form is available from the Commission Clerk.

Hello,

We have a federal independent expenditure committee who wants to make some independent expenditures in relation to races in Duval County, Seminole County and Hillsborough County, do they need to register as a committee in Florida and report those expenditures?

We contacted each individual county and they did not have a way for us to register/report these expenditures in their individual county.

I appreciate your help in advance, Jeannette

Good afternoon,

The reason the reports say "Incomplete Detail Records" is because under all expenditures the office field filled out. This field should only ever be filled out if you are giving to a candidates' campaign directly.

To correct these errors, you will have to amend the reports and remove the characters from the office field. See page 51 in the Political Committee EFS User's Guide for step by step instructions on how to amend a report.

Re: <u>Late Fee Waiver Request</u>

To Whom It May Concern:

We are writing regarding the letter received on November 19th concerning late fees assessed to New Southern Majority IE PAC. Specifically, these fees pertain to a reports due on July 26 and August 2, both filed on August 23.

The delays in filing were caused by challenges obtaining the credentials necessary to access the filing portal. We created an account on July 22 and were informed that only the treasurer, Ms. Mercado, could receive the credentials and it had to be via phone. However, repeated attempts by Ms. Mercado to connect with the Division of Elections were unsuccessful until August 15.

Once the credentials were obtained, we began preparing the overdue reports. Unfortunately, the election system had locked access to past due filings, further delaying the process. Over several days, we worked with Donna Brown and Ashleigh Hart from the Division of Elections to resolve these system issues, after which the reports were promptly filed.

Given these circumstances, we kindly request a waiver of the assessed late fees. We understand from conversations with the Division of Elections that these type of challenges are not uncommon and would greatly appreciate your assistance in resolving this matter.

Thank you for your time and consideration.

Very truly yours,

Kate Belinski

#### EMAIL RECEIVED FROM EXTERNAL SOURCE

Hello Ms, Brown,

I hope this message finds you well. I am reaching out regarding a letter we received on November 19zth concerning late fees assessed to New Southern Majority IE PAC. The letter references two late fees: one for the reporting period ending July 26, filed on August 23<sup>rd</sup>, and another for the period due on August 2<sup>nd</sup>, also filed on August 23<sup>rd</sup>.

The delay in filing these reports was due to issues obtaining the necessary credentials to access the filing portal. Despite submitting our request for credentials on July 23rd, there was significant back-and forth communication with the Elections Commission as they attempted to contact Ms. Mercardo, our chairperson. Unfortunately, the extended process of phone correspondence resulted in a delay of over three weeks before we received the login credentials, causing the reports to be filed late. I have attached the emails for reference.

We kindly request that the late fee be waived under these circumstances. Please advise on the appropriate process to request a waiver or whether our only recourse is as advised on the letter which is to appeal the fines to the Florida Ethics Commission.

Thank you in advance for your assistance. I look forward to any guidance.

Best,

Jeannette

Good afternoon,

The reason the reports say "Incomplete Detail Records" is because under all expenditures the office field filled out. This field should only ever be filled out if you are giving to a candidates' campaign directly.

To correct these errors, you will have to amend the reports and remove the characters from the office field. See page 51 in the <u>Political Committee EFS User's Guide</u> for step by step instructions on how to amend a report.

Dear Ms. Mercado:

This will acknowledge receipt of the letter dated July 23, 2024, stating the New Southern Majority IE PAC organization plans to make independent expenditures in excess of \$5,000. This information was placed on file with our office on July 23, 2024.

Independent expenditure organizations shall file periodic reports of expenditures in the same manner, at the same time, subject to the same penalties, and with the same filing officer as a political committee supporting or opposing such candidate or issue. Please refer to the *Calendar of Reporting Dates* to determine when to file such reports. If you need assistance determining when to file your reports, please contact the Division's help desk at (850) 245-6280.

The reports shall contain the full name and address of each person to whom and for whom each expenditure has been made; the amount, date, and purpose of each expenditure; a description of the services or goods obtained by each expenditure; the issue to which the expenditure relates; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. All independent expenditure organizations that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

#### **Timely Filing**

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time (EST), of the due date. Reports not filed by midnight, EST, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any organization failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total expenditures for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total expenditures for the period covered by the late report.

#### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each report filed by means of the EFS is considered to be under oath and is subject to the provisions of Section 106.07(5), Florida Statutes.

#### **Instructions and Assistance**

An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports. The Division of Elections will also provide assistance to all users by contacting the EFS Help Desk at (850) 245-6280.

All of the Division's publications and reporting forms are available on the Division of Elections' website at <a href="https://dos.myflorida.com/elections">https://dos.myflorida.com/elections</a>.
