**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on December 14, 2022, the following facts and law support this staff recommendation:

1. On October 13, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Angel Luiz Garcia (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2022 candidate for State Representative, District 55. (ROI Exhibit 3)<sup>1</sup>

3. By letter dated September 2, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 55, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M7 reporting period.

4. By letter dated November 24, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form. (ROI Exhibit 4, page 1)

5. The acknowledgment letter advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 4, page 2)

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a candidate has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the candidate is required

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Candidate & Campaign Treasurer Handbook* references the statutory requirement regarding written notification and directs candidates to notify the Division by way of the Division’s electronic filing system. (ROI Exhibit 5, page 2) The *Candidate EFS User’s Guide* shows the process through which to notify the Division. The user’s guide instructs candidates to select the relevant reporting period and place a checkmark in a box titled “Waiver” to indicate the lack of reportable financial activity. (ROI Exhibit 6, pages 2-3)

8. Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed for the following reporting period, as set forth in the table below. (ROI Exhibit 7)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2021 M7	07/01/21 – 07/31/21	08/10/2021	08/04/2022	359

9. Respondent was given multiple opportunities to respond to Commission staff’s investigation but failed to do so. (ROI, p. 2, ¶¶9-10; ROI Exhibit 8)

10. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

11. The facts set forth above show that Respondent was a 2022 candidate for State Representative, District 55. Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed for the 2021 M7 reporting period.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

**Count 1:**

On or about August 10, 2021, Angel Luiz Garcia violated Section 106.07(7), Florida Statutes, when he failed to notify the filing officer in writing on the prescribed reporting date that he would not be filing his 2021 M7 Report.

Respectfully submitted on June 19, 2023.

### Notice of No Activity

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived. **However, the candidate must notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (A notice of no activity filed with the Division must be filed electronically using the [EFS](#).) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed.

*(Section [106.07](#), Fla. Stat.)*

### Special Election Reports

When a special election is called to fill a vacancy in office, campaign treasurer reports shall be filed with the filing officer on the dates set by the Florida Department of State pursuant to Section [100.111](#), Florida Statutes. The reports are only to include contributions and expenditures related to the special election.

The candidate must notify the filing officer in writing on or before the prescribed reporting date if no funds were received or no expenditures made during the special election reporting period.

### Incomplete Reports

Although the Division's [Electronic Filing System](#) will allow a candidate to file an incomplete report, an incomplete report is not in compliance with the Florida Statutes.

If a candidate or campaign treasurer files a report that is deemed incomplete, they will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The candidate or campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of [Chapter 106](#), Florida Statutes.

*(Section [106.07\(2\)](#), Fla. Stat.)*

### Reporting Total Sums

Each campaign treasurer's report required by [Chapter 106](#), Florida Statutes, shall contain the total sums of all loans, in-kind contributions, and other receipts by or for such candidate, and total sums of all expenditures made by such candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

**RE: Case No.: FEC 21-463; Respondent: Angel Luiz Garcia**

Dear Mr. Luiz:

On October 13, 2021, the Florida Elections Commission received a complaint alleging you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation(s):

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 55, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M7 reporting period.

However, prior to an investigation, you have the option to **resolve your case now by** signing a minor violation consent order and **paying a fine of \$50**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, you would not be required to admit or deny the allegation(s) in the complaint, but you would be required to immediately correct the violation, if feasible.

The signed consent order would then be considered by the Commission at its next available meeting and would constitute final action by the Commission once it is accepted and approved by the Commission. You and the Complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

**Please contact Todd Smith-Schoenwalder by phone at (850) 922-4539, by email at Todd.Smith-Schoenwalder@myfloridalegal.com**, or at the address listed above, to accept this minor violation consent order.

If you choose not to resolve this case by consent order, an investigation will be conducted, the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of fine to be imposed upon you.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Sincerely,

Dear Mr. Garcia:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M7	7/1/21 - 7/31/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief  
Bureau of Election Records
