Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Tim Vaccaro

Executive Director
Florida Elections Commission
March 27, 2026

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Florida HIV AIDS PAC is a political committee (PC) registered with the State of Florida. The PC's chair and treasurer is David W. Poole.

The PC is appealing the fine. According to David W. Poole, Tallahassee experienced three long-track tornadoes on May 10, 2024, marking the first occurrence of such an event in the city's history. He states that his house is located across from the Capital City Country Club, and they unfortunately bore the brunt of two converging tornadoes. Mr. Poole claims to have a substantial collection of pictures and videos that demonstrate the house was uninhabitable. They began repairs immediately and opted to live in their on-site RV until they could return to their house in late October. He notes this was around the time he was catching up on the PAC management and when he filed the late report.

- The 2024 SP2 Original Report covers the period from 06/29/24-08/15/24; it was due on 08/16/24.
- The 2024 SP2 Queued Transaction Report shows that it was created, filed, and amended on 10/28/24. The report was subsequently amended on 10/30/24.
- Florida HIV AIDS PAC reported receiving 12 contributions, while making zero expenditures.
- The Division of Elections does not have any notes that pertain to Florida HIV AIDS PAC's 2024 SP2 report.

PRIOR CASES: 20-410 (AF-NUC Fine reduced); 16-453 (AF-NUC)

¹ Fine was based off 25% of the contributions originally reported. An amended report was filed that deleted one \$500 contribution.

2B-1.005 Appeal of Fines Imposed by Filing Officers.

(1) To appeal a fine imposed pursuant to section 106.04(8) or 106.07(8), F.S., the party against whom the fine is levied shall file a notice of appeal with the Commission, and a copy filed with the filing officer, within 20 days of the appealing party's receipt of notice that a fine is being imposed. The notice of appeal shall contain:

- (a) The name, address and telephone number of the appealing party;
- (b) A copy of the notice of imposition of fine issued by the filing officer; and,
- (c) A request for hearing if a personal appearance before the Commission is desired. If no hearing request is made, the appeal shall be decided solely on the documents submitted by the appealing party and Commission staff.

(2) Upon receipt of a timely notice of appeal, the Commission staff shall notify the appealing party that the appeal has been accepted. The appealing party shall have 20 days from acceptance of the appeal to submit any documents supporting the appeal. Any subsequent supplemental documents shall be filed no later than five business days before the hearing.

(3) The Commission shall uphold the fine imposed by the filing officer unless the appealing party demonstrates that the report was timely filed or that there were unusual or other circumstances beyond the control of the candidate or committee that caused the report to be filed late.

Rulemaking Authority 106.26(1) FS. Law Implemented 106.04(8), 106.07(8) FS. History—New 9-14-86, Amended 10-19-86, Formerly 1D-1.005, Amended 1-11-99, 4-24-05, 6-2-13.

2B-1.0055 Late-filed Reports; Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

(a) Natural disaster or other emergency that prevented timely filing. Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency.

(b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer. Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice.

(c) Serious illness, disability or non-elective surgery of the candidate or campaign treasurer. Evidence submitted shall include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. The period of incapacitation may also be shown by copies of hospital records reflecting the dates of hospitalization.

(d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member. Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.

(e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.

(f) The abrupt and unexpected loss of the campaign treasurer, over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.

(g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days late.

(2) Unusual circumstances shall not include:

(a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.

(b) Failure of the sender to affix sufficient postage to a report that is being mailed.

Rulemaking Authority 106.26(1) FS. Law Implemented 106.04(8), 106.07(8) FS. History—New 1-11-99, Amended 4-24-05, 6-2-13.

Dear Commission:

I am writing to you to appeal the late fine of \$1,875.00 that was assessed for late filing of the treasurer's report for the PAC I administer (gratis) and it is titled the Florida HIV AIDS PAC.

As most of you know Tallahassee was hit by 3 long track tornadoes (a first in the city's history) on May 10, 2024. Our house faces the Capital City Country Club and we unfortunately received the brunt of the two converging tornadoes (I have robust amount of pics and videos that show my house was unlivable). We began repairs immediately and chose to live in our on-site RV (300 sq ft) until we could return to our house in late October, about the time I was catching up on the PAC management and when I filed the subject late report.

I am asking your indulgence in waiving this fine given the highly unusual circumstances. Yes, I was able to access a computer during this time and file most all other required reports; however, I was hugely distracted by this situation and managing the rebuild. Somehow I managed to miss this report. I will gladly attend a hearing if necessary to appeal this situation.

Your attention to this matter is greatly appreciated and I eagerly await your reply.

Respectfully submitted,

David W. Poole

RE: 2015 M8 Filing Question			
Received phone call from Taylor. He filed the report but it said incomplete. I checked the account, it had been filed without being reviewed. I did the review and it came back as complete detailed records. He asked when the reports were due - I guided him to the calendar of reporting dates. He then asked if there was a manual for the EFS software. I guided him to the help tab that opens the PDF of the EFS manual.

Division of Elections Advisory Opinion [06-10](#))

Independent Expenditures

An independent expenditure means an expenditure made by a person for the purpose of *expressly advocating* the election or defeat of a candidate or issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee. An expenditure for such purpose by a person having a contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not deemed an independent expenditure.

Expressly advocates means any communication which uses phrases including, but not limited to: “vote for,” “elect,” “support,” “cast your ballot for,” “Smith for Congress,” “vote against,” “defeat,” “oppose,” and “reject.”

(See *Division of Elections Advisory Opinion* [16-12](#))

However, an expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, an affiliated party committee, or by any political committee, or any other person, is not considered an independent expenditure if the party committee or person:

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue;
2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to any general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member;
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or any agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;
5. After the last day of the qualifying period prescribed for the candidate, there is a consultation about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:

- a. An officer, director, employee or agent of a national, state or county executive committee of a political party, or affiliated party committee, that has made or intends to make expenditures in connection with or contributions to the candidate; or
 - b. A person whose professional services have been retained by a national, state or county executive committee of a political party that has made or intends to make expenditures in connection with or contributions to the candidate;
6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of any person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or
 7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

(Section [106.011\(12\)](#), Fla. Stat.)

Note: In the circumstances described in the prior paragraph, the resulting expenditure would be considered an in-kind contribution to the candidate at issue, subject to the limitations of Section 106.08, Florida Statutes.

See [Chapter 13: Political Advertising](#) for information about applicable political disclaimers paid by independent expenditures and exceptions.

(Section [106.071\(3\)](#), Fla. Stat.)

Credit Cards

Political committees organized to support or oppose any candidate for statewide office (Governor, Cabinet, and Supreme Court Justice) or issue may obtain a credit card under the following conditions:

- The credit card is used in making travel-related campaign expenditures to include transportation, lodging, meals and other travel expenses incurred.
- The credit card is obtained from the same bank designated as the primary campaign depository.
- The credit card is in the name of the political committee and the name reflects that it is a campaign account.
- A copy of the agreement or contract between the political committee and bank, along with a list of all persons authorized to use the credit card, must be filed with the Division of Elections prior to being used.
- The credit card must expire no later than midnight of the last day of the month of the general election.

- Each statement received from the issuer of the credit card must be paid upon receipt.

Note: Political committees other than those stated above may **not** use credit cards.

(Section [106.125](#), Fla. Stat.)

Debit Cards

Debit cards may be used in lieu of campaign checks and are considered bank checks if the following conditions are met:

- The debit card is obtained from the same bank as the primary campaign depository.
- The debit card is issued in the name of the treasurer, deputy treasurer or authorized user.
- The debit card contains the name of the campaign account of the political committee.
- No more than three debit cards are issued.
- The person using the debit card does not receive cash as any part of, or independent of, any transaction for goods or services.

*All debit card receipts **must** contain:*

- Last four digits of the debit card number.
- Exact amount of expenditure.
- Name of payee.
- Signature of campaign treasurer, deputy treasurer or authorized user.
- Exact purpose of expenditure.

Any of the above listed information, if not included on the receipt, may be handwritten on, or attached to, the receipt by the authorized user before submitting to the campaign treasurer. The debit card user shall be responsible for the completeness and accuracy of the information and for ensuring that such expenditure is authorized.

Division of Elections Advisory Opinion [00-03](#))

Deadlines for Making Contributions to Candidates (See [Appendix D](#))

Any contribution received by a candidate with opposition in an election, or the campaign treasurer or deputy campaign treasurer, on the day of that election or less than five days prior to the day of that election must be returned to the contributor. It may not be used or expended by or on behalf of the candidate.

The primary and general elections are considered separate elections for contribution purposes.

(Section [106.08\(3\)\(a\)](#), Fla. Stat.)

Chapter 9: Recordkeeping

Bookkeeping

The Division offers the following best practices to help campaign treasurers in setting up a system to record and maintain campaign information.

- Keep a schedule of due dates for campaign treasurer's reports. For a calendar of election and reporting dates, see [Calendar of Reporting Dates](#) on the Division's website.
- Know what period of time each report covers and only report activity occurring during that reporting period.
- If filing with the Division, keep a copy of the electronic receipt for each report filed for your own records. If filing with the local officers who do not have electronic filing, keep the certificate of mailing for each report.
- Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, of the contributor, and the amount and date of each contribution. Keep contributions itemized by monetary, in-kind, and loans.
- Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and clear purpose.
- Keep a petty cash ledger of all expenditures. The individual petty cash expenditures do not have to be listed on campaign treasurer's reports. However, you must list the total amount of petty cash withdrawn and total amount spent during the reporting period.
- Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
- Maintain a list of all funds currently in the separate interest-bearing account, certificate of deposit, or money market account.
- Make sure authorization for advertising has been obtained from the candidate.

Preservation of Account Records

Accounts kept by the campaign treasurer of a political committee shall be preserved by such

treasurer for at least two years after the date of the election to which the accounts refer.

(Section [106.06](#), Fla. Stat.)

Contributions

- The campaign treasurer of each political committee shall keep detailed accounts of all contributions received, current within not more than two days after the date of receiving the contribution.

(Section [106.06](#), Fla. Stat.)

- All funds received by the campaign treasurer of any political committee shall be deposited in the campaign depository **prior to the end of the fifth business day** following receipt (Saturdays, Sundays, and legal holidays excluded).

(Section [106.05](#), Fla. Stat.)

- All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each.

(Section [106.05](#), Fla. Stat.)

- The campaign treasurer shall keep detailed accounts of all deposits made in any separate interest-bearing account or certificate of deposit and of all interest earned.

(Section [106.06](#), Fla. Stat.)

- Contributions deposited in a secondary campaign depository shall be forwarded to the primary campaign depository prior to the end of the first business day following the deposit. A copy of the deposit slip shall accompany the deposit.

(Section [106.05](#), Fla. Stat.)

Expenditures

- The campaign treasurer of each political committee shall keep detailed accounts of all expenditures made, current within not more than two days after the making of the expenditure.

(Section [106.06](#), Fla. Stat.)

- Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account. The treasurer shall require an accounting of actual expenses and reconcile any overpayment or underpayment to the original payee.

(Sections [106.07](#) and [106.125](#), Fla. Stat.)

- Receipts for debit card transactions must contain:

1. the last four digits of the debit card number;
2. the exact amount of the expenditure;
3. the name of the payee;

4. the signature of the campaign treasurer, deputy treasurer, or authorized user; and
5. the exact purpose for which the expenditure is authorized.

Any information required but not included on the debit card transaction receipt may be handwritten on, or attached to, the receipt by the authorized user before submission to the treasurer.

(Section [106.11\(2\)](#), Fla. Stat.)

- The campaign treasurer shall keep detailed accounts of all withdrawals made from any separate interest-bearing account or certificate of deposit to the primary depository and of all interest earned.

(Section [106.06](#), Fla. Stat.)

Receipts for reimbursement for authorized expenditures shall be retained by the treasurer along with the records for the campaign.

Inspections

- Accounts kept by the campaign treasurer of a political committee, including separate interest-bearing accounts and certificates of deposit, may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division or the Florida Elections Commission. The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

(Section [106.06\(2\)](#), Fla. Stat.)

- Records maintained by the campaign depository shall be subject to inspection by an agent of the Division or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division or Florida Elections Commission upon request.

(Section [106.07\(6\)](#), Fla. Stat.)

- It is the duty of the Division to make, from time to time, audits and field investigations with respect to reports and statements filed under the provisions of [Chapter 106](#), Florida Statutes, and with respect to alleged failures to file any report or statement required under the provisions of [Chapter 106](#), Florida Statutes.

(Section [106.22\(6\)](#), Fla. Stat.)

- It is the duty of the Division to conduct random audits with respect to reports and statements filed under [Chapter 106](#), Florida Statutes, and with respect to alleged failure to file any reports and statements required under [Chapter 106](#), Florida Statutes.

(Section [106.22\(10\)](#), Fla. Stat.)

Chapter 10: Filing Campaign Reports

Each campaign treasurer designated by a political committee shall file regular reports of all contributions received and all expenditures made by or on behalf of such political committee.

The chairperson and campaign treasurer shall certify as to the correctness of each report. Each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer or chairperson who willfully certifies the correctness of any report while knowing that such report is incorrect, false or incomplete commits a misdemeanor of the first degree.

(Sections [106.011](#) and [106.07](#), Fla. Stat.)

Where to File

A campaign treasurer is required to file campaign treasurer's reports with the filing officer with whom the political committee registers.

Committees filing reports with the Division are required to file using the [Electronic Filing System](#) (see [Chapter 11: Electronic Filing of Campaign Reports](#)). If the committee's filing officer is other than the Division, contact the appropriate filing officer to find out the requirements.

(Section [106.07\(2\)](#), Fla. Stat.)

When to File

Reports must be filed on the 10th day following the end of each calendar month from the time the committee registers, except that, if the 10th day occurs on a Saturday, Sunday, or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday, or legal holiday.

A political committee required to file reports with the Division must file:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.
2. On the 10th day immediately preceding the general election, and each day thereafter, with the last daily report being filed the 5th day immediately preceding the general election.

For political committees that file with the Division, see the Division's website for a calendar of [Campaign Finance Reporting Dates](#).

Any political committee required to file reports with a filing officer other than the Division

must file reports on the 60th day immediately preceding the primary election and bi-weekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

Unless the electronic filing requirements of Section [106.0705](#), Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the filing officer within five days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner.

Reports filed with the Division through the [Electronic Filing System \(EFS\)](#) are due no later than midnight, Eastern Time, of the due date.

*(Sections [106.07](#), [106.0705](#), and [106.141](#), Fla. Stat.;
[Chapter 11: Electronic Filing of Campaign Reports](#))*

Penalty for Late Filing

Any political committee failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports due immediately prior to the primary and general elections, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

(Section [106.07\(8\)](#), Fla. Stat.)

Notice of No Activity

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report is waived. However, the political committee **must still notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (A notice of no activity filed with the Division must be filed electronically using the [EFS](#).) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed. *Note: Any activity added to the waived report after the due date is subject to a late filing fine.*

(Sections [106.07\(7\)](#) and [106.0705](#), Fla. Stat.)

Special Election Reports

When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of the special election shall file campaign treasurer's reports with the filing officer on the dates set by the Department of State pursuant to Section [100.111](#), Florida Statutes.

When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

Committees are to include on the special election campaign treasurer's reports only expenditures related to the special election made by the committee during the special election reporting periods. All contributions received and all expenditures made not related to the special election during the current month should be filed on the next monthly report. Once a committee has participated in the special election and has filed a special election campaign report, all other special election reports remaining must also be filed by the committee, even if there is no further special election activity.

(Section [106.07\(1\)\(d\)](#), Fla. Stat.)

Incomplete Reports

Note: Although the Division's [Electronic Filing System](#) will allow a committee to file an incomplete report, an incomplete report does not comply with the law.

If a campaign treasurer files a report that is deemed incomplete, they will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of [Chapter 106](#), Florida Statutes.

(Section [106.07\(2\)\(b\)](#), Fla. Stat.)

Reporting Total Sums

Each campaign treasurer's report required by [Chapter 106](#), Florida Statutes, shall contain the total sums of all loans, in-kind contributions, and other receipts, and total sums of all expenditures made during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

Form [DS-DE 12](#), Campaign Treasurer's Report Summary, is used to report totals for all contributions, in-kind contributions, loans, and other receipts.

(Section [106.07\(4\)\(a\)\(5\)](#), Fla. Stat.)

Reporting Contributions

Each report *must* contain:

1. Full name, address, specific occupation, amount, and date for each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The occupation or principal type of business is not required if the contribution is \$100 or less.**
2. Name, address, amount, and date for each political committee or organization making any transfer of funds.
3. Full name, address, specific occupation, principal place of business of the lender and endorser, amount, and date for each loan.
4. Statement of each contribution, rebate, refund, or other receipts not listed in items 1 through 3 above.

Multiple uniform contributions from the same person, aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of a political committee, may be reported by the political committee in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer as provided in Section [106.07\(4\)\(a\)1.](#), Florida Statutes, by July 1 of each calendar year; or, in a general election year, no later than the 60th day immediately preceding the primary election.

(Section [106.07\(4\)\(a\)\(1\)-\(4\)](#), Fla. Stat.)

Contributions to a political committee may be received by an affiliated organization and transferred to the bank account of the political committee via check written from the affiliated organization if such contributions are specifically identified as intended to be contributed to the political committee. All contributions received in this manner shall be reported pursuant to Section [106.07](#), Florida Statutes, by the political committee as having been made by the original contributor.

(Section [106.08\(10\)](#), Fla. Stat.)

Returning Contributions

If the contribution to be returned has not been deposited into the campaign account, report the contribution on **Form [DS-DE 2, Contributions Returned](#)**. This form can be downloaded from the Division's website at dos.myflorida.com/elections/forms-publications/forms.

If the contribution has been deposited into the campaign account:

1. Report the contribution on the itemized contribution report form;
2. Write a check from the campaign account to the contributor for the amount of the contribution and report this as a negative amount on the itemized contribution report using the contribution type "Refund." The committee may also wish to explain the error in a signed, written statement to the filing officer and request that the filing officer place the explanation in the committee's file.

Any contribution received by the chairperson, campaign treasurer, or deputy campaign treasurer of a political committee supporting or opposing a candidate with opposition in an election or supporting or opposing an issue on the ballot in an election on the day of that election or less than five days prior to the day of that election may not be obligated or expended by the committee until after the date of the election.

(Section [106.08](#), Fla. Stat.)

Reporting Expenditures

Each report *must* contain:

1. Full name and address of each person to whom expenditures have been made, along with the amount, date, and clear purpose of the expenditure. Name, address, and office sought by each candidate on whose behalf such expenditure was made.
2. Full name and address of each person to whom an expenditure for personal services, salary, or reimbursed expenses was made, along with the amount, date, and clear purpose of the expenditure. (See also [Reporting Other Distributions](#).)
3. Total amount withdrawn and the total amount spent for petty cash purposes. Each expenditure from the petty cash fund need not be individually reported but complete records of petty cash expenditures must be kept.
4. Amount and nature of debts and obligations owed by or to the committee, which relate to the conduct of any political campaign.
5. The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.
6. The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure. (See also [Reporting Other Distributions](#).)

(Section [106.07\(4\)](#), Fla. Stat.)

Reporting Other Distributions

Every distribution should be reported during the coverage period when the distribution actually occurred, as is the case with the expenditures and contributions. The related distribution(s) and expenditure can and often do occur in different reporting periods.

Types of distributions:

- Prepaid
- Credit card purchases/payments
- Reimbursements
- In-kind

Reports must contain:

1. Full name and address of each person to whom payment for reimbursement was made by check drawn upon the campaign account, together with the purpose of such payment.
2. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure.
3. Distribution of goods and services to a candidate, committee, or party.

(Section [106.07](#), Fla. Stat.)

Chapter 11: Electronic Filing of Campaign Reports

The [Electronic Filing System \(EFS\)](#) is an Internet system for recording and reporting campaign finance activity by reporting period. Each political committee required to file reports with the Division pursuant to Section [106.07](#), Florida Statutes, must file such reports with the Division by means of the [EFS](#).

Reports filed:

- Must be completed and filed through the [EFS](#) not later than midnight of the due date. Reports not filed by midnight of the day designated are late filed and are subject to the penalties under Section [106.07\(8\)](#), Florida Statutes, as applicable.
- Are considered to be under oath by the chairperson and treasurer, and such persons are subject to provisions of Section [106.07\(5\)](#), Florida Statutes. Persons given a secure sign-on to the [EFS](#) are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they have notified the Division that their credentials have been compromised.

(Sections [106.0705](#) and [106.0706](#), Fla. Stat.)

Accessing the EFS

The [EFS](#) can be accessed at efs.dos.state.fl.us. The Division provides each person filing a report an identification number and initial password to gain entry. After logging in using the initial password, the system will prompt the user to change it to a confidential one.

A person given a secure sign-on to the [EFS](#) is responsible for protecting the password from disclosure. Contact the Division immediately if your password has been compromised.

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the [EFS](#) either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of approved [software vendors](#) whose programs meet the file specifications for filing campaign reports.

For instructions on uploading reports, see the [Political Committees EFS User Guide - PDF \(DS-DE 110B\)](#) located on the Division's website.

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a **PIN** (personal identification number) that allows the person to file reports via the [EFS](#). A person's **PIN** is considered the same as that person's signature on a filed report.

Electronic Receipts

The person filing a report on the [EFS](#) may print an electronic receipt verifying the report was filed with the Division. Each report filed via the [EFS](#) is considered to be under oath and such persons filing the report are subject to the provisions of [Chapter 106](#), Florida Statutes.

Chapter 12: Electioneering Communications

Definition

Electioneering communication means a text message or a communication publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographical area the candidate would represent if elected.

The *exceptions* are:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence before the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter distributed only to members of that organization;
2. A communication in a news story, commentary, or editorial distributed through the facilities of a radio station, television station, cable television system, or satellite system unless the facilities are owned or controlled by a political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by any political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area;

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that the staging organization:
 - a. Is either a charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or a newspaper, radio station, television station, or other recognized news medium; and
 - b. Does not structure the debate to promote or advance one candidate or issue position over another.

An expenditure made for, or in furtherance of, an electioneering communication is not considered a contribution to or on behalf of any candidate and shall not constitute an independent expenditure, nor be subject to the limitations applicable to independent expenditures. For this reason, an electioneering communication may be coordinated with a candidate, and the expenses related to such electioneering communication will not be considered an in-kind contribution to the candidate.

(Section [106.011\(8\)](#), Fla. Stat.)

Electioneering Communication Disclaimers

Any electioneering communication, other than a text message or a telephone call, shall prominently state: *“Paid electioneering communication paid for by (Name and address of person paying for the communication).”*

(Section [106.1439](#), Fla. Stat.)

Electioneering Communication Text Message or Telephone Call Disclaimer

(See Chapter 14: Text Message or Telephone Solicitation for more information about applicable disclaimers and exceptions regarding text messages and telephone solicitations.)

Penalty for Electioneering Communication Disclaimer Violation

Any person who fails to include the disclaimer in any electioneering communication that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in Section [775.082](#) or [775.083](#), Florida Statutes.

(Sections [106.1439](#), [106.147](#), Fla. Stat.)

Chapter 13: Political Advertising

A political advertisement is a paid expression in any communications media prescribed in Section [106.011\(4\)](#), Florida Statutes, whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue.

(Section [106.011\(15\)](#), Fla. Stat.)

Disclaimers

Any political advertisement, other than an advertisement that is paid for by a candidate, that is published, displayed, or circulated before, or on the day of, any election must prominently:

1. Be marked “*paid political advertisement*” or “*pd. pol. adv.*”
2. State the name and address of the persons paying for the advertisement.
3. State whether the advertisement and cost of production is paid for or provided in-kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement.

(Section [106.143\(1\)\(c\)](#), Fla. Stat.)

Any political advertisement not paid for by a candidate, including those paid for by a political party or affiliated party committee, other than an independent expenditure, offered by or on behalf of a candidate must be approved in advance by the candidate. Such political advertisement must expressly state that the content of the advertisement was approved by the candidate and must state who paid for the advertisement. The candidate shall provide a written statement of authorization to the newspaper, radio station, television station or other medium for each such advertisement submitted for publication, display, broadcast or other distribution. This paragraph does not apply to messages used by a candidate and their supporters if those messages are designed to be worn by a person.

(Section [106.143\(5\)\(a\)](#), Fla. Stat.)

Note: The Division does not approve the contents of an advertisement.

Exceptions to Disclaimer Requirements

The disclaimer requirements in Section [106.143](#), Florida Statutes, do not apply to any campaign message or political advertisement used by a political committee if the message or advertisement is:

- Designed to be worn by a person.
- Placed as a paid link on an Internet website provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with the disclaimer requirements in Section [106.143\(1\)](#), Florida Statutes.

Appendix B: Frequently Asked Questions

1. How many deputy treasurers may a political committee have?

Political committees may appoint up to three deputy treasurers.

(Section [106.021\(1\)\(a\)](#), Fla. Stat.)

2. Can a deputy treasurer file and submit campaign reports?

Yes. A deputy treasurer may perform all of the duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer and chairperson.

(Section [106.021\(4\)](#), Fla. Stat.)

3. Who is responsible for keeping tabs on aggregate totals of campaign contributions?

The campaign treasurer is responsible for receiving and reporting all contributions.

(Section [106.06](#), Fla. Stat.)

4. May a political committee accept a contribution from a trust fund?

Yes. [Chapter 106](#), Florida Statutes, defines a "person" as an individual, corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term also includes a political party, affiliated party committee, or political committee. As a "person", a trust may make contributions subject to the limitations set forth in Section 106.08, Florida Statutes.

(Section [106.011\(14\)](#), Fla. Stat.)

5. Are in-kind contributions subject to the same limitations as monetary contributions? How is the value of an in-kind contribution determined?

Yes. In [Chapter 106](#), Florida Statutes, the definition of a "contribution" includes contributions in-kind having an attributable monetary value in any form. Therefore, in-kind contributions are subject to the same limitations set for monetary contributions. The contributor must inform the person receiving the contribution of the fair market value at the time it is given.

(Sections [106.011\(5\)](#), [106.055](#), and [106.08](#), Fla. Stat.)

6. Can a corporation give to a political committee?

Yes. A corporation is under the definition of a "person" in [Chapter 106](#), Florida Statutes. As

a “person”, a corporation may make contributions subject to the limitations set forth in Section 106.08, Florida Statutes.

(Sections [106.011\(14\)](#) and [106.08](#), Fla. Stat.)

7. Can I conduct a raffle to raise money for the committee?

No. Pursuant to Section [849.09](#), Florida Statutes, it is unlawful for any person in this state to set up, promote, or conduct any lottery for money or anything of value.

8. Do I have to file campaign reports on the [Electronic Filing System \(EFS\)](#)?

If the Division is your filing officer, you are required to file all campaign reports via the [EFS](#). If your filing officer is other than the Division, contact that office to find out its requirements.

(Section [106.0705](#), Fla. Stat.)

9. If my treasurer is out of town, can I have an extension to file my report?

No. The election laws do not provide for an extension under these circumstances.

(Section [106.07\(2\)\(b\)](#) and [\(3\)](#), Fla. Stat.)

10. If I make a mistake on my report can I go back in and correct it on the Division’s [EFS](#)?

Once the report is submitted to the Division, the [EFS](#) will not permit you to go back and make changes. In order to correct mistakes or add and delete information, you must submit an "amendment." If you add activity to a waiver after the report due date, a fine will be imposed based upon the new filing date in accordance with Section [106.07\(8\)\(b\)](#), Florida Statutes.

11. If I am late submitting my report, how is my fine calculated?

The fine is \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater for the period covered by the late report.

However, for reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, which is greater, for the period covered by the late report.

(Section [106.07\(8\)\(b\)](#), Fla. Stat.)

12. Will a fine be imposed for the late filing of a notice of no activity?

No, because you had no receipts or expenditures during the reporting period. *However*, to

avoid potential issues in the future, please note that state law (s. [106.07\(7\)](#), Fla. Stat.) requires the political committee to file by the dates set out by law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do so may constitute a violation of Sections [106.07\(1\)](#) and [106.19\(1\)\(c\)](#), Florida Statutes. The Division is required to notify the [Florida Elections Commission](#) of any apparent violation of [Chapter 106](#), Florida Statutes, or any failure to file a report or information required by [Chapter 106](#), Florida Statutes. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.

13. How long are campaign records kept at the Division of Elections or the supervisor of elections?

Ten years from the date of receipt.

(Sections [98.015\(5\)](#) and [106.22\(4\)](#), Fla. Stat.)

14. Is there a fee to register as a political committee?

No, there is no fee to register as a political committee.

15. Do you have to be incorporated to start a committee?

The Florida Election Code does not require a person as defined in [Chapter 106](#), Florida Statutes, to incorporate in order to register as a political committee. However, requirements for conducting business in the state may be applicable but are outside the jurisdiction of the Division of Elections. Please contact the Division of Corporations at **850.245.6000** or visit dos.myflorida.com/sunbiz for any questions.

16. Do I need an Employer Identification Number (EIN) to become a political committee?

The Division of Elections does not require you to obtain an EIN. However, some banks require that you obtain an EIN from the Internal Revenue Service. Contact the IRS at 1-800-829-1040 for additional information.

17. May a Florida political committee make contributions to an out-of-state political entity, a federal political action committee (PAC), a candidate for federal office, or a person seeking selection as the chair of a political party?

A Florida political committee may make contributions to an out-of-state political entity that engages solely in non-coordinated expenditures.

Though Florida Election Code does not directly address the above question, the Division has historically interpreted the law to prohibit the funds of a Florida political committee from being used to influence elections outside of Florida, including making contributions to out-of-state political entities. However, this interpretation is no longer tenable regarding contributions to groups whose expenditures are not coordinated with candidates. The U.S. Supreme Court held in *Citizen’s United v. FEC* that independent expenditures do not give rise to corruption (or the appearance of corruption) and, thus, that restrictions on engaging in such expenditures violate the First Amendment. Subsequently, a federal appeals court held that contribution limits are unconstitutional when applied to contributions made to PACs that engage solely in independent expenditures. These and related precedents establish that restrictions on persons or groups that either participate in or finance political speech conducted independently of candidates cannot stand. In light of this, the Division is updating its guidance to clarify that Florida political committees may make contributions to out-of-state political entities (such as federal Super PACs, federal hybrid PACs, or equivalent PACs organized under laws of other states) whose expenditures are not coordinated with candidates.

A Florida political committee that makes contributions to an out of state political entity should consult the relevant jurisdiction’s law to determine whether such contribution triggers registration or reporting obligations.

The Division’s previous guidance prohibiting Florida political committees from making contributions to federal candidates, candidates in other states, or persons seeking selection as the chair of a political party remain intact.

18. What are the consequences of an out-of-state political entity or a federal political action committee (PAC) contributing to a Florida political committee?

Depending upon the circumstances of how the out-of-state entity, federal PAC, or another state's PAC collects its donations and makes expenditures in Florida, one of two different scenarios could result.

First, **if the out-of-state political entity or federal PAC is not itself receiving “contributions**, they, like any other contributor, can give unlimited contributions to one or more Florida political committees ***unless*** the committee is sponsoring or opposing a constitutional amendment proposed by initiative. (A \$3,000 limit exists until the initiative achieves ballot position.) “Contributions” are defined as only those made for the purpose of influencing the results of a Florida election. An out-of-state political entity or federal PAC that has only received donations that were *not* made for the purpose of influencing the results of Florida elections has not received contributions under Florida law; therefore, it can make contributions to a Florida political committee ***without*** having to register as a Florida political committee.

On the other hand, if an out-of-state political entity or federal PAC receives “contributions” as defined above (donations made for the purpose of influencing the results of a Florida election), the out-of-state political entity or federal PAC must register as a Florida political committee. A Florida political committee must maintain a separate bank account solely for Florida political activities (*i.e.*, depositing contributions and making expenditures, which again, by definition, are for the purpose of influencing only Florida elections). All contributions to a Florida political committee must be deposited into that separate bank account.

If the activities of an out-of-state political entity or federal PAC cause it to become a Florida political committee under the [Chapter 106](#), Florida Statutes, definition of “political committee,” the Florida political committee’s funds may not be commingled with funds from the out-of-state political entity or federal PAC. This means that funds in the Florida political committee’s bank account may not be used for the purpose of influencing elections outside of Florida, such as giving funds to candidates in other states or donating funds to an out-of-state political entity or federal PAC.
