Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: NOW PAC of Florida NOW

Case No.: FEC 22-062

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and that there is **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 24, 2023, the following facts and law support this staff recommendation:

1. On March 9, 2022, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division” or “Complainant”), alleging that NOW PAC of Florida NOW (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Division. (ROI Exhibit 2)¹

3. By letter dated April 20, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the 2021 M11 reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M11 reporting period.

4. By letter dated July 23, 2013, Kristi Reid Bronson, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 3, page 1)

¹ The Report of Investigation is referred to herein as “ROI.”

5. The acknowledgment letter advised Respondent that all political committees filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 3)

6. Respondent’s 2021 M11 Report was due to be filed by December 10, 2021; however, Respondent failed to timely file the report or notify the filing officer that no report would be filed. *See* Compl. By letters dated December 13, 2021, December 28, 2021, and January 11, 2022, the Division notified Respondent that the committee’s 2021 M11 Report had not been received. The letters also notified Respondent that it was still required to notify the Division if the committee had no reportable financial activity. (ROI Exhibits 4 & 5) The letter sent by certified mail was confirmed delivered. (ROI Exhibit 5, page 2)

7. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., November 1, 2021 – November 30, 2021. (ROI Exhibit 5, page 1). Respondent’s bank records do not show reportable financial activity during the relevant reporting period. (ROI Exhibit 7)

8. Cynthia Harris, prior treasurer for Respondent, stated that she was treasurer at the time the notice was due. She stated that there was a constant change in administration. Debbie Deland, chairperson for Respondent, stated that the former chairperson moved to Virginia without notice and that she could not get in contact with Cynthia Harris. (ROI Exhibit 8, pages 2 & 3)

9. On May 10, 2022, Respondent filed a notice of no activity for the 2021 M11 reporting period. The notice was 151 days late. (ROI Exhibit 6, page 1)

10. As it appears that Respondent had no financial activity during the relevant reporting period, Respondent was required to notify the filing officer in writing that it would not be filing the committee’s 2021 M11 Report on the prescribed reporting date but failed to do so. Therefore, it does not appear that Respondent falsely reported or deliberately failed to include information in the committee’s report as the report was waived due to a lack of reportable financial activity.

11. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

12. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to timely file its 2021 M11 Report or notify the filing officer that no report would be filed. It appears that Respondent had no financial activity during the relevant reporting period, and therefore, was required to notify the filing officer in writing that it

would not be filing the committee's report on the prescribed reporting date but failed to do so. Thus, it does not appear that Respondent falsely reported or deliberately failed to include information in the committee's report as the report was waived due to a lack of reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about December 10, 2021, NOW PAC of Florida NOW violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2021 M11 Report.

Respectfully submitted on September 26, 2023.

Stephanie J. Cunningham
General Counsel

Report of Investigation for Sections 106.07(7) and 106.19(1)(c), F.S.

Case Number: FEC 22-062

Sections 106.07(7) and 106.19(1)(c), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed or failure to file a campaign report to reflect financial activity.

Respondent: NOW PAC of Florida NOW
Respondent's Atty: N/A

Division of Elections (Division)
Referral Filed: March 9, 2022

Respondent Type: Political Committee

I. Preliminary Information:

1. Respondent is a political committee registered with the Division.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on July 10, 2013. Natalie Andre was appointed as campaign treasurer. To review the DS-DE 6, refer to Exhibit 1.¹

3. A Statement of Organization for the political committee was filed with the Division on July 10, 2013. To review the Statement of Organization, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 5 on July 23, 2013, advising Respondent that all political committees filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.²

6. The Division sent correspondence to the address provided for the chairperson notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M11. The letter(s) included reference to the filing date(s) for the report(s). To review the failure to file correspondence, refer to Exhibit 4.

¹ Another DS-DE 6 was filed on July 22, 2020, appointing Cynthia Harris as treasurer; Ms. Harris was the treasurer of record when the report at issue was due.

² Similar acknowledgement letters were sent to Ms. Harris upon her appointment as treasurer and to Kim Porteous upon her appointment as chairperson; Ms. Porteous was the chairperson of record when the report at issue was due.

7. On January 11, 2022, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided for the chairperson notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M11. The letter was confirmed delivered on January 14, 2022. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 5.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period(s) or by not filing campaign report(s) to reflect financial activity for the reporting period(s). To review the filing history, refer to Exhibit 6.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 7 ³
2021 M11	11/1/21– 11/30/21	12/10/21	Waiver ⁴	7

9. Respondent did not respond to the referral.

10. On February 23, 2023, I interviewed Cynthia Harris. Ms. Harris acknowledged that she was the treasurer at the time the reports were due. She stated that they were filed late due to the chaos surrounding the political committee at the time. She further stated that during her tenure there was constant change in administration, and people were leaving without informing others. She stated that she was no longer a part of the committee and would not be returning. She further stated that this was her first time serving as a treasurer. She said that she had to “learn as she went” and did not receive any assistance from the Division. She did not recall being informed of the Division’s website to obtain documents. To review the phone log, refer to Exhibit 8.

11. On February 23, 2023, I interviewed Respondent’s current chairperson, Debbie Deland. Ms. Deland stated she was aware of the untimely filing when she was first appointed chairperson. Ms. Deland further stated that the previous chairperson had moved to Virginia without telling anyone. She added that Ms. Harris was appointed as treasurer, but she was, “never able to be reached for anything,” so Ms. Deland took over. Ms. Deland stated that the committee experienced difficulties in switching over to new officers while attempting to obtain the required passwords from the Division. To review the phone log, refer to Exhibit 8.

SIGNATURE OF INVESTIGATOR:  **Date:** March 24, 2023

³ I subpoenaed campaign account records from the designated campaign depository. After unsuccessful attempts to obtain the records under the name of the political committee, I obtained the account number of Respondent’s campaign depository from current Chairperson Debbie Deland, which allowed me to successfully subpoena the records. To review the bank’s declaration letters from unsuccessful subpoena attempts, refer to Exhibit 7, pages 4-6.

⁴ A waiver of the 2021 M11 report was ultimately filed on May 10, 2022, which was 151 days late.

Dear Ms. Slutiak:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **NOW PAC of Florida NOW**, which were placed on file in our office on July 22, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports/opposes both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Kim Porteous, Chairperson
NOW PAC of Florida NOW

Orlando, FL 32835-2835

PAC 60565

Dear Ms. Porteous:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was December 10, 2021.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Ms. Porteous:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was December 10, 2021.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on December 13, 2021.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Ms. Porteous:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M11	11/1/21 - 11/30/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

RE: Case No.: FEC 22-062; Respondent: NOW PAC of Florida NOW

Dear Ms. Porteous:

On March 9, 2022, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the 2021 M11 reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported, or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M11 reporting period.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon your committee. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are

interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Cedric.Oliver@myfloridalegal.com.

Sincerely,

Dear Ms. Porteous:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M11	11/1/21 - 11/30/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief
Bureau of Election Records
