***Tim Vaccaro***

Executive Director  
Florida Elections Commission  
January 19, 2024

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 20-138**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the sworn complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.19(1)(a), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on April 14, 2023, the following facts and law support this staff recommendation:

1. On June 26, 2020, the Florida Elections Commission (“Commission”) received a sworn complaint from Mark Loput (“Complainant”), alleging that Alvin Pollock (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2020 candidate for Broward County Sheriff. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on March 7, 2019. (ROI Exhibit 2)<sup>1</sup>

3. By letter dated September 14, 2020, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(5), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have certified one or more campaign treasurer’s reports were true, correct, and complete when they were not, as alleged in the complaint.

**Section 106.19(1)(a), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have accepted one or more contributions in excess of the limits prescribed by Section 106.08, Florida Statutes, as alleged in the complaint.

**Section 106.19(1)(c), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during one or more campaign reporting periods, as alleged in the complaint.

4. On March 7, 2019, Respondent acknowledged that he had been provided access to read the requirements of Chapter 106, Florida Statutes. (ROI Exhibit 2) Additionally, Respondent’s filing officer attested that he provided Respondent with a candidate packet with links

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

to access Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. (ROI Exhibit 3, pages 1 & 2)

5. On March 7, 2019, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates forms (“DS-DE 9”) appointing Everette Keith Neely as treasurer for his campaign and himself as deputy treasurer for his campaign. (ROI Exhibit 1, pages 1 & 2)

**Alleged Violation: Section 106.19(1)(a), Florida Statutes**

6. Complainant alleged that Respondent violated Florida’s election laws by accepting contributions in excess of the limits prescribed by Section 106.08, Florida Statutes. More specifically, Complaint alleged that Respondent accepted excessive monetary contributions from seven contributors (including himself). *See Compl.*, pp. 3 & 8.

7. Under Section 106.19(1)(a), Florida Statutes, a candidate for a countywide office who knowingly and willfully accepts a contribution in excess of \$1,000 commits a violation of Florida’s election laws. The contribution limit applies to each election, with the primary and general election being treated as separate elections so long as the candidate is not unopposed. The race for Broward County Sheriff had a primary election held on August 18, 2020, and a general election held on November 3, 2020.

8. Respondent disclosed receiving six contributions from Harry Joseph totaling \$1,500 on his 2019 M9, 2020 M2, 2020 M3, amended 2020 M4, and 2020 M5 reports. (ROI Exhibit 5, page 25, 49, 50, 54, 66, 72) Respondent’s bank records show receipt of four checks totaling \$900 from Harry Joseph prior to the primary election. (ROI Exhibit 7, pages 1-4)

9. Respondent disclosed receiving two contributions from Ray Huizenga totaling \$2,000 on his 2019 M9 and 2020 M5 reports. (ROI Exhibit 5, page 31 & 72) Respondent’s bank records show receipt of two checks totaling \$20,000 (\$10,000 each) from Ray Huizenga prior to the primary election. (ROI Exhibit 7, pages 7 & 8)

10. Respondent disclosed receiving two contributions from Tim Martin totaling \$2,000 on his 2020 M5 Report. (ROI Exhibit 5, page 73) Respondent’s bank records show receipt of one money order in the amount of \$1,000 from Tim Martin prior to the primary election. (ROI Exhibit 7, page 9)

11. Respondent disclosed receiving two contributions from Mercedes Roine totaling \$2,000 on his amended 2020 M4 Report. (ROI Exhibit 5, page 66) Respondent’s bank records do not show receipt of any check contributions from Mercedes Roine. (ROI Exhibit 6, page 2; ROI, p. 3, n. 10)

12. Respondent disclosed receiving two contributions from American Correctional Consultants totaling \$1,300 on his 2019 M5 and 2020 M3 reports. (ROI Exhibit 5, pages 5 & 56) Respondent’s bank records show receipt of two checks totaling \$1,300 from American Correctional Consultants prior to the primary election. (ROI Exhibit 7, pages 11 & 12)

13. Respondent disclosed receiving two contributions from Alanis Air Conditioning & Heat totaling \$2,000 on his 2019 M3 and 2020 M2 reports. (ROI Exhibit 5, pages 2 & 49) Respondent's bank records show receipt of two checks totaling \$2,000 from Alanis Air Conditioning & Heat prior to the primary election. (ROI Exhibit 7, pages 13 & 14)

14. Respondent's bank records show receipt of cash contributions and deposits from online contribution platforms that could account for the excessive monetary contributions reportedly received from Harry Joseph, Tim Martin, and Mercedes Roine; however, Commission staff does not have documentation from the platforms necessary to verify the contributions. (ROI Exhibit 6)

15. Additionally, Complainant also alleged that Respondent accepted monetary contributions from himself in excess of the limits prescribed by Section 106.08, Florida Statutes; however, the contribution limits do not apply to amounts contributed by a candidate to his campaign. §106.08(1)(b), Fla. Stat.

16. Respondent stated that he does not recall receiving any excessive contributions. (ROI Exhibit 8, page 4)

17. There is no evidence to suggest that Respondent refunded the excessive contributions. (ROI, p. 3, ¶9)

18. Respondent accepted monetary contributions from Ray Huizenga, American Correctional Consultants, and Alanis Air Conditioning & Heat in excess of the limits prescribed by Section 106.08, Florida Statutes.

**Alleged Violation: Section 106.07(5), Florida Statutes**

19. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's reports were true, correct, and complete when they were not. More specifically, Complainant alleged that Respondent failed to disclose the address and occupation for multiple contributors and expenditure recipients. *See* Compl., pp. 3-7.

20. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures. However, occupations are not required to be reported for contributions in the amount of \$100 or less.

21. On June 8, 2019, Respondent certified the campaign's 2019 M5 Report was true, correct, and complete. (ROI Exhibit 5, page 4) The campaign's report was incomplete as Respondent failed to disclose the address of a contributor. (ROI Exhibit 5, page 9; *See* ROI, p. 4, Table 2)

22. On July 9, 2019, Respondent certified the campaign's 2019 M6 Report was true, correct, and complete. (ROI Exhibit 5, page 13) The campaign's report was incomplete as Respondent failed to disclose the addresses and occupations for four contributors. (ROI Exhibit 5, pages 14 & 15; *See* ROI, p. 4, Table 2)

23. On September 10, 2019, Respondent certified the campaign's 2019 M8 Report was true, correct, and complete. **Alleged Violation: Section 106.19(1)(c), Florida Statutes**

34. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes.

35. Based on the above analysis, Respondent failed to disclose the address for 30 contributors and five expenditure recipients, failed to disclose the occupations for 33 contributors, and misreported the occupation for a contributor, the name of an expenditure recipient, and other financial activity. (ROI Exhibit 5; *See* ROI, pp. 4-6, Tables 2 & 3; *See* SR, p. 2, ¶¶ 8-11) Respondent reported the addresses and occupations as "Unknown" or "Attempting to obtain."

38. Respondent did not amend the reports to add or correct any of the missing or incorrect information. (ROI Exhibit 10)

39. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes,

on the campaign's 2019 M5, 2019 M6, 2019 M8, 2019 M9, 2019 M10, 2019 M12, 2020 M1, 2020 M2, 2020 M3, amended 2020 M3, amended 2020 M4, and 2020 M5 reports.

40. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

41. The facts set forth above show that Respondent was a 2020 candidate for Broward County Sheriff. Respondent accepted monetary contributions from Ray Huizenga, American Correctional Consultants, and Alanis Air Conditioning & Heat in excess of the limits prescribed by Section 106.08, Florida Statutes. Respondent certified that the campaign's 2019 M5, 2019 M6, 2019 M8, 2019 M9, 2019 M10, 2019 M12, 2020 M1, 2020 M2, 2020 M3, amended 2020 M3, amended 2020 M4, and 2020 M5 reports were true, correct, and complete when they were not. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2019 M5, 2019 M6, 2019 M8, 2019 M9, 2019 M10, 2019 M12, 2020 M1, 2020 M2, 2020 M3, amended 2020 M3, amended 2020 M4, and 2020 M5 reports.

**FLORIDA ELECTIONS COMMISSION**  
**REPORT OF INVESTIGATION**  
**Case No.: FEC 20-138**

**Respondent:** Alvin Pollock

**Complainant:** Mark Loput

Pursuant to Section 106.25, Florida Statutes, on June 26, 2020, the Florida Elections Commission (Commission) received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff, therefore, investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not.

Section 106.19(1)(a), Florida Statutes, may have accepted one or more contributions in excess of the limits prescribed by Section 106.08, Florida Statutes.

Section 106.19(1)(c), Florida Statutes, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during one or more campaign reporting periods.

**I. Preliminary Information:**

1. Respondent was a 2020 candidate for Broward County Sheriff; he was defeated in the general election on November 3, 2020. Respondent was a first-time candidate.

2. The Broward County Supervisor of Elections (SOE) was Respondent's filing officer.

3. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on March 7, 2019. Everett Keith Neely was appointed as campaign treasurer. On the same date, Respondent filed another DS-DE 9 appointing himself as deputy campaign treasurer. To review the DS-DE 9 forms, refer to Exhibit 1.<sup>1</sup>

4. Respondent filed a Statement of Candidate form with the SOE on March 7, 2019, in which Respondent acknowledged that he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

5. In an affidavit, Joe Scott, SOE Director of Candidate & Elections Services, attested that, "Candidate packet was provided to the candidate by US Postal Service." Mr. Scott also asserted that Respondent was provided copies of Chapter 106, F.S. and the *Candidate & Campaign Treasurer Handbook* on March 7, 2019. To review the affidavit, refer to Exhibit 3.

---

<sup>1</sup> A third DS-DE 9 was filed on March 22, 2019, amending the contact information for Treasurer Neely and the spelling of Treasurer Neely's name.

**II. Alleged Violation of Section 106.19(1)(a), Florida Statutes:**

6. I investigated whether Respondent violated this section of the election laws by accepting one or more contributions in excess of the limits prescribed by Section 106.08, Florida Statutes. I subpoenaed bank records from Respondent’s designated campaign depository. Then, I reviewed the bank records and Respondent’s campaign treasurer’s reports on file with the SOE covering the reporting periods at issue in the complaint.

7. Complainant alleged that Respondent accepted excessive contributions from seven contributors across multiple reporting periods. However, one of the contributors was Respondent himself, who reportedly made three in-kind contributions to his own campaign with a total value of \$1,075.00. To review Complainant’s table outlining allegedly excessive contributions, refer to Exhibit 4.

8. Table 1 below sets forth the six other contributors at issue, lists each of the contributions that were reportedly received from each contributor, and presents details on what was found in the bank records relative to each of the reported contributions at issue.<sup>2</sup> To review the campaign treasurer’s reports, refer to Exhibit 5.<sup>3</sup> To review applicable bank statements, refer to Exhibit 6. To review applicable contribution checks, refer to Exhibit 7.

<sup>2</sup> The bank records include deposits from online contribution platforms that could account for some of the reported contributions. I made multiple requests for Respondent’s online contribution records, but he did not provide them.

<sup>3</sup> Complainant provided some report documentation with the complaint, but the investigation obtained and reviewed the complete reports at issue from those on file with the SOE.

<sup>4</sup> Complainant’s table incorrectly specified a date of 4/5/20 for this contribution.

<sup>5</sup> Though there was no \$100 check from Mr. Joseph dated 2/27/20, a deposit of \$200 in cash was made on 2/4/20, and a deposit of \$770 in cash was made on 3/3/20. Also, a deposit of \$1,339.08 was made via Paypal on 2/10/20.

<sup>6</sup> Though there was no \$500 check from Mr. Joseph dated 4/3/20, the April bank statement shows a deposit of \$4,489.44 was made via Paypal on 4/10/20, and deposits in the amounts of \$6,700 and \$1,345.67 were made via Givebuttr on 4/10/20 and 4/29/20, respectively.

9. The campaign account records do not contain campaign account checks written to any of the above contributors to refund any portion of their respective contributions.

10. Respondent did not respond to the complaint. I called Respondent in order to provide Respondent an opportunity to respond to the allegations of the complaint. Respondent stated that he does not recall receiving any excessive contributions. To review the phone log, refer to Exhibit 8.

<sup>7</sup> Complainant's table incorrectly specified a date of 9/26/20 for this contribution.

<sup>8</sup> Though there is no other check from Mr. Martin, a deposit of \$10,000.00 in cash was made on 6/5/20; the May bank statement shows several deposits were made via Givebuttr, though none of them exceeded \$275.

<sup>9</sup> Different occupations were provided relative to the two contributions from Ms. Roine, "nurse" and "real estate broker;" Respondent did not include an address for Ms. Roine relative to either contribution.

<sup>10</sup> Though there were no checks from Ms. Roine, the April bank statement shows a deposit of \$4,489.44 was made via Paypal on 4/10/20, and deposits in the amount of \$6,700.00 and \$1,345.67 were made via Givebuttr on 4/10/20 and 4/29/20, respectively.

**III. Alleged Violation of Sections 106.07(5) and 106.19(1)(c), Florida Statutes:**

11. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer’s reports were true, correct, and complete when they were not, and by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, in one or more campaign treasurer’s reports.

12. Complainant alleged that Respondent omitted the address and/or occupation information for certain contributors and expenditure recipients. To review Complainant’s tables outlining persons whose addresses and/or occupations were allegedly omitted, refer to Exhibit 9.<sup>11</sup>

13. I obtained and reviewed Respondent’s campaign treasurer’s reports on file with the SOE. Table 2 below sets forth the contributors at issue in the complaint and presents the address and occupation information entered for these persons on Respondent’s campaign treasurer’s reports. Table 3 below sets forth the expenditure recipients at issue and presents the address information entered for these persons on Respondent’s campaign treasurer’s reports. To review the campaign treasurer’s reports, refer to Exhibit 5. To review Respondent’s filing history, refer to Exhibit 10.

15. I called Respondent in order to provide Respondent an opportunity to respond to the allegations of the complaint.<sup>17</sup> Regarding missing addresses and occupation information, Respondent stated that these omissions were the result of online contributors who failed to provide complete information, including address and occupation.<sup>18</sup> Respondent reiterated that addresses for law enforcement officers were withheld pursuant to statute. Further, Respondent stated that Everett Keith Neely, his campaign treasurer, filed everything. Respondent stated that he did not complete and/or file any campaign treasurer's reports himself. To review the phone log and emails, refer to Exhibit 8.

Respectfully submitted on April 14, 2023.

**FLORIDA ELECTIONS COMMISSION  
PHONE LOG  
Case No.: FEC 20-138**

**Respondent:** Alvin Pollock

**Complainant:** Mark Loput

1. **Date and time:** 11/23/20 @ 4:28pm  
**Name:** Broward Supervisor of Elections - Claudette Hamilton  
**Phone #:** 954-712-1960  
**Summary:** I found the above phone number at the Broward SOE's site - it's the number for candidate qualifying information. I left a detailed message for Ms. Hamilton, explaining that I'd like any correspondence between the SOE's office and Mr. Pollock during his campaign. I provided R's name, office, and campaign dates. I also provided my phone and email address and mentioned that I'd previously sent an email requesting this information. Finally, I mentioned that I realize it's Thanksgiving-time and we're coming off an election, so I understand they're busy (and possibly backed-up). I asked if I needed to provide further details.

3. **Date and time:** 1/5/21 @ 2:06pm  
**Name:** Truist  
**Phone #:** 252-246-2000 x.3  
**Summary:** I called and left a detailed message w/Truist's subpoena processing department. I provided my office number, email address, and our internal subpoena number: 20-138-067. I provided the service date at the RA and requested a status update on production.

**Name:** Tatianna w/Truist @ 4:25pm  
**Phone #:** 844-224-9291, ext. 1007460  
**Summary:** I returned a phone message left by Tatianna with Molly. She requested further information about the subpoena and wanted to know about our ongoing investigation. I explained that this was confidential. She asked if we were looking at additional accounts, such as loans, PPOs, etc. I explained that the scope of the subpoena was outlined as only pertaining to the campaign account, nothing else. I asked how much longer it would be until

they produced records, since the subpoena was served back in November. Tatianna seemed unsure about the length of time to produce.

5. **Date and time:** 2/19/21 @ 1:43pm

**Name:** Claudette Hamilton - Broward SOE

**Phone #:** 954-712-1961

**Summary:** I reached out to Ms. Hamilton in response to her email. We went over the documents requested in the FO Affidavit. Ms. Hamilton wanted to confirm that I'd already rec'd the campaign reports and qualifying docs, as these are available on the Broward SOE. I confirmed their receipt and stated that she could forego sending these items *again* in the Affidavit. We determined that she will be sending this via email, likely early next week.

## RESPONDENT INTERVIEW MEMO – Call details at # 954-553-9629

- Have you ever run for public office? If so, please name each office and the year you ran.
  - No; this was Respondent's first campaign.
- Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name each candidate, office, and year the election occurred.
  - No; Respondent has never acted as a treasurer.
- Have you ever been a chairperson, treasurer, or other similar position for any political committee or electioneering communications organization?
  - No; Respondent stated that he has never previously been involved in politics.
- What actions did you take to determine your responsibilities under Florida's election laws?
  - Respondent stated that he has retained an attorney, though he indicated that this happened only once he started having problems with campaign reports.
- Did your campaign treasurer, Everett Keith Neeley, have previous experience as a campaign treasurer?
  - Respondent stated that he doesn't know whether Neeley had previous treasurer experience.
- Who filed the majority of campaign reports and/or waivers: you or Mr. Neeley?
  - Respondent stated that Mr. Neeley filed everything.
- Did you ever complete and/or file any campaign reports yourself?
  - No.
- Outside Mr. Neeley and yourself, did anyone else have access to your campaign depository information, including checks, credit- and debit cards?
  - No.
- Records and the sworn complaint filed against you show that no addresses were provided for numerous contributors. Can you explain this?
  - Respondent explained that he and Mr. Neely set up an online contribution platform (he wasn't sure which one, but he mentioned ActBlue). Respondent indicated that contributors didn't always provide all their contact details (including address and occupation). Respondent also mentioned that fees charged by the online platforms were problematic as they tried accurately reporting contributions.
  - Respondent reiterated that no addresses were provided for law enforcement contributors (due to exemptions).
  - Later in the interview, Respondent mentioned his campaign switched to a different online platform (GiveButter?), which caused further confusion.
  - At this point in the interview, I requested that Respondent send an itemized statement showing all contributions made via the online platforms.
- Regarding missing addresses and other errors, were you ever notified by the Broward Supervisor of Elections?
  - Respondent identified the Division of Elections as the agency that contacted him.
  - However, research shows that R was likely in touch with the Broward SOE. During our call, he expressed genuine confusion about the various agencies and their respective functions.
- Records indicate there was a surplus balance of funds at the close of your campaign. Can you explain the final dispersal of these funds?

- Respondent stated that everything “zero-ed out” at the close of the campaign. He stated that everything was closed-out (including his PO Box). He also stated that he doesn’t recall whether they donated any remaining funds.
- Do you recall receiving any excessive contributions?
  - No
- Did your email or mailing address change since the campaign? If so, can you provide updated details?
  - Respondent provided the following updated information:  
[Pollock1858@gmail.com](mailto:Pollock1858@gmail.com)
  - Updated mail: PO Box 290386, Davie FL 33329.

1. **Date and time:** 11/23/20 @ 4:28pm  
**Name:** Broward Supervisor of Elections - Claudette Hamilton  
**Phone #:** 954-712-1960  
**Summary:** I found the above phone number at the Broward SOE's site - it's the number for candidate qualifying information. I left a detailed message for Ms. Hamilton, explaining that I'd like any correspondence between the SOE's office and Mr. Pollock during his campaign. I provided R's name, office, and campaign dates. I also provided my phone and email address and mentioned that I'd previously sent an email requesting this information. Finally, I mentioned that I realize it's Thanksgiving-time and we're coming off an election, so I understand they're busy (and possibly backed-up). I asked if I needed to provide further details.

**Summary:** I returned a phone message left by Tatianna with Molly. She requested further information about the subpoena and wanted to know about our ongoing investigation. I explained that this was confidential. She asked if we were looking at additional accounts, such as loans, PPOs, etc. I explained that the scope of the subpoena was outlined as only pertaining to the campaign account, nothing else. I asked how much longer it would be until

they produced records, since the subpoena was served back in November. Tatianna seemed unsure about the length of time to produce.

## RESPONDENT INTERVIEW MEMO – Call details at # 954-553-9629

- Have you ever run for public office? If so, please name each office and the year you ran.
  - No; this was Respondent's first campaign.
- Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name each candidate, office, and year the election occurred.
  - No; Respondent has never acted as a treasurer.
- Have you ever been a chairperson, treasurer, or other similar position for any political committee or electioneering communications organization?
  - No; Respondent stated that he has never previously been involved in politics.
- What actions did you take to determine your responsibilities under Florida's election laws?
  - Respondent stated that he has retained an attorney, though he indicated that this happened only once he started having problems with campaign reports.
- Did your campaign treasurer, Everett Keith Neeley, have previous experience as a campaign treasurer?
  - Respondent stated that he doesn't know whether Neeley had previous treasurer experience.
- Who filed the majority of campaign reports and/or waivers: you or Mr. Neeley?
  - Respondent stated that Mr. Neeley filed everything.
- Did you ever complete and/or file any campaign reports yourself?
  - No.
- Outside Mr. Neeley and yourself, did anyone else have access to your campaign depository information, including checks, credit- and debit cards?
  - No.
- Records and the sworn complaint filed against you show that no addresses were provided for numerous contributors. Can you explain this?
  - Respondent explained that he and Mr. Neely set up an online contribution platform (he wasn't sure which one, but he mentioned ActBlue). Respondent indicated that contributors didn't always provide all their contact details (including address and occupation). Respondent also mentioned that fees charged by the online platforms were problematic as they tried accurately reporting contributions.
  - Respondent reiterated that no addresses were provided for law enforcement contributors (due to exemptions).
  - Later in the interview, Respondent mentioned his campaign switched to a different online platform (GiveButter?), which caused further confusion.
  - At this point in the interview, I requested that Respondent send an itemized statement showing all contributions made via the online platforms.
- Regarding missing addresses and other errors, were you ever notified by the Broward Supervisor of Elections?
  - Respondent identified the Division of Elections as the agency that contacted him.
  - However, research shows that R was likely in touch with the Broward SOE. During our call, he expressed genuine confusion about the various agencies and their respective functions.
- Records indicate there was a surplus balance of funds at the close of your campaign. Can you explain the final dispersal of these funds?

- Respondent stated that everything “zero-ed out” at the close of the campaign. He stated that everything was closed-out (including his PO Box). He also stated that he doesn’t recall whether they donated any remaining funds.
- Do you recall receiving any excessive contributions?
  - No
- Did your email or mailing address change since the campaign? If so, can you provide updated details?
  - Respondent provided the following updated information:

**RE: Case No.: FEC 20-138; Respondent: Alvin Pollock**

Dear Mr. Pollock:

On June 26, 2020, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

**Section 106.07(5), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, as alleged in the complaint.

**Section 106.19(1)(a), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have accepted one or more contributions in excess of the limits prescribed by Section 106.08, Florida Statutes, as alleged in the complaint.

**Section 106.19(1)(c), Florida Statutes:** Respondent, a 2020 candidate for the office of Broward County Sheriff, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during one or more campaign reporting periods, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

Florida Elections Commission,

As you are aware Chapter 106, Florida Statutes regulates campaign financing for individuals running for an elected county office. On March 7, 2019, Alvin Pollock filed with the Broward County Supervisor of Elections Appointment of Campaign Treasurer form (see attachment) and Statement of Candidate form (see attachment). Pollock signed the form attesting to the fact that he has been provided access to read and understand the requirements of Chapter 106. Chapter 106 specifically states a candidate must report all contributions, loans, expenditures etc. The candidate must report the full name and address of each person that is making a contribution and if the contribution is over \$100.00 the candidate must report their occupation. Contributions are limited to \$1,000.00 per person and corporate entity.

While reviewing Pollock's reports Pollock:

- Failed to disclose the address of thirty-three contributors (highlighted in yellow), dating back as far as May 14, 2019. Pollock's report states "No Address" and "Attempting to Obtain". What is odd is that one of the contributors appears to be a relative of Pollock, as the name is listed as Fredericka Pollock-Brown.
- On Pollock's report he failed to disclose the occupations of (Fifty-one) contributors and vendors. Pollock did not even list the occupation. (See attachment highlighted in pink).
- Pollock's report stated on numerous different occasions that he accepted donations from individual contributors and companies that exceed the \$1,000.00 limit, totaling \$4,675.00, Pollock should not have accepted. These totaled (11) violations (highlighted in blue).

Looking at Pollock's website, he asserts that he has 40 years of Law Enforcement experience. Having that much knowledge and background, I believe it is inconceivable that Pollock innocently made a total of (95) mistakes on his reports, especially when he could be facing \$95,000.00 in fines.
