Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

### **NOTICE OF RIGHT TO A HEARING**

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (DOAH), if you dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within 30 days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 W. Gaines Street, Collins Building, Suite 224, Tallahassee, Florida 32399-1050. The telephone number is (850) 922-4539. **Case No.: FEC 23-011**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on January 12, 2024, the following facts and law support this staff recommendation:

1. On January 6, 2023, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that George Navarini (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2022 candidate for State Representative, District 103. (ROI Exhibit 1, page 2)<sup>1</sup> On March 24, 2022, Respondent changed his designation from State Representative, District 104, to State Representative, District 103, due to redistricting. (ROI Exhibit 1, page 1)

3. By letter dated May 24, 2023, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

**Section 106.07(2)(b)1., Florida Statutes:** As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 103, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer’s reports:

- 2022 P6
- 2022 G3
- 2022 G4

4. On November 30, 2020, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer for his campaign. (ROI Exhibit 2)

5. By letter dated November 30, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that his name was placed on the 2022 active candidate list. (ROI Exhibit 3, page 1)

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3, page 2)

7. The campaign’s 2022 P6, 2022 G3, and 2022 G4 reports were incomplete when filed. *See Compl.*

8. The Division sent five letters notifying Respondent that the campaign’s reports were incomplete and that Respondent was required to amend the reports within 7 days of receipt of the notification. An Error Report showing why the reports were incomplete was attached to each notification. (ROI Exhibits 4 & 5) The final notification was confirmed delivered. (ROI Exhibit 5, page 5)

9. Respondent stated that the Division sent the letters to his post office box which he does not check often. He stated that he is running his campaign by himself. (ROI Exhibit 7, page 2)

10. The Division’s records show that the 2022 P6 Report was incomplete as the report contained a \$0 contribution that did not have any supporting information (ROI Exhibit 5, page 2) The Division’s records show that the 2022 G3 Report was incomplete as the report contained a \$0 contribution with an occupation of “Retired” that did not have any supporting information. (ROI Exhibit 5, page 3) The Division’s records show that the 2022 G4 Report was incomplete as the report disclosed a contribution that contained a transaction date that occurred prior to the relevant reporting period and a contribution that contained an address but lacked a state. (ROI Exhibit 5, page 4)

11. The Division’s records show that Respondent attempted to amend the 2022 G3 and 2022 G4 reports. (ROI Exhibit 6, pages 7 & 13) The errors in the 2022 P6 and 2022 G3 reports appear to be inadvertent. (ROI Exhibit 6, pages 3 & 9)

12. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

13. The facts set forth above show that Respondent was a 2022 candidate for State Representative, District 103, and was acting as his own treasurer. Respondent failed to timely file the required amendments to the campaign’s 2022 G4 Report within 7 days of receiving notification from the Division that the report was incomplete and required amendment. Additionally, Respondent failed to timely amend the campaign’s 2022 P6 and 2022 G3 reports; however, due to

the nature of the incomplete information, it does not appear that the public interest would be served by proceeding further.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

**Count 1:**

On or about December 15, 2022, George Navarini violated Section 106.07(2)(b)1., Florida Statutes, when he failed to timely file an addendum to the campaign's 2022 G4 Report within seven days after receiving notice from the Department of State, Division of Elections, that the report required amendment.

Respectfully submitted on September 16, 2024.

Stephanie J. Cunningham  
General Counsel

I reviewed this Staff Recommendation this 16<sup>th</sup> day of September 2024.

**Respondent: George Navarini**

**Respondent's Atty: N/A**

**Division of Elections (Division)**

**Referral Filed: January 6, 2023**

**Respondent Type: Treasurer for Candidate**

#### I. Preliminary Information:

1. I investigated whether Respondent violated this section of the election laws by failing to file amended report(s) for the following campaign treasurer report(s) after receiving notice from the filing officer: 2022 P6, 2022 G3 and 2022 G4.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on November 30, 2020. Respondent was appointed as campaign treasurer for George Navarini, a 2022 candidate for State Representative, District 103.<sup>1</sup> To review the DS-DE 9, refer to Exhibit 2.

3. On November 30, 2020, the Division sent Respondent a letter acknowledging Respondent's appointment as the campaign treasurer for George Navarini's campaign. The letter advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.

#### II. Alleged Violation of Section 106.07(2)(b)(1), Florida Statutes:

4. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that one or more campaign treasurer report(s) were incomplete. The correspondence included error report(s) referencing the following report(s): 2022 P6, 2022 G3 and 2022 G4. To review the correspondence and error report(s), refer to Exhibit 4.

5. On December 1, 2022, the Division sent a letter marked "Final Notice" with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that one or more campaign treasurer report(s) were incomplete. The letter included an error report referencing the following report(s): 2022 P6, 2022 G3 and 2022 G4. It was confirmed delivered on December 8, 2022. To review the "Final Notice," error report and delivery confirmation, refer to Exhibit 5.

6. As noted above, the "Final Notice" was confirmed delivered on December 8, 2022. The Division filed the referral on January 6, 2023. By filing the referral, the Division affirmed that as of that date, the report(s) at issue had not been amended to correct all errors identified by the Division. To review the report(s) at issue, refer to Exhibit 6.

<sup>1</sup> Respondent initially filed to run for District 104, but he later filed for redesignation to District 103 due to redistricting. To review the redesignation documentation, refer to Exhibit 1.

7. Respondent did not respond to the referral.

8. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. When asked about the failure to timely file amend the reports at issue, Respondent stated that the Division sent the notices by mail to his post office box. He stated that he did not go to the post office that often, especially at the start of early voting. Respondent asserted that he was doing everything himself. Respondent acknowledged that he possessed and had read Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. Respondent acknowledged responsibility for the issue but stated that there was no malicious intent. To review the phone log, refer to Exhibit 7.

Dear Mr. Navarini:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository informing us that you are changing the designation of office for which you are a candidate from State Representative, District 104 to State Representative, District 103. The active candidate list has been updated to reflect this change. It is our understanding that the change in numerical designation resulted solely from redistricting, therefore, the change will not affect your ability to retain campaign contributions received for the former district number for which you had filed. As such, you are not required to notify contributors of the change in district number. See Section 106.021(1)(a), Florida Statutes.

If you have any questions, or if we may be of further assistance, please call (850) 245-6280.

Sincerely,

**Subject:** Filing for May 2023

Hello, Charles:

Nice to speak with you again, even if it was official business.

Just wanted to let you know that we just filed for the May 2023 reporting period, and I'm sure it was filed properly, as it was a waiver report. We just started by the month's end and have yet to receive or spend a dime.

This, of course, will change for June, as we've done both since the start of the month.

I will follow your advice and start making more frequent visits to the Post Office to check my mail, and I will make doubly sure our reports are filed on time and accurately.

Be well, stay safe!

**RE: Case No.: FEC 23-011; Respondent: George Navarini**

Dear Mr. Navarini:

On January 6, 2023, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation:

**Section 106.07(2)(b)1., Florida Statutes:** As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 103, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer's reports:

- 2022 P6
- 2022 G3
- 2022 G4

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violation occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Charles Mellow**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at [Charles.Mellow@myfloridalegal.com](mailto:Charles.Mellow@myfloridalegal.com).

Dear Mr. Navarini:

You have previously been advised that one or more campaign treasurer's reports are incomplete for the reasons noted in the attached error report.

Pursuant to Section 106.07(2), Florida Statutes, you have 7 days from receipt of this letter to correct errors or provide missing information. Please be advised that if you fail to comply with this request, the Division will forward this matter to the Florida Elections Commission for further action.
