Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

DATE OF FIRST NOTIFICATION: 04/15/2024 (Failure to File Ltr)

SUMMARY: David Howard was a candidate for Broward County Sheriff in the 2024 elections. Laurie Boutin was his treasurer.

David Howard is appealing the fine and claims the “fine is only due to a flawed submission and incomplete communication processes on the part of Broward County.” According to Mr. Howard, the data was uploaded into the campaign reporting system on April 10, 2024. He observed that the report’s status was “submitted,” but it did not display as “received” since the filing officer was responsible for completing the process. The filing officer’s staff called on April 11th but did not state a reason in the voicemail. When Mr. Howard’s team returned the call on April 16th, they were informed that the report had not been filed. The team called back on April 17th, provided screenshots showing that the data was uploaded (Exhibit 2), was told that the filing officer’s staff could not see the submission, and was asked to unlock the report on the campaign’s end so that it could be seen by staff and marked as received. The report was then marked as received on April 17th. On April 18th, staff called and confirmed that the data was submitted on April 10th, but no confirmation email was provided. Mr. Howard asks that the fine be dismissed based on his and his team’s efforts to comply despite these circumstances.

The filing officer’s notes reflect that staff called Mr. Howard on April 11th, received a call back from Mr. Howard on April 15th, spoke to Jim Lawlor on April 16th, and received the report on April 17th.

- The 2024 Q1 Original Report covers the period from 01/01/24 to 03/31/24; it was due on 04/10/24.
- The 2024 Q1 Report’s timestamp shows that it was filed on 04/17/24.
- David Howard reported receiving 37 contributions while making 39 expenditures. No changes were made to the number of transactions or amounts shown on the filing system before the submission was made when compared to the original report.

PRIOR CASES: None.

- (b) A copy of the notice of imposition of fine issued by the filing officer; and

(2) Upon receipt of a timely notice of appeal, the Commission staff shall notify the appealing party that the appeal has been accepted. The appealing party shall have 20 days from acceptance of the appeal to submit any documents supporting the appeal. Any subsequent supplemental documents shall be filed no later than five business days before the hearing..

2B-1.0055 Late-filed Reports; Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

- (a) Natural disaster or other emergency that prevented timely filing, Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency.
- (b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer. Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice.
- (c) Serious illness, disability or non-elective surgery of the candidate or campaign treasurer, Evidence submitted shall include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. The period of incapacitation may also be shown by copies of hospital records reflecting the dates of hospitalization.
- (d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member, Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.
- (e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.

- (f) The abrupt and unexpected loss of the campaign treasurer; over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.
 - (g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days.
- (2) Unusual circumstances shall not include:
- (a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.
 - (b) Failure of the sender to affix sufficient postage to a report that is being mailed.

Florida Elections Commission
Attn: Ms. Wims
107 West Gaines Street, Suite 224
Tallahassee, FL 32399-1050

Dear Commission,

We are writing today to appeal the late report fine that was issued on April 22, 2024 (see exhibit 1). We feel that the fine is excessive and because of the facts listed below, unnecessary.

On April 10, 2024, we uploaded the data into the Broward County campaign reporting system. The status of the report read "submitted" with the total of the contributions and expenses matching our upload. It did not read received as it is the responsibility of the Broward County to complete that process on April 11, 2024.

On April 11, 2024, the Broward election office left a message on our voicemail system without a reason for the call. No message was left on the candidate's cell phone, nor was an email sent to the candidate. Both communication methods are available to the Broward County but were not used.

On April 16, 2024, we contacted Broward County and spoke to Claudette Hamilton, who informed us that the report was not filed. We informed her that the data was uploaded on the 10th.

On April 17, 2024, we again contacted Ms. Hamilton and again informed her that the data was submitted and then forward her the screen shot (see exhibit 2) that shows the data was loaded. She stated that she could not see our submission and indicated that a certified letter was sent on April 11th (see Exhibit 3) to notify us of the issue. The letter was dated April 15th, postage was added on April 17th and the US Postage Service corrected PO Box number on April 22nd. Mrs. Hamilton upon receiving the screen shot instructed us to reopen the report, so she could see it in her system and mark it received. We requested that she contact the software vendor to determine the date of our submission and why she was unable to see our data on the 10th. The report was marked received on the 17th. Note – the Exhibit 2 shows that the report was only 6 days late, but we were fined for being 7 days late.

On April 18, 2024, Ms. Hamilton contacted us via telephone and confirmed that the data was submitted on the 10th and she was unaware of a system report that would have confirmed this on the 10th. We requested an email confirming these facts, but have not received such a confirmation.

The facts above provide us with our reasons for appealing this fine. We feel that since the Broward County does not allow candidates to fully file reports, they become a part of the submission process which make them equally responsible for the on-time delivery of those reports. Broward County's procedure to wait a day before accepting reports also contributes to delays in reporting. Further the fact that Broward County did not communicate the issue in a manner of their described processes (voice mail that lack a concern, certified mail was sent after the issue was resolved, and no call to a secondary cell phone number) or with the level of import that is necessary for such a matter; and no email notification was sent when it was an available option, are the central reasons for why we feel that this is an excessive fine.

We ask that the fine be removed as we demonstrated our efforts to comply with the requirements and this fine is only due to a flawed submission and incomplete communication processes on the part of Broward County. We further believe that including the weekend in the calculation for the fine is unfair as there is not fair way for a campaign to correct an error that it does not believe has occurred, is aware of, or is incapable of correcting on their own.

Please contact me at (561) 236-3115, if you require addition information.

Sincerely,

A handwritten signature in black ink, appearing to be 'D. Howard', with a long horizontal stroke extending to the right.

David Howard
Candidate for Sheriff, Broward County.

Re: David Howard

Case No.: FEC 24-11

I called Mr. Howard on 4/11/2024 and left him a voicemail relating to the Q1 report that was not received.

I got a call back from Mr. Howard on 4/15/24, he indicated that he would speak to his treasurer.

On 4/16/2024 I got a voicemail from Jim Lawlor stating that he's with David Howard campaign and that he submitted the report on April 10th but it wasn't showing up on the website. I called Mr. Lawlor and advised him that the report was not submitted, he in turn forwarded me a screen shot (see attached) that also indicated that "this report is now overdue 6 days".

The report was submitted on 4/17/2024.

Respectfully!
