**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. **See further instructions on the reverse side.**

***Tim Vaccaro***

Executive Director  
Florida Elections Commission  
March 27, 2026

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Happy New Year Mattie. I stopped by the office recently, but arrived after business hours, and with the ongoing construction, I was unable to access the building. I had intended to send this message earlier and believed I had done so, but it was still sitting in my drafts, which explains the delay. I wanted to follow up as soon as I noticed.

Re: Florida Elections Commission Case No. 23-260

Respondent: Njällssen Amaro Lionheart

To Whom It May Concern,

I respectfully submit this written response to the Florida Elections Commission regarding Case No. 23-260. The purpose of this letter is to correct the record, clarify the factual nature of the challenged expenditures, and address reputational and procedural harm caused by the publication of findings based upon inaccurate assumptions.

## **I. SUMMARY OF THE ISSUE**

The central premise supporting the Commission's probable cause finding is that multiple campaign withdrawals were made for personal use or constituted prohibited transactions. Several counts rely on the belief that the funds were withdrawn by me and retained by me personally rather than issued to vendors for campaign advertising and media services.

This premise is factually false.

Documentary evidence now establishes that the disputed expenditures were:

1. withdrawn
2. converted into money orders and checks
3. delivered directly to campaign vendors

These vendors include Griffin Productions, Tampa Bay Newspapers, and other third parties that provided campaign services.

There was no personal benefit, no self payment, and no conversion of funds.

## **II. DOCUMENTARY PROOF DISPROVING THE ALLEGATION**

### **A. The \$494.00 Withdrawal**

The \$494.00 withdrawal was immediately converted into a money order made payable to Griffin Productions Inc. The instrument contains a vendor endorsed stamp indicating deposit into the

vendor's own business account. The funds therefore cannot be classified as petty cash, personal income, or any form of self directed payment.

## **B. The \$411.00 Withdrawal**

The \$411.00 transaction was issued to Tampa Bay Newspapers for advertising and media publication. Bank records confirm the payee and purpose.

## **C. Additional Vendor Payments**

Additional sums of \$500.00 and \$200.00 were issued to other campaign vendors, supported by money order purchase records, account serial numbers, and teller documentation.

All transactions were lawful campaign expenditures.

## **III. LEGAL EFFECT OF FACTUAL ERROR**

The Commission's probable cause determination is built upon the mistaken belief that these funds were used by the candidate personally. Under settled principles of administrative law, when a foundational fact is incorrect, any legal conclusion reached from that fact is unreliable.

This is a textbook example of what is commonly referred to as the fruit of a poisonous tree. Although the exclusionary rule itself applies to criminal proceedings, the principle is relevant here in an evidentiary sense. When a determination is constructed on a materially false premise, every dependent allegation becomes defective and must be reevaluated.

Put simply:

If the core allegation fails, all related allegations collapse.

Counts asserting false reporting, misclassification, or prohibited withdrawals cannot survive because the expenditure records have been proven accurate and legitimate.

## **IV. SELECTIVE CHARACTERIZATION AND APPEARANCE OF TARGETED ACTION**

The pattern of assumptions contained in the initial audit and probable cause finding creates the appearance that the investigation was not neutral in effect. The repeated classification of documented vendor payments as self benefiting withdrawals is incompatible with standard accounting review practice.

It is also concerning that the matter appears to have been accelerated and framed in a manner capable of harming my candidacy and public reputation. The case narrative, as drafted by Mrs.

Donna Brown, reflects conclusions that were not supported by the bank evidence. This gives rise to reasonable concern that the process was influenced more by suspicion than by fact.

I do not allege motive.

What I identify is outcome.

The result is a record that presented lawful campaign expenditures as personal withdrawals. The appearance of bias or targeting is heightened by the timing, publication, and language describing the allegations.

## **V. REPUTATIONAL DAMAGE AND EMOTIONAL HARM**

The premature publication of allegations prior to any adjudication has caused lasting injury to my character and standing within the community. As a teacher, minister, and candidate, my reputation is central to my vocation. Being publicly associated with accusations of financial misconduct has resulted in humiliation, distress, loss of community trust, and professional harm.

These accusations were built upon incorrect factual premises. Although the financial record now corrects the misunderstanding, the reputational damage cannot be undone simply by proving innocence.

The harm to personal dignity, emotional stability, and public perception has been significant.

## **VI. REQUEST FOR RELIEF**

In light of the documentary evidence and the erroneous factual premises underlying several findings, I respectfully request that the Commission:

1. Recognize that the challenged expenditures were issued to campaign vendors, not to me personally.
2. Vacate or amend any counts based on the assumption of personal withdrawal or prohibited use.
3. Correct the public record to reflect the factual accuracy of these transactions.
4. Consider the reputational and emotional harm caused by publication of inaccurate allegations.

## VII. FINAL STATEMENT

I have never received personal financial benefit from campaign funds. Every expenditure in question was used to promote lawful campaign activity. The assertions underlying this case were based on factual misunderstandings that have now been disproven.

For the reasons stated, I respectfully ask the Commission to review the evidence, correct the record, and restore the fairness that is the foundation of administrative due process.

Sincerely,

A handwritten signature in black ink, consisting of a large, sweeping initial 'N' followed by a stylized, cursive name.

**Subject:** FEC 23-260: (Informational) Upcoming Hearing

Good evening, Mr. Lionheart,

I hope you are doing well. I wanted to introduce myself as the attorney who will be handling this matter for the upcoming Informal Hearing on Wednesday, December 3, 2025. I see that you reached out to our agency and provided updated contact information. Because of your efforts to bridge communications, I want to reciprocate the courtesy by keeping you updated.

Before moving on, I understand that most people feel uncomfortable corresponding with a lawyer without representation; therefore, a response is not required but welcomed. I encourage you to obtain counsel if you wish to participate but prefer communications to go through hired counsel.

We received this case in September 2023, and the case was prepared for an initial probable cause hearing in August 2025. The final informal hearing is scheduled for this December 3rd. The hearing will be examining the counts identified in the Order of Probable Cause. A courtesy copy is attached.

It is optional, but we may explore settlement instead of proceeding to the Informal Hearing. Section 106.25(4)(i)1., Fla. Stat., does not require our respondents to admit to a violation when an agreement is explored, but the section does require staff to extend an offer of settlement prior to the final hearing.

You should have received the following documents over the course of this case. If not, I will provide courtesy copies:

- (1) Complaint - Issued by the filing officer
- (2) Legal Sufficiency Letter - Issued by our executive director opening the case
- (3) Report of Investigation - Issued by the investigations unit summarizing the available evidence
- (4) Staff Recommendation - Issued by the legal unit assessing whether probable cause exists concerning the filing officer's allegations
- (5) Order of Probable Cause - Outlining what violations are at issue

You are encouraged to obtain counsel, but you may proceed pro se. I am happy to answer general questions or to explain what to expect though I am not permitted to provide legal advice.

Please feel free to contact me by email or at my direct, which is 850-404-5612. I am currently away from the office but will be available on Monday and Tuesday and, of course, by email during the interim.

Again, a response is not required but welcomed.

Thank you,

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

***Tim Vaccaro***

Executive Director  
Florida Elections Commission  
November 7, 2025

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within thirty (30) days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. REC'D: FL ELECTIONS COM  
28 AUG '25 PM 4:12

To the Honorable Members of the Florida Elections Commission,

My name is Njällssen Amaro Lionheart, formerly known as Nelson Amador. I respectfully submit this response in my personal capacity and without legal representation to address Case No. 23-260 with clarity, respect, and conviction.

As a first-time candidate in the 2022 election cycle, I conducted my campaign with good faith, transparency, and dedication to civic service. I managed every aspect personally, without institutional backing or a professional compliance team. Like many grassroots candidates who navigate complex regulatory systems for the first time, I encountered procedural challenges, not misconduct, not concealment, and certainly not intent to violate any law.

Let me offer this in good faith:

At no point did I knowingly or intentionally violate any provision of Florida's campaign finance laws. I did not falsify, omit, or misrepresent contributions or expenditures. All actions taken during my campaign were made with a genuine intent to comply, based on my best understanding of the statutes and procedures at the time. If any inconsistencies are now perceived, they were purely administrative and reflect the challenges common to first-time, self-managed campaigns, not any effort to mislead or deceive.

This matter concerns technical filings from over three years ago. While I take compliance seriously, I no longer possess complete access to records from that period, and I am not in a position to offer detailed retroactive documentation beyond what was filed in good faith at the time. Any effort to retroactively reconstruct or speculate over old filings would be more likely to create confusion than clarity, and I will not participate in building a false narrative around innocent actions.

I respectfully request that the Commission consider these facts and decline to escalate this matter further. If administrative closure requires the submission of a voluntary remittance, I am willing to comply without admission of liability, in the interest of bringing finality to this process and preserving mutual respect between public servants.

Nothing in this response should be interpreted as an admission of fault or violation of Chapter 106, Florida Statutes. I do not accept the premise that a citizen should be penalized for navigating the political process without privilege, counsel, or a political machine. I serve my community each day as an educator, working directly with high-risk students and those assigned to behavioral reassignment institutions. My dedication to uplifting others, particularly the most

vulnerable, reflects not only my values but also my lifelong commitment to service, personal integrity, and public trust.

This is not a case of deception or abuse of the system. It is a case of a citizen stepping forward to serve and being met with retroactive scrutiny that distorts that intent.

I stand by my record, my integrity, and my right to defend both without apology.

Respectfully submitted,

URGENT MATTER

**Subject:** Notice of Postponement Request – FEC Case No. 23-260 (Hearing Scheduled August 20, 2025)

To the Honorable Members of the Florida Elections Commission,

This correspondence serves as formal notice regarding **FEC Case No. 23-260**, currently scheduled for hearing on August 20, 2025, concerning myself, Njällssen Amaro Lionheart (F/K/A Nelson Amador).

As a first-time candidate during the 2022 cycle and now an active educator working directly with Florida's at-risk youth, I have remained engaged in public service throughout this process. I have responded to this matter pro se, without the advantage of legal counsel, while also maintaining my responsibilities to my community and students. That work continues to this day, as does my candidacy for the Florida State Senate in 2026, in which I am presently the frontrunner.

In light of these facts, I respectfully request that the Commission consider deferring the current proceeding until after the conclusion of the 2026 midterm elections. Such timing would preserve the appearance of procedural neutrality and safeguard public trust in the democratic process during an active campaign.

This request is made in good faith and is consistent with the public interest, ensuring that no unintended perception of interference or undue pressure is associated with the adjudication of this matter.

I remain available to communicate with the Commission's staff regarding rescheduling logistics and look forward to resolving this matter at the appropriate time.

Respectfully,

**Njällssen Amaro Lionheart**

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**See further instructions on the reverse side.**

**Tim Vaccaro**

Executive Director  
Florida Elections Commission  
July 28, 2025

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.09(1)(b), 106.19(1)(b), 106.19(1)(c), and 106.19(1)(d), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 28, 2024, the following facts and law support this staff recommendation:

1. On September 27, 2023, the Florida Elections Commission (“Commission”) received a referral from the Florida Division of Elections (“Complainant” or “Division”) alleging that Nelson Amador, running under the nickname of Amaro Lionheart (“Respondent”), violated Chapter 106, Florida Statutes. (Attachment A, pages 1 & 3)

2. Respondent was a candidate for State Senator, District 21, in the 2022 election. (ROI Exhibit 2, page 1; ROI Exhibit 3, pages 1-2)<sup>1</sup> Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on March 31, 2022. (ROI Exhibit 2, page 1) Respondent was defeated in the general election held on November 8, 2022. (ROI, page 1, ¶1; Attachment B, page 2)

3. By letter dated October 31, 2023, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(5), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have certified one or more campaign treasurer’s reports were true, correct, and complete when they were not, based upon an apparent deficit balance during the 2022 G5, 2022 G6, and 2023 TR reporting periods, as alleged in the complaint.

**Section 106.19(1)(b), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have failed to report one or more contributions required to be reported by Chapter 106, based upon an apparent deficit balance during the 2022 G5, 2022 G6, and 2023 TR reporting periods, as alleged in the complaint.

**Section 106.19(1)(c), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have falsely reported

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

or deliberately failed to include information in one or more campaign treasurer's reports as required by Chapter 106, Florida Statutes, based upon an apparent deficit balance during the 2022 G5, 2022 G6, and 2023 TR reporting periods, as alleged in the complaint.

**Section 106.19(1)(d), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, based upon an apparent deficit balance during the 2022 G5, 2022 G6, and 2023 TR reporting periods, as alleged in the complaint.

**Section 106.07(5), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have certified the 2022 G3 campaign treasurer's report was true, correct, and complete when it was not, based on reported cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

**Section 106.09(1)(b), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

4. On March 31, 2022, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing Samantha Amador as treasurer for his campaign. (ROI Exhibit 1, page 1) On June 16, 2022, Respondent appointed himself to serve as deputy treasurer. (ROI Exhibit 1, page 2)

5. By letter dated January 7, 2021, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2022 active candidate list. (ROI Exhibit 4, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1) The letter further advised Respondent that all the Division's publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Fla. Stat., the *Calendar of Reporting Dates*, and other relevant documents. (ROI Exhibit 4, page 2)

**Alleged Violations: §§ 106.07(5), 106.19(1)(b), 106.19(1)(c), 106.19(1)(d), Fla. Stat. – Deficit**

7. Complainant alleged that Respondent violated Florida's election laws by certifying that one or more campaign treasurer's reports were true, correct, and complete when they were not because of deficit balances reflected after the 2022 G5, 2022 G6, and 2023 Termination reporting periods. Further, Complainant alleged that Respondent falsified information or deliberately failed

to include information in one or more reports because of the campaign's ending deficit of \$340.05, which stemmed from omitted contributions, omitted expenditures, or prohibited activity. (ROI Exhibit 9, pages 1-2)

8. Under Section 106.07, Fla. Stat., a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period as well as the date, full name, address, and occupation or purpose associated with each transaction.

9. Errors and omissions may trigger additional violations under Sections 106.19(b) and (c), Fla. Stat., if a candidate falsified reported information or deliberately failed to include information in a campaign treasurer's report, particularly if accurate information would have led to additional or more severe violations upon disclosure.

10. Further, Section 106.19(1)(d), Fla. Stat., prohibits candidates from making or authorizing certain types of expenditures. Sections 106.11(1) and (2), Fla. Stat., require all expenditures to be made via bank check or debit card. Section 106.11(4), Fla. Stat., forbids candidates from authorizing expenditures or signing checks drawn on the campaign account without sufficient funds on deposit. Section 106.12, Fla. Stat., restricts how much cash can be withdrawn for and spent on campaign expenses. Finally, Section 106.141, Fla. Stat., limits how candidates can dispose of the campaign's remaining funds.

11. As for outgoing cash under Section 106.12, Fla. Stat., candidates for state senator may withdraw up to \$500 in cash per quarter before qualifying closes and up to \$100 in cash per week after qualifying closes and until the election. However, candidates must label all withdrawals and related expenditures as "petty cash." Candidates are forbidden from withdrawing cash during the termination reporting period. Checking account withdrawals qualify as cash withdrawals. Candidates may only use cash for office supplies, transportation, and other necessities. Cash cannot be used for the purchase of time, space, or services from communications media.

12. The Division's Advisory Opinion, DE 06-10, reiterates that petty cash may only be used for office supplies, transportation expenses, and necessities. The opinion clarifies that the term "necessities" was intended to mean "an item costing no more than \$99.99 which is purchased to meet an essential, urgent need that is unavoidable due to conditions or circumstances." If this condition is not met, then a campaign account check must be used, and the candidate must offer a full reporting of the transaction under Sections 106.07 and 106.021(3), Fla. Stat. This manner ensures that petty cash is not used to purchase time, space, or services from communications media or to reimburse individuals for campaign expenses in an anonymous or indirect manner, thereby upholding principles of transparency and specificity.

## **2022 G5 Report**

13. Respondent filed the 2022 G5 Report on the designated due date of October 28, 2022, which covered from October 8, 2022, to October 21, 2022. (ROI Exhibit 5, pages 23, 28 & 32; ROI Exhibit 10, page 1) Respondent disclosed five contributions totaling \$116.55 and no expenditures. (ROI Exhibit 5, pages 24 & 28)

14. Respondent amended the report one week later to add four expenditures totaling \$1,993.00. (ROI Exhibit 5, pages 25 & 29) The Division flagged Respondent's account for reflecting a deficit balance of \$340.05. (ROI Exhibit 9, page 1)

15. On the same day Respondent received notice of the Division's referral, Respondent amended the report to add one contribution from himself totaling \$400.00. (ROI Exhibit 5, page 31; Attachment C, page 1)

16. Bank records show three ActBlue payouts totaling \$144.82, no expenditures, and no deficit during the reporting period. (ROI Exhibit 6, pages 3-4)

17. Respondent did not provide records from ActBlue to assist Commission staff in cross-referencing the campaign's activities. ActBlue typically assesses a transaction fee of 3.95% per contribution, but the fee is 3.7% plus \$0.23 if Stripe is used. (Attachment D, page 1) The latter calculation appears to be applicable based on Respondent's numbers. Payouts generally post two business days after the donation date. (Attachment D, page 2)

18. Two transactions during the 2022 G6 reporting period, which totaled \$0.73 and \$4.58, were disclosed during the 2022 G5 period as contributions totaling \$1.00 and \$5.00. (ROI Exhibit 5, pages 24, 28 & 34; ROI Exhibit 6, page 3) Respondent omitted the associated transaction fees. (ROI Exhibit 5, page 25)

19. The ActBlue payout for \$47.92 appeared to pair with Mary Sommerfeld's contribution for \$50.00. (ROI Exhibit 5, page 17; ROI Exhibit 6, page 3) The ActBlue payouts for \$48.45 appeared to pair with Ana Amador and John Zdrodowski's contributions for \$50.55. (ROI Exhibit 5, pages 17 & 24; ROI Exhibit 6, page 3) Respondent reported two of the contributions during the prior 2022 G4 reporting period and the last contribution during the 2022 G5 reporting period. (ROI Exhibit 5, pages 17 & 24) Respondent omitted the associated transaction fees. (ROI Exhibit 5, pages 18 & 25)

20. One \$10.00 check from Julie Jenkins, one \$50.00 check from Ana Amador, and one \$400.00 loan from Respondent were not verified. (ROI Exhibit 5, page 24; ROI Exhibit 6, page 3)

21. Adjacent deposits were examined to determine whether Respondent received but misdated the contributions. Records did not identify any checks or unaccounted ActBlue payouts substantiating the transactions. (ROI Exhibit 6, pages 1, 3, 5, 9-16, 20 & 21) The closest unexplained transactions included two cash deposits during the 2022 G2 and 2022 G3 reporting periods and one ActBlue payout that should have paired with a contribution for \$50.55 during the 2022 G2 period. (ROI Exhibit 5, page 2; ROI Exhibit 6, pages 1; Attachment E, page 1) The contribution from Julie Jenkins and the cash deposits will be addressed during the excessive cash analysis on pages 8 through 9 of the Staff Recommendation.

22. As to expenditures, Respondent reported four "MON" check transactions for advertising, which totaled \$500.00 for Tampa Bay Times, \$494.00 for TBN Weekly, \$500.00 for Tampa Signs, and \$499.00 for Griffin Productions. (ROI Exhibit 5, pages 25 & 29) However, bank

records reflect checking withdrawal slips during the 2022 G6 reporting period, which totaled \$500.00, \$494.00, \$411.00, and \$202.00. All withdrawal slips indicated that the payments were made to “Nelson Amador.” (ROI Exhibit 6, pages 3, 18, 19, 22 & 23) The withdrawal for \$411.00 displayed a handwritten note stating, “Tampa Bay Newspaper.” (ROI Exhibit 6, page 19) Respondent did not provide invoices verifying these transactions.

23. In response to the complaint, Respondent stated that he made “an inadvertent error in the initial reporting” of the 2022 G5 Report. Respondent asserted that he contributed \$400.00 to the campaign to cover expenses associated with print and online media advertising, which resulted in a positive balance of \$59.95. Respondent stated, “All issues have been corrected and addressed in the EFS reporting system and the letter.” (ROI Exhibit 7, page 1) Respondent later stated that the loan and his corrective actions produced a positive balance of \$120.00. (ROI Exhibit 7, page 2)

24. Respondent informed the Commission’s investigator that he was unaware of any outstanding errors as correspondence from the Division was not timely delivered to the Post Office Box he rented for the campaign. Respondent explained that there was an error with the Post Office regarding whether he paid his mailbox fees; therefore, mail was not delivered. It was not until Respondent checked his personal email account that he realized the Division had been trying to contact him regarding the issues. (ROI Exhibit 8, pages 2 & 4)

25. Respondent stated that the 2022 campaign was his first time running for office. He did not specifically recall reading Chapter 106, Fla. Stat., or the *Candidate and Campaign Treasurer Handbook*, but Respondent acknowledged looking through these items to learn about accepting and reporting contributions, making expenditures, and handling other relevant campaign matters. When asked about ActBlue, Respondent stated that he did not believe any fees were charged. (ROI Exhibit 8, page 3)

26. As of March 12, 2025, Respondent has not corrected the 2022 G5 Report. (Attachment E, pages 1-2)

27. Pursuant to Section 106.07(5), Fla. Stat., it appears that Respondent certified the 2022 G5 Report as true, correct, and complete when it was not. Respondent reported two unverified contributions, added one unverified loan from himself, misrepresented four check expenditures, and omitted relevant ActBlue transaction fees.

28. Pursuant to Section 106.19(1)(b), Fla. Stat., it does not appear that Respondent failed to report one or more contributions during the 2022 G5 reporting period.

29. Pursuant to Section 106.19(1)(c), Fla. Stat., it appears that Respondent falsely reported information on the campaign’s 2022 G5 Report. Respondent reported that four prohibited cash withdrawals during the 2022 G6 period were permitted check expenditures during the present period. Even if Respondent accurately reported the withdrawals as cash, the withdrawals exceeded the statutory limit per week and were used for a prohibited purpose, i.e., services from communications media. Finally, Respondent falsely reported a loan to the campaign, which

appears to have been done to superficially eliminate the imbalance caused by Respondent's omissions and errors.

30. Pursuant to Section 106.19(1)(d), Fla. Stat., it does not appear that Respondent made prohibited expenditures during the 2022 G5 reporting period.

## **2022 G6 Report**

31. Respondent filed a notice of no activity for the 2022 G6 reporting period on November 5, 2022, which was one day late. (ROI Exhibit 5, pages 38-39; ROI Exhibit 10, page 1) No automatic fine was assessed. (ROI Exhibit 10, page 1; Attachment F, page 1) The reporting period covered from October 22, 2022, to November 3, 2022. (ROI Exhibit 5, page 33)

32. Bank records show two ActBlue payouts totaling \$5.31, which were previously reported, one unreported check totaling \$30.00, five checking withdrawals to Respondent totaling \$1,627.00, and two unreported bank fees totaling \$9.00. (ROI Exhibit 6, pages 3, 5 & 18-24) No deficit occurred during the reporting period. (ROI Exhibit 6, pages 3-5)

33. In addition to the four prohibited cash withdrawals previously addressed, Respondent made a fifth unreported cash withdrawal to himself totaling \$20.00. (ROI Exhibit 6, page 24)

34. Respondent replied to the complaint and stated that no activity occurred during the 2022 G6 reporting period. (ROI Exhibit 7, page 1)

35. Respondent informed the Commission's investigator that he was unaware of the Division's notices until he checked his personal email account. Respondent acknowledged looking through Chapter 106, Fla. Stat., and the *Candidate and Campaign Treasurer Handbook* to learn about accepting and reporting contributions, making expenditures, and handling other relevant campaign matters. (ROI Exhibit 8, pages 2-4)

36. As of March 12, 2025, Respondent has not corrected the notice of no activity for the 2022 G6 reporting period. (Attachment E, pages 1-2)

37. The requirement under Section 106.07(5), Fla. Stat., to certify as to the correctness of a report does not apply to notifications of no activity submitted to the filing officer pursuant to Section 106.07(7), Fla. Stat.

38. Pursuant to Section 106.19(1)(b), Fla. Stat., Respondent failed to report one check contribution totaling \$30.00, which impacted the campaign's deficit balance and was the last deposit made outside of ActBlue after September. (ROI Exhibit 6, pages 1, 3, 5, 7 & 8)

39. Pursuant to Section 106.19(1)(c), Fla. Stat., Respondent falsely reported no activity for the 2022 G6 reporting period when Respondent accepted one unreported contribution, made five prohibited cash withdrawals, was assessed two bank fees, and failed to correct the false notice.

40. Pursuant to Section 106.19(1)(d), Fla. Stat., Respondent made five prohibited expenditures totaling \$1,627.00.

### **2023 Termination Report**

41. Respondent filed the 2023 Termination Report one month early on December 29, 2022, which covered from November 4, 2022, to December 29, 2022. (ROI Exhibit 5, pages 40, 45 & 46; ROI Exhibit 10, page 1) Respondent disclosed one refund to himself totaling \$59.95 but later amended the amount to reflect \$120.00. (ROI Exhibit 5, pages 41 & 45) Respondent disclosed no expenditures. (ROI Exhibit 5, page 42)

42. Bank records show one checking withdrawal to himself totaling \$20.00 and two unreported bank fees totaling \$9.00. (ROI Exhibit 6, pages 5 & 25) The campaign account incurred a deficit balance of -\$1.00 upon the assessment of the final monthly bank fee. (ROI Exhibit 6, page 5) The account retained the same deficit balance until the account was credited and closed on January 31, 2023. (ROI Exhibit 6, pages 5-7)

43. In response to the complaint, Respondent stated that he contributed \$400.00 to the campaign to cover expenses associated with print and online media advertising, which resulted in a positive balance of \$59.95. (ROI Exhibit 7, page 1) Respondent later stated that his corrective actions produced a positive balance of \$120.00. (ROI Exhibit 7, page 2) Respondent amended the termination report to reflect the refunds and the closing of the account on December 20, 2022. (ROI Exhibit 7, pages 1-2)

44. As of March 12, 2025, Respondent has not corrected the 2023 Termination Report. (Attachment E, pages 1-2)

45. Pursuant to Section 106.07(5), Fla. Stat., it appears that Respondent certified the 2023 Termination Report as true, correct, and complete when it was not. Respondent misrepresented one prohibited cash withdrawal to himself and omitted two bank fees.

46. Pursuant to Section 106.19(1)(b), Fla. Stat., it does not appear that Respondent failed to report a contribution.

47. Pursuant to Section 106.19(1)(c), Fla. Stat., Respondent falsely reported one prohibited cash withdrawal as a permitted check refund. Respondent also reported a different amount, which superficially offset the new imbalance caused by Respondent's unverified loan to the campaign.

48. Pursuant to Section 106.19(1)(d), Fla. Stat., Respondent made one prohibited withdrawal totaling \$20.00 during the termination reporting period in violation of Sections 106.12 and 106.141, Fla. Stat. Respondent also failed to monitor his account to ensure the depository had sufficient funds on deposit to account for all expenditures and fees.

### **Alleged Violation: § 106.09(1)(b), Fla. Stat. – Excessive Cash**

49. Complainant alleged that Respondent violated Florida’s election laws by accepting one or more cash contributions in excess of the \$50.00 per campaign limit. Specifically, Respondent accepted an excessive cash contribution from Julie Jenkins.

50. Respondent reported a total of four contributions from Ms. Jenkins during the campaign’s lifespan. (ROI Exhibit 5, pages 2, 9 & 24; Attachment E, page 1)

51. Respondent stated that the contributions from Ms. Jenkins were by check and were deposited into the campaign’s account. (ROI Exhibit 7, page 1; ROI Exhibit 8, page 3) Respondent stated that he handled all cash deposits. (ROI Exhibit 8, page 3)

### **First Contribution: 2022 P6 Report**

52. Respondent disclosed one \$20.00 check from Julie Jenkins on August 1, 2022. (Attachment E, page 1)

53. Bank records show only one transaction during the 2022 P6 reporting period, which consisted of an ActBlue payout totaling \$23.84. (Attachment G, page 1) The transaction appeared to relate to Frank Makowski’s \$25.00 contribution. (Attachment E, page 1)

54. Bank records show one check received from Ms. Jenkins during the campaign. (ROI Exhibit 6, pages 9-25) The check totaled \$20.00, was dated July 27, 2022, but was deposited on September 22, 2022. (ROI Exhibit 6, pages 1 & 13)

55. It appears that Respondent reported the check close to the time of receipt, i.e., five days after the date on the check. Therefore, no cash is at issue during the 2022 P6 reporting period.

### **Second Contribution: 2022 G2 Report**

56. Respondent disclosed four cash contributions on September 8, 2022, totaling \$103.00. One of the transactions included a \$20.00 cash contribution from Ms. Jenkins. (ROI Exhibit 5, page 2)

57. Bank records show one cash deposit on September 8, 2022, totaling \$217.77. (ROI Exhibit 6, pages 1, 9 & 10)

58. Respondent accepted \$20.00 cash from Ms. Jenkins. However, the remaining cash totaling \$114.77 was not reported or explained via cross-referencing. (ROI Exhibit 5, pages 2 & 9; Attachment E, page 1)

59. Pursuant to Section 106.09(1)(b), Fla. Stat., it appears that Respondent accepted an excessive cash contribution totaling \$114.77, which was not reported and may have related to Ms. Jenkins or a previous cash contributor.

### **Third Contribution: 2022 G3 Report**

60. Respondent disclosed one \$40.00 cash contribution from Ms. Jenkins on September 22, 2022. (ROI Exhibit 5, page 9) Immediately upon receiving the Division's referral, Respondent changed the contribution from cash to check. (ROI Exhibit 5, pages 9 & 14; Attachment C, page 1)

61. Bank records did not verify Ms. Jenkins' check. Instead, \$123.00 in cash and Ms. Jenkins' July check were deposited on September 22, 2022. (ROI Exhibit 6, page 1, 11 & 13)

62. It appears that Ms. Jenkins' \$40.00 contribution took the form of cash, was part of the \$123.00 cash deposit, and was modified to eliminate the appearance of a violation. Based on Respondent's reporting alone, Ms. Jenkins' contribution exceeded the statutory threshold by \$10.00.

63. The remaining cash totaling \$83.00 was not reported or explained via cross-referencing. (ROI Exhibit 5, pages 2, 9 & 17; Attachment E, page 1)

64. Pursuant to Section 106.09(1)(b), Fla. Stat., it appears that Respondent accepted an excessive cash contribution from Ms. Jenkins totaling \$40.00 and an excessive cash contribution totaling \$83.00, which was not reported and may have related to Ms. Jenkins or a previous cash contributor.

### **Fourth Contribution: 2022 G5 Report**

65. Respondent disclosed one \$10.00 check from Ms. Jenkins on October 12, 2022, as noted in paragraphs 20 and 21. (ROI Exhibit 5, page 24)

66. No cash deposits, unaccounted check deposits, or unaccounted ActBlue payouts were made on or around October 12, 2022. (ROI Exhibit 6, page 3)

67. Based on Respondent's reporting patterns, Respondent likely accepted a \$10.00 contribution from Ms. Jenkins although it is uncertain when and in what form the contribution was received. It is uncertain whether Respondent accepted a check that he neglected to deposit, accepted a check that he deposited into a separate account, accepted cash without depositing it into the campaign's account, or accepted cash that he deposited at an earlier time. Ultimately, Respondent falsely reported the nature of the \$10.00 contribution from Ms. Jenkins pursuant to section 106.19(1)(c), Fla. Stat., which may have established grounds for other violations had it been accurately reported.

### **Alleged Violation: § 106.07(5), Fla. Stat. – 2022 G3**

68. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2022 G3 Report was true, correct, and complete when it was not.

69. Respondent initially filed a notice of no activity for the 2022 G3 reporting period. (ROI Exhibit 5, pages 13 & 15; ROI Exhibit 10, page 1)

70. Respondent filed the 2022 G3 Report on September 25, 2022, which covered from September 10, 2022, to September 23, 2022. (ROI Exhibit 5, pages 8, 13 & 15) Respondent disclosed four check contributions totaling \$450.55, one cash contribution from Julie Jenkins totaling \$40.00, and no expenditures. (ROI Exhibit 5, pages 9, 10 & 13)

71. As previously discussed, Respondent changed Ms. Jenkins' contribution from cash to check on the same day he received notice of the Division's referral. (ROI Exhibit 5, pages 9 & 14; Attachment C, page 1)

72. Respondent's bank records show Ms. Jenkins' July check totaling \$20.00, two verified ActBlue payouts totaling \$288.74, which covered sequences 2 through 4, one unreported check totaling \$13.35, and one cash deposit totaling \$123.00. (ROI Exhibit 5, page 9; ROI Exhibit 6, pages 1 & 11-14) Respondent omitted \$83.00 from the cash deposit as well as ActBlue transaction fees. (ROI Exhibit 5, pages 2, 9, 10 & 17; Attachment E, pages 1-2)

73. Pursuant to Section 106.07(5), Fla. Stat., it appears that Respondent certified the campaign's 2022 G3 Report as true, correct, and complete when it was not.

74. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

75. The facts set forth above show that Respondent was a 2022 candidate for State Senator, District 21. Respondent certified that the campaign's 2022 G3, 2022 G5, and 2023 Termination Reports were true, correct, and complete when they were not. Respondent accepted three excessive cash contributions, two of which were anonymous. Respondent falsely reported or deliberately failed to include information on the campaign's 2022 G5, 2022 G6, and 2023 Termination Reports. Respondent omitted one check contribution that was required to be reported. Finally, Respondent made six prohibited cash expenditures.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

#### **What areas of public policy are you personally passionate about?**

We are deeply passionate about these issues that have direct action and a positive impact on our community's lives. As Governor of Florida, Amaro Lionheart's passion and call to service will translate to serving Florida's diverse communities, both human and wildlife, and not the 1% power elites or corrupted career politicians. We serve you, the People of Florida.

As part of the Compassionate governance initiatives, we will hold forums, meetings, and town halls, because it is critical that:

We listen to our scientists and climate change experts.

We listen to our frontline healthcare workers and doctors' voices when it comes to combating a global pandemic successfully.

We listen to the people to bring real changes and reforms that will positively impact their lives allow for a bright future.

Issues that are important to us are as following:

Full Medicaid coverage for all Floridians; healthcare is a human right, not a privilege.

Pay increase for our State and County Employees, including teachers, staff, and bus drivers.

Legalization of cannabis and all its by-products taxed at the country's lowest rate to encourage growth and prosperity.

High-quality education for all children, regardless of social-economic status, grants, and mentorships.

much more visit [Lionheart2022.com](#) for my information on issues we are passionate about.

#### **Who do you look up to? Whose example would you like to follow, and why?**

Amaro Lionheart personally looks up to President Barack Obama; despite every bit of adversity they placed in front of him, he overcame every one of them and made history; they threw everything, including the kitchen sink, at this great servant of the people. President Obama brought change and hope to the United States and the entire world; as a former world leader, he is still beloved to this date for his selfless service to the people. Amaro Lionheart also places a high degree of respect and honor for Congressperson Alexandria Ocasio-Cortez, and Senator Bernie Sanders, Mayor Pete, and Beto; they care about the community and will fight for the people.

Amaro Lionheart also looks into the pages of history for guidance and has studied and feels connected to FDR, one of the greatest presidents to have ever served our nation, including President Obama in those ranks and soon a President Ocasio-Cortez.

As many of our mentors before us, we are also locked in a David vs. Goliath battle. A battle that we will come out as victors because, unlike our opponents, we will serve Florida's people and not the 1% power elites as they do.

# Fees (Stripe)

Dahlia

1 year ago Updated

Follow

The fee structure for Stripe Merchant accounts is transparent and predictable and will allow you to get a complete picture of the fees incurred by your campaign or organization at any time.

**ActBlue and Stripe assess a total fee of 3.7% + \$0.23** (inclusive of all Stripe and ActBlue fees), which we deduct from the gross donation amount before payout. After removing the transaction fee, the deposits to your bank account reflect the net donation amount. For example, a \$20 contribution will result in a total payout of \$19.03.

**There are no signup fees, payout fees, or maintenance fees.**

If you [refund a contribution through the ActBlue dashboard](#), **we credit you the ActBlue portion of the assessed fees.**

Unfortunately, Stripe transaction fees are non-refundable.

If a contribution is subject to a formal dispute by the cardholder (a “chargeback”), that contribution is deducted from your next payout, along with a \$7 dispute fee. ActBlue may contest the chargeback on your behalf, and if that process is successful, we will return the contribution to you and credit you the \$7 dispute fee.

As a result of the constraints of operating in jurisdictions where merchant accounts are required, this fee structure differs slightly from the flat fee of 3.95% per contribution for accounts in jurisdictions that do not require merchant accounts.

If you have any questions, please [contact our support team](#) using the email address you use to access your ActBlue account.

DIVISION OF ELECTIONS

November 17, 2022

Samantha Amador, Treasurer  
Post Office Box 4033  
Clearwater, FL 33758-3758

CAN 79127

Dear Ms. Amador:

The notification that you had no reportable activity for the report deadline of November 4, 2022, was not filed until November 5, 2022. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

However, to avoid potential issues in the future, please note that state law (s. 106.07(7), Fla. Stat.) requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do may constitute a violation of sections 106.07(1) and 106.19(1)(c), Fla. Stat. The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. Stat. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief

**Report of Investigation for Apparent Deficit in Campaign Account**

**Case Number: FEC 23-260**

Section 106.19(1)(d), Florida Statutes, a candidate made or authorized one or more expenditure(s) prohibited by Chapter 106, F.S.

Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes, a candidate certified campaign treasurer report(s) as true, correct, and complete when they were not, failed to report contribution(s) required to be reported by Chapter 106, F.S., and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

**Respondent:** Amaro Lionheart

**Respondent's Atty:** N/A

**Division of Elections (Division)**

**Referral Filed:** September 27, 2023

**Respondent Type:** Candidate

**Additional Section(s):**

106.07(5) – 2022 G3

106.09(1)(b) – 2022 G3

**I. Preliminary Information:**

1. Respondent was a 2022 candidate for State Senator, District 21; he was defeated in the general election held on November 8, 2022. Respondent was a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on March 31, 2022. Samantha Amador was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 1.<sup>1</sup>

3. Respondent filed a Statement of Candidate with the Division on March 31, 2022, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on January 7, 2021.<sup>2</sup> The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 4.

**THIS SPACE INTENTIONALLY LEFT BLANK**

<sup>1</sup> Another form was subsequently filed appointing Respondent as deputy treasurer.

<sup>2</sup> Respondent had initially filed to run for Governor of Florida on 1/6/21. This acknowledgement letter was sent to Respondent after that filing. On 3/10/22, Respondent redesignated the office sought to State Senator, District 16. On 3/31/22, Respondent again redesignated the office sought to State Senator, District 21, due to redistricting. To review the redesignation letters, refer to Exhibit 3.

**II. Alleged Violation of Sections 106.07(5) and 106.09(1)(b), Florida Statutes:**

6. I investigated whether Respondent violated these sections of the election laws by certifying that the 2022 G3 campaign treasurer report was true, correct, and complete when it was not, and accepting a cash contribution in excess of \$50.00 per campaign limit, based upon a contribution reported during the 2022 G3 reporting period.

7. On September 9, 2022, Respondent filed the 2022 G2 report disclosing receipt of a \$20.00 cash contribution from Julie Jenkins on September 8, 2022. On September 25, 2022, Respondent filed a 2022 G3 report disclosing receipt of a \$40.00 cash contribution from Julie Jenkins on September 22, 2022. The \$40.00 cash contribution included in the 2022 G3 report brought reported aggregate cash contributions from Ms. Jenkins to \$60.00. On October 16, 2023, Respondent filed an amended 2022 G3 report changing the \$40.00 contribution from cash to check. To review the 2022 G2 and 2022 G3 reports, refer to Exhibit 5, pages 1-15.

8. I subpoenaed bank records from the designated campaign depository and reviewed them for records of the two contributions at issue. A \$217.77 cash deposit was made on September 8, 2022, and a \$123.00 cash deposit was made on September 22, 2022. Those two cash deposits could have accounted for the \$20.00 and \$40.00 cash contributions reportedly received on those dates.<sup>3</sup> However, a \$20.00 check from Julie Jenkins was also deposited on September 22, 2022, which matches the date of the reported \$40.00 contribution at issue on the 2022 G3 report. Respondent changed that contribution from cash to check in an amended G3 report but left the amount \$40.00. To review the bank records, refer to Exhibit 6, pages 1 and 9-14.

9. Respondent did respond to the referral. He stated, “The incorrect tab regarding Reports **G2, G5, and G3** wrong contribution type was selected in the drop-down tab. The contribution type was checks from Mrs. Jenkins, which were deposited to the candidate’s campaign account. The **G3 report** was updated and corrected as of 10/16/2023, as this oversight was never corrected in the original report.” To review Respondent’s response, refer to Exhibit 7.

10. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. In speaking about Ms. Jenkins’ reported cash contributions, Respondent reiterated statements made in his response, explaining the error was due to problematic data entry. Respondent also made the statement that Ms. Jenkins had only ever made check contributions. Respondent stated that he handled all cash deposits. To review the phone log, refer to Exhibit 8.

**III. Alleged Violation of Section 106.19(1)(d), Florida Statutes:**

11. I investigated whether Respondent violated this section of the election laws by making or authorizing one or more expenditure(s) prohibited by Chapter 106, Florida Statutes.

12. The Division’s Sum of Contributions vs. Expenditures report showed an apparent deficit balance in the following reporting period(s): 2022 G5, 2022 G6, and 2023 TR. To review the report, refer to Exhibit 9.

13. I reviewed bank records from the designated campaign depository covering the following reporting period(s): 2022 G4, 2022 G5, 2022 G6, and 2023 TR. There was one instance during that timeframe in which the campaign account balance was negative. On November 30, 2022, two bank fee expenditures in the amounts of \$2.00 and \$7.00 took the account to a negative -\$1.00 balance. On January 31, 2023, a \$1.00 “bank closing credit” rendered a \$0.00 balance; the campaign depository was subsequently closed on January 31, 2023. To review the bank records, refer to Exhibit 6. To review bank statement(s) reflecting the negative balance(s), refer to Exhibit 6, pages 5-8.

<sup>3</sup> Deposits of online contributions via Actblue made on 9/8/22, 9/9/22, 9/14/22, and 9/22/22 could also have accounted for the two contributions at issue, but they would be considered check contributions.

**IV. Alleged Violation of Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes:**

14. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, failing to report one or more contribution(s), and falsely reporting or deliberately failing to include information in one or campaign treasurer report(s) due to an apparent deficit balance in the following reporting period(s): 2022 G5, 2022 G6, and 2023 TR.

15. I reviewed bank records from the designated campaign depository and compared them with campaign treasurer report(s) covering the following reporting periods: 2022 G4, 2022 G5, 2022 G6, and 2023 TR.<sup>4</sup> The results of my review are reflected in the table below. To review the campaign treasurer report(s), refer to Exhibit 5, pages 16-46. To review the bank records, refer to Exhibit 6. To review Respondent’s filing history, refer to Exhibit 10.

**Comparison of Campaign Treasurer Report(s) with Bank Records**

<b>Report &amp; Dates Due/Filed</b>	<b>Reporting Period &amp; Document Filed</b>	<b>Information on Report</b>	<b>Information from Bank</b>
2022 G4 10/14/22 10/14/22	9/24/22 – 10/7/22  Report	Not Reported  Not Reported  Not Reported	\$2.00 bank fee expenditure on 9/30/22  \$7.00 bank fee expenditure on 9/30/22  \$40.00 expenditure to Nelson Amador on 10/6/22 <sup>5</sup>

<sup>4</sup> The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions. If a listed report is not included in the table, my review determined that all applicable transactions were reported. A \$400.00 contribution from Respondent and a \$59.95 (changed to \$120.00) refund to Respondent were added to amended 2022 G5 and 2023 TR reports filed after the referral was filed. They appear to be referenced in Respondent’s response as a contribution from Respondent made on or about 10/16/23 and a refund made to Respondent on or about 12/20/22. Refer to Exhibit 7, page 1.

<sup>5</sup> Nelson Amador, Jr., is the name under which Respondent signed the signature card for his campaign account, which was under the customer name Amaro Lionheart. Refer to Exhibit 6, pages 26-27.

<sup>6</sup> An expenditure in the amount of \$494.00 on 10/21/22 was added to an amended 2022 G5 report filed on 11/5/22, which was after the due date of the 2022 G6 report; the expenditure recipient was named “TBNWEEKLY.”

<sup>7</sup> An expenditure in the amount of \$500.00 on 10/21/22 was added to an amended 2022 G5 report filed on 11/5/22, which was after the due date of the 2022 G6 report; the expenditure recipient was named “TAMPA BAY TIMES.”

		Not Reported	\$2.00 bank fee expenditure on 11/30/22
		Not Reported	\$7.00 bank fee expenditure on 11/30/22

16. Respondent did respond to the referral. Respondent conceded that he made “an inadvertent error in the initial reporting” which led to a “reported campaign deficit.” Respondent stated, “no contributions or any other activity occurred” during the G6 reporting period. Additionally, he stated, “All issues have been corrected and addressed in the EFS reporting system and the letter.” To review Respondent’s response, refer to Exhibit 7.

17. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent elaborated that he was unaware of outstanding errors, as correspondence from the Division was not timely delivered to the P.O. Box he had rented for the duration of the campaign. He explained that there was an internal error within the USPS regarding rental fees for his P.O. Box; due to this error, mail was not delivered to the P.O. Box, including correspondence from the Division. It was not until Respondent received a notice from the Division on his personal email account that he attempted to rectify the errors. Respondent explained he was a first-time candidate. He does not specifically recall reading Chapter 106, Florida Statutes or the *Candidate and Campaign Treasurer Handbook*. However, Respondent acknowledged reading through these items to learn about accepting and reporting contributions, making expenditures, and other campaign finance matters. To review the phone log, refer to Exhibit 8.

**SIGNATURE OF INVESTIGATOR:**  **Date:** March 28, 2024

<sup>8</sup> An expenditure in the amount of \$500.00 on 10/21/22 was added to an amended 2022 G5 report filed on 11/5/22, which was after the due date of the 2022 G6 report; the expenditure recipient was named “TAMPA SIGNS.” The same amended 2022 G5 report also included a \$499.00 expenditure on 10/21/22 to Griffin Productions for which there is also no clear record.

RE: Change in Numerical District Designation Due to Redistricting

To Whom May Concern:

The Florida State Senate has adopted and certified a new map through their reappointment process and new district numbers have been designated. Because of redistricting I am requesting to be re-designated from State Senate District 16 to State Senate District 21.

Thank you

Subject: Campaign Financial Reporting Correction

Dear Ms. Hart and Florida Election Commission,

I hope this letter finds you in good health and high spirits. I am writing to inform you about a recent correction in the financial report of my campaign for the position of State Senator in the 2022 election cycle. As promised, I would like to explain the detailed adjustment.

Upon reviewing the **G5 report** submitted earlier, it came to my attention that there was an inadvertent error in the initial reporting. This led to a reported campaign deficit of \$340.05. Recognizing the significance of accurate financial reporting, I immediately rectified the situation.

On October 16, 2023, an amended report was duly filed, reflecting the accurate financial status of my campaign. Following the amendment, I contributed **\$400.00** to cover the increased print and online media advertising expenses. This corrective action has resulted in a positive balance of **\$59.95** for the campaign.

I want you to know that this adjustment has been made in full compliance with all applicable campaign finance regulations and guidelines. I believe in upholding the highest standards of transparency and accuracy in all matters related to campaign finances. There are no changes to the **G6 report** as no contributions or any other activity occurred. and the **TR-31 report** did not include a refund or the campaign bank account closure on the original report; the amended report consists of a refund of 59.95 back to myself, the Candidate, and the closing of the Candidate Account for State Senate on December 20, 2022, with a net balance of 0.00.

The incorrect tab regarding Reports **G2, G5, and G3** wrong contribution type was selected in the drop-down tab. The contribution type was checks from Mrs. Jenkins, which were deposited to the candidate's campaign account. The **G3 report** was updated and corrected as of 10/16/2023, as this oversight was never corrected in the original report.

All issues have been corrected and addressed in the EFS reporting system and the letter. Thank you, Mrs. Hart and those of you in the Florida Election Committee, for your incredible work in keeping our elections running smoothly and fairly.

Thank you,

Amaro Lionheart

Corrections to TR-31 Report Amaro Liónheart to: Florida Elections Commission,  
ElecRecords@dos.myflorida.com 11/08/2023 11:05 PM

Dear Ms. Hart and Florida Election Commission,

The following corrections have been made in the report, In previous calculations we did not take into account the total amount raised verse the total amount spent meaning we were using a value that was much lower thus producing a much lower amount when amended using the right calculations report was duly filed, reflecting the accurate financial status of my campaign. Following the amendment, I contributed \$400.00 to cover the increased print and online media advertising expenses. This corrective action has resulted in a positive balance of **120.00** for the campaign.

I want you to know that this adjustment has been made in full compliance with all applicable campaign finance regulations and guidelines. I believe in upholding the highest standards of transparency and accuracy in all matters related to campaign finances. There are no changes to the **G6 report** as no contributions or any other activity occurred. and the **TR-31 report** did not include a refund or the campaign bank account closure on the original report; the amended report consists of a refund of 120.00 back to myself, the Candidate, and the closing of the Candidate Account for State Senate on December 20, 2022, with a net balance of 0.00.

**RESPONDENT INTERVIEW MEMO – Call details at # [305-761-3419]**

- Who completed and filed the majority of your campaign treasurer reports: you or someone else?
  - Respondent changed treasurers and ultimately appointed his niece (Samantha Amaro) as treasurer; Respondent appointed himself deputy treasurer. Based on Respondent’s comments, it appears that the treasurers *and* Respondent filed campaign treasurer reports.
- You filed qualifying documents for several different offices; a separate DS-DE 9 was filed for each office, but I have not located a Statement of Candidate for the State Senator, District 21
  - Respondent does not recall filing one for State Senator, District 21 and the Division never notified him about any outstanding qualifying docs.
- Did you receive any campaign-related assistance from an outside source, such as a campaign manager, attorney, or anyone else?
  - No.
- When did you first become aware of outstanding problems with the 2022 G5, 2022 G6, and 2023 TR?
  - Respondent didn’t realize there were any errors...
  - “Right before the TR was due, I called the Division and asked them if there were issues and they told me there were not.”
  - Respondent mentioned that after having lost the election, he went on some trips and did not check email regularly; to his knowledge, he did not know there were any outstanding issues.
  - Respondent further explained that there had been an error with USPS and maintaining his PO Box; this interfered with the timely receipt of DOE correspondence.
    - Note: Respondent intends to forward proof of the issues w/ USPS. He states they erroneously reported that he had *not* paid for the PO Box, even though this is inaccurate.
- Did anybody else have access to your campaign depository during the 2022/2023 election?
  - No. Also, Respondent also mentioned that he lost his campaign checks when he was in Tallahassee. He reported the lost checks and does not believe they were ever compromised.

- Can you explain how you amended the excessive cash contributions made by Julie Jenkins?
  - Respondent stated Ms. Jenkins' contributions were actually checks, not cash.
  - Respondent stated that categorizing the contributions was a data-entry error
  - He further explained there were errors made w/ drop-down menu in selecting payment "type," although he did not become aware of these errors until later
- Did you accept online contributions?
  - Yes. However, as he remembers it, Respondent does not believe he was charged any fees.
  - Respondent mentioned that he will have to review his statements from the online contribution platform, to better determine whether or not he was charged any fees.
- To your knowledge, were any fees related to an online contribution platform reflected in your campaign reports?
  - Respondent doesn't recall any fees, but he may be mistaken. He needs to research this further.
- How did you handle cash contributions?
  - Respondent stated that he handled all cash deposits and does not recall any banking errors.
- Have you ever run for public office?
  - No.
- Have you ever been appointed to act as a campaign treasurer for a candidate?
  - No
- Have you ever held the office of chairperson, treasurer, or other similar position for a political committee or electioneering communications organization?
  - No
- Have you ever prepared or signed a campaign treasurer's report?
  - No
- Do you possess a copy of Chapter 106, Florida Statutes? If so, when did you first obtain it? Have you read it?
  - Respondent does not recall receiving Chapter 106. I explained that a link was included in the Division's acknowledgment letter with PIN and ID. Respondent explained that, as it was back in 2022 and he is currently re-filing to run again, he genuinely does not recall.
  - Respondent did agree that he had looked-up various sections of Chapter 106 to complete and file campaign reports.
- Do you possess a copy of the *Candidate and Campaign Treasurer Handbook*? If so, when did you first obtain it? Have you read it?
  - See response above.
- Do you have anything else to add for the Commission's consideration regarding the charges specified in the letter of legal sufficiency in this case?
  - Respondent is preparing to run for office in 2024; following his 2022 experience, he is hiring a campaign consultant and/or campaign treasurer.
  - Respondent and I discussed problems regarding his PO Box, as the USPS erroneously reported the PO Box as "unpaid," causing Respondent's campaign-related mail was bounced-back to the Division.

- After losing the 2022 election, Respondent took a trip and did not check his campaign-related email account. Only after he checked his email on a whim, did he realize the Division had been trying to contact him about reporting errors.
- Respondent also contacted Division and worked with Mr. Howard to amend reports and learn what went wrong.

Good afternoon, Mr. Lionheart:

I wanted to reach out regarding our review of FEC 23-260, which relates to reporting errors and excessive cash contributions during your 2022 campaign.

When would you have an opportunity to briefly speak with me and answer a few standard questions? I aim to speak with each of my Respondents and anticipate needing only 10-15 minutes of your time.

Thank you very much for your attention to this matter. I look forward to speaking with you.

Have a nice day,

**RE: Case No.: FEC 23-260; Respondent: Amaro Lionheart**

Dear Mr. Lionheart:

On September 27, 2023, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

**Section 106.07(5), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, based upon an apparent deficit balance during the following reporting periods, as alleged in the complaint:

- 2022 G5
- 2022 G6
- 2023 TR

**Section 106.19(1)(b), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have failed to report one or more contributions required to be reported by Chapter 106, based upon an apparent deficit balance during the following reporting periods, as alleged in the complaint:

- 2022 G5
- 2022 G6
- 2023 TR

**Section 106.19(1)(c), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have falsely reported or deliberately failed to include information in one or more campaign treasurer's reports as required by Chapter 106, Florida Statutes, based upon an apparent deficit balance during the following reporting periods, as alleged in the complaint:

- 2022 G5

- 2022 G6
- 2023 TR

**Section 106.19(1)(d), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, based upon an apparent deficit balance during the following reporting periods, as alleged in the complaint:

- 2022 G5
- 2022 G6
- 2023 TR

**Section 106.07(5), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have certified the 2022 G3 campaign treasurer's report was true, correct, and complete when it was not, based on reported cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

**Section 106.09(1)(b), Florida Statutes:** Respondent, a 2022 candidate for State Senator, District 21, may have accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the

Re: CAN 79127

Dear Ms. Amador:

You have previously been advised that one or more campaign treasurer's reports are incomplete for the reasons noted in the attached error report.

Pursuant to Section 106.07(2), Florida Statutes, you have 7 days from receipt of this letter to correct errors or provide missing information. Your explanation should (1) reference the specific error(s) that occurred; (2) describe how you corrected the errors (example: refunded excess contribution and reported the refund in 2021 M8 report); and (3) list the report(s) and sequence number(s) that were amended to reflect the corrections. Please be advised that if you fail to comply with this request, the Division will forward this matter to the Florida Elections Commission for further action. Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose civil penalties of up to \$1,000 per violation.
