NOTICE OF HEARING (AUTOMATIC FINES (AF))

A hearing will be held in this case before the Florida Elections Commission on, **August 19, 2025 at 9:00 a.m., or as soon thereafter as the parties can be heard**, at the following location: **Virtual Meeting via Webinar link: <https://register.gotowebinar.com/register/3863768971242962781> and Webinar ID 748-293-987.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro
Executive Director
Florida Elections Commission
July 28, 2025

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

DATE OF FIRST NOTIFICATION: 04/11/2024 (Failure to File Ltr)

SUMMARY: Libertarian Party of Florida is a political party executive committee (PTY) registered with the State of Florida. The PTY's chair is Joshua Hlavka and its treasurer is Joe Sokol. Brianna Pacheco-Jones is the former treasurer.

The PTY is appealing the fine claiming that late submission was due to several factors. According to Mr. Hlavka, the new treasurer received a letter from the "Florida Election Commission (FEC) indicating an expected date change during an election year. This, coupled with technical difficulties experienced while attempting to upload the records a few days earlier, led to the delay."

- The 2024 Q1 Original Report covers the period from 01/01/24-03/31/24; it was due on 04/10/24.
- The 2024 Q1 Queued Transaction Report shows that it was created on 04/12/24 and filed on 04/15/24.
- Libertarian Party of Florida reported receiving 202 contributions, while making 46 expenditures.
- The Division of Elections provided 1 note that pertains to Libertarian Party of Florida's 2024 Q1 report. On April 18, 2024, Ms. Pacheco-Jones called regarding the failure to file letter and indicated she was given the incorrect deadline. She was directed to the calendar of reporting dates as well as the campaign documents database. DOE staff also discussed the fine letter and appeal process.

Dear Ms. Brown,

I hope this letter finds you well. I am writing to address a recent correspondence from your office, dated May 14, 2024, which I received on May 22, 2024. The letter, which was sent to my PO Box instead of my home address, informed me that the Libertarian Party of Florida has been assessed a late fine of \$5,000. This fine pertains to our campaign treasurer's report, which was due on April 10, 2024, but was filed on April 15, 2024.

The late submission was due to several factors. Our new treasurer, who recently assumed her position, received a letter from the Florida Election Commission (FEC) indicating an expected date change during an election year. This, coupled with technical difficulties experienced while attempting to upload the records a few days earlier, led to the delay. Given that it was tax season and her first filing, the treasurer assumed the date change was standard.

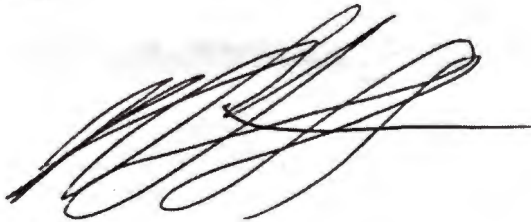

I acknowledge the importance of adhering to deadlines and regulations governing campaign finance. To ensure such issues do not reoccur, we have implemented several measures, including enhanced training for our treasurer and a review of our internal processes. We are also establishing a more robust communication protocol with the FEC to avoid any future misunderstandings.

We sincerely apologize for any inconvenience this may have caused. As the fine notice was not received until May 22 and not seen online before our last meeting three weeks ago, I am sending this appeal via email in addition to mailing it to ensure timely receipt.

Given these circumstances and the steps we have taken to improve our compliance procedures, we kindly request that the imposed fine be reconsidered and removed. Additionally, I would like to request an appeal appointment in Tallahassee to discuss this matter further.

Thank you for your attention to this matter. I look forward to your response and the opportunity to resolve this issue promptly.

Sincerely,

Dear Mr. Hlavka:

Your campaign treasurer's report, which was due April 10, 2024, has not been received.

Section 106.29(3)(b), Florida Statutes, requires that the filing officer immediately notify you of the failure to file this report and that a fine will be assessed of \$1,000 per day for each late day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the report immediately preceding the general election, the fine shall be \$10,000 per day for each late day.

Once your report is filed, this office will notify you of the specific amount of your fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice.

Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report, the division will turn the matter over to the Florida Elections Commission.

Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.

<p>RE: Fail to File Letter for 2024 Q1</p> <p>The treasurer, Brianna Pacheco-Jones, called inquiring about the FF letter she received for the report due April 10, 2024. I returned her call at 914.689.1289 and notified her that the letter we sent was on April 11, which was prior to their 2024 Q1 late filed on April 15. She explained that she was new and that someone informed her that the report due date was April 15th. I directed her to the DOE website with the calendar of reporting dates, as well as the Campaign Documents Database where she may view any letters we've received from them and notifications we have sent to them. She then asked about a potential fine for the late-filed report. I told her that we would send them a Fine Letter, if applicable, and that it would provide details on how to appeal the fine through the Florida Elections Commission. -ELR</p>

<p>Called 11:25 am and spoke directly to Chair Steven Nekhaila:</p> <p>The Division has your party assessment check ready for USR 20 Special Election. Would you like us to mail it to you, or would you like to send someone to the Division to pick it up in person? If you wish to pick it up in person, please let me know when that will take place and who will be picking up the check. Thank you.</p> <p>Mr. Nekhaila asked me to send the check to him at the address of the party. I confirmed the address and told him we would mail it off today.</p>

<p>Re new T and notation of other officer changes, this was not redacted when it was processed (in my absence) on 10/19/20. The original has been boxed and I redacted this today. Called and left message for C to called me 9:00 am, 10:30 am, and finally reached him at 4:15 pm. I advised we needed a signed document from him informing us of what the T's mailing address will be and then we can establish her as the new T. He said he would email a signed letter to us with that information.</p>

<p>Re CRF - received 10/10/19 - unclear as to whether T actually signed this. The telephone number on the form is incomplete. Called only number on file we have to the party and my email sent 12:36 pm to the chair's email address was:</p> <p>Mr. Nekhaila –</p> <p>I received a credential request from treasurer John Olivadoti. The telephone number he provided on the form is incomplete so I am unable to reach him. I called the telephone number we have on file for LPF ((855) 352-3733, left a message, and received a call back from an accountant in Canada who said she had no affiliation with LPF. I called it twice to make sure.</p> <p>My question is, how do I reach Mr. Olivadoti? He needs information to be able to file the report today and this email address is the last avenue I can use to contact LPF today. Please call the below-listed helpline number, or have Mr. Olivadoti call, and ask for me. Again, a campaign treasurer's report is due today.</p> <p>C called back 4:30, I sent him a blank CRF, and told him someone should be here until 6:00 and that the report was due today. I told him not to send the signed form back to me. They just need a new PWD.</p> <p>C submitted another CRF and I called and gave him newly created PWD and his PIN. He believed they had everything they needed.</p>

<p>Re: Credential Request</p> <p>A man identifying himself as John Olivadoti, treasurer, said he sent in a ccr form. I saw Malcolm had had contact with someone from the pac. I saw the credential request form in imaging received today. I told Mr. Olivadoti that I could give him the account id and I also gave him his pin #. I told him I could not give him the pw as he would need to contact the chair for that. Ejr</p>

<p>RE CRF, called C 3:45 pm and gave him his PIN. He will contact new T to see if he has his PIN. I reminded him someone will be here until 6:00 today.</p>

<p>T called re: new PIN. He said he did not receive the sticker page in the mail. (The chair had called earlier in the morning and was advised to have the T call us.) I confirmed his identity by asking him his address and asking him who was the new secretary appointed with him and the new secretary's address. We have no signature on file or telephone number for the new Party T, so I believe a CRF from this individual seemed pointless. His T PIN alone will not allow him to file reports without the chair's PIN.</p>			
65039	5/8/2019 9:13:00 AM		MCChellman
<p>Re officer/address/phone number changes - called C 9:10 am to confirm that his 305 number would now be the party's telephone number. He said he didn't think the old one was being used by the party anyhow.</p>			
64557	4/10/2019 2:10:00 PM		MCChellman
<p>re CRF, called and gave the T the C's PIN at 2:10 pm. He already had the rest of the credentials.</p>

<p>RE: Call from Treasurer about Annual Audit</p> <p>At 12:51pm, Mr. Nekhaila called in regards to the memo he received from the Division for the 2018 Annual Audit and asked for an extension on the due date, if possible. I informed him that he can send us a signed letter requesting more time to work on the audit by emailing a copy to <ElecRecords@dos.myflorida.com>. Mr. Nekhaila said that he would be doing so.</p>

<p>Re CRF and call received yesterday by Carlos, I left a VMmessage for new T, 1/02/18, 3:00 pm, asking him to call me. I called him back after receipt of CRF asking for the party's PWD on 1/03/18 9:00 am. I advised him on the filing history of the LPF, that all other parties file regular reports but LPF had not filed a CTR since 2013 Q2. I told him that he should discuss the circumstances that led to that internally with individuals in his party. I told him I sent him his PIN yesterday.</p> <p>Called him again at 9:30 am and gave him old PWD from May 2017 assuming no one had from Party had logged on. Told him to call me back if he needed a new PWD created and encouraged him to log in today to find out. It appears that LPF may begin filing reports with us again, or waivers of report. When asked a federal requirmemnts related question, I referred him to the FEC.</p>

Mr. Braden -

I'm still waiting on an answer to your question and will get back with you on that when I have one. Meanwhile, I have a question for you:

There are two individuals on your most recent list of officers/executive committee members I can't confirm are registered in the Libertarian Party of Florida based on a search using their names alone. Can you provide either a voter registration number or a birthdate for the following individuals:

Omar Recurero, At-Large 3

Heather Preysz, Regional Representative

Thank you.

Re: officer addresses following written submittal - Chair confirmed by e-mail that Chair/T/ and party addresses should all be changed to 518 Hunter Lane address as 1334 Tampa Road is no longer usable by the party. I made this change. E-mail exchange:			
My question to Party:			
Mr. Braden -			
I have changed the party's address to 518 Hunter Lane, Bradenton, Florida 34212. Two Questions:			
Is it your intention to make your address as chair 518 Hunter Lane, Bradenton, Florida 34212 as well?			
Mr. Morris, the Treasurer, still has the old address of 1334 Tampa Road, Suite 2, Palm Harbor, Florida 34683. Will this 1334 address still be used for him?			
Party's reply to me:			
Mr. Chellman,			
Yes, for now please send all correspondence to the 518 Hunter Ln. address.			
The 1334 Tampa Rd. address is no longer available to us.			
Thank you for your help, Char-Lez Braden Chairman 941-301-9849

Re: no addresses for C and VC. Called chair advised I would need something in writing from him signed providing that information. I also called back shortly thereafter and left a voicemail advising that it did not appear that Vicki Kirkland is registered in the LPF and that this is required. I asked him to call me back regarding this matter.			
Following 10/05/15 e-mail with addresses and VRNs of all officers, sent this brief response 10/06/15: Thank you. This is sufficient in terms of providing officer addresses and establishing voter registrations as that of the Libertarian Party of Florida.

Re: Initial Notice of Intent to Cancel. Received a call from Danielle Alexander (727-424-9530) on behalf of new chairman Wyllie. She left a VM Message stating she did not know who the party had failed to file the annual audit and what she could do about the situation. After consulting with KRB, I advised Ms. Alexander that the party could file an annual audit conducted by a CPA and submit it to DOE prior to the July 17 notice deadline and the matter would resolve itself without her party's filings being cancelled. I emphasized CPA and she restated her understanding of that distinction.

<p>10/04/13, spoke to Chair regarding continued issues she says are occurring with SOE offices and libertarian registrants - LPF not being selected as it should be. I brought the matter to the attention of KRB, and she said she thought it was being reviewed by other staff. During our conversation, the chair stated the party would be having a meeting soon where, among other things, it was going to be determined whether the 2013 Q3 report would be filed, or if the party was not going to file a report based on the 5/2013 FEC ruling fully waiving their fine after filing a report 7 days late. We discussed the benefits of filing a waiver of report if no activity was going to be reported, and the avoidance of the failure to file machinery kicking in. She said the board would be making the decision.</p>

<p>Called chair Dana Moxley Cummings 6/26/13 following an oral answer from TSL regarding my questions to KRB. I was unable to reach her by phone and sent an e-mail request that she call me. She called replied to my e-mail and said she would call me in a couple of weeks, that she was in the process of moving. I called her back on 7/12/13 and we discussed the RA and name change issues as follows:</p> <ol style="list-style-type: none"> 1. Minor parties in the state of Florida do not need to establish a RA for the minor party. So one will not appear on the DOE website. We discussed what she was trying to achieve, which was to have another individual receive mail and potentially e-mail. After conferring with KRB, I called back on 7/12/13 and told her that she could achieve this by sending in a letter requesting that her chair address and e-mail address be changed to reflect the individual's address whom she wishes to receive the correspondence. 2. To formally change the party name, you would need to re-file your bylaws and charter to reflect that change. I suggested that this would be a lot of trouble, and that she may not want to go through with that. She said they may make the formal changes next year.

<p>Chair called, advised there was a change of treasurer and that he would be sending me notification of that. Also, referenced the continued allegations of John Wayne related to incomplete or inaccurate reporting by the party and said that all contributions had been reported by the party.</p>

<p>Chair called re: 2012 G4 FF letter. He said he believed his Treasurer had filed it. EFS review showed that it had not been filed. If filed today, we discussed the potential \$70,000 fine (\$10,000/day fine for reports right before an election.) He got the Treasurer on the phone while talking to me and learned that the treasurer had meant that he had filed a Fed E.C. report, not the 2012 G4 CTR with the state of Florida. They planned on filing it tonight. We discussed the fine/appeal process.</p> <p>Jeremi the treasurer called back shortly thereafter to discuss the statutory fine language described in the FF letter. I pointed him to the last sentence in the 2nd paragraph of the letter, which lays out the no %25 language for the reports filed right before elections. He sought a legal opinion beyond that, and I referred him to the legal section main line in the general counsel's office, 245-6536.</p>
