Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 20, 2023, the following facts and law support this staff recommendation:

1. On December 10, 2020, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Shelby Green (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was the treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13. (ROI Exhibit 1)¹

3. By letter dated March 12, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, in her capacity as treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13, may have certified the following campaign treasurer’s reports were true, correct, and complete when they were not, as alleged in the complaint:

- 2020 G4
- 2020 G5
- 2020 G6

Section 106.19(1)(b), Florida Statutes: Respondent, in her capacity as treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13, may have failed to report one or more contributions during the following reporting periods required to be reported by Chapter 106, Florida Statutes, as alleged in the complaint:

- 2020 G4
- 2020 G5

¹ The Report of Investigation is referred to herein as “ROI.”

- 2020 G6

Section 106.19(1)(c), Florida Statutes: Respondent, in her capacity as treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13, may have falsely reported or deliberately failed to include information in the following campaign treasurer's reports required by Chapter 106, Florida Statutes, as alleged in the complaint:

- 2020 G4
- 2020 G5
- 2020 G6

4. On November 29, 2017, Linda Stewart filed her Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing Respondent as treasurer for her campaign. (ROI Exhibit 1)

5. By letter dated November 30, 2017, Kristi Reid Willis, Chief, Bureau of Election Records, sent Linda Stewart a letter acknowledging that the Division had received her DS-DE 9. (ROI Exhibit 2, page 1) A copy of the letter was sent to Respondent. (ROI Exhibit 2, page 2)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to grant access to the EFS. The letter further advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2)

Alleged Violation: Section 106.07(5), Florida Statutes

7. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2020 G4, 2020 G5, and 2020 G6 reports were true, correct, and complete when they were not.

8. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures.

9. The campaign's 2020 G4 Report was due on October 9, 2020. (ROI Exhibit 3) On October 9, 2020, Respondent certified the report as true, correct, and complete. (ROI Exhibit 4, page 1) The campaign's report was incomplete as Respondent failed to report contributions and expenditures as evidenced by the filing of an amended report. (ROI Exhibits 5-7) (*See* ROI, p. 2, ¶ 6)

10. The campaign's 2020 G5 Report was due on October 23, 2020. (ROI Exhibit 3) On October 24, 2020, Respondent certified the report as true, correct, and complete. (ROI Exhibit 4, page 1) The campaign's report was incomplete as Respondent failed to report contributions and expenditures as evidenced by the filing of an amended report. (ROI Exhibits 7-9) (See ROI, p. 2, ¶ 8)

11. The campaign's 2020 G6 Report was due on October 30, 2020. (ROI Exhibit 3) On October 30, 2020, Respondent certified the report as true, correct, and complete. (ROI Exhibit 4, page 1) The campaign's report was incomplete as Respondent failed to report contributions and expenditures as evidenced by the filing of an amended report. (ROI Exhibits 7, 10, & 11) (See ROI, p. 2, ¶ 10)

12. Respondent acknowledged that she amended reports with large amounts of activity due to a lack of knowledge of Chapter 106, Florida Statutes, a lack of consistent assistance, unawareness of the financial activity until the last minute, unawareness of the high volume of activity until the last minute, and a lack of preparedness for the accelerated reporting schedule. (ROI Exhibit 12, page 2)

13. Respondent stated that she did not have access to the candidates' and committees' bank accounts but had to wait to receive information from the parties. (ROI Exhibit 13, page 4) She stated that she would receive large batches of check images at the last minute or the day before the reports were due. (ROI Exhibit 12, page 2; ROI Exhibit 13, page 3)

14. Respondent stated that she had volunteers assisting her, but many dropped out and the person assisting her was no longer available pre-election during the weekly reporting periods. (ROI Exhibit 12, page 2; ROI Exhibit 13, page 3)

15. Respondent stated that she was overwhelmed by the amount of financial activity that she was required to report. She stated that she prioritized filing the reports timely. (ROI Exhibit 13, page 3) She knew that all reportable financial activity should have been disclosed on the original report but input as much information as possible before filing the reports. (ROI Exhibit 13, page 4)

16. Respondent stated that it was her understanding that if she did not file the report by the due date that the candidate or committee would be assessed a fine; however, she thought it was acceptable to file an amended report to add information as long as the original report was timely filed. (ROI Exhibit 13, page 4)

17. Respondent certified that the campaign's 2020 G4, 2020 G5 and 2020 G6 reports were true, correct, and complete when they were not.

Alleged Violations: Sections 106.19(1)(b), and 106.19(1)(c), Florida Statutes

18. Complainant alleged that Respondent violated Florida's election laws by failing to report contributions required to be reported by Chapter 106, Florida Statutes, and by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes.

The reporting periods at issue are the 2020 G4 reporting period which ran from September 19, 2020 through October 2, 2020, the 2020 G5 reporting period which ran from October 3, 2020, through October 16, 2020, and the 2020 G6 reporting period which ran from October 17, 2020, through October 29, 2020.

19. The campaign's 2020 G4 Report was due on October 9, 2020 and was timely filed. (ROI Exhibit 4, page 1) The report disclosed one expenditure in the amount of \$500. (ROI Exhibit 6, page 2) On October 10, 2020, one day later, Respondent filed an amended 2020 G4 Report disclosing an additional 18 monetary contributions totaling \$8,980 and eight expenditures totaling \$4,886.10. (ROI Exhibit 5; ROI Exhibit 6, pages 3-4) The report was filed 24 days before the general election.

20. The campaign's 2020 G5 Report was due on October 23, 2020 and was filed one day late. (ROI Exhibit 4, page 1) The report disclosed one expenditure in the amount of \$100. (ROI Exhibit 9, page 2) On October 26, 2020, three days later, Respondent filed an amended 2020 G5 Report disclosing an additional seven monetary contributions totaling \$6,000, and ten expenditures totaling \$10,482.58. The amendment changed the date, full name, address, purpose, and amount of the original expenditure. (ROI Exhibit 8; ROI Exhibit 9, pages 3-4) The report was filed eight days before the general election.

21. The campaign's 2020 G6 Report was due on October 30, 2020 and was timely filed. (ROI Exhibit 4, page 1) The report disclosed one monetary contribution in the amount of \$1,000. (ROI Exhibit 11, page 2) On November 1, 2020, two days later, Respondent filed an amended 2020 G6 Report disclosing an additional six monetary contributions totaling \$3,550, one in-kind contribution in the amount of \$2,054.88, and eight expenditures totaling \$17,517.35. (ROI Exhibit 10; ROI Exhibit 11, pages 3-4) The report was filed two days before the general election.

22. Chapter 106, Florida Statutes, requires treasurers to report any contributions received and any expenditures made for the purpose of influencing the results of an election.

23. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2020 G4, 2020 G5, and 2020 G6 reports. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G4 and 2020 G6 reports. Respondent falsely reported and deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report.

24. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

25. The facts set forth above show that Respondent was the treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13. Respondent certified that the campaign's 2020 G4,

2020 G5 and 2020 G6 reports were true, correct, and complete when they were not. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2020 G4, 2020 G5, and G6 reports. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G4 and 2020 G6 reports. Respondent falsely reported and deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about October 9, 2020, Shelby Green, violated Section 106.07(5), Florida Statutes, when she certified that Linda Stewart's 2020 G4 Report was true, correct, and complete when it was not.

contributions required to be reported by Chapter 106, Florida Statutes, on Linda Stewart's 2020 G6 Report.

Report of Investigation for Late-Reported Financial Activity

Case Number: FEC 20-627

Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes, a treasurer for a candidate or political committee certified campaign treasurer report(s) as true, correct, and complete when they were not, failed to report contribution(s) required to be reported by Chapter 106, F.S., and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Shelby Green

Respondent's Atty: N/A

Division of Elections (Division)

Referral Filed: December 10, 2020

Respondent Type: Treasurer for Candidate

I. Preliminary Information:

1. Respondent was the appointed campaign treasurer for Linda Stewart, a 2020 candidate for State Senator, District 13. The Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) appointing Respondent was filed on November 29, 2017. To review the DS-DE 9, refer to Exhibit 1.

2. On November 30, 2017, the Division sent Respondent a letter acknowledging Respondent's appointment as the campaign treasurer for Linda Stewart's campaign. The letter advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 2. To review the *2020 Calendar of Reporting Dates*, refer to Exhibit 3.

II. Alleged Violation of Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes:

3. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, failing to report one or more contribution(s), and falsely reporting or deliberately failing to include information in one or more campaign treasurer report(s).

4. Specifically, the referral alleged Respondent filed one or more original campaign treasurer report(s) that did not include certain financial transactions, which Respondent added to amended report(s) filed after the due date(s). The referral was only concerned with certain specified total contribution(s) and expenditure(s) added to certain amended report(s) and essentially alleged that by adding this activity to amended report(s) filed after the due date(s), Respondent demonstrated that she failed to report those transactions by the designated due date(s). The reports at issue are: 2020 G4, 2020 G5, and 2020 G6. To review the filing history, refer to Exhibit 4.

5. The 2020 G4 report was due on October 9, 2020. Respondent filed it on October 9, 2020. By filing the report, Respondent certified that it was true, correct, and complete. The report showed one monetary expenditure in the amount of \$500.00, no in-kind contributions, and no monetary contributions. To review the 2020 G4, refer to Exhibit 5. To review Division records evidencing when the activity referenced in this paragraph was filed on the original report, refer to Exhibit 6, pages 1-2.

6. On October 10, 2020, which was one day after the due date for the report, Respondent filed an amended 2020 G4 report adding 18 monetary contributions in the total amount of \$8,980.00, and eight monetary expenditures in the total amount of \$4,886.10. This amended report was filed 24 days before the general election. To review the 2020 G4, refer to Exhibit 5. To review Division records evidencing when the activity referenced in this paragraph was filed on the amended report, refer to Exhibit 6, pages 3-4. To review the applicable bank records, refer to Exhibit 7, pages 1-23, 33, 41, and 43-60.¹

7. The 2020 G5 report was due on October 23, 2020. Respondent filed it on October 24, 2020, which was one day late. By filing the report, Respondent certified that it was true, correct, and complete. The report showed no monetary contributions, no in-kind contributions, and one monetary expenditure in the amount of \$100.00. To review the 2020 G5, refer to Exhibit 8. To review Division records evidencing when the activity referenced in this paragraph was filed on the original report, refer to Exhibit 9, pages 1-2.

8. On October 26, 2020, which was three days after the due date for the report, Respondent filed an amended 2020 G5 report adding seven monetary contributions in the total amount of \$6,000.00, and ten monetary expenditures in the total amount of \$10,482.58.² This amended report was filed eight days before the general election. To review the 2020 G5, refer to Exhibit 8. To review Division records evidencing when the activity referenced in this paragraph was filed on the amended report, refer to Exhibit 9, pages 3-4. To review the applicable bank records, refer to Exhibit 7, pages 6-8, 24-32, and 61-77.

9. The 2020 G6 report was due on October 30, 2020. Respondent filed it on October 30, 2020. By filing the report, Respondent certified that it was true, correct, and complete. The report showed one monetary contribution in the amount of \$1,000.00, no in-kind contributions, and no monetary expenditures. To review the 2020 G6, refer to Exhibit 10. To review Division records evidencing when the activity referenced in this paragraph was filed on the original report, refer to Exhibit 11, pages 1-2.

10. On November 1, 2020, which was two days after the due date for the report, Respondent filed an amended 2020 G6 report adding six monetary contributions in the total amount of \$3,550.00, one in-kind contribution in the amount of \$2,054.88, and eight monetary expenditures in the total amount of \$17,517.35. This amended report was filed two days before the general election. To review the 2020 G6, refer to Exhibit 10. To review Division records evidencing when the activity referenced in this paragraph was filed on the amended report, refer to Exhibit 11, pages 3-4. To review the applicable bank records, refer to Exhibit 7, pages 6-15, 34-40, 42, and 78-99.

11. On October 5, 2022, the Florida Elections Commission received a written response from Respondent, who stated that she served as treasurer for many candidates and committees during the past two election cycles. Respondent stated that she learned the EFS but was not well-versed with the election statutes and did not readily know the frequency and periodic quickening of reporting dates. Respondent explained that it became apparent she needed assistance, but the help she received was not constant and, “tapered off when I needed it the most,” such as during pre-election weekly reporting and when termination reports were due. She added that it was not uncommon for candidates and committees to send her large batches of check images at the last minute, which prevented her from completing and filing reports timely and accurately. Respondent summarized the following factors that contributed to her amending reports after the due date to disclose sometimes large amounts of additional activity: lack of thorough knowledge of Chapter 106, Florida Statutes; lack of consistent and continued help with reports; lack of awareness of often high-volume financial activity until the last minute; and lack of preparation for quickened reporting dates. Respondent concluded by stating she has, “learned that these lessons come at a high price.” To review the response, refer to Exhibit 12.

¹ I subpoenaed campaign account records from the designated campaign depository.

² Respondent replaced the previously reported \$100.00 expenditure with a \$300.00 expenditure.

12. I called Respondent and interviewed her on two occasions in order to provide her an opportunity to respond to the referral. Respondent stated that she has never run for public office, though she has served as treasurer for several candidates and political committees. Respondent stated that she had not read Chapter 106, Florida Statutes, and that while she had not read the entire *Candidate and Campaign Treasurer Handbook*, she referred to it if she had any questions. To review the phone log, refer to Exhibit 13, interviews 3 and 5.

13. When asked if she was aware that all financial activity should be included on the original report, Respondent answered affirmatively. However, she added that it was her understanding that the campaign would be assessed a fine if a report was late, but that it was alright to amend a report if the original had been timely filed. Respondent stated she would input as much information as possible before filing the original report and would file an amended report to include information not on the original. To review the phone log, refer to Exhibit 13, interviews 3 and 5.

14. Respondent explained that she initially had several people working with her to enter information into EFS, but later the volunteers dropped out, which left her to do everything. She explained that she became overwhelmed by the amount of activity that occurred in each campaign, that in many instances she did not have access to campaign accounts, and that sometimes candidates and committees sent her incomplete information and/or would not send her information until the day before a report was due. Respondent indicated that, being overwhelmed, she prioritized filing original reports on time. She explained that she wanted to be transparent, so she reported the information she had and added the rest later. To review the phone log, refer to Exhibit 13, interviews 3 and 5.

15. When asked if she considered resigning as treasurer from some campaigns due to feeling overwhelmed, Respondent stated that she thought about it but did not want to leave candidates in a bad situation with no one to help them. However, Respondent indicated that she did not discuss her situation with any of the candidates. Respondent asserted that she has taken the following corrective measures: reading Chapter 106, Florida Statutes; reading the *Handbook*; hiring an assistant to help her input information; requiring access to campaign accounts; and requesting that candidates and committees use Truist as their depository so she can monitor the account activity electronically. To review the phone log, refer to Exhibit 13, interviews 3 and 5.

IMPORTANT ACCOUNT INFORMATION

Effective June 1, 2020, the Deposit Account Agreement has been updated.

In the section of the Deposit Account Agreement titled "Available balance, posting order, and overdrafts," the second bullet of the paragraph titled "Then, we sort your transactions into categories before we process them" under the subsection titled "How do we process (post) transactions to your account?" is deleted and replaced with the following: "Then, we process withdrawals/payments we have previously authorized and cannot return unpaid, such as debit card purchases, ATM withdrawals, account transfers, Online Bill Pay transactions, and teller-cashed checks. If we receive more than one of these transactions for payment from your account, we will generally sort and pay them based on the date and time you conducted the transactions. For a debit card transaction, if a merchant does not seek authorization from the Bank at the time of the transaction or you conducted the transaction more than 10 business days before we receive it for payment, we will use the date the transaction is received for payment from your account. For some transactions, such as Online Bill Pay transactions or teller-cashed checks, the time may be assigned by our systems and may vary from the time it was conducted. Multiple transactions that have the same time will be sorted and paid from lowest to highest dollar amount."

For questions, please call the number listed on your statement.

IMPORTANT ACCOUNT INFORMATION

Regulation D and Wells Fargo withdrawal and transfer restrictions on all savings accounts have been discontinued.

The Federal Reserve Board recently removed Regulation D's six transaction limit on certain withdrawals and transfers from savings accounts, and allowed banks to suspend enforcement of that limit at each bank's discretion. Your Deposit Account Agreement states that both Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings account to a combined total of six per monthly fee period. This message is to advise you that these limits were removed in May 2020. We have also discontinued charging the related excess activity fees, and have ceased account conversions and account closures related to the six withdrawal or transfer limit.

While it will take a period of time to update our disclosures and other materials, the changes described above apply to your account immediately and allow you to make withdrawals and transfers, including online and mobile, from your savings account without regard to the previous limit of six transactions. If you have any questions about your account, please call the phone number at the top of your statement or visit your Wells Fargo branch.

Subject: FEC Cases Statement

Dear Stephanie Cunningham,

Please allow this statement to serve as a formal explanation of the circumstances that have contributed to the multiple FEC cases that I would like to settle. I would first like to acknowledge that I have submitted reports late and subsequently amended reports with large amounts of activity. While this was never my initial intention, factors such as: lack of thorough Chapter 106 Statute knowledge , lack of consistent and continued help with reports, the unawareness of financial activity until the last minute, the unawareness of a high volume of activity until the last minute, and the lack of the preparation for the quickened reporting dates all contribute to my errors.

For the past two election cycles, I have worked as an independent contractor in the role of the Treasurer on many campaigns and political committees. I began this process by learning the EFS system and gathering information from candidates and committees to file reports. While I had some knowledge of the election statutes, not only was I not well-versed at the time, but I would only reference the statutes as needed. Therefore, I subverted my own treasury and compliance efforts in not knowing and always implementing statutes like the 2-day recordkeeping requirement of expenses and being prepared for the quickening of the reporting periods. During my first election cycle as a Treasurer, I did not initially have help in preparing the reports but learned that in order to file the weekly and bi-weekly reports on time and with accuracy, I would need assistance, so I was able to get help during my second cycle, but it was not constant and eventually tapered off when I needed it the most. Ultimately, the person that was assisting me was no longer available to me during the pre-election weekly reporting and in preparing the termination reports-when I needed the most assistance.

Two of the largest factors that led to my late reporting and subsequent amendments were not readily knowing the reporting period dates and not always having knowledge of the activity that had occurred-which in retrospect was probably my largest mistake. In any one instance where I would receive a large batch of check images, at the last minute, from the campaign that had been written to canvassers or campaign staff and not yet cashed or even contributions that were received but not yet deposited by reporting time, it would prevent me from preparing other reports and in turn make my other reports late. Yes, I learned quickly that operating blindly was not sustainable and definitely did not allow for accuracy or timeliness and did not agree with Chapter 106.

While I have explained the compounding reasons that have led to my multiple cases with the FEC, and have learned that these lessons come at a high price, I greatly appreciate your consideration in the resolution and settlement of these cases.

5. **Date and time:** 11/28/22 @ 3:58 p.m.

Name: Respondent

Phone #: 850-590-3612

Summary: I called to get an update on the information I received during the initial interview on July 13, 2021. I asked her to explain her understanding of reporting campaign activities before the investigation and what is her understanding now. She stated that it was her understanding that if she did not file the report by the due date then she would be assessed a fine. However, she thought that it was okay to file an amended report to add information as long as the original report was filed on time. She stated that she did not realize that there was anything wrong with amending the campaign reports until she started getting the letters about the investigation.

I asked her to explain why there was a large amount of activity reported after the due date. She explained that she wanted to be transparent, so she reported the information that was available and added the rest later. I asked her to explain. She stated that the candidate or PCs usually collected the contributions and wrote the expenditure checks and sent her the information to file the reports. She stated that sometimes she did not have access to bank records, especially for the candidates from south Florida because she lives in Tallahassee so the candidates would have a campaign worker to compile a spreadsheet and send her the spreadsheet. She stated that there were occasions when the spreadsheets did not contain all the information required on the campaign report; therefore, she just reported the information that was available to her.

I asked her had any information regarding her political history changed, i.e., had she run for office, had she read the Handbook or Chapter 106. She stated that she had not run for public office. She stated that she had never run for public office. She explained that the Shelby Green that ran for City Commission was not her. She stated that since the last interview she has read Chapter 106, Florida Statutes. She added, "it's a lot of stuff in there." She stated she has also read the Handbook. She stated that she has the 2018 Handbook. I gave her directions to download the 2022 Handbook from the DOE website.

She stated that she has made other corrective measures to try to stay on top of things. She has hired an assistant to help her input the information. She requests that the candidates and PCs use Truist as their depository so she can monitor the account activity electronically. She requires access to the campaign account so she can have access to the information before the day before it is due.

RESPONDENT INTERVIEW MEMO – Call details for entry #3

- I asked why did she file so many amendments? *She stated that often the candidates would not send her the information until the day before the report was due. She stated that initially she had several people working with her to enter the information into the system but later, the volunteers dropped out and it just left her to do everything. She stated that she became overwhelmed by amount of activity that occurred in each campaign. She stated that she prioritized filing the report on time.*

- I asked if she was aware that all the information regarding the financial activity in a reporting period should be on the original report. *She answered affirmatively and added that it was her understanding that if the report was late the campaign would be assessed a fine, but it was okay to amend the report if the report was timely filed. She stated that she inputted as much information as possible before filing the original report and she would file an amended to report the information that was not recorded on the original. She reiterated that she was overwhelmed.*
- I asked if she had access to the bank accounts for the campaigns. *She answered negatively. She stated that in many cases she was not a signatory on the account. She explained that usually the candidate handled the deposits and expenditures and sent the information to her to be reported. She stated that sometimes that would send it periodically and sometimes they would wait until the end of the reporting period, when it was time to file the report.*
- I asked, if she considered resigning from some of the candidates' campaigns, since she felt "overwhelmed." *She stated that she thought about it but she didn't want to just leave the candidates in a bad situation with no one to help with the campaign. I asked if she thought she was currently in a bad situation. She answered affirmatively. I asked if she had discussed her situation with any of the candidates. She answered, negatively. She stated she did know what the procedure was or what she needed to do; therefore, she has not spoken with anyone about her current situation.*
- I asked what corrective measures she took once she received the letters from the FEC. *She stated that by the time she received the letters most of the campaigns were rapping up; therefore, she thought she could handle it but it was just as hectic during the TR period; therefore, she ended up in the same situation, which generated even more letters from the FEC.*
- Have you ever run for public office? If so, please name each office you ran for and state what year each election occurred. *No*
- Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name each such candidate, the office each ran for, and state what year each election occurred. *She stated that she has been appoint as treasurer before. She did not give the candidates' names. She stated that she previously worked with the Democratic party and agreed to help with the campaigns of a couple of the Democratic candidates.*
- Have you ever held the office of chairperson, treasurer, or other similar position for a political committee or electioneering communications organization? If so, please name each committee, state the office you held for each, and state when you held each office. *Yes. Treasurer.*
- Have you ever prepared or signed a campaign treasurer's report? If so, please state the name of the candidate or committee whose report you prepared or signed. *Yes. Various Democratic candidates.*

- What action have you taken to determine your responsibilities under Florida's election laws? *She stated that she checked the treasurer handbook and called the DOE if she had any questions.*
- Do you possess a copy of Chapter 106, Florida Statutes? If so, when did you first obtain it? Have you read it? *No*
- Do you possess a copy of the [*Candidate and Campaign Treasurer OR Political Committee OR Electioneering Communications Organization*] Handbook? If so, when did you first obtain it? 5. **Date and time:** 11/28/22 @ 3:58 p.m.

Name: Respondent

Phone #: 850-590-3612

Summary: I called to get an update on the information I received during the initial interview on July 13, 2021. I asked her to explain her understanding of reporting campaign activities before the investigation and what is her understanding now. She stated that it was her understanding that if she did not file the report by the due date then she would be assessed a fine. However, she thought that it was okay to file an amended report to add information as long as the original report was filed on time. She stated that she did not realize that there was anything wrong with amending the campaign reports until she started getting the letters about the investigation.

I asked her to explain why there was a large amount of activity reported after the due date. She explained that she wanted to be transparent, so she reported the information that was available and added the rest later. I asked her to explain. She stated that the candidate or PCs usually collected the contributions and wrote the expenditure checks and sent her the information to file the reports. She stated that sometimes she did not have access to bank records, especially for the candidates from south Florida because she lives in Tallahassee so the candidates would have a campaign worker to compile a spreadsheet and send her the spreadsheet. She stated that there were occasions when the spreadsheets did not contain all the information required on the campaign report; therefore, she just reported the information that was available to her.

I asked her had any information regarding her political history changed, i.e., had she run for office, had she read the Handbook or Chapter 106. She stated that she had not run for public office. She stated that she had never run for public office. She explained that the Shelby Green that ran for City Commission was not her. She stated that since the last interview she has read Chapter 106, Florida Statutes. She added, "it's a lot of stuff in there." She stated she has also read the Handbook. She stated that she has the 2018 Handbook. I gave her directions to download the 2022 Handbook from the DOE website.

She stated that she has made other corrective measures to try to stay on top of things. She has hired an assistant to help her input the information. She requests that the candidates and PCs use Truist as their depository so she can monitor the account activity electronically. She requires access to the campaign account so she can have access to the information before the day before it is due.

RESPONDENT INTERVIEW MEMO – Call details for entry #3

- I asked why did she file so many amendments? *She stated that often the candidates would not send her the information until the day before the report was due. She stated that initially she had several people working with her to enter the information into the system but later, the volunteers dropped out and it just left her to do everything. She stated that she became overwhelmed by amount of activity that occurred in each campaign. She stated that she prioritized filing the report on time.*

- I asked if she was aware that all the information regarding the financial activity in a reporting period should be on the original report. *She answered affirmatively and added that it was her understanding that if the report was late the campaign would be assessed a fine, but it was okay to amend the report if the report was timely filed. She stated that she inputted as much information as possible before filing the original report and she would file an amended to report the information that was not recorded on the original. She reiterated that she was overwhelmed.*
- I asked if she had access to the bank accounts for the campaigns. *She answered negatively. She stated that in many cases she was not a signatory on the account. She explained that usually the candidate handled the deposits and expenditures and sent the information to her to be reported. She stated that sometimes that would send it periodically and sometimes they would wait until the end of the reporting period, when it was time to file the report.*
- I asked, if she considered resigning from some of the candidates' campaigns, since she felt "overwhelmed." *She stated that she thought about it but she didn't want to just leave the candidates in a bad situation with no one to help with the campaign. I asked if she thought she was currently in a bad situation. She answered affirmatively. I asked if she had discussed her situation with any of the candidates. She answered, negatively. She stated she did know what the procedure was or what she needed to do; therefore, she has not spoken with anyone about her current situation.*
- I asked what corrective measures she took once she received the letters from the FEC. *She stated that by the time she received the letters most of the campaigns were raring up; therefore, she thought she could handle it but it was just as hectic during the TR period; therefore, she ended up in the same situation, which generated even more letters from the FEC.*
- Have you ever run for public office? If so, please name each office you ran for and state what year each election occurred. *No*
- Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name each such candidate, the office each ran for, and state what year each election occurred. *She stated that she has been appoint as treasurer before. She did not give the candidates' names. She stated that she previously worked with the Democratic party and agreed to help with the campaigns of a couple of the Democratic candidates.*
- Have you ever held the office of chairperson, treasurer, or other similar position for a political committee or electioneering communications organization? If so, please name each committee, state the office you held for each, and state when you held each office. *Yes. Treasurer.*
- Have you ever prepared or signed a campaign treasurer's report? If so, please state the name of the candidate or committee whose report you prepared or signed. *Yes. Various Democratic candidates.*

- What action have you taken to determine your responsibilities under Florida's election laws? *She stated that she checked the treasurer handbook and called the DOE if she had any questions.*
- Do you possess a copy of Chapter 106, Florida Statutes? If so, when did you first obtain it? Have you read it? *No*
- Do you possess a copy of the [*Candidate and Campaign Treasurer OR Political Committee OR Electioneering Communications Organization*] Handbook? If so, when did you first obtain it? Have you read it? *Yes. She did not know the exact date she first obtained it. She stated she did not read the entire handbook but referred to it if she had any questions.*

Subject: FEC Cases Statement

Dear Stephanie Cunningham,

Please allow this statement to serve as a formal explanation of the circumstances that have contributed to the multiple FEC cases that I would like to settle. I would first like to acknowledge that I have submitted reports late and subsequently amended reports with large amounts of activity. While this was never my initial intention, factors such as: lack of thorough Chapter 106 Statute knowledge , lack of consistent and continued help with reports, the unawareness of financial activity until the last minute, the unawareness of a high volume of activity until the last minute, and the lack of the preparation for the quickened reporting dates all contribute to my errors.

For the past two election cycles, I have worked as an independent contractor in the role of the Treasurer on many campaigns and political committees. I began this process by learning the EFS system and gathering information from candidates and committees to file reports. While I had some knowledge of the election statutes, not only was I not well-versed at the time, but I would only reference the statutes as needed. Therefore, I subverted my own treasury and compliance efforts in not knowing and always implementing statutes like the 2-day recordkeeping requirement of expenses and being prepared for the quickening of the reporting periods. During my first election cycle as a Treasurer, I did not initially have help in preparing the reports but learned that in order to file the weekly and bi-weekly reports on time and with accuracy, I would need assistance, so I was able to get help during my second cycle, but it was not constant and eventually tapered off when I needed it the most. Ultimately, the person that was assisting me was no longer available to me during the pre-election weekly reporting and in preparing the termination reports-when I needed the most assistance.

Two of the largest factors that led to my late reporting and subsequent amendments were not readily knowing the reporting period dates and not always having knowledge of the activity that had occurred-which in retrospect was probably my largest mistake. In any one instance where I would receive a large batch of check images, at the last minute, from the campaign that had been written to canvassers or campaign staff and not yet cashed or even contributions that were received but not yet deposited by reporting time, it would prevent me from preparing other reports and in turn make my other reports late. Yes, I learned quickly that operating blindly was not sustainable and definitely did not allow for accuracy or timeliness and did not agree with Chapter 106.

While I have explained the compounding reasons that have led to my multiple cases with the FEC, and have learned that these lessons come at a high price, I greatly appreciate your consideration in the resolution and settlement of these cases.
