This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director
Florida Elections Commission
March 27, 2026

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Restore Integrity in Seminole PC is a political committee (PC) registered with the State of Florida. The PC's chair and treasurer is Jesse Phillips.

The PC is appealing the fine, claiming that the late submission was the result of an administrative error by the filing officer. According to Mr. Phillips, the filing officer "misidentified the fourth quarter filing period as Q1 in the reporting system". He states the financial information was entered in "good faith" under the Q1 designation.

On December 11, 2024, the Supervisor of Elections office notified Mr. Phillips of the error via email. Documentation supporting this appeal has been provided. Based on the circumstances, the PC is requesting that the fine be waived.

- The 2024 Q4 Original Report covers the period from 11/01/24-12/31/24; it was due on 01/10/25.
- The 2024 Q4 Report shows that it was filed on 01/22/25.
- Restore Integrity in Seminole PC reported receiving zero contributions, while making 5 expenditures.
- The Seminole County SOE's office provided notes that pertain to Restore Integrity in Seminole PC's 2024 Q4 report.

PRIOR CASES: NONE.

RE: Appeal of Late Filing Penalty - Report Due January 10, 2025

Reporting Period: November 1, 2024 - December 31, 2024

Penalty Assessed: \$782.94

Pursuant to Rule 2B-1.005, Florida Administrative Code, and Sections 106.04(8) and 106.07(8), Florida Statutes, I respectfully submit this notice of appeal disputing the fine assessed against Restore Integrity in Seminole PC for a campaign finance report allegedly filed late for the period ending December 31, 2024, with a due date of January 10, 2025.

Grounds for Appeal:

NOTICE OF APPEAL

The basis of this appeal is that the late submission was the direct result of an acknowledged administrative error by the Seminole County Supervisor of Elections Office, which misidentified the fourth quarter filing period (11/1/2024-12/31/2024) as "Q1" in the reporting system. At the time of the error, I had already entered financial data in good faith under the "Q1" label.

On December 11, 2024, Tamica Cobb, then-Deputy Director of Operations for the Supervisor of Elections, sent written notice to me stating the following:

"There has been an update to the reporting. Dates 11/1/2024-12/31/2024 was labeled at Q1. It should have said Q4... I noticed Restore Integrity in Seminole PC was the only one to have information entered so I did not want to delete the Q1 or the information would have been lost... at your earliest please move the information over to Q4 so it will be in the correct area."

This communication serves as an unequivocal admission that:

1. The fault for the mislabeling lies solely with the Supervisor's office;
2. Restore Integrity in Seminole PC was the only entity affected by this error;
3. At the time the error was discovered, I had already entered financial transaction entries in good faith;
4. I was directed to manually re-enter over 40 days' worth of financial transactions due to the agency's internal mistake.

This substantial administrative burden, imposed by the Supervisor's office error and acknowledged in writing, created a situation beyond my control and directly led to the report being submitted 11 days past the statutory deadline.

NOTICE OF APPEAL

Florida law permits discretion to waive or reduce fines in cases of "unusual circumstances" or where the violation "was not willful and was the result of excusable neglect." It is abundantly clear that this case meets, and indeed exceeds, those thresholds.

Accordingly, I respectfully request that the Florida Elections Commission:

- Vacate or substantially reduce the assessed fine of \$782.94; and
- Acknowledge the mitigating factors and administrative error as justification for such action.

I am not requesting a hearing and ask that the Commission review this appeal based solely on the documents submitted.

Enclosed:

- Copy of the fine notice from the Supervisor of Elections
- Copy of email from Tamica Cobb (Dec 11, 2024)
- This Notice of Appeal

Thank you for your time and attention to this matter.

Respectfully submitted,

Jesse Phillips

Chairman, Restore Integrity in Seminole PC

Dear Jesse:

Your Campaign Treasurer's Report which was due on January 10, 2025, was received on January 22, 2025. Pursuant to Section 106.07(8)(b), Florida Statutes, you are subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day; however, the fine may not exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

The records reflect that this report was received on January 22, 2025; therefore, you are hereby assessed a fine of \$782.94.

Said fine must be made payable to Seminole County and paid to this office within 20 days of receipt of this notice, unless appeal is made to the Florida Elections Commission.

Section 106.07(8)(c), Florida Statutes, provides that you may appeal or dispute the assessed fine by submitting a notice of appeal in writing to the Florida Elections Commission within 20 days of the date of receipt of the notice of payment due, setting out with specificity the unusual circumstances surrounding the failure to file on the designated due date, which may be accompanied by any evidence supporting the claim. Failure to timely file such a notice constitutes a waiver of such entitlement. If a hearing before the commission is desired, such a hearing request must be included in the notice of appeal. If no request for a hearing is included, the commission's determination shall be based on the notice and any supporting evidence. If a separate request for a hearing is included in the notice, a hearing shall be provided.

Your request for an appeal or hearing should be sent to the Florida Elections Commission, 107 W. Gaines Street, Collins Building Suite 224, Tallahassee, FL 32399-0250.

**Seminole County Supervisor of Elections
Acknowledgement of Electronic Filing Information**

Pursuant to Florida law, and at the request of the Supervisor of Elections, the Board of County Commissioners of Seminole County has adopted Resolution 2011-R-152 (8/23/2011) regarding electronic filing requirements of campaign finance reports for local candidates, political committees and county executive committees of a political party. All of these entities are required to file electronically with Seminole County Supervisor of Elections Office via an Internet-based electronic filing system.

1. Sign-in Credentials

Each person will be issued Sign-in Credentials, a log-in name and password, by the Seminole County Supervisor of Elections Office to access ("sign-in") the Electronic Filing System. You are responsible for safeguarding this sign-in information and for notifying the Supervisor of Elections Office should this information be lost or become compromised.

Please note: Only one log-in name and password will be issued for both the candidate and treasurer (or committee chair and treasurer, as applicable)

2. PIN

The sign-in credentials will serve as a PIN (personal identification number). This PIN is considered the same as your signature on a paper filed report.

3. Reports

Reports shall be completed and filed electronically through the Seminole County Supervisor of Elections **electronic filing system not later than Midnight (Eastern Standard Time) of the day designated**. When your report is electronically filed, the Status column in your report list will indicate "Submitted" along with a confirmation number. The PDF version of the report may be printed and retained for your records as your "Electronic Filing Receipt" which reflects the confirmation number, date and time of submission. Any reports that I file through the electronic filing system are considered to be certified as to correctness within the meaning of Sections 106.07(5) or 106.29(2), F.S.

4. Reports Not Timely Filed

If a required report is not filed timely the relevant penalty sections in Chapter 106, Florida Statutes, shall apply. All reports filed via this system are considered to be under oath by the candidate and treasurer, chair and treasurer of political committees and county executive of a political party and are subject to all relevant penalties in Chapter 106, Florida Statutes.

I acknowledge that I have received a copy of Electronic Filing Instructions for Campaign Finance Reports filed pursuant to F.S. 106.0705; that I am responsible for protecting my sign-in credentials and that reports must be filed no later than midnight (EST) of the day designated.
