If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on November 15, 2023, in Tallahassee, Florida.

On June 20, 2023, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff's Recommendation are adopted by reference and incorporated herein. THIS SPACE INTENTIONALLY LEFT BLANK

The Commission finds that there is **no probable cause** to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

DONE AND ORDERED by the Florida Elections Commission on November 15, 2023.

In Re: George O. Navarini

Case No.: FEC 21-323

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on December 7, 2022, the following facts and law support this staff recommendation:

1. On April 21, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that George O. Navarini (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2022 candidate for State Representative, District 103. (ROI Exhibit 3, page 2)¹ Respondent’s original Statement of Candidate form was received on November 30, 2020. (ROI Exhibit 3, page 1) On March 24, 2022, Respondent changed his designation from State Representative, District 104, to State Representative, District 103, due to redistricting. (ROI Exhibit 1, page 1)

3. By letter dated September 2, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M2 Reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M2 reporting period.

4. By letter dated November 30, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his Appointment

¹ The Report of Investigation is referred to herein as “ROI.”

of Campaign Treasurer and Designation of Campaign Depository for Candidates form and that his name was placed on the 2022 active candidate list. (ROI Exhibit 4, page 1)

5. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 4, page 2)

6. Respondent’s 2021 M2 Report was due to be filed by March 10, 2021; however, Respondent failed to timely file the report or notify the filing officer that no report would be filed. *See* Compl. By letters dated March 11, 2021, March 23, 2021, and April 5, 2021, the Division attempted to notify Respondent that his report or notice of no activity had not been received. (ROI Exhibits 5 & 6) Pursuant to Sections 106.07(7), and 106.19(1)(c), Florida Statutes, the Division is not required to notify Respondent of a potential violation of said sections of law but sends such notifications as a courtesy.

7. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., February 1, 2021 – February 28, 2021. Respondent’s bank records do not show any reportable financial activity. (ROI Exhibit 8)

8. Respondent stated that he did not receive any contributions until June of 2021. (ROI Exhibit 9, page 1) Respondent admitted that he was at fault but stated that there was no malicious intent. (ROI Exhibit 10, page 2) On June 22, 2021, the notice of no activity was submitted. It was 104 days late. (ROI Exhibit 7)

9. As it appears that Respondent had no financial activity, Respondent was required to notify the filing officer in writing that he would not be filing his 2021 M2 Report on the prescribed reporting date but failed to do so. Therefore, it does not appear that Respondent falsely reported or deliberately failed to include information in his 2021 M2 Report as the report was waived due to a lack of reportable financial activity.

10. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

11. The facts set forth above show that Respondent was a 2022 candidate for State Representative, District 103. Respondent failed to timely file his 2021 M2 Report or notify the filing officer that no report would be filed. It appears that Respondent had no financial activity during the relevant reporting period, and therefore, was required to notify the filing officer in

writing that he would not be filing his 2021 M2 Report on the prescribed reporting date but failed to do so. It does not appear that Respondent falsely reported or deliberately failed to include information in his 2021 M2 Report as the report was waived due to a lack of reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about March 10, 2021, George O. Navarini violated Section 106.07(7), Florida Statutes, when he failed to notify the filing officer in writing on the prescribed reporting date that he would not be filing his 2021 M2 Report.

Respectfully submitted on June 20, 2023.

Stephanie J. Cunningham
General Counsel

The letters included reference to the filing date for the report. To review the failure to file correspondence, refer to Exhibit 5.³

¹ Respondent initially filed to run for District 104, but after the referral was filed, he filed for redesignation to District 103 due to redistricting.

² The first Statement of Candidate was marked incomplete, but Respondent filed a second Statement of Candidate on June 15, 2022, noting redesignation to District 103.

³ Both letters were returned to the Division undelivered.

7. On April 5, 2021, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that the following campaign report, or the required notification that no reportable activity occurred, had not been filed: 2021 M2. The letter was confirmed delivered on April 7, 2021; though it was confirmed delivered to the post office, the “Final Notice” was ultimately returned to the Division undelivered. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 6.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period or by not filing a campaign report to reflect financial activity for the reporting period. To review the filing history, refer to Exhibit 7.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 8 ⁴
2021 M2	02/01/2021 – 02/28/2021	03/10/2021	Waiver ⁵	8

9. Respondent did not respond to the referral. In an email dated January 26, 2022, Respondent stated that although his campaign started on November 30, 2020, he did not actively start campaigning or receive any contributions until June 2021. To review the email, refer to Exhibit 9.

10. On November 1, 2022, I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. When asked about the failure to timely file the report at issue, Respondent requested that I email him regarding the 2021 M2 reporting period. I did so, but as of the date of this report, Respondent has not replied to either that email or my follow-up email. Respondent verified that he previously stated, “I filed immediately after 2020 election. No activity until summer, until the Division notified me. When the Division notified me, I jumped on it.” Respondent acknowledged that he possessed and had read Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. Respondent acknowledged responsibility for the issue but stated that there was no malicious intent and that this amounted to harmless error. To review the phone log, refer to Exhibit 10.

SIGNATURE OF INVESTIGATOR:

Date: December 7, 2022

⁴ I subpoenaed campaign account records from the designated campaign depository.

⁵ Respondent filed a waiver of the 2021 M2 report on June 22, 2021, which was 104 days late.

Dear Mr. Navarini:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository informing us that you are changing the designation of office for which you are a candidate from State Representative, District 104 to State Representative, District 103. The active candidate list has been updated to reflect this change. It is our understanding that the change in numerical designation resulted solely from redistricting, therefore, the change will not affect your ability to retain campaign contributions received for the former district number for which you had filed. As such, you are not required to notify contributors of the change in district number. See Section 106.021(1)(a), Florida Statutes.

If you have any questions, or if we may be of further assistance, please call (850) 245-6280.

Sincerely,

Dear Mr. Navarini:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was March 10, 2021.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to *immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.*

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:

\$50 per day for the first 3 days late

\$500 per day for each day after the 3rd day late

If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Kristi Reid Willis, Chief

Dear Mr. Navarini:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was March 10, 2021.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on March 11, 2021.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

We updated the way we post certain transactions to your account

Knowing the order in which we apply deposits and withdrawals can help you better manage your account and help you avoid possible fees and overdrafts.

What's staying the same:

We will continue to add deposits to your account first before subtracting withdrawals. Any fees are assessed last.

What's changing:

During our nightly processing, we now subtract the following withdrawals from your account based on the date and time of when the transaction was authorized or shows as pending, instead of subtracting from highest to lowest dollar order:

- Automatic payments from your account, also can be referred to as ACH payments
- Checks drawn on your account, and
- Recurring debit card transactions (e.g. movie subscriptions or gym memberships)

This is how we already subtract everyday debit card transactions (e.g. groceries, gasoline or dining out), online banking transactions and ATM withdrawals.

For more information, please see the Posting Order section in the Deposit Account Agreement at [chase.com/disclosures](https://www.chase.com/disclosures). For information about overdrafts and our overdraft services, please visit [chase.com/overdraft](https://www.chase.com/overdraft).

Our courtesy practice related to refunds

We may have provided you with a discretionary fee refund at your request or on our own in the past. Please keep in mind that while we did this as a courtesy, we are not required to process similar requests in the future.

Hello, Charles:

Hope you all are staying warm up there in Tallahassee.

As per your request, the candidate number for the 2020 campaign was **75717**, and for the 2022 campaign, the candidate number is **79065**.

Additionally, our official start date is **30 November 2020**. Now that said, there was a bit of a mix-up as I was originally registered as a candidate of the other party, but we got that straightened out quickly.

Lastly, please note, that although we started on the 30th, a (wavier) report for November was submitted as soon as I was made aware we were in the system. We did not actively start the campaign and receive any donations until June of the following year.

Hope this answers all your proffered questions to your satisfaction. Please feel free to call or write if I may be of any further assistance.

RE: Case No.: FEC 21-323; Respondent: George O. Navarini

Dear Mr. Navarini:

On April 21, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M2 Reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M2 reporting period.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

RE: Case No.: FEC 21-323; Respondent: George O. Navarini

Dear Mr. Navarini:

On April 21, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M2 Reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M2 reporting period.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. Dear Mr. Navarini:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
