NOTICE OF HEARING (AUTOMATIC FINE (AF))

A hearing will be held in this case before the Florida Elections Commission on, **November 14, 2023 at 8:30 a.m., or as soon thereafter as the parties can be heard**, at the following location: **402 South Monroe Street, 12 HOB, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director
Florida Elections Commission
October 31, 2023

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

RE:

Response to Case No.: FEC 22-371

To whom it may concern,

I received a notice of complaint from the Florida Elections Commission on January 19, 2023 (tracking# 9214 8969 0099 9790 1645 7697 62) which was hand delivered to my address by a neighbor who states that the envelope was mistakenly delivered to their house which has the same number as mine but on a different street.

That same day I opened the envelope and saw it was dated December 22, 2022. I sent an email to fec@myfloridalegal.com notifying the delayed delivery and to request time to respond which was granted. **(EXHIBIT 1)**

I have reviewed the alleged violations and respond as follows:

Alleged Violation #1

-2021 G1 Campaign Treasurer Report due Friday October 8, 2021 was delivered Wednesday October 13, 2021

-Failure to pay fine for late report.

The complaint states that the report was hand delivered by Yuri Yanes on October 13, 2021. According to the report, a letter of late filing and assessed fine addressed to the candidate was given to Mr. Yuri Yanes.

Yuri Yanes had the report in his possession on the morning of the due date. I was not aware that the report was filed late. Yuri Yanes did not give me the notice of late filing and assessed fine.

Upon reading the complaint I saw that notices were sent by email. I did not see the emails until today after I searched for them and found them in the SPAM folder. **(EXHIBIT 2)**

The complaint states that 2 attempts to notify me via certified mail were unsuccessful because the mail was returned to sender as unclaimed. Allegedly third certified letter was delivered on January 28, 2022.

There is no one home throughout the day to receive and sign for mail. The third letter was not received either. Tracking number 70142870000127951572 shows as Delivered, Left with Individual, but that is not possible since there was no one to receive it. The mail was not received. There have been ongoing issues with certified mail. I have gone to the post office in the past regarding this problem. I now went to file a formal complaint and the supervisor, Mr. Vargas instructed me to fill out the online form. **(EXHIBIT 3)**

I became sick with COVID during the campaign and was initially hospitalized for 2 weeks. I was readmitted multiple times due to complications. Due to the steroids that were administered in the hospital, I developed Exogenous Cushing Syndrome and was unable to walk for many weeks. Friends and family helped me with delivering the reports during this time.

I was not aware that the 2021 G1 report was delivered late or that a fine was due. Email notifications were not seen because they went to the SPAM folder. Letters sent by mail were not received. I spoke with the City Clerks office on or around January 26th 2022, and I was not informed of the 2021-G1 late filing and fee.

Alleged Violation #2

-2021-G3 Campaign Treasurer Report due Friday October 29, 2021, was delivered Monday November 1, 2021

-Failure to pay fine for late report.

The report was given to Reina Guanche before the due date but she arrived too late to City Hall Friday October 29th 2021. Reina Guanche delivered it the next business day which was Monday November 1, 2021. Reina did inform me that there was a late fine assessed. I did not receive any notification via mail. A formal complaint has been filed with the USPS for mail that shows as delivered but was never received. **(EXHIBIT 4)** Notifications sent via email were not seen until now due to going to the SPAM folder **(EXHIBIT 3)**

During a telephone conversation January 2022, with an employee at the City Clerks office, I was reminded of the late fine. I sent multiple money orders in February 2022 and to my understanding, this fine was paid in full.

Alleged Violation #3

Late Filing of 2021-R2 Campaign Treasurers Report

During a telephone conversation with an employee at the City Clerks office on or around January 26th 2022, I was informed that the 2021-R2 Campaign treasurers report was filed late. I was not aware that a fine was due prior to that date. By the time I found out about the fine, it was too late to file an appeal with the FEC. I would have requested a reduction of the fine due to the circumstances with my medical condition that required me to rely on help during that time. Nevertheless, I sent the payment for the \$2,737.50 fine on February 2, 2022. Emails were not seen because they went to the SPAM folder (**EXHIBIT 3**). No mail was received. A complaint has been filed with the USPS due to an ongoing problem with certified mail (**EXHIBIT 5**)

Alleged Violation #4

Late Filing TR (Termination Report) Campaign Treasurers Report and failure to pay the fine imposed.

Report due February 14, 2022, Delivered February 16, 2022.

I was not aware that the report was late or that a fine was due. A complaint has been filed with the USPS due to mail delivery problems.

I have addressed all issues and paid fines for which I have been made aware of. There have been ongoing problems with mail delivery to my address since 2020. I have made several complaints to the USPS. The supervisor at the post office informed me that during 2020 and part of 2021, mail carriers were not required to deliver certified mail directly to an individual as a COVID precaution, yet multiple mail pieces show as delivered, left with individual. This has been a problem with all certified mail and packages requiring signature, not just with mail from City of Hialeah. One of the letters show as left with Front Desk/Reception even though there is no front desk since it is a house. Another one shows left with individual even though no one was home on that date/time. I would not have intentionally disregarded a notice requiring my attention. On January 26th 2022 I was verbally informed of the late filing of 2021-R2 Campaign Treasurers Report and I sent the \$2,737.50 payment for the fine within one week. I will contact the City Clerk to address any pending fines. I was not aware of the \$1,150.00 due for late 2021-G1 Report. All emails from City of Hialeah went to SPAM. If there is any possibility of waiving or reducing the amount of the outstanding fine, I kindly ask you to please review the circumstances and make a determination. I was very ill during that year and made my best effort to be in compliance.

Thank you for your attention and consideration to this matter.

Sincerely,

Angelica Xenos-Pacheco

RE: Case No. FEC 22-371

Good afternoon.

A neighbor brought a certified mail envelope addressed to me that was wrongly delivered to their address instead of mine. According to them, although it is certified, the envelope was left in their mailbox around the last week of December while no one was home. They were out of town for the holidays and found it along with the rest of their mail when they arrived. I believe the house it was left at has the same number as mine but on a different street. This mail piece was in their possession until this morning when they came by my house to give it to me.

I see that it is a complaint dated December 22, 2022, to which I must respond within 14 days of receipt. Please note that I did not receive it until today, 1/19/23.

I kindly ask that you allow me 14 days to respond, commencing today.

Thank you for your attention

Regards

Angelica Xenos Pacheco

Dear Ms. Pacheco,

You have failed to file the 2021-G1 Campaign Treasurer's Report by the due of October 8, 2021 for the reporting period of September 1, 2021 to October 1, 2021, and a fine is being assessed for each late day. You have been provided with the City of Hialeah 2021 Election Important Dates and deadlines, which includes the dates all Campaign Treasurer's Reports are due.

Your 2021-G1 Campaign Treasurer's Report was delivered to our office on October 13, 2021 at 11:46 a.m. by Yuri Yanes on your behalf.

Pursuant to § 106.07 (8)(b) of the Florida Statutes, I must impose a fine of \$50.00 per day for the first three (3) days late, and, thereafter, \$500.00 per day for each late day, not to exceed twenty-five percent (25%) of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

The fine is not an allowable campaign expenditure, and must be paid only from your personal funds.

Per Florida law, the filing officer shall determine the amount of the fine due based upon **the earliest of the following**: (1) when the report is actually received by such officer, (2) when the report is postmarked, (3) when the certificate of mailing is dated, (4) when the receipt from an established courier company is dated, and (5) when the electronic receipt issued pursuant to Section 106.0705 of the Florida Statutes or other electronic filing system authorized in this section is dated.

<u>Day Late</u>	<u>Amount of Fine</u>
Saturday, October 9, 2021	\$50.00
Sunday, October 10, 2021	\$50.00

You may appeal the fine to the Florida Elections Commission based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date. In order to request an appeal, you must notify me **in writing, within twenty (20) days after receipt of notice of payment due**, of your intention to bring the matter before the Florida Elections Commission.

The Florida Division of Elections has opined that the calculation of late days begins on the day after the Campaign Treasurer's Report is due, including weekends and holidays, and continues and includes the date of the postmark, courier receipt, or certificate of mailing, whichever is earlier.

Respectfully,

Good afternoon Ms. Xenes-Pacheco.

Through this email I would like to confirm that on today's date, you visited the Office of the City Clerk and filed form DS-DE 9 announcing you intent to run for City Council Group 6, as well as the Statement of Candidate form (DS-DE 84). I provided you with a printed version of the attached Important Dates and Deadlines.

Per Section 5.05 of the Charter of the City of Hialeah, candidates for any particular councilmember group seat shall be electors of the City for one year prior to the primary or election to which that person intends to seek election and shall qualify for election by filing such person's qualification papers and pay the qualifying fee of \$100.00 required pursuant to Section 5.05 of the Charter and pay the assessment according to state law to the city Clerk at any time during business hours after 12:00 noon on the first day of qualifying but no later than the last day of qualifying. The qualifying period is listed in the important dates and deadlines form.

You may access the Candidate & Campaign Treasurer Handbook published by the Florida Division of Elections using the following link: <https://dos.myflorida.com/media/702477/candidate-campaign-treasurer-handbook-2020.pdf>. This handbook serves only as a quick reference guide for candidates and campaign treasurers. This handbook is not a substitute for the Florida Election Code or applicable constitutional and rule provisions, the text of which controls. I suggest you read the Florida Election Code, which you may access using the following link: http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Index&Title_Request=IX#TitleIX. In addition, Chapters 97-106 of the Florida Statutes, the Constitution of the State of Florida, Division of Elections' opinions and rules, Attorney General opinions, county charter, city charter and ordinances, and other sources should be reviewed in their entirety for complete information regarding campaign financing and qualifying. Below I have provided you with the links to these said sources:

A campaign treasurer must file regular reports of all contributions received and expenditures made by or on behalf of the candidate. The important dates and deadlines for the 2021 City of Hialeah Primary Election are attached hereto for your reference. It provides important dates and deadlines, including the date each campaign treasurer report is

due. **Per our conversation today, your first campaign treasurer's report is due on February 10, 2021.** In any reporting period in which there has been no activity in the campaign account (no funds expended or received) the filing of the required report is waived. However, the filing officer must be notified in writing using the Waiver of Report form (Form DS-DE 87) <https://dos.myflorida.com/media/693282/dsde87.pdf> that no report is being filed. If you are reporting expenditures and or contributions, you may use forms DS-DE 12, DS-DE 13, DS-DE 13A, DS-DE 14, and DS-DE 14A to file the campaign treasurer's report. Said forms may be obtained using the following link: <https://dos.myflorida.com/elections/forms-publications/forms/>. Per Florida law, any candidate failing to file a report on the designated due date is subject to a fine for each late day, and such fine shall be paid only from personal funds of the candidate.

FOR CANDIDATES WHO AGREE TO COMPLY WITH
THE *VOLUNTARY* STATEMENT OF FAIR CAMPAIGN PRACTICES

AN EXPLANATION REGARDING YOUR RIGHTS

Section 2-11.1.1(D)(2) of the Code of Miami-Dade County, Florida, provides that any candidate for public office in Miami-Dade County may at any time *voluntarily* declare that he or she agrees to abide by the *voluntary* Statement of Fair Campaign Practices. In agreeing to abide by the *voluntary* Statement of Fair Campaign Practices, the candidate recognizes, as compulsory, the authority of the Miami-Dade County Commission on Ethics and Public Trust to decide whether the candidate has violated the *voluntary* Statement of Fair Campaign Practices and, if so, to impose the appropriate penalty, if any.

Before agreeing to abide by the *voluntary* Statement of Fair Campaign Practices, you should carefully read the *voluntary* Statement of Fair Campaign Practices included with this DECLARATION AND FIRST AMENDMENT WAIVER as well as the following information regarding your rights.

The Statement of Fair Campaign Practices is *voluntary*. You are under no obligation to agree to the *voluntary* Statement of Fair Campaign Practices. If you decide not to agree to the *voluntary* Statement of Fair Campaign Practices, you may still run for elective office in Miami-Dade County if you are qualified. There is NO PENALTY if you decide not to sign the *voluntary* Statement of Fair Campaign Practices.

If you decide to agree to the *voluntary* Statement of Fair Campaign Practices, you should know that you will be WAIVING YOUR FIRST AMENDMENT RIGHTS TO FREE SPEECH because certain speech prohibited by the *voluntary* Statement of Campaign Practices is protected by the First Amendment to the U.S. Constitution and Article I, Section 4, of the Florida Constitution. Prior to agreeing to comply with the *voluntary* Statement of Fair Campaign Practices, you should consider consulting an attorney to ensure that you understand the consequences of signing the DECLARATION AND FIRST AMENDMENT WAIVER.

Before signing this DECLARATION AND FIRST AMENDMENT WAIVER, you have the right to request and receive from the Ethics Commission an advisory opinion as to whether your planned campaign activities (e.g., campaign advertisement or statements) are likely to violate the *voluntary* Statement of Fair Campaign Practices. In the event that you sign the DECLARATION AND FIRST AMENDMENT WAIVER, you will continue to have the right to request and receive from the Ethics Commission an advisory opinion regarding any future campaign activities that you may be considering.

A determination by a candidate not to execute the DECLARATION AND FIRST AMENDMENT WAIVER shall not be construed by Miami-Dade County or the Ethics Commission to mean that the candidate is unethical in any way. Further, a determination by a candidate not to execute the DECLARATION AND FIRST AMENDMENT WAIVER should not be construed by any candidate or any other person or entity to mean that the candidate is unethical in any way.

VOLUNTARY STATEMENT OF FAIR CAMPAIGN PRACTICES

As a candidate for public office in Miami-Dade County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual, or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social, and economic problems. Therefore,

1. I shall not make my race, religion, national origin, gender, physical disability, or sexual orientation an issue in my campaign.
2. I shall not make my opponent's race, religion, national origin, gender, physical disability, or sexual orientation an issue in my campaign.
3. I will condemn any appeal to prejudice based on race, creed, national origin, religion, gender, physical disability, or sexual orientation.
4. I shall not, without just cause, attack or question my opponent's patriotism.
5. I shall not publish, display, or circulate any anonymous campaign literature or political advertisement.
6. I shall not tolerate my supporters engaging in these activities that I condemn, nor shall I accept their continued support if they engage in such activities. I will not permit any member of my campaign organization to engage in these activities and will immediately and publicly repudiate the support of any other individual or group that resorts to the methods and tactics I condemn.
7. I shall run a positive campaign emphasizing my qualifications for office and positions on issues of public concern.
8. I will limit my attacks on an opponent to legitimate challenges to that person's record, qualifications, and positions.
9. I will neither use nor permit the use of malicious untruths or innuendoes about an opponent's personal life, nor will I make or condone unfounded accusations discrediting that person's credibility.
10. I will take personal responsibility for approving or disavowing the substance of attacks on my opponent that may come from third parties supporting my candidacy.
11. I will not use or permit the use of campaign material that falsifies, distorts, or misrepresents facts.

BY SIGNING THIS DECLARATION AND FIRST AMENDMENT WAIVER, I AGREE TO

I further agree that the Ethics Commission will have the authority to decide whether I have violated the *voluntary* Statement of Fair Campaign Practices and, if a violation is found, the Ethics Commission has the authority to impose the appropriate penalty, if any, which may include an admonition or public reprimand. I recognize that I have the right before signing this DECLARATION AND FIRST AMENDMENT WAIVER to consult my own legal counsel and to request and receive from the Ethics Commission an advisory opinion as to whether my planned campaign activities are likely to violate the *voluntary* Statement of Fair Campaign Practices.
