***Tim Vaccaro***

Executive Director  
Florida Elections Commission  
March 27, 2026

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Emergency Care for Florida is a political committee (PC) registered with the State of Florida. The PC's chair is Blake Buchanan, its treasurer is Melissa Keahey, and its deputy treasurer is Kim Palm.

The PC is appealing the fine. According to the deputy treasurer, Kim Palm, the committee was not required to file special election reports in prior years. She was under the mistaken impression that the same applied for this year. Ms. Palm did not realize the report was required until after the deadline had passed. She mistakenly included the candidates in the committee's regular quarterly filing while being unaware that they needed to be reported as special election candidates. This contributed to the delay and confusion in ensuring proper compliance. As soon as she became aware of the error, she took immediate steps to correct the filing and submitted the appropriate special election report.

- The 2025 SP2 Original Report covers the period from 02/21/25-03/27/25; it was due on 03/28/25.
- The 2025 SP2 Queued Transaction Report shows that it was created and filed on 04/08/25.<sup>1</sup>
- Emergency Care for Florida reported receiving zero contributions while making 1 expenditure.
- FEC staff was advised, "The committee filed a notice of no activity (waiver) on 04/08/25. A waiver is not a report. On 05/07/25, the committee filed a report showing \$1,000.00 of activity. The fine is based on 25% of the activity."
- The Division of Elections provided one note that pertains to Emergency Care for Florida's 2025 SP2 Report. On 05/05/25, Division staff left a voicemail for the committee stating that the 2025 Q1 Report needed to be amended and that the contribution needed to be filed on the 2025 SP2 Report.

**PRIOR CASES:** 22-003 (AF-NUC)

<sup>1</sup> The filing discussed in this bullet refers to the waiver that reflected zero activity.

**Re: PAC 60952 - Appeal for Late Filing of 2025 SP2 – State House 32 Special Election Report**

Dear Administration,

I am writing on behalf of our committee, and in my role as Chair, to provide an explanation regarding the late filing of the 2025 SP2 – State House 32 special election report. I am also responding on behalf of our Deputy Treasurer, Kim Palm with whom I am in full agreement that she was unaware of the new filing regulations related to special elections.

In previous years, our committee was not required to file reports for special elections, and we mistakenly believed the same applied this year. As a result, the Deputy Treasurer did not realize the special election report was required until after the filing deadline had passed.

Additionally, the candidates were included in our regular quarterly report, under the incorrect assumption that this met the necessary reporting requirements. This misunderstanding contributed to the delay and confusion around the filing.

Once we became aware of the oversight, we acted promptly to submit the appropriate special election report. We take full responsibility for the error, and have updated our internal procedures to ensure compliance with all future filing requirements.

We sincerely apologize for the oversight and any inconvenience caused. On behalf of the committee, I respectfully request an appeal to have the late fine waived.

Thank you for your understanding, and please let us know if any further information is needed.

Sincerely,

Blake Buchanan, M.D.

**Re: PAC 60951 - Appeal for Late Filing of 2025 SP2 – State House 32 Special Election Report**

Dear Administration,

I am writing to provide an explanation regarding the late filing of the 2025 SP2 – State House 32 special election report. I sincerely apologize for the oversight and any inconvenience this may have caused, and I request an appeal to have the late fine waived.

In prior years, our committee was not required to file special election reports, so I was under the mistaken impression that the same applied for this year. As a result, I did not realize that the report was required until after the deadline had passed.

Additionally, I mistakenly included the candidates in our regular quarterly filing, unaware that they needed to be reported specifically as special election candidates. This contributed to the delay and confusion in ensuring proper compliance.

As soon as I became aware of the error, I took immediate steps to correct the filing and submit the appropriate special election report. I take full responsibility for this oversight and have already updated our internal processes to ensure compliance with future filing requirements.

Thank you for your understanding, and please let me know if any further action is needed.

**Special Election Report**  
**2025 SP2 - State House 32**

Dear Dr. Buchanan:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was March 28, 2025.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 per day for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Amber Marconnet, Assistant Director  
Division of Elections/Bureau of Election Records

<p>4/14/25: I committee member called in regards to the Intent to Cancel Registration. She stated that the committee was going through some structure damage in the office so the committee just received the Intent to Cancel letters. I confirmed that PAC #60551 and #60552 are both still active. I then explained that she would need to send in a new DSDE 6 for both committees appointing a new treasurer. The committee member then explained that it would take a little bit of time for the new DSDE 6's to come in due to having to mail the forms to the chairperson, then the committee could send the division new forms. I told the committee member that I would notate this call and let the Reviewer who is handling this Intent to Cancel, know that you have contacted the Division and is sending in new forms soon. <p>RE: Call from Beth Brunner</p> <p>Ms. Brunner wanted to know the credentials for the new treasurer. I explained that the DSDE 6 they had provided did not have original signatures and was therefore incomplete. She asked if she could withdraw her resignation as treasurer so that they could file their report. I explained that she had already been removed as treasurer based on her letter of resignation. She was upset and believed there were no clear instructions that original signatures were required. I pointed her to page 8 of the PAC handbook. Ultimately, she said she would try to send them overnight delivery, but she was working from home and didn't know if she could get to the office today. She said it maybe Tuesday before we get the new form and didn't feel it was fair to be penalized for Sat &amp; Sun. I advised her of possible fines and explained that they could appeal to the FEC.</p>

<p>Ref: Treasurers Resignation</p> <p>On September 24, 2020, this office received a treasurer's and deputy treasurer's resignation letter from Beth Brunner and Julie Gardell. I made phone contact with Dr. Sanjay Pattani and informed him of the resignations. I was unable to explain the need to appoint a new primary treasurer within 10 days or face cancellation as a committee because Dr. Pattani was too busy to talk. Accompanying the resignation letters were two DSDE 6 forms to appoint new primary and deputy treasurers. Both were stamped as incomplete because the signatures were not original. The status of the requested treasurer's appointment is pending. DLH</p>

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides confidential pin numbers for you. By copy of this letter, confidential pin numbers to access the EFS were sent to the treasurer and deputy treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
