This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 21-008**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.141(1)**, and **106.19(1)(c)**, **Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(7)**, **Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 25, 2023, the following facts and law support this staff recommendation:

1. On January 4, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division” or “Complainant”), alleging that Jessica Laguerre Hylton (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2020 candidate for State Representative, District 117. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on June 4, 2020. (ROI Exhibit 2)<sup>1</sup>

3. By letter dated April 11, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because she had not received funds, made contributions, or expended reportable funds during the 2020 TR reporting period.

**Section 106.141(1), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, failed to timely file her 2020 Termination Report reflecting the disposition of all remaining campaign funds.

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2020 TR reporting period.

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

4. On June 4, 2020, Respondent filed her Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing herself as treasurer for her campaign. (ROI Exhibit 1, page 1) On July 28, 2020, Respondent filed a subsequent DS-DE 9 appointing Sandra Saint-Hilaire as deputy treasurer for her campaign. (ROI Exhibit 1, page 2)

5. By letter dated June 5, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received her DS-DE 9 and that her name was placed on the 2020 active candidate list. (ROI Exhibit 3, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3, page 2)

**Alleged Violation: Section 106.141(1), Florida Statutes**

7. Complainant alleged that Respondent violated Florida’s election laws by failing to timely file the campaign’s 2020 Termination Report.

8. Respondent was eliminated as a candidate during the 2020 Primary Election. (ROI, p. 1, ¶1) Respondent was required to dispose of the funds on deposit in her campaign account and file the campaign’s 2020 Termination Report within 90 days after being eliminated as a candidate.

9. On November 18, 2020, December 1, 2020, and December 11, 2020, the Division sent letters notifying Respondent that her report had not been received. (ROI Exhibits 4 & 5) The final notification was confirmed delivered. (ROI Exhibit 5, page 2)

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., August 14, 2020 – November 16, 2020. Respondent’s bank records show three or more contributions totaling \$692, 31 expenditures totaling \$2,150.05, one refund in the amount of \$175.27, six overdraft fees totaling \$280, and a bank charge-off in the amount of \$554.93. (ROI Exhibit 7)

11. Respondent stated that she was a first-time candidate. She stated that she had to change campaign treasurers due to a lack of trust. She added that during the campaign she became pregnant but suffered a miscarriage. (ROI Exhibit 8)

12. The Division’s records show that Respondent was acting as her own campaign treasurer since June 4, 2020, but appointed Sandra Saint-Hilaire as her deputy treasurer on July 28, 2020. (ROI Exhibit 1, pages 1 & 2) The records also show that Ms. Saint-Hilaire withdrew as deputy treasurer on July 30, 2020, two days after her initial appointment, and prior to the 2020 Termination reporting period. (Attachment A)

13. As it appears that Respondent had reportable financial activity during the relevant reporting period, Respondent was required to file the campaign's 2020 Termination Report within 90 days after being eliminated as a candidate but failed to do so.

**Alleged Violation: Section 106.19(1)(c), Florida Statutes**

14. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

15. Based on the above analysis, Respondent had reportable financial activity during the relevant reporting period. Therefore, Respondent was required to disclose the financial activity on the campaign's 2020 Termination Report.

16. Respondent failed to disclose \$3,852.25 in financial activity. (ROI Exhibit 7) Had Respondent reported the financial activity that took place during the relevant reporting period, the report may have disclosed potential violations of the Florida Election Code as the campaign's bank records show that the account was overdrawn in violation of Section 106.11(4), Florida Statutes, that contributions were received less than five days before election day in violation of Section 106.08(3)(a), Florida Statutes, and that the funds were not disposed of properly pursuant to Sections 106.141(4)(a), and 106.11(5), Florida Statutes, but were spent at gas stations, restaurants, rental car facilities, grocery stores, and a clothing store. (ROI Exhibit 7)

17. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

**Alleged Violation: Section 106.07(7), Florida Statutes**

18. Complainant alleged that Respondent violated Florida's election laws by failing to notify the filing officer on the prescribed reporting date that no report would be filed for the 2020 Termination reporting period.

19. Based on the above analysis, the campaign was not required to submit a notice of no activity for the 2020 Termination reporting period as there was reportable financial activity that Respondent was required to disclose on her 2020 Termination Report.

20. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

21. The facts set forth above show that Respondent was a 2020 candidate for State Representative, District 117. Respondent failed to file the campaign's 2020 Termination Report within 90 days after being eliminated as a candidate. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report. Respondent was not required to notify the filing officer that she would not be filing her 2020 Termination Report.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

**Count 1:**

On or about November 16, 2020, Jessica Laguerre Hylton violated Section 106.141(1), Florida Statutes, when she failed to file the campaign's 2020 Termination Report reflecting the disposition of all remaining campaign funds within 90 days after being eliminated as a candidate.

**Count 2:**

On or around November 16, 2020, Jessica Laguerre Hylton violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

Respectfully submitted on September 27, 2023.

Sections 106.07(7), and 106.19(1)(c), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during the TR reporting period to notify timely the filing officer, in writing, that no TR is being filed or failure to file the TR to reflect financial activity.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. To review the acknowledgement letter, refer to Exhibit 3.

6. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that the 2020 TR, or the required notification that no reportable activity occurred, had not been filed and reiterating that the filing date was November 16, 2020. I also investigated whether Respondent violated Section 106.141(1), Florida Statutes, by not disposing of all remaining campaign funds within 90 days of being eliminated. To review Respondent’s filing history, refer to Exhibit 6.

11. Respondent did not respond to the referral.

12. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent acknowledged that she was a first-time candidate. She stated that she was given access to the election documents that were online to assist her. She explained that her campaign experienced issues and that she had to change campaign treasurers due to “trust issues.” She further indicated that she was dealing with pregnancy issues during the campaign. She informed FEC staff that the report still has not been filed but she would be contacting DOE for assistance to get her campaign satisfied and properly closed. To review the phone log, refer to Exhibit 8.

Dear Ms. Laguerre Hylton:

Our records indicate that you have not filed either your termination report or notification that no reportable activity occurred, whichever is applicable. The filing date was November 16, 2020.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as \$50 per day until you file your report. The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.
- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Dear Ms. Laguerre Hylton:

Our records indicate that you have not filed either your termination report or notification that no reportable activity occurred, whichever is applicable. The filing date was November 16, 2020.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on November 18, 2020.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Ms. Laguerre Hylton:

A recent review of the Division's records show that the Division has not yet received your termination report or the required notification that no reportable activity occurred, whichever is applicable.

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report or notification is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

**RE: Case No.: FEC 21-008; Respondent: Jessica Laguerre Hylton**

Dear Ms. Hylton:

On January 4, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because she had not received funds, made contributions, or expended reportable funds during the 2020 TR reporting period.

**Section 106.141(1), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, failed to timely file her 2020 Termination Report reflecting the disposition of all remaining campaign funds.

**Section 106.19(1)(c), Florida Statutes:** As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 117, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2020 TR reporting period.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Jessica Laguerre Hylton

FEC 21-008

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the “Frequently Asked Questions” section of the Commission’s website.

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at [Cedric.Oliver@myfloridalegal.com](mailto:Cedric.Oliver@myfloridalegal.com).

Sincerely,

Dear Ms. Laguerre Hylton:

A recent review of the Division's records show that the Division has not yet received your termination report or the required notification that no reportable activity occurred, whichever is applicable.

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report or notification is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief  
Bureau of Election Records
