Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 20-625

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 6, 2023, the following facts and law support this staff recommendation:

1. On December 10, 2020, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Shelby Green (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was the treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29. (ROI Exhibit 1)¹

3. By letter dated March 12, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, in her capacity as treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29, may have certified the 2020 G5 campaign treasurer’s report was true, correct, and complete when it was not, as alleged in the complaint.

Section 106.19(1)(b), Florida Statutes: Respondent, in her capacity as treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29, may have failed to report one or more contributions during the 2020 G5 reporting period required to be reported by Chapter 106, Florida Statutes, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, in her capacity as treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29, may have falsely reported or deliberately failed to include information in the 2020 G5 campaign

¹ The Report of Investigation is referred to herein as “ROI.”

treasurer's report required by Chapter 106, Florida Statutes, as alleged in the complaint.

4. On November 1, 2019, Tracey Kagan filed her Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing Respondent as treasurer for her campaign. (ROI Exhibit 1)

5. By letter dated November 4, 2019, Kristi Reid Willis, Chief, Bureau of Election Records, sent Tracey Kagan a letter acknowledging that the Division had received her DS-DE 9. (ROI Exhibit 2, page 1) A copy of the letter was sent to Respondent. (ROI Exhibit 2, page 2)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to grant access to the EFS. The letter further advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2)

Alleged Violation: Section 106.07(5), Florida Statutes

7. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2020 G5 Report was true, correct, and complete when it was not.

8. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures.

9. The campaign's 2020 G5 Report was due on October 23, 2020. (ROI Exhibit 3) On October 23, 2020, Respondent certified the report as true, correct, and complete. (ROI Exhibit 4) The campaign's report was incomplete as Respondent failed to report contributions and expenditures as evidenced by the filing of an amended report. (ROI Exhibits 5-7) (*See* ROI, p. 2, ¶ 6)

10. Respondent acknowledged that she amended reports with large amounts of activity due to a lack of knowledge of Chapter 106, Florida Statutes, a lack of consistent assistance, unawareness of the financial activity until the last minute, unawareness of the high volume of activity until the last minute, and a lack of preparedness for the accelerated reporting schedule. (ROI Exhibit 8, page 2)

11. Respondent stated that she did not have access to the candidates' and committees' bank accounts but had to wait to receive information from the parties. (ROI Exhibit 9, page 3) She stated that she would receive large batches of check images at the last minute or the day before the reports were due. (ROI Exhibit 8, page 2; ROI Exhibit 9, page 3)

12. Respondent stated that she had volunteers assisting her, but many dropped out and the person assisting her was no longer available pre-election during the weekly reporting periods. (ROI Exhibit 8, page 2; ROI Exhibit 9, page 3)

13. Respondent stated that she was overwhelmed by the amount of financial activity that she was required to report. She stated that she prioritized filing the reports timely. She knew that all reportable financial activity should have been disclosed on the original report but input as much information as possible before filing the reports. (ROI Exhibit 9, page 3)

14. Respondent stated that it was her understanding that if she did not file the report by the due date that the candidate or committee would be assessed a fine; however, she thought it was acceptable to file an amended report to add information as long as the original report was timely filed. (ROI Exhibit 9, page 3)

15. Respondent certified that the campaign's 2020 G5 Report was true, correct, and complete when it was not.

Alleged Violations: Sections 106.19(1)(b), and 106.19(1)(c), Florida Statutes

16. Complainant alleged that Respondent violated Florida's election laws by failing to report contributions required to be reported by Chapter 106, Florida Statutes, and by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes. The reporting period at issue is the 2020 G5 reporting period which ran from October 3, 2020, through October 16, 2020.

17. The campaign's 2020 G5 Report was due on October 23, 2020 and was timely filed. (ROI Exhibit 4) The report disclosed 1,160 contributions totaling \$29,345.35. (ROI Exhibit 6, pages 1-78) On October 24, 2020, one day later, Respondent filed an amended 2020 G5 Report disclosing an additional seven monetary contributions totaling \$4,050, one in-kind contribution in the amount of \$808.59, and 38 expenditures totaling \$41,159.83. (ROI Exhibit 5; ROI Exhibit 6, pages 79-82) The report was filed ten days before the general election.

18. Chapter 106, Florida Statutes, requires treasurers to report any contributions received and any expenditures made for the purpose of influencing the results of an election.

19. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report.

20. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

21. The facts set forth above show that Respondent was the treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29. Respondent certified that the campaign's 2020 G5 Report was true, correct, and complete when it was not. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G5 Report.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about October 23, 2020, Shelby Green, violated Section 106.07(5), Florida Statutes, when she certified that Tracey Kagan's 2020 G5 Report was true, correct, and complete when it was not.

Count 2:

On or around October 23, 2020, Shelby Green, violated Section 106.19(1)(b), Florida Statutes, when she failed to report contributions required to be reported by Chapter 106, Florida Statutes, on Tracey Kagan's 2020 G5 Report.

Count 3:

On or around October 23, 2020, Shelby Green, violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on Tracey Kagan's 2020 G5 Report.

Respectfully submitted on April 6, 2023.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Late-Reported Financial Activity

Case Number: FEC 20-625

Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes, a treasurer for a candidate or political committee certified campaign treasurer report(s) as true, correct, and complete when they were not, failed to report contribution(s) required to be reported by Chapter 106, F.S., and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Shelby Green

Respondent's Atty: N/A

Division of Elections (Division)

Referral Filed: December 10, 2020

Respondent Type: Treasurer for Candidate

I. Preliminary Information:

1. Respondent was the appointed campaign treasurer for Tracey Kagan, a 2020 candidate for State Representative, District 29. The Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) appointing Respondent was filed on November 1, 2019. To review the DS-DE 9, refer to Exhibit 1.

2. On November 4, 2019, the Division sent Respondent a letter acknowledging Respondent's appointment as the campaign treasurer for Tracey Kagan's campaign. The letter advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 2. To review the *2020 Calendar of Reporting Dates*, refer to Exhibit 3.

II. Alleged Violation of Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes:

3. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, failing to report one or more contribution(s), and falsely reporting or deliberately failing to include information in one or more campaign treasurer report(s).

4. Specifically, the referral alleged Respondent filed one or more original campaign treasurer report(s) on or before the due date(s) that did not include certain financial transactions, which Respondent added to amended report(s) filed after the due date(s). The referral was only concerned with certain specified total contribution(s) and/or expenditure(s) added to an amended report(s) and essentially alleged that by adding this activity to amended report(s) filed after the due date(s), Respondent demonstrated that she failed to report those transactions by the designated due date(s). The report at issue is: 2020 G5. To review the filing history, refer to Exhibit 4.

5. The 2020 G5 report was due on October 23, 2020. Respondent filed it on October 23, 2020. By filing the report, Respondent certified that it was true, correct, and complete. The report showed 1,160 monetary contributions in the total amount of \$29,345.35, no in-kind contributions, and no monetary expenditures. To review the 2020 G5, refer to Exhibit 5. To review Division records evidencing when the activity referenced in this paragraph was filed on the original report, refer to Exhibit 6, pages 1-78.

6. On October 24, 2020, which was one day after the due date for the report, Respondent filed an amended 2020 G5 report adding seven monetary contributions in the total amount of \$4,050.00, one in-kind contribution in the total amount of \$808.59, and 38 monetary expenditures in the total amount of \$41,159.83. This amended report was filed ten days before the general election. To review the 2020 G5, refer to Exhibit 5. To review Division records evidencing when the activity referenced in this paragraph was filed on the amended report, refer to Exhibit 6, pages 79-82. To review the applicable bank records, refer to Exhibit 7.¹

7. On October 5, 2022, the Florida Elections Commission received a written response from Respondent, who stated that she served as treasurer for many candidates and committees during the past two election cycles. Respondent stated that she learned the EFS but was not well-versed with the election statutes and did not readily know the frequency and periodic quickening of reporting dates. Respondent explained that it became apparent she needed assistance, but the help she received was not constant and, “tapered off when I needed it the most,” such as during pre-election weekly reporting and when termination reports were due. She added that it was not uncommon for candidates and committees to send her large batches of check images at the last minute, which prevented her from completing and filing reports timely and accurately. Respondent summarized the following factors that contributed to her amending reports after the due date to disclose sometimes large amounts of additional activity: lack of thorough knowledge of Chapter 106, Florida Statutes; lack of consistent and continued help with reports; lack of awareness of often high-volume financial activity until the last minute; and lack of preparation for quickened reporting dates. Respondent concluded by stating she has, “learned that these lessons come at a high price.” To review Respondent’s response, refer to Exhibit 8.

8. I called Respondent and interviewed her on two occasions in order to provide her an opportunity to respond to the referral. Respondent stated that she has never run for public office, though she has served as treasurer for several candidates and political committees. Respondent stated that she had not read Chapter 106, Florida Statutes, and that while she had not read the entire *Candidate and Campaign Treasurer Handbook*, she referred to it if she had any questions. To review the phone log, refer to Exhibit 9, interviews 2 and 4.

9. When asked if she was aware that all financial activity should be included on the original report, Respondent answered affirmatively. However, she added that it was her understanding that the campaign would be assessed a fine if a report was late, but that it was alright to amend a report if the original had been timely filed. Respondent stated she would input as much information as possible before filing the original report and would file an amended report to include information not on the original. To review the phone log, refer to Exhibit 9, interviews 2 and 4.

10. Respondent explained that she initially had several people working with her to enter information into EFS, but later the volunteers dropped out, which left her to do everything. She explained that she became overwhelmed by the amount of activity that occurred in each campaign, that in many instances she did not have access to campaign accounts, and that sometimes candidates and committees sent her incomplete information and/or would not send her information until the day before a report was due. Respondent indicated that, being overwhelmed, she prioritized filing original reports on time. She explained that she wanted to be transparent, so she reported the information she had and added the rest later. To review the phone log, refer to Exhibit 9, interviews 2 and 4.

¹ I subpoenaed campaign account records from the designated campaign depository.

11. When asked if she considered resigning as treasurer from some campaigns due to feeling overwhelmed, Respondent stated that she thought about it but did not want to leave candidates in a bad situation with no one to help them. However, Respondent indicated that she did not discuss her situation with any of the candidates. Respondent asserted that she has taken the following corrective measures: reading Chapter 106, Florida Statutes; reading the *Handbook*; hiring an assistant to help her input information; requiring access to campaign accounts; and requesting that candidates and committees use Truist as their depository so she can monitor the account activity electronically. To review the phone log, refer to Exhibit 9, interviews 2 and 4.

Subject: FEC Cases Statement

Dear Stephanie Cunningham,

Please allow this statement to serve as a formal explanation of the circumstances that have contributed to the multiple FEC cases that I would like to settle. I would first like to acknowledge that I have submitted reports late and subsequently amended reports with large amounts of activity. While this was never my initial intention, factors such as: lack of thorough Chapter 106 Statute knowledge , lack of consistent and continued help with reports, the unawareness of financial activity until the last minute, the unawareness of a high volume of activity until the last minute, and the lack of the preparation for the quickened reporting dates all contribute to my errors.

For the past two election cycles, I have worked as an independent contractor in the role of the Treasurer on many campaigns and political committees. I began this process by learning the EFS system and gathering information from candidates and committees to file reports. While I had some knowledge of the election statutes, not only was I not well-versed at the time, but I would only reference the statutes as needed. Therefore, I subverted my own treasury and compliance efforts in not knowing and always implementing statutes like the 2-day recordkeeping requirement of expenses and being prepared for the quickening of the reporting periods. During my first election cycle as a Treasurer, I did not initially have help in preparing the reports but learned that in order to file the weekly and bi-weekly reports on time and with accuracy, I would need assistance, so I was able to get help during my second cycle, but it was not constant and eventually tapered off when I needed it the most. Ultimately, the person that was assisting me was no longer available to me during the pre-election weekly reporting and in preparing the termination reports-when I needed the most assistance.

Two of the largest factors that led to my late reporting and subsequent amendments were not readily knowing the reporting period dates and not always having knowledge of the activity that had occurred-which in retrospect was probably my largest mistake. In any one instance where I would receive a large batch of check images, at the last minute, from the campaign that had been written to canvassers or campaign staff and not yet cashed or even contributions that were received but not yet deposited by reporting time, it would prevent me from preparing other reports and in turn make my other reports late. Yes, I learned quickly that operating blindly was not sustainable and definitely did not allow for accuracy or timeliness and did not agree with Chapter 106.

While I have explained the compounding reasons that have led to my multiple cases with the FEC, and have learned that these lessons come at a high price, I greatly appreciate your consideration in the resolution and settlement of these cases.

Summary: I called to get an update on the information I received during the initial interview on July 13, 2021. I asked her to explain her understanding of reporting campaign activities before the investigation and what is her understanding now. She stated that it was her understanding that if she did not file the report by the due date then she would be assessed a fine. However, she thought that it was okay to file an amended report to add information as long as the original report was filed on time. She stated that she did not realize that there was anything wrong with amending the campaign reports until she started getting the letters about the investigation.

I asked her to explain why there was a large amount of activity reported after the due date. She explained that she wanted to be transparent, so she reported the information that was available and added the rest later. I asked her to explain. She stated that the candidate or PCs usually collected the contributions and wrote the expenditure checks and sent her the information to file the reports. She stated that sometimes she did not have access to bank records, especially for the candidates from south Florida because she lives in Tallahassee so the candidates would have a campaign worker to compile a spreadsheet and send her the spreadsheet. She stated that there were occasions when the spreadsheets did not contain all the information required on the campaign report; therefore, she just reported the information that was available to her.

I asked her had any information regarding her political history changed, i.e., had she run for office, had she read the Handbook or Chapter 106. She stated that she had not run for public office. She stated that she had never run for public office. She explained that the Shelby Green that ran for City Commission was not her. She stated that since the last interview she has read Chapter 106, Florida Statutes. She added, "it's a lot of stuff in there." She stated she has also read the Handbook. She stated that she has the 2018 Handbook. I gave her directions to download the 2022 Handbook from the DOE website.

She stated that she has made other corrective measures to try to stay on top of things. She has hired an assistant to help her input the information. She requests that the candidates and PCs use Truist as their depository so she can monitor the account activity electronically. She requires access to the campaign account so she can have access to the information before the day before it is due.

RESPONDENT INTERVIEW MEMO – Call details for entry #2

- I asked why did she file so many amendments? *She stated that often the candidates would not send her the information until the day before the report was due. She stated that initially she had several people working with her to enter the information into the system but later, the volunteers dropped out and it just left her to do everything. - I asked if she was aware that all the information regarding the financial activity in a reporting period should be on the original report. *She answered affirmatively and added that it was her understanding that if the report was late the campaign would be assessed a fine, but it was okay to amend the report if the report was timely filed. - Did you receive any other materials from your filing officer? If so, please describe them.
No
- Do you have anything else to add for the Commission's consideration regarding the charges specified in the letter of legal sufficiency in this case? *She stated that she was hoping she could settle all the cases.* I informed her that I would inform the attorney assigned to the case and the attorney will get back with her. I explained that FEC 19-439 may not be included in the settlement agreements that Ms. Clay will discuss with her. I explained the settlement process and the investigative process. I informed her that I will attempt to meet with Ms. Clay regarding her cases next week and someone would reach out to her by phone. I confirmed that 850-590-3612 was the number to reach her.

Subject: FEC Cases Statement

Dear Stephanie Cunningham,

Please allow this statement to serve as a formal explanation of the circumstances that have contributed to the multiple FEC cases that I would like to settle. I would first like to acknowledge that I have submitted reports late and subsequently amended reports with large amounts of activity. While this was never my initial intention, factors such as: lack of thorough Chapter 106 Statute knowledge , lack of consistent and continued help with reports, the unawareness of financial activity until the last minute, the unawareness of a high volume of activity until the last minute, and the lack of the preparation for the quickened reporting dates all contribute to my errors.

While I had some knowledge of the election statutes, not only was I not well-versed at the time, but I would only reference the statutes as needed. Therefore, I subverted my own treasury and compliance efforts in not knowing and always implementing statutes like the 2-day recordkeeping requirement of expenses and being prepared for the quickening of the reporting periods.
