NOTICE OF HEARING (INFORMAL HEARING (IH))

A hearing will be held in this case before the Florida Elections Commission on, **April 22, 2026 at 10:00 a.m.**, or as soon thereafter as the parties can be heard, at the following location: via Webinar at: **Registration URL** <https://attendee.gotowebinar.com/register/17181422935246175>, **Webinar ID 325-697-827.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider an **appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Good Evening Mattie,
I was retained this morning on FEC 21-402 (Dotie Joseph). I know that Mr. Planas, cc'd here, requested a continuance and you informed him that you oppose it. I'm hoping you'll reconsider in light of my recent hire, as I am still getting up to speed.

To be clear, I understand that this is simply a probable cause hearing and there is likely nothing we can do to change that. However, I am working with Ms. Joseph to remedy the

outstanding issues that have been identified in the PCA regarding specific expenditures and hope to have those done in the next week or so.

Please feel free to give me a call tonight or tomorrow morning before the hearing if you have time. My cell phone number is 763-221-3151.

Thanks!

Good Morning Ms. Malphurs:

I am asking for a continuance on tomorrow's hearing for Rep. Joseph. We are still evaluating the proposal for settlement sent to us and we are trying to see how we can correct any

outstanding violations to the extent they can still be fixed. We would like additional time to address these issues before we go before the Commission.

Can we get an extension until the next meeting in the new year?

Petitioner,**

Case No.: FEC 21-402

v.

**Dotie Joseph,
Respondent.**

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (“Commission”) at its regularly scheduled meeting held on August 20, 2025, at 9:00 a.m. via Zoom teleconferencing.

On September 12, 2024, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff’s Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff’s Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violations:

Count 1:

On November 16, 2020, Dotie Joseph violated Section 106.07(5), Florida Statutes, when she certified that the campaign’s 2020 Termination Report was true, correct, and complete when it was not.

Count 2:

On November 16, 2020, Dotie Joseph violated Section 106.141(1), Florida Statutes, when she failed to accurately reflect the disposition of all remaining campaign funds within 90 days after being elected.

The Commission finds that there is **no probable cause** to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

NOTICE OF RIGHT TO A HEARING

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. You have thirty (30) days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (“DOAH”) if you dispute any material fact in the Staff Recommendation. You have thirty (30) days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within thirty (30) days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida 32399-6596. The telephone number is (850) 922-4539. If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Dotie Joseph

Case No.: FEC 21-402

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5) and 106.141(1), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on August 14, 2023, the following facts and law support this staff recommendation:

1. On July 30, 2021, the Florida Elections Commission (“Commission”) received a referral from the Florida Division of Elections (“Complainant” or “Division”) alleging that Dotie Joseph (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for State Representative, District 108, in the 2020 election. (ROI Exhibit 1, page 1; ROI Exhibit 2, page 1)¹ Respondent was re-elected during the primary election held on August 18, 2020. (Attachment A, page 2)

3. Respondent’s Statement of Candidate form (“DS-DE 84”) and Appointment of Campaign Treasurer and Designation of Campaign Depository form (“DS-DE 9”) were filed on December 13, 2018. (ROI Exhibit 1, page 1; ROI Exhibit 2, page 1) Respondent initially appointed herself to serve as treasurer for the campaign. (ROI Exhibit 1, page 1) On March 5, 2019, and March 6, 2019, Respondent appointed Cleona Pierre to serve as treasurer and herself to serve as deputy treasurer for the campaign. (ROI Exhibit 1, pages 2-3)

4. By letter dated May 22, 2023, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, may have certified one or more campaign treasurer’s reports were true, correct, and complete when they were not, based on an apparent surplus after the 2020 TR report was filed, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, filed a 2020 TR report that may have failed to accurately reflect the disposition of all

¹ The Report of Investigation is referred to herein as “ROI.”

remaining campaign funds, based upon an apparent surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

5. By letter dated December 14, 2018, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received her DS-DE 9 and that her name was placed on the 2020 active candidate list. (ROI Exhibit 3, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3, page 2)

Alleged Violation: Section 106.07(5), Florida Statutes

7. Complainant alleged that Respondent violated Florida’s election laws by certifying that the campaign’s 2020 Termination Report was true, correct, and complete when it was not based upon an apparent surplus balance of \$1,427.08. (Attachment B, page 1)

8. Under Section 106.07, Florida Statutes, a campaign treasurer’s report is required to contain all contributions received and all expenditures made during the reporting period. When a candidate has appointed a campaign treasurer to handle the recording and filing of the campaign’s activities, the candidate still has a duty to read each report and “be alert for any errors which, based on the candidate’s own knowledge, appear on the face of the report” prior to signing it. *Diaz de la Portilla v. Fla. Elections Comm’n*, 857 So. 2d 913, 921 (Fla. 3d DCA 2003)

9. The 2020 Termination Report was filed on the designated due date of November 16, 2020. (ROI Exhibit 4, page 1) Respondent reported no contributions, 45 expenditures totaling \$86,715.79, and 19 distributions totaling \$6,591.80. (ROI Exhibit 7, pages 2-8 & 10-14)

10. An amended report was filed on May 24, 2021, July 29, 2021, and August 3, 2021, wherein four expenditures were added, which totaled \$1,427.15, three expenditure names were modified, and 13 expenditure types were modified. (ROI Exhibit 7, pages 4-6 & 15-17)

11. A subpoena was issued to Respondent’s designated campaign depository to verify the financial activity that occurred during the relevant reporting period, i.e., August 14, 2020, to November 16, 2020. (ROI Exhibit 7, page 1)

12. Bank records show that ten transactions were omitted, which included two contributions totaling \$2,359.50 and eight expenditures totaling \$4,842.31. (ROI Exhibit 5, pages 3-5, 7, 13, 15 & 18; ROI Exhibit 7, pages 2-5) The two contributions consisted of a \$600 loan from Respondent and a refund totaling \$1,759.50. (ROI Exhibit 5, pages 7, 15, 26 & 27)

13. Four of the missing expenditures were added on an amended report filed July 29, 2021; however, three of the expenditures did not match the Vantiv amounts reflected in the campaign's bank statements though the amounts were similar. (ROI Exhibit 5, pages 7, 15 & 18; ROI Exhibit 7, page 16)

14. Respondent's remaining funds, which totaled \$5,150.00, were described as a transfer to a future campaign on the last day of the reporting period. (ROI Exhibit 7, page 5) Bank records show that the amount was withdrawn as cash, and signed off by Respondent, approximately one week later. (ROI Exhibit 5, pages 15, 17 & 28-30) Respondent's 2022 campaign reflected the incoming transfer on November 23, 2020. (Attachment C, page 1)

15. Respondent attested that her appointed treasurer was primarily responsible for keeping the campaign's records and preparing the campaign's reports. Respondent stated that she appointed herself to serve as deputy treasurer for the purpose of signing checks and making some deposits; however, Respondent never performed bookkeeping functions and never filed a report. Respondent attested that she was unaware of the campaign's discrepancies until she received the complaint. Respondent acknowledged that she received Chapter 106, Florida Statutes, but did not read it. Respondent stated that she read some of the *Candidate and Campaign Treasurer Handbook* although she did not receive a copy. (ROI Exhibit 9, pages 1-3)

16. As Respondent had knowledge of her own loan to the campaign and the final disposition of funds, Respondent should have identified the errors and omissions associated with these transactions. Therefore, Respondent certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not.

Alleged Violation: Section 106.141(1), Florida Statutes

17. Complainant alleged that Respondent violated Florida's election laws by failing to properly dispose of the funds on deposit in her campaign account.

18. Respondent was elected in the primary election held on August 18, 2020, after the general election was canceled. (ROI, page 1, ¶1; Attachment A, page 1) Therefore, Respondent was required to dispose of the funds on deposit in her campaign account within 90 days after being elected, i.e., November 16, 2020. (ROI Exhibit 4, page 1)

19. Bank records show that Respondent's account reflected a balance of \$10,188.10 at the end of the termination reporting period. (ROI Exhibit 5, page 17) One check was written prior to the end of the reporting period, which was made out to Respondent for \$5,038.10 with "Office Account" listed in the memo section, and would have resulted in a balance of \$5,150.00 if factored into the final accounting. (ROI Exhibit 5, pages 15, 17 & 18) Respondent's 2020 Q4 Office Account Report reflects the transfer. (Attachment D, page 1)

20. Respondent reported that the remaining funds were transferred to a future campaign account on the last day of the reporting period; however, Respondent signed a closeout cash withdrawal totaling \$5,150.00 approximately one week after the deadline in violation of Sections 106.11, 106.12, and 106.141, Florida Statutes. (ROI Exhibit 5, pages 15, 17 & 28-30; ROI Exhibit 7, page 5)

21. Respondent did not specifically comment as to the campaign's surplus balance or transfer to other accounts. (ROI Exhibit 9, pages 1-3)

22. It appears that Respondent did not properly dispose of all remaining campaign funds within 90 days after being elected.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

23. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

24. Insufficient evidence exists showing that Respondent deliberately concealed or falsified the campaign's financial activity. Although Respondent made an improper cash withdrawal after the deadline to dispose of the campaign's funds, Respondent's subsequent campaign account reflected receipt of the funds. (Attachment C, page 1) Respondent's affidavit and the available bank statements indicate that Respondent's actions and inactions are more appropriately charged under Sections 106.07(5) and 106.141(1), Florida Statutes.

25. It does not appear that Respondent falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

26. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

27. The facts set forth above show that Respondent was a candidate for State Representative, District 108, in the 2020 election. Respondent certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not. Respondent failed to properly dispose of the campaign's remaining funds within 90 days after being elected. Finally, it does not appear that Respondent falsely reported or deliberately failed to include required information on the campaign's 2020 Termination Report.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and that the Commission find **probable cause** to charge Respondent with violating the following:

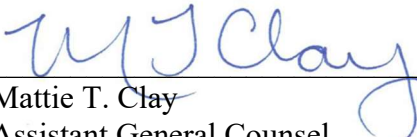

Count 1:

On November 16, 2020, Dotie Joseph violated Section 106.07(5), Florida Statutes, when she certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not.

Count 2:

On November 16, 2020, Dotie Joseph violated Section 106.141(1), Florida Statutes, when she failed to accurately reflect the disposition of all remaining campaign funds within 90 days after being elected.

Respectfully submitted on September 12, 2024.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Apparent Surplus in Campaign Account

Case Number: FEC 21-402

Section 106.141(1), Florida Statutes, failure of a candidate to dispose of funds remaining in the campaign account within 90 days after the candidate withdrew, became unopposed, was eliminated, or elected and to file a termination report (TR) reflecting the disposition of all remaining funds.

Sections 106.07(5) and 106.19(1)(c), Florida Statutes, a candidate certified campaign treasurer report(s) as true, correct, and complete when they were not and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Dotie Joseph
Respondent’s Atty: Juan-Carlos Planas, Esq.
Division of Elections (Division)
Referral Filed: July 30, 2021
Respondent Type: Candidate

I. Preliminary Information:

1. Respondent was a 2020 candidate for State Representative, District 108. Respondent was elected in the primary election held on August 18, 2020; she was unopposed in the general election. Respondent was a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on December 13, 2018. Respondent was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 1.¹

3. Respondent filed a Statement of Candidate with the Division on December 13, 2018, in which Respondent certified she had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on December 14, 2018. The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division’s electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division’s publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent’s responsibility to read, understand, and follow the requirements of Florida’s election laws. To review the acknowledgement letter, refer to Exhibit 3.

THIS SPACE INTENTIONALLY LEFT BLANK

¹ Two more DS-DE9s were subsequently filed appointing Cleona Pierre as campaign treasurer and Respondent as deputy campaign treasurer.

II. Alleged Violation of Section 106.141(1), Florida Statutes:

6. I investigated whether Respondent violated this section of the election laws by not disposing of all remaining campaign funds within 90 days of being elected. To review Respondent’s filing history, refer to Exhibit 4.

7. On the date the 2020 TR was due, November 16, 2020, campaign account records reflect that the balance was \$10,188.10.² To review the relevant bank records, refer to Exhibit 5, pages 17-18 and 28-30.

8. Respondent’s counsel did respond to the referral, though the email did not respond to the substantive allegations of the referral. In the email response, he stated that Respondent, “...is in session right now... [and] has not received past complaints and we are trying to find out what the complaint is about.” To review the response, refer to Exhibit 6.

III. Alleged Violation of Sections 106.07(5), 106.141(1), and 106.19(1)(c), Florida Statutes:

9. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, falsely reporting or deliberately failing to include information in one or campaign treasurer report(s), and failing to accurately reflect disposition of all remaining campaign funds in a termination report due to an apparent surplus balance after the TR was filed.

10. I reviewed bank records from the designated campaign depository and compared them with the campaign treasurer report(s) covering the following reporting period(s): 2020 TR.³ The results of my review are reflected in the table below. To review Respondent’s filing history, refer to Exhibit 4. To review the bank records, refer to Exhibit 5. To review the campaign treasurer report(s), refer to Exhibit 7.

Comparison of Campaign Treasurer Report(s) with Bank Records

Report & Dates Due/Filed	Reporting Period & Document Filed	Information on Report	Information from Bank
2020 TR 11/16/20 11/16/20	8/14/20 – 11/16/20 Report	<ul style="list-style-type: none"> • Not Reported • Not Reported⁴ 	<ul style="list-style-type: none"> • Two \$1,759.50 expenditures to Cox Media Group on 8/14/20 • \$175.00 cash contribution(s) via ATM deposit on 8/14/20

² I subpoenaed campaign account records from the designated campaign depository. On 11/17/20, a \$5,038.10 check to the order of Respondent was debited from the campaign depository, leaving a balance of \$5,150.00; this check was dated 11/15/20, which was prior to the end of the TR reporting period. On 11/23/20, this outstanding balance was withdrawn in cash, and the account was closed.

³ The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions. Three checks were deposited on 8/14/20 and 8/18/20, which was during the TR reporting period, though all three checks were dated prior to the TR reporting period and all three of these contributions were reported on the 2020 P7 report prior to the due date for the TR. Similarly, two expenditures in the amounts of \$1,151.75 and \$400.00 that posted to the account on 8/14/20 were reported on the P7 report prior to the due date for the TR. To review the P7 report, refer to Exhibit 8.

⁴ Four cash contributions totaling \$175.00 on 8/12/20 and 8/13/20 were included on the 2020 P7 report prior to the due date for the TR; since this \$175.00 deposit was made in cash, it is not possible to identify the contributor(s).

⁵ This expenditure was made by check dated 8/18/20 that posted to the account on 11/12/20; it was added to an amended TR filed on 7/29/21.

⁶ This expenditure was added to an amended TR filed on 7/29/21, though the amount was specified as \$387.23.

⁷ This expenditure was added to an amended TR filed on 7/29/21, though the amount was specified as \$275.30.

⁸ This expenditure was added to an amended TR filed on 7/29/21, though the amount was specified as \$164.62.

⁹ This expenditure was made by check dated 8/13/20 that posted to the account on 8/14/20.

¹⁰ This deposit was a check dated 9/8/20 typed to the order of Cleona Pierre, beside which by hand was written, "Dotie Joseph Campaign 2020." It appears to be a refund of one of the two duplicate \$1,759.50 expenditures made to Cox Media Group on 8/14/20.

11. Respondent’s counsel did respond to the referral, though the email did not respond to the substantive allegations of the referral. In the email response, he stated that Respondent, “...is in session right now... [and] has not received past complaints and we are trying to find out what the complaint is about.” To review the response, refer to Exhibit 6.

12. In an affidavit, Respondent elaborated that she has always worked with an appointed campaign treasurer, who “kept the books, prepared the reports and was responsible for compliance.” Respondent also stipulated the following: “While I was a signer on the account and had access to the statements, Ms. Pierre was primarily responsible for keeping copies as she prepared the reports.” Respondent indicated that she has hired someone to resolve the reporting issues. When asked when she first became aware of the reported surplus at the close of the 2020 TR reporting period, Respondent stated, “I became aware of a discrepancy in the report when the Complaint was filed.” Finally, Respondent confirmed receiving Chapter 106, Florida Statutes, although she acknowledged that she has not fully read Chapter 106, Florida Statutes, or the *Candidate and Campaign Treasurer Handbook*. To review Respondent’s affidavit, refer to Exhibit 9.

FOR CONSUMER ACCOUNTS ONLY IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUNDS TRANSFERS

If you need information about an electronic fund transfer or if you believe there is an error on your bank statement or receipt relating to an electronic fund transfer, telephone the bank immediately at the phone number listed on the front of your statement or write to:

TD Bank, N.A., Deposit Operations Dept, P.O. Box 1377, Lewiston, Maine 04243-1377

We must hear from you no later than sixty (60) calendar days after we sent you the first statement upon which the error or problem first appeared. When contacting the Bank, please explain as clearly as you can why you believe there is an error or why more information is needed. Please include:

- Your name and account number.
- A description of the error or transaction you are unsure about.

FOR CONSUMER LOAN ACCOUNTS ONLY BILLING RIGHTS SUMMARY

In case of Errors or Questions About Your Bill:

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1377, Lewiston, Maine 04243-1377 as soon as possible. We must hear from you no later than sixty (60) days after we sent you the FIRST bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error.
- If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

FOR CONSUMER ACCOUNTS ONLY IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUNDS TRANSFERS

If you need information about an electronic fund transfer or if you believe there is an error on your bank statement or receipt relating to an electronic fund transfer, telephone the bank immediately at the phone number listed on the front of your statement or write to:

TD Bank, N.A., Deposit Operations Dept, P.O. Box 1377, Lewiston, Maine 04243-1377

We must hear from you no later than sixty (60) calendar days after we sent you the first statement upon which the error or problem first appeared. When contacting the Bank, please explain as clearly as you can why you believe there is an error or why more information is needed. Please include:

- Your name and account number.
- A description of the error or transaction you are unsure about.
- The dollar amount and date of the suspected error.

When making a verbal inquiry, the Bank may ask that you send us your complaint in writing within ten (10) business days after the first telephone call.

We will investigate your complaint and will correct any error promptly. If we take more than ten (10) business days to do this, we will credit your account for the amount you think is in error, so that you have the use of the money during the time it takes to complete our investigation.

INTEREST NOTICE

Total interest credited by the Bank to you this year will be reported by the Bank to the Internal Revenue Service and State tax authorities. The amount to be reported will be reported separately to you by the Bank.

FOR CONSUMER LOAN ACCOUNTS ONLY BILLING RIGHTS SUMMARY

In case of Errors or Questions About Your Bill:

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1377, Lewiston, Maine 04243-1377 as soon as possible. We must hear from you no later than sixty (60) days after we sent you the FIRST bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error.
- If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

NOA Josephs Elections Complaints.pdf

Good Afternoon:

Please see my NOA on behalf of Representative Jopseph. She is in session right now as you know. She has not received past complaints and we are trying to find out what the complaint is about. Please send me the original complaint on this matter as it seems to predate her recent re-election.

RE: Case No.: FEC 21-402; Respondent: The Honorable Dotie Joseph

Dear Mr. Planas:

On July 30, 2021, the Florida Elections Commission received a complaint alleging that your client violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, based on an apparent surplus after the 2020 TR report was filed, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, filed a 2020 TR report that may have failed to accurately reflect the disposition of all remaining campaign funds, based upon an apparent surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 108, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon an apparent surplus balance after the 2020 TR report was filed, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge your client, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon your client. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

RE: Returned Mail			
I attempted to make phone contact with Ms. Cleona Pierre and Representative Dotie Joseph in reference to three returned mailed Audits including the Final Audit Notice sent on March 29, 2021 and returned undelivered on May 3, 2021. Since I did not get an answer, I had to leave a voice message requesting a return call from both individuals. Please note that I emailed a copy of the returned notice to Ms. Pierre with a read receipt confirmation request and with address updating instructions. The returned documents were then boxed into box #551. DLH

<p>Re CRF received 2/28/19, called Ms. Joseph 2/28/19 and she said the campaign had received no ACK letters or credentials. I confirmed over the phone that the PO Box on file seemed to be the correct PO Box, but she said she would need to confirm that. I advised her to send a signed letter for whatever address she determined would properly receive our letters. I helped her file the 29018 M12, and she will be filing the 2019 M1 with 2 contributions, and the M2 shortly. We generally discussed the fining and appealing process.</p>
