Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

4. Respondent and staff stipulate to the following facts:
 - a. Respondent was a political committee formerly registered with the Division of Elections.

b. Respondent failed to include information on the committee's 2021 M8 and 2021 M9 reports.

c. Respondent's bank records reflect a credit totaling \$10.00 and a debit totaling \$1.37 that occurred during the 2021 M8 reporting period. Respondent filed an untimely 2021 M8 Report which disclosed one contribution totaling \$10.00 and one expenditure totaling \$.15.

d. Respondent's bank records reflect two credits in the amount of \$10.00 each, and a debit totaling \$1.37 that occurred during the 2021 M9 reporting period. Respondent filed an untimely 2021 M9 Report which disclosed two contributions in the amount of \$10.00 each, and one expenditure totaling \$.15.

Order freely and voluntarily.

8. The Respondent shall bear its own attorney's fees and costs that are in any way associated with this case.

9. The Commission will consider this Consent Order at its next available meeting.

10. Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal this Consent Order.

11. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall pay all fees and costs associated with enforcement.

12. Payment of the civil penalty by cashier's check, or money order, good for at least 120 days, or attorney trust account check, is a condition precedent to the Commission's consideration of this Consent Order.

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that the Respondent violated Section 106.19(1)(c), Florida Statutes, and imposes a civil penalty in the amount of \$100.

Therefore, it is

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant to Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**In Re: Action Committee to Dethrone
DeSantis**

Case No.: FEC 21-501

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and that there is **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 11, 2023, the following facts and law support this staff recommendation:

1. On December 3, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division” or “Complainant”), alleging that Action Committee to Dethrone DeSantis (“Respondent”) violated Chapter 106, Florida Statutes.
2. Respondent is a political committee registered with the Division. (ROI Exhibit 2)¹
3. By letter dated February 4, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2021 M8
- 2021 M9

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the following reporting periods:

- 2021 M8
- 2021 M9

¹ The Report of Investigation is referred to herein as “ROI.”

4. By letter dated January 5, 2021, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 3, page 1)

5. The acknowledgment letter advised Respondent that all political committees filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 2)

6. Respondent’s 2021 M8 and 2021 M9 reports were due to be filed by September 10, 2021, and October 12, 2021, respectively; however, Respondent failed to timely file the reports or notify the filing officer that no reports would be filed. *See Compl.* The Division sent six letters notifying Respondent that its reports had not been received. The letters also notified Respondent that it was still required to notify the Division if the committee had no reportable financial activity. (ROI Exhibit 4-6) The letters sent by certified mail were confirmed delivered. (ROI Exhibit 5, page 2; ROI Exhibit 6, page 2)

7. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting periods, i.e., August 1, 2021 – August 31, 2021, and September 1, 2021 – September 30, 2021. (ROI Exhibit 5, page 1; ROI Exhibit 6, page 1) Respondent’s bank records show reportable financial activity during the relevant reporting periods. (ROI Exhibit 8)

8. Jackson McMillian, chairperson for Respondent, stated that he was moving from Gainesville to Tampa during the reporting periods and was unaware that the reports had not been filed. (ROI Exhibit 12)

9. On February 10, 2022, Respondent filed its 2021 M8 and 2021 M9 reports. The reports were 153 and 121 days late, respectively. The Division of Elections assessed fines of \$2.50 and \$5.00, respectively, for the late filing of the reports pursuant to Section 106.07(8)(b), Florida Statutes. The Division of Elections’ records indicate that the fines have been paid in full. (ROI Exhibit 7, page 1)

10. Respondent’s bank records reflect a credit totaling \$10.00 and a debit totaling \$1.37 that occurred during the 2021 M8 reporting period. (ROI Exhibit 8, page 4) Respondent’s 2021 M8 Report shows that Respondent reported one contribution totaling \$10.00 and one expenditure totaling \$.15. (ROI Exhibit 9, pages 3 & 4)

11. Respondent’s bank records reflect two credits in the amount of \$10.00 each, and a debit totaling \$1.37 that occurred during the 2021 M9 reporting period. (ROI Exhibit 8, page 8) Respondent’s 2021 M9 Report shows that Respondent reported two contributions in the amount of \$10.00 each, and one expenditure totaling \$.15. (ROI Exhibit 10, pages 3 & 4)

12. Respondent did not fully disclose all financial activity that took place during the relevant reporting periods. Respondent underreported the total of expenditures by \$2.44 with regard to processing fees from Vantiv/ActBlue.

13. As it appears that Respondent had financial activity during the relevant reporting periods, Respondent deliberately failed to include information in its 2021 M8 and 2021 M9 reports in violation of Section 106.19(1)(c), Florida Statutes. Therefore, Respondent was not required to notify the filing officer that it would not be filing its reports.

14. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

15. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to timely file its 2021 M8 and 2021 M9 reports or notify the filing officer that no reports would be filed. As it appears that Respondent had financial activity during the relevant reporting periods, Respondent deliberately failed to include information in its 2021 M8 and 2021 M9 reports in violation of Section 106.19(1)(c), Florida Statutes. Therefore, Respondent was not required to notify the filing officer that it would not be filing its reports.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about September 10, 2021, Action Committee to Dethrone DeSantis violated Section 106.19(1)(c), Florida Statutes, when it deliberately failed to include information required by Chapter 106, Florida Statutes, on the committee’s 2021 M8 Report.

Count 2:

On or about October 12, 2021, Action Committee to Dethrone DeSantis violated Section 106.19(1)(c), Florida Statutes, when it deliberately failed to include information required by Chapter 106, Florida Statutes, on the committee’s 2021 M9 Report.

Respectfully submitted on December 19, 2023.

**In Re: Action Committee to
Dethrone DeSantis**

Case No.: FEC 21-501

MOTION TO DISMISS

COMES NOW, Petitioner, FLORIDA ELECTIONS COMMISSION (“Commission”) by and through the undersigned counsel, and files this Motion to Dismiss and in support thereof states as follows:

1. On December 3, 2021, a referral was filed with the Commission alleging that Respondent violated the Florida Election Code.
2. On February 4, 2022, the Executive Director found legal sufficiency to investigate a violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes, with regard to the 2021 M8 and 2021 M9 reporting periods.
3. Respondent is a political committee registered with the Division of Elections. (ROI Exhibit 2)
4. Respondent’s 2021 M8 and 2021 M9 reports were due to be filed by September 10, 2021, and October 12, 2021, respectively; however, Respondent failed to timely file the reports or notify the filing officer that no reports would be filed. *See* Compl.
5. Respondent’s bank records show reportable financial activity that occurred during the relevant reporting periods that was not disclosed by the designated due dates. (ROI Exhibit 8, pages 4 & 8)
6. Respondent failed to include information in its 2021 M8 and 2021 M9 reports in violation of Section 106.19(1)(c), Florida Statutes. Because Respondent had reportable financial

activity, it was not required to notify the filing officer that the committee would not be filing its reports pursuant to Section 106.07(7), Florida Statutes.

7. On February 10, 2022, Respondent filed its 2021 M8 and 2021 M9 reports. The reports were 153 and 121 days late, respectively. The Division of Elections assessed fines of \$2.50 and \$5.00, respectively, for the late filing of the reports pursuant to Section 106.07(8)(b), Florida Statutes. The Division of Elections' records indicate that the fines have been paid in full. (ROI Exhibit 7, page 1)

8. Respondent's bank records reflect a credit totaling \$10.00 and a debit totaling \$1.37 that occurred during the 2021 M8 reporting period. (ROI Exhibit 8, page 4) Respondent's 2021 M8 Report shows that Respondent reported one contribution totaling \$10.00 and one expenditure totaling \$.15. (ROI Exhibit 9, pages 3 & 4)

9. Respondent's bank records reflect two credits in the amount of \$10.00 each, and a debit totaling \$1.37 that occurred during the 2021 M9 reporting period. (ROI Exhibit 8, page 8) Respondent's 2021 M9 Report shows that Respondent reported two contributions in the amount of \$10.00 each, and one expenditure totaling \$.15. (ROI Exhibit 10, pages 3 & 4)

10. Respondent did not fully disclose all financial activity that took place during the relevant reporting periods. Respondent misreported the total of expenditures by \$2.44; however, the underreporting of expenditures pertains to processing fees from Vantiv/ActBlue. Additionally, had Respondent fully disclosed all financial activity, the assessed fines for the late filing of the reports would remain the same as the fines were based on the total receipts for the relevant reporting periods. *See* §106.07(8)(b), Fla. Stat.

11. In light of the fact that Respondent ultimately filed the reports and was assessed fines which have been paid, it does not appear that the public interest would be served by proceeding further.

WHEREFORE, based upon the foregoing, the undersigned counsel requests this matter be dismissed pursuant to Section 106.25(4)(j), Florida Statutes.

Respectfully submitted on September 7, 2023.

Report of Investigation for Sections 106.07(7) and 106.19(1)(c), F.S.

Case Number: FEC 21-501

Sections 106.07(7) and 106.19(1)(c), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed or failure to file a campaign report to reflect financial activity.

Respondent: Action Committee to Dethrone DeSantis

Respondent's Atty: N/A

Division of Elections (Division)

Referral Filed: December 3, 2021

Respondent Type: Political Committee

I. Preliminary Information:

1. Respondent is a political committee registered with the Division.
2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on January 4, 2021. Ryan P. Eliason was appointed as campaign treasurer. To review the DS-DE 6, refer to Exhibit 1.
3. A Statement of Organization (DS-DE 5) for the political committee was filed on December 9, 2020. To review the DS-DE 5, refer to Exhibit 2.
4. An acknowledgement letter was mailed to the address provided on the DS-DE 6 on January 5, 2021, advising Respondent that all political committees filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.
5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.
6. The Division sent correspondence to the address provided on the DS-DE 6 notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M8 and 2021 M9. The letter(s) included reference to the filing date(s) for the report(s). To review the failure to file correspondence, refer to Exhibit 4.
7. On November 1, 2021, the Division sent a letter marked "Final Notice" with delivery confirmation to the address provided on the DS-DE 6 notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M8. The letter was confirmed delivered on November 4, 2021. To review the letter marked "Final Notice" and delivery confirmation, refer to Exhibit 5.
8. On November 22, 2021, the Division sent a letter marked "Final Notice" with delivery confirmation to the address provided on the DS-DE 6 notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M9. The letter was confirmed delivered on November 23, 2021. To review the letter marked "Final Notice" and delivery confirmation, refer to Exhibit 6.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

9. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period(s) or by not filing campaign report(s) to reflect financial activity for the reporting period(s). To review the filing history, refer to Exhibit 7.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 8 ¹
2021 M8	8/1/21– 8/31/21	9/10/21	Report ²	8
2021 M9	9/1/21– 9/30/21	10/12/21	Report ³	8

10. Respondent did not respond to the referral. Respondent's Chairperson, Jackson McMillan, did send an email stating that Respondent was aware of outstanding fines for late reports covering from September to January totaling \$26.75. He stated that a check would be mailed soon. It appears that the email referenced automatic fines imposed for some of Respondent's late-filed reports. A review of Respondent's filing history indicates that six small automatic fines totaling \$26.25 were imposed and have been paid for reports covering from the 2021 M7 to the 2021 M12. To review the filing history reflecting the payment of automatic fines, refer to Exhibit 7, page 1. To review the Chairperson's email, refer to Exhibit 11.

11. I called Respondent's Chairperson for the purpose of providing an opportunity to discuss the allegations made in the referral. Mr. McMillan stated that the reports have been filed. He explained that a mix-up with the treasurer caused the untimely filing of these reports. He stated that he was in the process of moving from Gainesville to Tampa during the reporting periods and was unaware that neither of the reports had been filed. He stated that this was the first political committee with which he had been involved. He verified that he did receive election materials during the time of registration. To review the phone log, refer to Exhibit 12.

SIGNATURE OF INVESTIGATOR:

Date: May 11, 2023

¹ I subpoenaed campaign account records from the designated campaign depository. The campaign depository provided notification declaring that it had no record of an account under Respondent's name. Respondent's Chairperson stated that Respondent opened a depository under a different name: Slingshot into Action PAC. He provided bank statements for the months of August and September 2021 from an account under that name reflecting financial activity during both reporting periods at issue; the last four digits of the account number match the designated depository account number specified on Respondent's DS-DE 5. To review the bank's declaration regarding an account under Respondent's name, refer to Exhibit 8, page 1. To review the bank records for the account under the name Slingshot into Action PAC, refer to Exhibit 8, pages 2-9. To review the phone log, refer to Exhibit 12.

² Respondent ultimately filed the 2021 M8 report on February 10, 2022, which was 153 days late. An automatic fine in the amount of \$2.50 was imposed for the late-filed report. To review the filing history, refer to Exhibit 7, page 1. To review the 2021 M8 report, refer to Exhibit 9.

³ Respondent ultimately filed the 2021 M9 report on February 10, 2022, which was 121 days late. An automatic fine in the amount of \$5.00 was imposed for the late-filed report. To review the filing history, refer to Exhibit 7, page 1. To review the 2021 M9 report, refer to Exhibit 10.

This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **February 10, 2021**. The report will cover the period of January 1-31, 2021 (2021 M1). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer, and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Instructions and Assistance

An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports. The Division of Elections will also provide assistance to all users by contacting the EFS Help Desk at (850) 245-6280.

Dear Mr. McMillan:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was September 10, 2021.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Mr. McMillan,

It appears you have more than one open case. FEC 22-016 is for the failure to file your 21-M10 report [due 11-10-21]; however, it seems you have already filed the report and now have a small fine due for this late filed report. As I mentioned in my previous email, the fines are due and payable to the Division of Elections.

Would you like us to consider this response in the other two cases as well? Please advise.

RE: Case No.: FEC 21-501; Respondent: Action Committee to Dethrone DeSantis

Dear Mr. McMillan:

On December 3, 2021, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2021 M8
- 2021 M9

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported, or deliberately failed to include information required by Chapter 106, Florida Statutes, during the following reporting periods:

- 2021 M8
- 2021 M9

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon your committee. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Cedric.Oliver@myfloridalegal.com.

Sincerely,

Dear Mr. McMillan:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M8	8/1/21 - 8/31/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.
