Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Michael Harvey Sr.

Case No.: FEC 22-063

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 19, 2025, the following facts and law support this staff recommendation:

1. On March 9, 2022, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Michael Harvey Sr. (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2022 candidate for State Senator, District 23. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on December 21, 2020, initially for State Senator, District 20. (ROI Exhibit 2, page 1)¹ However, on June 17, 2022, Respondent filed a request to change his candidacy from District 20 to District 23 due to redistricting. (Attachment A)

3. By letter dated March 28, 2025, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: Respondent, a 2022 candidate for State Senator, District 23, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M11 reporting period, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2022 candidate for State Senator, District 23, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M11 reporting period, as alleged in the complaint.

4. On December 21, 2020, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing Brandy

¹ The Report of Investigation is referred to herein as “ROI.”

Harvey as treasurer for his campaign. (ROI Exhibit 1, page 1) Respondent later filed an updated DS-DE 9 form on June 17, 2022, to change his candidacy to State Senator, District 23 and appoint Alia Scott as his new campaign treasurer. (ROI Exhibit 1, page 2)

5. By letter dated December 22, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2022 active candidate list. (ROI Exhibit 3, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3, page 2)

7. Complainant alleged that Respondent violated Florida’s election laws by failing to notify the filing officer on the prescribed reporting date that no report would be filed or by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, during the 2021 M11 reporting period.

8. Respondent’s 2021 M11 report was due to be filed by December 10, 2021. (ROI Exhibit 4, page 1) However, Respondent failed to timely file the report or notify the filing officer that no report would be filed. (ROI Exhibit 4, page 1)

9. The Division sent three letters informing Respondent that his 2021 M11 report was not filed, with the Final Notice being confirmed delivered on January 14, 2022. (ROI Exhibits 4 and 5)

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the 2021 M11 reporting period, which revealed that Respondent had reportable financial activity during said period. (ROI Exhibit 7)

11. Respondent’s bank records show the following reportable financial activity:

- Contributions totaling \$274.77 and expenditures totaling \$243.39 during the 2021 M11 reporting period (November 1, 2021 – November 30, 2021). (ROI Exhibit 7, page 1)

12. Commission staff attempted to contact Respondent multiple times regarding the investigation but were never able to reach him. (ROI Exhibit 8, page 1) Respondent also failed to respond to any written electronic communications sent by the Commission during the investigation. (Exhibit 8, page 2) Respondent was not a first-time candidate. (ROI, page 1)

13. On the amended DS-DE 9 form Respondent attached a letter informing the Division that their prior treasurer had separated from the campaign and as a result they were unable to file

their reports. (ROI, page 2) They also stated that they had appointed a new treasurer and would be able to catch up on late filings. (ROI, page 2) As of the filing of the Report of Investigation, Respondent did not file the report at issue. (ROI, page 2)

14. As it appears that Respondent had financial activity during the 2021 M11 reporting period, Respondent was required to report this activity but failed to do so. Since Respondent had reportable financial activity during this reporting period, Respondent was not required to notify the filing officer in writing that he would not be filing his 2021 M11 report.

15. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

16. The facts set forth above show that Respondent was a 2022 candidate for State Senator, District 23. Respondent failed to timely file his 2021 M11 report or notify the filing officer in writing on the prescribed reporting date that no report would be filed. The evidence shows that Respondent had reportable financial activity during the 2021 M11 reporting period. Therefore, Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, in his report in violation of Section 106.19(1)(c), Florida Statutes. Since Respondent did have reportable financial activity during the 2021 M11 reporting period, it does not appear that Respondent failed to notify the filing officer that no report would be filed.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about December 10, 2021, Michael Harvey Sr. violated **Section 106.19(1)(c), Florida Statutes**, when he deliberately failed to include information required by **Chapter 106, Florida Statutes**, on the campaign’s 2021 M11 Report.

Respectfully submitted on July 9, 2025.

Case Number: FEC 22-063

Sections 106.07(7) and 106.19(1)(c), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed or failure to file a campaign report to reflect financial activity.

Respondent: Michael Harvey, Sr.**Respondent's Atty:** N/A**Division of Elections (Division)****Referral Filed:** March 9, 2022**Respondent Type:** Candidate**I. Preliminary Information:**

1. Respondent was a 2022 candidate for State Senator, District 23¹; he was defeated in the general election held on November 8, 2022. Respondent was not a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on December 21, 2020. Brandy Harvey was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 1.²

3. Respondent filed a Statement of Candidate with the Division on December 21, 2020, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on December 22, 2020, advising Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.

6. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M11. The letter(s) included reference to the filing date(s) for the report(s). To review the failure to file correspondence, refer to Exhibit 4.

¹ Respondent originally filed to run for District 20, but he redesignated to District 23.

² Another form was subsequently filed appointing a new treasurer.

7. On January 11, 2022, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that the following campaign report(s), or the required notification that no reportable activity occurred, had not been filed: 2021 M11. The letter was confirmed delivered on January 14, 2022. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 5.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period(s) or by not filing campaign report(s) to reflect financial activity for the reporting period(s). To review the filing history, refer to Exhibit 6.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 7³
2021 M11	11/1/21– 11/30/21	12/10/21	Report	7

9. Respondent did not respond to the referral. On June 17, 2022, Respondent filed a DS-DE 9 appointing a new campaign treasurer. In a letter attached to the DS-DE 9, Respondent stated, “We have a new Treasurer. Our former Treasurer separated from the campaign in October, so we have not been able to file our reports. We will now have the ability to catch up on our reporting and stay current.” The Division’s website does not show any record of correspondence from Respondent about the loss of his campaign treasurer in October 2021, and Respondent has not filed the report at issue after appointing a new campaign treasurer in June 2022. To review the letter from Respondent, refer to Exhibit 1, page 3.

10. I attempted to contact Respondent on three occasions for the purpose of providing an opportunity to discuss the allegations made in the referral. As of the date of this report, neither my telephone calls nor email have been returned. Therefore, I am unable to ascertain whether he has read Chapter 106, Florida Statutes, and/or the *Candidate and Campaign Treasurer Handbook*. To review the phone log and email, refer to Exhibit 8.

Dear Mr. Harvey:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was December 10, 2021.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Mr. Harvey:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was December 10, 2021.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on December 13, 2021.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Harvey:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M11	11/1/21 - 11/30/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

RE: Case No.: FEC 22-063; Respondent: Michael Harvey, Sr.

Dear Mr. Harvey:

On March 9, 2022, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: Respondent, a 2022 candidate for State Senator, District 23, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M11 reporting period, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2022 candidate for State Senator, District 23, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2021 M11 reporting period, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Cedric.Oliver@myfloridalegal.com.

Unit 47676
Tampa, FL 33647-3647

CAN 79106

Dear Mr. Harvey:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M11	11/1/21 - 11/30/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief
Bureau of Election Records
