If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case Number: FEC-25-059

NAME: **CHANDLER AUSTIN LANGEVIN**

DATE APPEAL RECEIVED: 01/27/2025

DATE REPORT DUE: 12/26/2023 (2023 TR)

DATE OF ELECTRONIC RECEIPT: 08/30/2024

NUMBER OF DAYS LATE: 248

AMOUNT OF FINE: \$1,306.97¹

CANDIDATE [X]	STATE [X]
PC []	DISTRICT []
CCE []	COUNTY []
POLITICAL PARTY []	CITY []

FINE BASED ON: (..) NUMBER OF DAYS (..) 25% OF RECEIPTS (X) 25% OF EXPENDITURES

TOTAL RECEIPTS FOR REPORTING PERIOD: \$0

TOTAL EXPENDITURES FOR REPORTING PERIOD: -\$142.14

DATE OF FIRST NOTIFICATION: 08/22/2024 (Failure to File Ltr)

SUMMARY: Chandler Austin Langevin was a candidate for State Representative, District 33 in the 2024 elections. Mr. Langevin was his own treasurer.

Chandler Langevin is appealing the fine, asserting that it is already under investigation by the FEC. He is concerned that the agencies are not communicating effectively and wants to prevent the possibility of being penalized for the same offense twice.

- The 2023 TR Original Report covers the period from 07/01/23-12/26/23; it was due on 12/26/23.
- The 2023 TR Queued Transaction Report shows that it was created and filed on 08/30/24. The report was subsequently amended the same day.
- Chandler Austin Langevin reported receiving zero contributions, while making 18 expenditures.
- The Division of Elections does not have any notes that pertain to Mr. Langevin's 2023 TR report.

PRIOR CASES: NONE.

CORRECTION OF FINE: \$1,644.47. This is based on Appellant's original filed report that contained expenditures totaling \$6,577.86. Twenty-five percent (25%) of \$6,577.86 = \$1,644.47.

¹ The Division's fine of \$1,306.97 appears to be based on the original total amount of expenditures reported in the 2023 TR, which was \$6,577.86. However, twenty-five percent (25%) of \$6,577.86 = \$1,644.47. (see "Correction of Fine")

2B-1.005 Appeal of Fines Imposed by Filing Officers.

(1) To appeal a fine imposed pursuant to section 106.04(8) or 106.07(8), F.S., the party against whom the fine is levied shall file a notice of appeal with the Commission, and a copy filed with the filing officer, within 20 days of the appealing party's receipt of notice that a fine is being imposed. The notice of appeal shall contain:

- (a) The name, address and telephone number of the appealing party;
- (b) A copy of the notice of imposition of fine issued by the filing officer; and,
- (c) A request for hearing if a personal appearance before the Commission is desired. If no hearing request is made, the appeal shall be decided solely on the documents submitted by the appealing party and Commission staff.

(2) Upon receipt of a timely notice of appeal, the Commission staff shall notify the appealing party that the appeal has been accepted. The appealing party shall have 20 days from acceptance of the appeal to submit any documents supporting the appeal. Any subsequent supplemental documents shall be filed no later than five business days before the hearing.

(3) The Commission shall uphold the fine imposed by the filing officer unless the appealing party demonstrates that the report was timely filed or that there were unusual or other circumstances beyond the control of the candidate or committee that caused the report to be filed late.

Rulemaking Authority 106.26(1) FS. Law Implemented 106.04(8), 106.07(8) FS. History—New 9-14-86, Amended 10-19-86, Formerly 1D-1.005, Amended 1-11-99, 4-24-05, 6-2-13.

2B-1.0055 Late-filed Reports; Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

(a) Natural disaster or other emergency that prevented timely filing. Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency.

(b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer. Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice.

(c) Serious illness, disability or non-elective surgery of the candidate or campaign treasurer. Evidence submitted shall include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. The period of incapacitation may also be shown by copies of hospital records reflecting the dates of hospitalization.

(d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member. Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.

(e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.

(f) The abrupt and unexpected loss of the campaign treasurer, over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.

(g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days late.

(2) Unusual circumstances shall not include:

(a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.

(b) Failure of the sender to affix sufficient postage to a report that is being mailed.

Rulemaking Authority 106.26(1) FS. Law Implemented 106.04(8), 106.07(8) FS. History—New 1-11-99, Amended 4-24-05, 6-2-13.

Greetings,

I am appealing the attached automatically assessed late fine within 20 days of my receiving it. This item has already been reported to the FEC who are in the process of investigating it and determining the fine that I will have to pay.

My concern, if these agencies are not talking with each other enough to know this, is that I will pay the automatic fine and then be assessed the same fine by the FEC. I would like to ensure that I only pay once for the same offense.

Very Respectfully,

Chandler Langevin

Dear Mr. Langevin:

A recent review of the Division's records show that the Division has not yet received your termination report or the required notification that no reportable activity occurred, whichever is applicable.

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report or notification is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Re: Returned Mail			
I attempted to make phone contact with Mr. Chandler Langevin and Mr. Timothy Richard Larrett in reference to returned mail (Fine Notice) sent on October 4, 2021 and returned to this undelivered on October 19, 2021. The number provided for Mr. Langevin appeared to be a none working number and the phone number provided for Mr. Larrett indicated the mailbox as full. Therefore, I was unable to leave a voice message requesting a call back. Using the email address on file, I emailed a copy of the returned document to Mr. Langevin for his record and immediate and appropriate response. Please note that the fine of \$10.00 for the late filing of the 2021 M8 Report has not been paid to date. The returned document was then boxed into box #556. DLH

Dear Mr. Langevin:

This will acknowledge receipt of the letter informing us of your withdrawal as a 2024 candidate for the office of State Representative. This information was placed on file in our office on September 25, 2023.

Pursuant to Section 106.141, Florida Statutes, all candidates must, within 90 days of withdrawing their candidacy, dispose of all funds on deposit in the campaign account. You are required to file a 90-day termination report (TR) no later than **December 26, 2023**. You are not required to close the campaign account prior to the due date; however, you must have written checks disposing of all surplus funds by this date.

You may file your report in the Electronic Filing System (EFS) at any time prior to the deadline once you have disposed of all funds. In order to file your termination report prior to the due date, you will need to change the coverage period, which has been defaulted to an ending period of December 26, 2023, in the EFS (see attached example).

If you have any questions, or if we may be of assistance to you at any time, please contact this office at (850) 245-6280.

Sincerely,
